

**LOUISIANA STATE-LOCAL GOVERNMENT

6. Meetings. The Taskforce shall meet in person or virtually each year.

8. At least annually, the State and the Taskforce shall publish a report detailing for the preceding time-period (1) the amount of the State Share received, (2) the allocation of any awards approved (listing the recipient, the amount awarded, the program to be funded, and disbursement terms), and (3) the amounts disbursed for approved allocations.

C. Allocation of Settlement Proceeds

1. All of the Opioid Settlement Funds shall be received on behalf of the Local Governments and will be placed into one fund (hereinafter, "Opioid Abatement Fund") for the benefit of the Parishes and Municipalities of the state after deducting costs of the Local Government Fee Fund detailed in paragraph D below:
 - a. The amounts received shall by the Local Governments shall be allocated with twenty percent (20%) going to the benefit of Sheriffs and the remaining eighty percent (80%) going to the benefit of the other Local

Governments , all as provided hereinafter.

- b. The amounts to be distributed to each Parish and Municipalities shall be determined by the Negotiation Class Metrics or other metrics agreed upon, in writing, by the Parishes and Municipalities. The amounts to be distributed to each Sheriff shall be determined by the Negotiation Class Metrics or other metrics agreed upon, in writing, in the same way allocated to the Parishes.
- c. The Opioid Taskforce will annually calculate the share of each Parish within the State utilizing the sliding scale in section 4 of the allocation contained in the Negotiation Class Metrics or other metrics that the Parties agree upon.
- d. For Qualified Parishes, the Qualified Parish's share, including the Municipalities within that Parish, will be paid to the Qualified Parish and expended for Approved Purposes, including the Core Strategies identified in Exhibit A, if applicable. A priority shall be given to treatment of citizens with opioid use disorder who are not covered by Medicaid or not covered by private insurance for such treatment.
- e. For all other Parishes, the funds allocated for those Parishes and Municipalities shall be paid on a regional basis consistent with Louisiana Department of Health Regions, as set forth in Exhibit B. The regional share of the funds will be paid to the designated Parish as set forth in Exhibit B and expended for Approved Purposes, including the Core Strategies identified in Exhibit A, if applicable in that Region. A priority shall be given to treatment of citizens with opioid use disorder who are not covered by Medicaid or not covered by private insurance for such treatment.
- f. To the extent that funds in the Opioid Abatement Fund are not appropriated and expended in a year by the Taskforce , the Taskforce shall identify the investments where settlement funds will be deposited. Any gains, profits, or interest accrued from the deposit of the Opioid Funds to the extent that any funds are not appropriated and expended within a calendar year, shall be the sole property of the Party that was entitled to the initial deposit.
- g. The Taskforce may take no more than 3% administrative fee from the Opioid Abatement Fund ("Administrative Costs") for operation of the Taskforce .

D. Payment of Counsel and Litigation Expenses

1. This section D shall only apply to any settlement funds or fees derived from settlement(s) with McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation (hereinafter, "Settling Distributors") and Johnson & Johnson, Janssen Pharmaceuticals, Inc., Ortho- McNeil-Janssen Pharmaceuticals, Inc., and Janssen Pharmaceutica, Inc.
2. The Parties anticipate that any national settlement will provide for the partial payment of fees and litigation expenses to counsel representing Local Governments. If the court in *In Re: National Prescription Opiate Litigation*, MDL No. 2804 (N.D. Ohio) or a national global settlement otherwise establishes a separate fund or similar device for the payment of fees and expenses to counsel or requires any governmental plaintiffs to pay a share of their recoveries from defendants into an attorney fee and expense fund as a "tax," then Participating Local Governments shall first seek to have the settling defendants pay the requisite amounts into that fund. If the settling defendants do not agree, then the amounts due to the fee and expense fund shall be paid from the State of Louisiana's recovery, prior to the allocation and distribution of any settlement funds to the State or Participating Local Governments.
3. Any governmental entity which seeks attorneys' fees and expenses for its counsel shall first seek to recover those amounts from the national settlement. Anticipating that any fund established as part of a national settlement will not be sufficient to pay all contingency fee contracts for Participating Local Governments in the State of Louisiana, the Parties agree to create a supplemental fee and expense fund (the "Local Government Fee Fund" or "LGFF").
4. The LGFF is to be used to compensate counsel for Participating Local Governments that filed opioid lawsuits by the Effective Date of this Agreement ("Litigating Participating Local Governments").
5. The LGFF shall be used to pay the fees and expenses of Participating Local Governments in the State of Louisiana who filed opioid lawsuits on or before the date of this agreement. The amount of funds to be deposited in the LGFF shall be contingent upon the overall percentage of Incentive Payments awarded to the State of Louisiana under the national settlement, pursuant to the following table, with the LGFF percentage being a percentage of the Total Cash Value of payments to the State of Louisiana before any allocation of funds to the State or any Participating Local Governments. In no circumstances shall the LGFF receive more than 7.5% of the Total Cash Value received by the State of Louisiana including any funds received from a national fee fund as described in Paragraph D(2) above. If the State of Louisiana does not receive at least 65% of the total available Incentive

Payments, then the LGFF shall be null and void and no amounts shall be paid into the LGFF.

PERCENTAGE OF INCENTIVE PAYMENTS AWARDED	LGFF PERCENTAGE
65%	2%
70%	3%
75%	4%
80%	5%
85%	6%
90%	6.5%
95%	7%
100%	7.5%

6. The Parties further agree no counsel for any Litigating Participating Local Government shall recover, from any national fee fund and the LGFF, a combined contingency fee of more than 7.5% (plus expenses). Additionally, counsel for any Litigating Participating Local Government shall not be paid a contingency fee, from any national fee fund and the LGFF, that exceeds the amount due under its fee contract. If there are any funds remaining in the LGFF after payment of fees and expenses consistent with the terms of this agreement, those funds shall revert pro rata to the Participating LGs.
7. Although the amount of the LGFF shall be calculated based on the entirety of payments due to the LGs over a 10 to 18 year period, the LGFF shall be funded and made payable over a period of 7 years.

E. Accountability

1. The State and Participating Local Governments may object to an allocation of Opioid Funds solely on the basis that the allocation at issue (1) is inconsistent with provision B(1) hereof with respect to the amount of the State Share or LG Share; (2) is inconsistent with an agreed-upon allocation, or the default allocations in Exhibit B or (3) violates the limitations set forth in Exhibit A.
2. The Parties shall maintain, for a period of at least five years, records of abatement expenditures and documents underlying those expenditures, so that it can be verified that funds are being or have been utilized in a manner consistent with the Approved Purposes definition.
3. The Louisiana Legislative Auditor shall have the right to audit the Opioid Funds.

4. In an action brought pursuant to E(1), attorney's fees and costs shall not be recoverable.

F. Settlement Negotiations

1. The State and the Participating Local Governments agree to inform each other in advance of any negotiations relating to a Louisiana-only settlement with a Pharmaceutical Supply Chain Participant that includes both the State and the Participating Local Governments and shall provide each other the opportunity to participate in all such negotiations.
2. The State and the Participating Local Governments further agree to keep each other reasonably informed of all other global settlement negotiations with Pharmaceutical Supply Chain Participants. Neither this provision, nor any other, shall be construed to state or imply that either the State or the Participating Local Governments (collectively, the "Louisiana Parties") are unauthorized to engage in settlement negotiations with Pharmaceutical Supply Chain Participants without prior consent or contemporaneous participation of the other, or that either party is entitled to participate as an active or direct participant in settlement negotiations with the other. Rather, while the State's and the Participating Local Government's efforts to achieve worthwhile settlements are to be collaborative, incremental stages need not be so.
3. By virtue of executing this MOU, Participating Local Governments give the State the right to execute a settlement agreement with certain entities in the Pharmaceutical Supply Chain for those entities' role in the opioid epidemic. The Attorney General shall have the ability to release any and all claims said Participating Local Governments may have with those entities provided such settlement comports with the parameters of this MOU, including Exhibit A and Exhibit B. Furthermore, Local Governments shall not initiate any new litigation against any entity in the Pharmaceutical Supply Chain for harm caused by misfeasance, nonfeasance, and malfeasance committed by said entities that resulted in the opioid epidemic, unless the Local Government is granted written permission from the Attorney General. For the avoidance of doubt, in the event that a Participating Litigating Local Governments seeks to add additional defendants to its lawsuit, or desires to file new litigation against an entity in the Pharmaceutical Supply Chain related to the opioid epidemic, the Participating Litigating Local Government must first receive written permission from the Attorney General.

G. Amendments, Choice of Law, Venue, Consent Decree

1. The Parties agree to make such amendments as necessary to implement the intent of this agreement.

2. The Parties agree that this MOU, any amendments thereto, and any dispute arising out of or related to this MOU, shall be governed by and interpreted according to the laws of the State of Louisiana. Any action to enforce or interpret this MOU, or to resolve any dispute concerning it, shall be commenced and maintained only by a court of competent jurisdiction in East Baton Rouge Parish, Louisiana. The Parties understand and agree that, in connection with a settlement with any Pharmaceutical Supply Chain Participant, the State may file an appropriate action in a court of competent jurisdiction in East Baton Rouge, Louisiana seeking a consent decree approving such settlement and the allocation of settlement funds within the State of Louisiana pursuant to this MOU.

Acknowledgment of Agreement

The undersigned has participated in the drafting of the above Memorandum of Understanding including consideration based on comments solicited from Local Governments. This document has been collaboratively drafted to maintain all individual claims while allowing the State and Local Governments to cooperate in exploring all possible means of resolution. Nothing in this agreement binds any party to a specific outcome. Any resolution under this document will require acceptance by the State and the Local Governments.

FOR THE STATE:

Attorney General
