

WEST VIRGINIA FIRST MEMORANDUM OF UNDERSTANDING

Whereas, the State, through its Attorney General, and its Local Governments share a common desire to abate and alleviate the impacts of that misfeasance, nonfeasance, and malfeasance throughout the State of West Virginia;

B. Settlement and Judgment Proceeds

1. The Parties shall organize a private, nonstock, nonprofit corporation for the purposes of receiving and distributing West Virginia Opioid Funds as set forth in Section C. of this MOU ("Opioid Foundation").
2. The Parties shall allocate all Opioid Funds as follows:
 - a. Subject to relevant approvals, the State shall pay into the West Virginia Seed Fund the \$10,000,000 received from McKinsey & Company as a result of the February 3, 2021, consent judgment with the State.
 - b. All other Opioid Funds covered by the agreement shall be allocated as set forth below:

- i. 24.5% of the Net Opioid Funds shall be allocated as LG Shares. These LG Shares shall be allocated amongst the Local Governments using the default percentages set forth in Exhibit C. Each county and its inclusive municipalities must either: (a) ratify the default allocation; (b) reach an agreement altering the default allocation; or (c) submit to binding arbitration before Judge Christopher Wilkes (WVMLP Special Master) whose decision will be final and non-appellable.
 - ii. The Foundation will receive 72.5% of the Net Opioid Funds ("Foundation Share").
 - iii. The State shall receive 3% of the Net Opioid Funds ("State Share"), by and through the Attorney General, to be held in escrow for expenses incurred related to opioid litigation. If the 3% is not spent by December 31, 2026, then 1% goes to Local Governments and 2% goes to the Opioid Foundation.
3. All Net Opioid Funds, regardless of allocation, shall be used in a manner consistent with the Approved Purposes definition. The LG Share may be used as restitution for past expenditures so long as the past expenditures were made for purposes that would have qualified or were consistent with the categories of Approved Purposes listed in Exhibit A. Prior to using any portion of the LG Share as restitution for past expenditures, a Local Government shall pass a resolution or take equivalent governmental action detailing and explaining its use of the funds for restitution. Moreover, up to one-half of the LG Share may be used to provide restitution for monies that were previously expended on opioid abatement activities, including law enforcement and regional jail fees.
4. In the event a Local Government merges, dissolves, or ceases to exist, the relevant shares for that Local Government shall be redistributed equitably based on the composition of the successor Local Government. If a Local Government for any reason is excluded from a specific Settlement or Judgment, the allocation percentage for that Local Government shall be redistributed among the participating Local Governments for that Settlement or Judgment.
5. If the LG Share is less than \$500, then that amount will instead be distributed to the county in which the Local Government lies to allow practical application of the abatement remedy.
6. Funds obtained that are unrelated to any Settlement or Judgment with a Pharmaceutical Supply Chain Participant, including those received via grant, bequest, gift, or the like, may be directed to the Opioid Foundation and disbursed as set forth below.
7. The Foundation Share shall be used for the benefit of the people of West Virginia consistent with the by-laws of the Foundation documents and this MOU.

8. Nothing in this MOU alters or changes the Parties' rights to pursue their own claims in litigation, subject to Paragraph E. Rather, the intent of this MOU is to join the Parties together regarding the distribution of the proceeds of settlements with or judgments against Pharmaceutical Supply Chain Participants for the benefit of all West Virginians and ensure that settlement monies are spent consistent with the Approved Purposes set forth in Exhibit A.
9. Any settlement, judgment and/or other remedy arising out of *City of Huntington v. AmerisourceBergen Drug Corporation, et al.* (Civil Action No. 3:17-01362) and/or *Cabell County Commission v. AmerisourceBergen Drug Corporation, et al.* (Civil Action No. 3:17-01665) pending in the United States District Court for the Southern District of West Virginia (Faber, J.) ("CT2") is specifically excluded from this MOU.

C. The Opioid Foundation

1. The Parties shall create a private section 501(c)(3) Opioid Foundation ("Foundation") with a governing board ("Board"), a panel of experts ("Expert Panel"), and such other regional entities as may be necessary for the purpose of receiving and disbursing Opioid Funds and other purposes as set forth both herein and in the documents establishing the Foundation. The Foundation will allow Local Governments to take advantage of economies of scale and will partner with the State to increase revenue streams.
2. Each Region shall create their own governance structure, ensuring that all Local Governments have input and equitable representation regarding regional decisions including representation on the board and selection of projects to be funded from the Regional Share Calculation. The Expert Panel may consult with and may make recommendations to Regions on projects, services and/or expenses to be funded. Regions shall have the responsibility to make decisions that will allocate funds to projects, services and/or expenses that will equitably serve the needs of the entire Region.

3. Board Composition

The Board will consist of 11 members comprising representation as follows:

- a. To represent the interests of the State, five appointees of the governor, subject to confirmation by the Senate. The five appointees are intended to be limited to one from any given Region. If special circumstances are shown, this provision may be waived by a vote of four of the six Local Government members.
- b. To represent the interests of the Local Governments, six members, with one member selected from each Region. The Local Governments in each Region shall make the selection of the board member to represent their region.

4. Board terms will be staggered three-year terms. Board members may be reappointed.
5. Board members shall serve as fiduciaries of the Foundation separate and distinct from any representational capacity of the entity appointing the Board Member. Members of any regional governing structure shall likewise serve as fiduciaries of their Region separate and distinct from any representational capacity of the entity appointing the member.
6. Members of the board should have expertise in a variety of disciplines, such as substance abuse treatment, mental health, law enforcement, pharmacology, finance, and healthcare policy and management. Drawing Board members from these disciplines will help to ensure that the Board will make appropriate and prudent investments in order to meet short-term and long-term goals.
7. Six members of the Board shall constitute a quorum. Members of the Board may participate in meetings by telephone or video conference or may select a designee to attend and vote if the Board member is unavailable to attend a board meeting.
8. The Foundation shall have an Executive Director appointed by the Attorney General after consultation with the Board. The Board may reject the Attorney General's selection of the Executive Director only on the affirmative vote of eight members of the board. The Executive Director shall have at least six years' experience in healthcare, finance and management and will be responsible for the management, organization, and preservation of the public/private partnership's records. The Executive Director may be removed by the Board upon the concurrence of the votes of three-fourths of the members of the Board. The Executive Director shall have the right to attend all Board meetings unless otherwise excused but shall vote only in the event of a tie.
9. The Board shall appoint the Expert Panel. The Expert Panel should include experts in the fields of substance abuse treatment, mental health, law enforcement, pharmacology, finance, and healthcare policy and management. The purpose of the Expert Panel is to assist the Board in making decisions about strategies for abating the opioid epidemic in local communities around the state. The Executive Director and any member of the Board shall have the right to attend all meetings of the Expert Panel.
10. The governance of the Board and the criteria to be established for disbursement of funds shall be guided by the recognition that expenditures should insure the efficient and effective abatement of the opioid epidemic, the enforcement of laws to curb the use of opioids, and the prevention of future addiction and substance misuse based upon an intensity and needs basis. All expenditures must be consistent with the categories of Approved Purposes as set forth in Exhibit A hereto.

11. Disbursement of Foundation Share by the Board

- a. The Foundation Board shall develop and approve procedures for the disbursement of Opioid Funds of the Foundation consistent with this Memorandum of Understanding.
- b. Funds for statewide programs, innovation, research, and education may also be expended by the Foundation from the Foundation Share, from the State Share (as directed by the State), or from sources other than Opioid Funds as provided below.
- c. The Foundation shall spend 20% of its annual budget in the six regions during the Foundation's first seven years of funding to be divided according to each Region's fixed Regional Share Calculation. After seven years, all regional spending will be as set forth in Section 11(d), below. Regions may, after consulting with the Expert Panel, expend the sums received under this Section 11(c) for any Approved Purposes.
- d. After the Regional Shares are distributed as set forth in Section 11(c), the Disbursement of Funds from the Foundation Share approved for disbursement by the Board for Approved Purposes shall be disbursed based on an evidence-based evaluation of need after consultation with the Expert Panel. The Parties do not intend to require any specific regional allocation of the Foundation Share other than those distributed pursuant to Paragraph 11(c).
- e. Regions may collaborate with other Regions to submit joint proposals.
- f. The proposed procedures shall set forth the role of the Expert Panel in advising the Regions and the Board concerning disbursements of Opioid Funds of the Foundation as set forth in this MOU.
- g. Within 90 days of the first receipt of any Opioid Funds and annually thereafter, the Board, after receiving counsel from its investment advisors and Expert Panel, shall determine the amount and timing of Foundation funds to be distributed annually. In making this determination, the Board shall consider: (a) Pending requests for Opioid Funds from communities, entities, or regions; (b) the total Opioid Funds available; (c) the timing of anticipated receipts of future Opioid Funds; (d) non-Opioid funds received by the Foundation; (e) investment income; and (f) long-term financial viability of the Foundation. The Foundation may disburse its principal and interest with the aim towards an efficient, expeditious abatement of the Opioid crisis considering long term and short-term strategies.

12. The Foundation, Expert Panel, and any other entities under the supervision of the Foundation, including the Regions, shall operate in a transparent manner. Meetings

should be open. All operations of the Foundation and all Foundation supervised entities, including the Regions, shall be subject to audit and review by the Attorney General and/or other appropriate State officials.

13. Each Local Government shall submit an annual financial report to the Foundation no later than April 30 of each year specifying the amounts spent on Approved Purposes within the Region during the previous fiscal year. A report for each Region shall be prepared no later than thirty days thereafter. Each Region's report shall incorporate the information disclosed in each Local Government's annual report generated pursuant to Section B(4), above. Each Region's report shall specify (i) the amount of Opioid Funds received, (ii) the amount of Opioid Funds disbursed or applied during the previous fiscal year, broken down by categories of Approved Uses (indicating the name of the recipient, the amount awarded, a description of the use of the award, and disbursement terms), and (iii) impact information measuring or describing the progress of the Approved Use strategies.
14. The Foundation shall publish a consolidated report detailing annual financial expenditures within 15 days of the last day of the state fiscal year covered by the report.
15. The Foundation shall consult with a professional investment advisor to adopt a Foundation investment policy that will seek to assure that the Foundation's investments are appropriate, prudent, and consistent with best practices for investments of public funds. The investment policy shall be designed to meet the Foundation's long and short-term goals.
16. The Foundation and any Foundation supervised entity may receive funds including stocks, bonds, real property, government grants, private-sector donations, and cash in addition to the proceeds of the Litigation. These Non-Opioid additional funds shall be subject only to the limitations, if any, contained in the individual award, grant, donation, gift, bequest, or deposit consistent with the mission of the Foundation.

D. Payment of Attorneys' Fees and Litigation Expenses

2. Corrective advertising or affirmative public education campaigns based on evidence.
3. Public education relating to drug disposal.

4. Drug take-back disposal or destruction programs.
5. Fund community anti-drug coalitions that engage in drug prevention efforts.
6. Support community coalitions in implementing evidence-informed prevention, such as reduced social access and physical access, stigma reduction — including staffing, educational campaigns, support for people in treatment or recovery, or training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration (SAMHSA).
7. Engage and support non-profits and faith-based communities as systems to support prevention.
8. Fund evidence-based prevention programs in schools or evidence-informed school and community education programs and campaigns for students, families, school employees, school athletic programs, parent-teacher and student associations, and others.
9. School-based or youth-focused programs or strategies that have demonstrated effectiveness in preventing drug misuse and seem likely to be effective in preventing the uptake and use of opioids.
10. Create or support community-based education or intervention services for families, youth, and adolescents at risk for OUD and any co-occurring SUD/MH conditions.
11. Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills.
12. Support greater access to mental health services and supports for young people, including services and supports provided by school nurses, behavioral health workers or other school staff, to address mental health needs in young people that (when not properly addressed) increase the risk of opioid or another drug misuse.

H. PREVENT OVERDOSE DEATHS AND OTHER OPIOID-RELATED INJURIES

Support efforts to prevent or reduce overdose deaths or other opioid-related injuries through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Increase availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, individuals with OUD and their friends and family members, schools, and community outreach workers, persons being released from jail or prison, or other members of the general public.

2. Public health entities providing free naloxone to anyone in the community.
3. Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, community support groups, and other members of the general public.

1. Statewide, regional, local or community regional planning to identify root causes of addiction and overdose, goals for reducing negative outcomes related to the opioid epidemic, and areas and populations with the greatest needs for treatment intervention services, and to support training and technical assistance and other strategies to abate the opioid epidemic described in this opioid abatement strategy list.
2. A dashboard to (a) share reports, recommendations, or plans to spend opioid settlement funds; (b) to show how opioid settlement funds have been spent; (c) to report program or strategy outcomes; or (d) to track, share or visualize key opioid- or health-related indicators and supports as identified through collaborative statewide, regional, local or community processes.
3. Invest in infrastructure or staffing at government, law enforcement, or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of reducing the oversupply of opioids, preventing overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

BEFORE THE CITY OF LEWISBURG OF GREENBRIER COUNTY, WEST VIRGINIA

RE: City of Lewisburg Resolution of the Memorandum of Understanding Regarding Potential Settlements and Intra-County Allocations

The City Council of Lewisburg of Greenbrier County, West Virginia, hereby adopts this resolution regarding the Memorandum of Understanding it has entered into regarding potential settlements in the West Virginia Opioid Litigation.

WHEREAS the Memorandum of Understanding contains the following language:

"24.5% of the Net Opioid Funds shall be allocated as LG Shares. These LG Shares shall be allocated amongst the Local Governments using the default percentages set forth in Exhibit C. Each county and its inclusive municipalities must either: (a) ratify the default allocation; (b) reach an agreement altering the default allocation; or (c) submit to binding arbitration before Judge Christopher Wilkes (WVMLP Special Master) whose decision will be final and non-appealable."

Whereas, the City Council of Lewisburg has not yet reached a resolution regarding the intra-county allocations in Greenbrier County.

Whereas the City Council of Lewisburg wants to make it clear that in agreeing to the Memorandum of Understanding that it wishes to enter into binding arbitration to resolve intra-county disputes and that it does not ratify the default allocation,

THEREFORE, BE IT RESOLVED, that the City Council of Lewisburg enters into the Memorandum of Understanding on the condition that the intra-county distribution be submitted to binding arbitration.

Upon due consideration of the Resolution set forth above at a duly called meeting of the City Council of Lewisburg, and a vote of the membership of the City Council of Lewisburg, the Resolution was adopted on this 21 day of June 2022.
