

**AGREEMENT TO EXTEND CERTAIN DEADLINES
IN THE DISTRIBUTOR GLOBAL SETTLEMENT AGREEMENT**

Whereas certain States,¹ significantly after the Preliminary Agreement Date and shortly before the original Initial Participation Date, have requested to join the July 21, 2021 Distributor Global Settlement Agreement, as updated on October 22, 2021 (“Agreement”) and Settling Distributors have permitted those States to do so, the Settling Distributors and the Enforcement Committee agree that it is appropriate to extend, on a nationwide basis, certain deadlines in the Agreement that allow for subdivision participation.

Accordingly, pursuant to Sections I.CC and I.FFF of the Agreement, the Settling Distributors and the Enforcement Committee hereby extend the Initial Participation Date and the Reference Date. Those dates are extended as follows:

- The Initial Participation Date, previously January 2, 2022, is extended until January 26, 2022;
- The date by which the Settling States shall inform the Settling Distributors that there is sufficient participation to proceed with the Agreement is, consistent with Section VIII.A.1 of the Agreement, extended to February 7, 2022;
- The Reference Date, previously, February 1, 2022, is extended until February 25, 2022.

The Settling Distributors and the Enforcement Committee do not intend this written agreement to change any other term of the Agreement, including any other date or deadline in the Agreement, including the current Effective Date, which shall remain April 2, 2022.
