FILED: _____
DEPUTY CLERK

FINAL CONSENT JUDGMENT

The State of Louisiana (“State”) and Johnson & Johnson, Janssen Pharmaceuticals, Inc., Ortho-McNeil-Janssen Pharmaceuticals, Inc., and Janssen Pharmaceutica, Inc. (collectively, “Janssen” or “Defendants”) (together with the State, the “Parties,” and each a “Party”) have entered into a consensual resolution of the above-captioned litigation (the “Action”) pursuant to a settlement agreement entitled Janssen Settlement Agreement, dated as of July 21, 2021 (as subsequently updated) (the “Agreement”), a copy of which is attached hereto as Exhibit A. The Agreement shall become effective by its terms upon the entry of this Final Consent Judgment (the “Judgment”) by the Court without trial or adjudication of any contested issue of fact or law, and without finding or admission of wrongdoing or liability of any kind.

RECITALS:

1. Each Party warrants and represents that it engaged in arm’s-length negotiations in good faith. In hereby executing the Agreement, the Parties intend to effect a good-faith settlement.
2. The State has determined that the Agreement is in the public interest.

3. Janssen denies the allegations against it and that it has any liability whatsoever to the State, its Subdivisions, and/or (a) any of the State's or Subdivisions' departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, including its Attorney General and any person in his or her official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, and other Special Districts, and (c) any person or entity acting in a parens patriae, sovereign, quasi-sovereign, private attorney general, qui tam, taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public.

4. The Parties recognize that the outcome of a potential action is uncertain and a final resolution through the adversarial process likely will require protracted litigation.

5. The Parties agree to the entry of the injunctive relief terms pursuant to Exhibit P of the Agreement.

6. The parties have agreed to waive service and notice requirements.

7. Therefore, without any admission of liability or wrongdoing by Janssen or any other Released Entities (as defined in the Agreement), the Parties now mutually consent to the entry of this Judgment. Further, the State's claims against the Johnson & Johnson and Janssen Defendants were dismissed with prejudice on March 23, 2022 by the Court's Order of Dismissal, a copy of which is attached hereto as Exhibit B.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:

In consideration of the mutual promises, terms, and conditions set forth in the Agreement, the adequacy of which is hereby acknowledged by all Parties, it is agreed by and between Defendants and the State, and adjudicated by the Court, as follows:

1. The foregoing Recitals constitute an express term of this Judgment.
2. The Parties have entered into a full and final settlement of all Released Claims of Releasers against Janssen (including but not limited to the State) and the Released Entities pursuant to the terms and conditions set forth in the Agreement.

3. The "Definitions" are set forth in Section I of the Agreement. The State is a "Settling State" within the meaning of the Agreement. Unless otherwise defined herein, capitalized terms in this Judgment shall have the same meaning given to them in the Agreement.

4. The Parties agree that the Court has jurisdiction over the subject matter of the Action and over the Parties with respect to the Action and this Judgment. This Judgment shall not be construed or used as a waiver of any jurisdictional defense Janssen or any other Released Entity may raise in any other proceeding.

5. The Parties agree that the Agreement was entered into in good faith.

6. The Parties agree that entry of this Judgment is in the public interest and reflects a negotiated settlement agreed to by the Parties. The Action has been dismissed with prejudice by the Court's Order of Dismissal, a copy of which is attached hereto as Exhibit B, subject to a retention of jurisdiction by the Court as provided herein and in the Agreement.

7. The Court shall have authority to resolve disputes identified in Section XII.F.2 of the Agreement, governed by the rules and procedures of the Court.

8. Funds received from this Settlement will not be received or distributed by the State of Louisiana and will be received and distributed in accordance with the Louisiana Memorandum of Understanding entered into by the State through the Attorney General and the participating subdivisions. The Memorandum of Understanding is incorporated into the Agreement pursuant to Exhibit O of the Agreement. The Memorandum of Understanding is attached hereto as Exhibit C as the means by which relevant funds paid pursuant to the Agreement will be divided within the State, subject to the full acceptance by any Subdivision receiving such funds of the terms of the Agreement, including the releases provided therein. The Parties have satisfied the Condition to Effectiveness of Agreement set forth in Section VIII of the Agreement and the Release set forth in Sections IV. .A, D, and E of the Agreement, as follows:

a. The Attorney General of the State exercised the fullest extent of his or her powers to release Janssen and all other Released Entities from all Released Claims pursuant to the release attached hereto as Exhibit D (the "AG Release").

- b. Janssen has determined that there is sufficient State participation and sufficient resolution of the Claims of the Litigating Subdivisions in the Settling States to proceed with the Agreement.
- c. The Settlement Participation Form for each Initial Participating Subdivision in the State has been delivered to Janssen. As stated in the Settlement Participation Form, and for the avoidance of doubt, nothing in the Settlement Participation Form executed by the Participating Subdivisions is intended to modify in any way the terms of the Agreement to which the Participating Subdivisions agree. As stated in the Settlement Participation Form, to the extent the executed version of the Settlement Participation Form differs from the Agreement in any respect, the Agreement controls.
- d. Pursuant to Section VII of the Agreement, each Participating Subdivision in the State has dismissed with prejudice all Released Claims that it has filed against Janssen and the Released Entities.

9. Release. Pursuant to the Agreement and the AG Release and without limitation and to the maximum extent of the power of the State's Attorney General, Janssen and the other Released Entities are, as of the Effective Date, hereby released from any and all Released Claims of (a) the State and its Participating Subdivisions and any of their departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, including the State's Attorney General, and any person in his or her official capacity whether elected or appointed to serve any of the foregoing, and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, water districts, law enforcement districts, emergency services districts, school districts, hospital districts, and other Special Districts in the State, and (c) any person or entity acting in a *parens patriae*, sovereign, quasi-sovereign, private attorney general, *qui tam*, taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public with respect to the State or any Subdivision in the State, whether or not any of them participate in the Agreement. Pursuant to the Agreement and the AG Release and to the maximum extent of the State's power, Janssen and the other Released Entities are, as of the Effective Date, hereby released from any and all Released Claims of (1) the State, (2) all past and present

executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts, and (3) any of the State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution license, and (4) any Participating Subdivision. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor.

10. General Release. In connection with the releases provided for in the Agreement, the State (for itself and its Releasers) and each Participating Subdivision (for itself and its Releasers) will expressly waive, release, and forever discharge any and all provisions, rights, and benefits conferred by any law of the State or principle of common law which would exclude from the scope of the Released Claims any Claims that a Releasor does not know or suspect to exist in the Releasor's favor as of the Effective Date that, if known by the Releasor, would have materially affected the State's or any Participating Subdivision's decision to provide the general release contemplated by this Section. A Releasor may thereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but the State (for itself and its Releasers) and each Participating Subdivision (for itself and its Releasers) will expressly waive and fully, finally, and forever settle, release and discharge, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasers do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the State's decision to enter into the Agreement or the Participating Subdivisions' decision to participate in the Agreement.

11. Costs and Fees. The Parties will bear their own costs and attorneys' fees. All court costs have been satisfied, as reflected in the Clerk of Court Deposit Receipt, attached hereto as Exhibit E.

12. No Admission of Liability. Janssen is consenting to this Judgment solely for the purpose of effectuating the Agreement, and nothing contained herein may be taken as or construed to be an admission or concession of any violation of law, rule, or regulation, or

of any other matter of fact or law, or of any liability or wrongdoing, all of which Janssen expressly denies. None of Janssen or any other Released Entity admits that it caused or contributed to any public nuisance, and none of Janssen or any other Released Entity admits any wrongdoing that was or could have been alleged by the State, its Participating Subdivisions and/or Participating Special Districts, or any other person or entity. No part of this Judgment shall constitute evidence of any liability, fault, or wrongdoing by Janssen or any other Released Entity. The Parties acknowledge that payments made under the Agreement are not a fine, penalty, or payment in lieu thereof and are properly characterized as described in Section VI.F of the Agreement.

13. No Waiver. This Judgment is entered based on the Agreement without trial or adjudication of any contested issue of fact or law or finding of liability of any kind. This Judgment shall not be construed or used as a waiver of any of Janssen's rights, or any other Released Entity's right, to defend itself from, or make any arguments in, any other regulatory, governmental, private individual, or class claims or suits relating to the subject matter or terms of this Judgment. Notwithstanding the foregoing, the State may enforce the terms of this Judgment as expressly provided in the Agreement.

14. No Private Right of Action. This Judgment is not intended for use by any third party for any purpose, including submission to any court for any purpose, except pursuant to Section XII.A of the Agreement. Except as expressly provided in the Agreement, no portion of the Agreement or this Judgment shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. The State shall allow Participating Subdivisions in the State to notify it of any perceived violations of the Agreement or this Judgment. No Settling State, including the State, may assign or otherwise convey any right to enforce any provision of the Agreement.

15. Admissibility. It is the intent of the Parties that this Judgment not be admissible in other cases against Janssen or binding on Janssen in any respect other than in connection with the enforcement of this Judgment or the Agreement. For the avoidance of doubt, nothing herein shall prohibit Janssen from entering this Judgment or the Agreement into evidence in any litigation or arbitration concerning (1) Janssen's right to coverage under an insurance contract or (2) the enforcement of the releases provided for by the Agreement and this Judgment.

16. **Preservation of Privilege.** Nothing contained in the Agreement or this Judgment, and no act required to be performed pursuant to the Agreement or this Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

17. **Mutual Interpretation.** The Parties agree and stipulate that the Agreement was negotiated on an arm's-length basis between parties of equal bargaining power and was drafted jointly by counsel for each Party. Accordingly, the Agreement shall be mutually interpreted and not construed in favor of or against any Party, except as expressly provided for in the Agreement.

18. **Retention of Jurisdiction.** The Court shall retain jurisdiction of the Parties for the limited purpose of the resolution of disputes identified in Section XII.F.2 of the Agreement. The Court shall have jurisdiction over Participating Subdivisions in the State for the limited purposes identified in the Agreement.

19. **Successors and Assigns.** This Judgment is binding on each of Janssen's successors and assigns.

20. **Modification.** This Judgment shall not be modified without the consent of the State and Janssen and approval by the Court, or as provided for in Section XIII.S of the Agreement.
