### **AGREED FINAL JUDGMENT AND PERMANENT INJUNCTION**

The State of Texas (“State”) and Allergan Limited (f/k/a Allergan plc, which, in turn, was f/k/a Actavis plc) and Allergan Finance, LLC (f/k/a Actavis, Inc., which, in turn was f/k/a Watson Pharmaceuticals, Inc.) (collectively, “Allergan” or “Defendants”) (together with the State, the “Parties,” and each a “Party”) have entered into a consensual resolution of the above-captioned litigation (the “Action”), pursuant to a settlement agreement entitled Allergan Public Global Opioid Settlement Agreement, dated as of November 22, 2022 (as subsequently updated) (the “Agreement”), a copy of which is attached hereto as Exhibit A. The Parties also entered into a subsequent agreement known as the Texas Addendum, a copy of which is attached hereto as Exhibit B. The Texas Addendum is incorporated into the Agreement, which shall become effective by its terms upon the entry of this Agreed Final Judgment (the “Judgment”) by the Court without trial or adjudication of any contested issue of fact or law, and without finding or admission of wrongdoing or liability of any kind. This Judgment resolves litigation as to “Allergan” and the “Released Entities” as those terms are defined in the Allergan Public Global Opioid Settlement Agreement.

## **I. RECITALS:**

1. Each Party warrants and represents that it engaged in arm's-length negotiations in good faith. By entering into the Agreement, the Parties intended to effect a good-faith settlement.
2. The State has determined that the Agreement is in the public interest.
3. Allergan denies the allegations in the Action and maintains that it has no liability whatsoever to the State, its Subdivisions, its Special Districts and/or any other governmental entity (whether or not such governmental entity has brought or is a party to an Action or not).
4. The Parties have agreed to the resolution of the Action and the entry of this Judgment (including the injunctive terms incorporated herein) by the Court without trial or finding of admission or wrongdoing or liability of any kind.
5. The Parties recognize that the outcome of the Action is uncertain and a final resolution through the adversarial process likely will require protracted litigation.
6. Allergan is entering into this Judgment solely for the purpose of settlement, and nothing contained herein may be taken as or construed to be an admission or concession of any violation of law, rule, regulation, or ordinance, or of any other matter of fact or law, or of any fault, liability, or wrongdoing, all of which Allergan denies.
7. The Parties agree to the entry of the injunctive relief terms pursuant to Exhibit P of the Agreement.
8. Therefore, without any admission of liability or wrongdoing by Allergan or any other Released Entities (as defined in the Agreement), the Parties now mutually consent to the entry of this Judgment and agree to dismissal of the claims with prejudice pursuant to the terms of the Agreement to avoid the delay, expense, inconvenience, and uncertainty of protracted litigation.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:

In consideration of the mutual promises, terms, and conditions set forth in the Agreement, the adequacy of which is hereby acknowledged by all Parties, it is agreed by and between Defendants and the State, and adjudicated by the Court, as follows:

1. The foregoing Recitals are incorporated herein and constitute an express term of this Judgment.
2. The Parties have entered into a full and final settlement of all Released Claims of Releasors (including but not limited to the State) against Allergan and the Released Entities pursuant to the terms and conditions set forth in the Agreement.
3. The “Definitions” set forth in Section I of the Agreement are incorporated by reference into this Judgment. The State is a “Settling State” within the meaning of the Agreement. Unless otherwise defined herein, capitalized terms in this Judgment shall have the same meaning given to them in the Agreement. In the event of a conflict between the terms of the Agreement and this summary document, the terms of the Agreement shall govern.
4. The Parties agree that the Court has jurisdiction over the subject matter of the Action and over the Parties with respect to the Action and this Judgment. This Judgment shall not be construed or used as a waiver of any jurisdictional defense Allergan or any other Released Entity may raise in any other proceeding.
5. The Court finds that the Agreement was entered into in good faith.
6. The Court finds that entry of this Judgment is in the public interest and reflects a negotiated settlement agreed to by the Parties. The Action is dismissed with prejudice, subject to a retention of jurisdiction by the Court as provided herein and in the Agreement.

7. By this Judgment, the Agreement is hereby approved by the Court, and the Court hereby adopts the Agreement's terms as its own determination of this matter and the Parties' respective rights and obligations.

8. The Court shall have authority to resolve disputes identified in Section XIV.G.2 of the Agreement, governed by the rules and procedures of the Court.

9. By this Judgment, the Texas Opioid Abatement Fund Council and Settlement Allocation Term Sheet, a copy of which is attached hereto as Exhibit C and is incorporated into the Agreement pursuant to Exhibit O of the Agreement, is hereby approved by the Court as the means by which relevant funds paid pursuant to the Agreement will be divided within the State, subject to the full acceptance by any Subdivision or Special District receiving such funds of the terms of the Agreement, including the releases provided therein.

10. The Parties have satisfied the Condition to Effectiveness of Agreement set forth in Section X of the Agreement, the Release set forth in Sections V.A, E and F of the Agreement, and clarifications and modifications as set forth in the Texas Addendum as follows:

- a. The Attorney General of the State exercised the fullest extent of his or her powers to release Allergan and all other Released Entities from all Released Claims pursuant to the release attached hereto as Exhibit D (the "AG Release").
- b. Allergan has determined that there is sufficient State participation and sufficient resolution of the actual and potential Claims of the Subdivisions and Special Districts in the Settling States to proceed with the Agreement.
- c. The Settlement Participation Form for each Initial Participating Subdivision and Initial Participating Special District in the State has been delivered to Allergan. As stated in the Settlement Participation Form, and for the avoidance of doubt, nothing in the Settlement Participation Form executed by the Participating Subdivisions or Participating Special Districts is intended to modify in any way the terms of the Agreement to which the Participating Subdivisions and Participating Special Districts agree. As stated in the Settlement Participation Form, to the extent the executed version of the Settlement Participation Form differs from the Agreement in any respect, the Agreement controls.

- d. Pursuant to the Settlement Participation Form, each Participating Subdivision and Participating Special District in the State is dismissing with prejudice any Released Claims that it has filed against Allergan and the Released Entities.
- e. No later than June 30, 2023, at least 96% of the population of the Texas PSC Subdivisions (as defined by the Texas Addendum) submitted a Texas Addendum Participation Form to Allergan.

11. Release. The Parties acknowledge that the Release, which is incorporated by reference herein, is an integral part of this Judgment. Pursuant to the Agreement and the Release and without limitation and to the maximum extent of the power of the State's Attorney General, Allergan and the other Released Entities are, as of the Effective Date, hereby released from any and all Released Claims of (a) the State and its Participating Subdivisions and Participating Special Districts and any of their departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, including the State's Attorney General, and any person in their official capacity whether elected or appointed to serve any of the foregoing, and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, water districts, emergency services districts, school districts, healthcare districts, hospital districts, Sheriffs and law enforcement districts, library districts, coroner's offices, and public transportation authorities and other Special Districts in the State, including those with the regulatory authority to enforce state and federal controlled substances acts or the authority to bring Claims related to Covered Conduct seeking money (including abatement (or remediation and/or restitution)) or revoke a pharmaceutical distribution license, and (c) any person or entity acting in a *parens patriae*, sovereign, quasi-sovereign, private attorney general, *qui tam*, taxpayer, or other capacity seeking relief, including but not limited to, fines, penalties, or punitive damages, on behalf of or generally applicable to the general public with respect to the State or any Subdivision or Special District in the State, whether or not any of them participate in

the Agreement. Pursuant to the Agreement and the Release and to the maximum extent of the State's power, Allergan and the other Released Entities are, as of the Effective Date, hereby released from any and all Released Claims of (1) the State, (2) all past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts, (3) any of the State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution license, and (4) any Participating Subdivision or Participating Special District. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Further, the provisions set forth in Section V of the Agreement are incorporated by reference into this Judgment as if fully set forth herein. The Parties acknowledge, and the Court finds, that those provisions are an integral part of the Agreement and this Judgment and shall govern the rights and obligations of all participants in the settlement. Any modification of those rights and obligations may be made based only on a writing signed by all affected parties and approved by the Court.

12. Release of Unknown Claims. The State expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

13. The State may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but the State expressly waived and fully, finally, and forever settled, released and discharged, through the Agreement and Release, any and all Released Claims that may exist as of the Effective Date but which the State does not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would have materially affected the State's decision to enter into the Agreement.

14. Costs and Fees. The Parties will bear their own costs and attorneys' fees except as otherwise provided in the Agreement.

15. No Admission of Liability. Defendants are consenting to this Judgment solely for the purpose of effectuating the Agreement, and nothing contained herein may be taken as or construed to be an admission or concession of any violation of law, rule, or regulation, or of any other matter of fact or law, or of any liability or wrongdoing, all of which Defendants expressly deny. No Defendant or Released Entity admits that it caused or contributed to any public nuisance, and no Defendant or Released Entity admits any wrongdoing that was or could have been alleged by the State, its Participating Subdivisions and/or Participating Special Districts, or any other person or entity. No part of this Judgment shall constitute evidence of any liability, fault, or wrongdoing by Defendants or any other Released Entity. The Parties acknowledge that payments made under the Agreement are not a fine, penalty, or payment in lieu thereof and are properly characterized as described in Section VIII.G of the Agreement.

16. No Waiver. This Judgment is entered based on the Agreement without trial or adjudication of any contested issue of fact or law or finding of liability of any kind. This Judgment shall not be construed or used as a waiver of Allergan's right, or any other Released Entity's right,

to defend itself from, or make any arguments in, any other regulatory, governmental, private individual, or class claims or suits relating to the subject matter or terms of this Judgment. Notwithstanding the foregoing, the State may enforce the terms of this Judgment as expressly provided in the Agreement.

17. No Private Right of Action. No part of this Order or of the Agreement shall create a private cause of action or confer any right to any third party for violation of any federal or state statute. This Judgment is not intended for use by any third party for any purpose, including submission to any court for any purpose, except pursuant to Section XIV.A of the Agreement. Except as expressly provided in the Agreement, no portion of the Agreement or this Judgment shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. The State shall allow Participating Subdivisions and Participating Special Districts in the State to notify it of any perceived violations of the Agreement or this Judgment. No Settling State, including the State, may assign or otherwise convey any right to enforce any provision of the Agreement.

18. Admissibility. It is the intent of the Parties that this Judgment not be admissible in other cases against Defendants or Released Entities or binding on Defendants or Released Entities in any respect other than in connection with the enforcement of this Judgment or the Agreement. For the avoidance of doubt, nothing herein shall prohibit Defendants or Released Entities from entering this Judgment or the Agreement into evidence in any litigation or arbitration concerning (1) Defendants' or Released Entities' right to coverage under an insurance contract or (2) the enforcement of the releases provided for by the Agreement and this Judgment.

19. Preservation of Privilege. Nothing contained in the Agreement or this Judgment, and no act required to be performed pursuant to the Agreement or this Judgment, is intended to

constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or allied litigant/common interest/joint defense privilege, and each Party agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

20. Mutual Interpretation. The Parties agree and stipulate that the Agreement was negotiated on an arm's-length basis between parties of equal bargaining power and was drafted jointly by counsel for each Party. Accordingly, the Agreement is incorporated herein by reference and shall be mutually interpreted and not construed in favor of or against any Party, except as expressly provided for in the Agreement.

21. Retention of Jurisdiction. The Court shall retain jurisdiction of the Parties for the limited purpose of the resolution of disputes identified in Section XIV.G.2 of the Agreement. The Court shall have jurisdiction over Participating Subdivisions and Participating Special Districts in the State for the limited purposes identified in the Agreement.

22. Successors and Assigns. This Judgment is binding on Defendants' successors and assigns.

23. Modification. This Judgment shall not be modified (by the Court, by any other court, or by any other means) without the consent of the State and Defendants, or as provided for in Section XVI.T of the Agreement.

So ORDERED this 2nd day of November, 2023.

## ALLERGAN PUBLIC GLOBAL OPIOID SETTLEMENT AGREEMENT

Whereas, the Settling States, Participating Subdivisions, Participating Special Districts, and Allergan (as those terms are defined below) share a common desire to resolve disputes between them relating to opioid medications according to the terms set out in this agreement dated as of November 22, 2022 (the “*Agreement*”);

Whereas, the Parties, Participating Subdivisions, and Participating Special Districts agree and understand that upon satisfaction of the conditions set forth in Sections II and XI, this Agreement will be binding on the Settling States, Allergan, Participating Subdivisions, and Participating Special Districts;

Whereas, the Parties, Participating Subdivisions, and Participating Special Districts agree and understand that this Agreement will then be filed as part of Consent Judgments in the respective courts of each of the Settling States, pursuant to the terms set forth in Section III;

Whereas, the Parties, Participating Subdivisions, and Participating Special Districts agree and understand that they shall at all times act in good faith to implement and execute their obligations under this Agreement and shall not act in any way to purposefully frustrate the right of any party to receive the benefits due under the Agreement;

Whereas, the Parties, Participating Subdivisions, and Participating Special Districts to this Agreement now desire to avoid further expense and proceedings and to settle their disputes under the terms and conditions of this Agreement as set forth below;

NOW, THEREFORE, IT IS HEREBY AGREED by and between the Parties, Participating Subdivisions, and Participating Special Districts by and through their respective counsel, as follows:

### I. Definitions

Unless otherwise specified, the following definitions apply:

1. “*Abatement Accounts Fund*” means a component of the Settlement Fund described in subsection VIII.F.
2. “*Additional Restitution Amount*” means the amount available to Settling States listed in Exhibit M of \$16,192,680.76.
3. “*Affiliated Company(ies)*” means (1) when used with respect to AbbVie Inc. (“AbbVie”) all of the entities listed in Exhibit J-1; (2) when used with respect to Allergan all of the entities listed in Exhibit J-2; and (3) additionally shall include other entities owned now or in the past either wholly or partially and either directly or indirectly by either AbbVie or Allergan and/or each of their respective past parents, but only to the extent those other entities played any role relating to Covered Conduct and/or Released Claims during the period when they were owned

either wholly or partially and either directly or indirectly by either AbbVie or Allergan and/or each of their respective past parents.

4. “*Agreement*” means this Allergan Public Global Opioid Settlement Agreement, inclusive of all exhibits.
5. “*Alleged Harms*” means the alleged past, present, and future financial or societal and related expenditures arising out of the alleged misuse and abuse of opioid products, non-exclusive examples of which are described in the documents listed on Exhibit A, that have allegedly arisen as a result of the physical and bodily injuries sustained by individuals suffering from opioid-related addiction, abuse, death, and other related diseases and disorders, and that have allegedly been caused by Allergan.
6. “*Allergan*” means Allergan Finance, LLC (f/k/a Actavis, Inc., which, in turn, was f/k/a/ Watson Pharmaceuticals, Inc.) and Allergan Limited (f/k/a Allergan plc, which, in turn, was f/k/a Actavis plc). *Allergan* does not include Teva Pharmaceuticals Industries Ltd. (“*Teva Ltd.*”), Teva Pharmaceuticals USA, Inc. (“*Teva USA*”), Cephalon, Inc. (“*Cephalon*”), Actavis LLC (f/k/a Actavis Inc.) (“*Actavis LLC*”), Watson Laboratories, Inc. (“*Watson*”), Actavis Pharma, Inc. (f/k/a Watson Pharma, Inc.) (“*Actavis Pharma*”), Actavis Elizabeth LLC (“*Actavis Elizabeth*”), Actavis Kadian LLC (“*Actavis Kadian*”), Actavis Laboratories FL, Inc. (f/k/a Watson Laboratories, Inc. - Florida) (“*Actavis Labs FL*”), Actavis Laboratories UT, Inc. (f/k/a Watson Laboratories, Inc. - Utah) (“*Actavis Labs UT*”), Actavis Mid Atlantic LLC (“*Actavis Mid*”), Actavis South Atlantic LLC (“*Actavis South*”), Actavis Totowa LLC (“*Actavis Totowa*”), or Anda, Inc. (“*Anda*”).
7. “*Allocation Statute*” means a state law that governs allocation, distribution, and/or use of some or all of the Settlement Fund amounts allocated to that State and/or its Subdivisions and/or its Special Districts. In addition to modifying the allocation, as set forth in subsection VIII.E.2, an Allocation Statute may, without limitation, contain a Statutory Trust, further restrict expenditure of funds, form an advisory committee, establish oversight and reporting requirements, or address other default provisions and other matters related to the funds. An Allocation Statute is not required to address all three (3) types of funds comprising the Settlement Fund or all default provisions.
8. “*Annual Payment*” means the total amount of the Net Abatement Amount payable into the Settlement Fund by Allergan on each Payment Date (including the Initial Year Payment), as calculated by the Settlement Fund Administrator pursuant to Section VII or agreed to pursuant to Section VII.B.6, which shall not exceed the maximum payment for any given year as set forth in Exhibit M. This term does not include the Additional Restitution Amount or amounts paid pursuant to Section XIII.
9. “*Appropriate Official*” means the official defined in subsection XVI.F.4.

10. “*Attorney Fee and Cost Payment*” means the total amount of the Global Settlement Attorney Fee Amount payable by Allergan on the Payment Date of each year into the (1) Attorney Fee and Cost Fund described in Exhibit R, (2) the State Cost Fund described in Exhibit T, and (3) the State Outside Counsel Fee Fund described in Exhibit S, for attorneys’ fees, expenses, and costs of the Settling States and Participating Subdivisions.

12. “*Bar*” means either (1) a ruling by the highest court of the State, or the intermediate court of appeals when not subject to further review by the highest court of the State in a State with a single intermediate court of appeals, setting forth the general principle that no Subdivisions or Special Districts in the State may maintain Released Claims against Released Entities, whether on the ground of the Agreement (or the release in it) or otherwise; (2) a law barring Subdivisions and Special Districts in the State from maintaining or asserting Released Claims against Released Entities (either through a direct bar or through a grant of authority to release claims and that authority is exercised in full); or (3) a Settlement Class Resolution in the State with full force and effect. For the avoidance of doubt, a law or ruling that is conditioned or predicated upon payment by a Released Entity (apart from payments by Allergan incurred under the Agreement) shall not constitute a Bar.
13. “*Base Payment*” means the payments made pursuant to Section VII.D.
14. “*Case-Specific Resolution*” means either (1) a law barring specified Subdivisions or Special Districts from maintaining Released Claims against Released Entities (either through a direct Bar or through a grant of authority to release claims and that authority is exercised in full) or (2) a ruling by a court of competent jurisdiction over a particular Subdivision or Special District that has the legal effect of barring the Subdivision or Special District from maintaining any Released Claims at issue against Released Entities, whether on the ground of the Agreement (or the release in it) or otherwise. For the avoidance of doubt, a law, ruling, or release that is conditioned or predicated upon a post-Effective Date payment by a Released Entity (apart from payments by Allergan incurred under the Agreement or injunctive relief obligations incurred by it) shall not constitute a Case-Specific Resolution.
15. “*Claim*” means any past, present or future cause of action, claim for relief, cross-claim or counterclaim, theory of liability, demand, derivative, claim, request, assessment, charge, covenant, damage, debt, lien, loss, fine, penalty, restitution, reimbursement, disgorgement, expenses, judgment, right, obligation, dispute, suit, contract, controversy, agreement, parens patriae claim, promise, performance, warranty, omission, or grievance of any nature whatsoever, whether legal, equitable, statutory, regulatory or administrative, whether arising under federal,

state or local common law, statute, regulation, guidance, ordinance or principles of equity, whether filed or unfiled, whether asserted or unasserted, whether known or unknown, whether accrued or unaccrued, whether foreseen, unforeseen or unforeseeable, whether discovered or undiscovered, whether suspected or unsuspected, whether fixed or contingent, and whether existing or hereafter arising, in all such cases, including but not limited to any request for declaratory, injunctive, or equitable relief, compensatory, punitive, or statutory damages, absolute liability, strict liability, restitution, subrogation, contribution, indemnity, apportionment, disgorgement, reimbursement, attorney fees, expert fees, consultant fees, fines, penalties, expenses, costs or any other legal, equitable, civil, administrative, or regulatory remedy whatsoever. Claim does not include any individuals' personal injury or wrongful death cause of action.

  - b. for all lawsuits brought by the Settling State against Released Entities for Released Claims, either previously filed or filed as part of the entry of the Consent Judgment, the Court has stated in the Consent Judgment or otherwise entered an order finding that all Released Claims against Released Entities asserted in the lawsuit have been resolved by agreement; and
  - c. (1) the time for appeal or to seek review of or permission to appeal from the approval and entry as described in subsection (a) hereof and entry of such order described in subsection (b) hereof has expired; or (2) in the event of an appeal, the appeal has been dismissed or denied, or the approval and entry described in (a) hereof and the order described in subsection (b) hereof have been affirmed in all material respects (to the extent challenged in the appeal) by the court of last resort to which such appeal has been taken and such dismissal or affirmance has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court).
95. “*State-Subdivision Agreement*” means an agreement that a Settling State reaches with the Subdivisions in that State regarding the allocation, distribution, and/or use of funds allocated to that State and to Exhibit G Participants in that State. A State-Subdivision Agreement shall be effective if approved pursuant to the provisions of Exhibit O or if adopted by statute. Preexisting agreements addressing funds other

than those allocated pursuant to this Agreement shall qualify if the approval requirements of Exhibit O are met. A State and its Subdivisions may revise, supplement, or refine a State-Subdivision Agreement if approved pursuant to the provisions of Exhibit O or if adopted by statute.

96. “*Statewide Payment Amount*” means the amount from an Annual Payment to be paid to a Settling State, its separate types of funds (if applicable), and its Exhibit G Participants.
97. “*Statutory Trust*” means a trust fund established by state law to receive funds allocated to a State’s Abatement Accounts Fund and restrict their expenditure to Opioid Remediation purposes subject to reasonable administrative expenses. A State may give a Statutory Trust authority to allocate one or more of the three Settlement Funds, but this is not required.
98. “*Subdivision*” means (1) a formal and legally recognized sub-entity of a State that provide general governance for a defined area, such as a municipality, county, parish, city, town, incorporated township, village, borough, or any other entities that provide municipal-type government within a State, and (2) any person, official, or entity thereof acting in an official capacity on behalf of the Subdivision (including, without limitation, district attorneys, county attorneys, city attorneys, Sheriffs, and any other official, employee, or representative). Unless otherwise specified, “Subdivision” includes all functional counties and parishes and other functional levels of sub-entities of a State that provide general governance for a defined area. Historic, non-functioning sub-entities of a State (such as Connecticut counties) are not Subdivisions, unless the entity has filed a lawsuit that includes a Released Claim against a Released Entity in a direct, parens patriae, or any other capacity. For purposes of this Agreement, the term Subdivision does not include Special Districts.
99. “*Subdivision and Special District Allocation Percentage*” means for Subdivisions and Special Districts in a Settling State that are eligible to receive an allocation from the Subdivision Fund pursuant to subsection VIII.D or subsection VIII.E, the percentage as set forth in Exhibit G. The aggregate Subdivision and Special District Allocation Percentage of all Subdivisions and Special Districts receiving a Subdivision and Special District Allocation Percentage in each State shall equal 100%. Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VIII.E.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VIII.E.3) that addresses allocation from the Subdivision Fund, whether before or after the Initial Participation Date, Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section VIII.E.3. The Subdivision and Special District Allocation Percentages contained in Exhibit G may not change once notice is distributed pursuant to subsection X.A, except upon the effectiveness

of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VIII.E.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VIII.E.3) that addresses allocation from the Subdivision Fund. For the avoidance of doubt, no Subdivision or Special District not listed on Exhibit G shall receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

- 100. “*Subdivision Fund*” means a component of the Settlement Fund described in subsection VIII.A.
- 101. “*Teva*” means (i) Teva Pharmaceutical Industries Ltd. and, (ii) all of its respective past and present direct or indirect parents, subsidiaries, divisions, affiliates, joint ventures, predecessors, successors, assigns, including but not limited to the Divested Actavis Generic Entities and Anda Inc.
- 102. “*Teva Global Opioid Settlement Agreement*” means the settlement agreement between and among the Settling States, Participating Subdivisions, Participating Special Districts, and Teva to resolve opioid-related Claims against Teva and the other Released Entities (as defined therein).
- 103. “*Threshold Motion*” means a motion to dismiss or equivalent dispositive motion made at the outset of litigation under applicable procedure. A Threshold Motion must include as potential grounds for dismissal, any applicable Bar or the relevant release by a Settling State, Participating Subdivision, or Participating Special District provided under this Agreement and, where appropriate under applicable law, any applicable limitations defense.

## **II. Participation by States and Condition to Preliminary Agreement**

- A. *Notice to States.* On November 22, 2022 this Agreement shall be distributed to all Eligible States. The Eligible States’ Attorneys General shall then have a period of thirty (30) days to decide whether to become Settling States. Eligible States will decide whether to become Settling States for both this Agreement and the Teva Global Opioid Settlement Agreement, or decline participation in both settlements. However, if Teva enters bankruptcy prior to the Effective Date, Eligible States can choose to only join this Agreement. If a State is only an Eligible State with respect to one of the Agreements, the State need only decide whether to become a Settling State with respect to the Agreement for which it is an Eligible State. States that determine to become Settling States shall so notify the Enforcement Committee and Allergan within thirty (30) days after November 22, 2022 and shall further commit to obtaining any necessary additional State releases prior to the Effective Date. This notice

period for States may be extended by written agreement of Allergan and the Enforcement Committee.

- B. *Ineligible States.* Non-Settling States and Prior Settling States shall not be eligible for any payments or have any rights in connection with this Agreement.
- C. *Condition to Preliminary Agreement.* Following the notice period to Eligible States set forth in subsection II.A above, Allergan shall determine on or before the Preliminary Agreement Date whether, in its sole discretion enough States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section X below. The determination to proceed shall be in the sole discretion of Allergan and may be based on any criteria or factors deemed relevant by Allergan. If Allergan determines that this condition has been satisfied, and that notice to the Subdivisions should proceed, it will so notify the Settling States by providing notice to the Enforcement Committee on the Preliminary Agreement Date. If Allergan determines that this condition has not been satisfied, it will so notify the Settling States by providing notice to the Enforcement Committee, and this Agreement will have no further effect and all releases and other commitments or obligations contained herein will be void, other than Allergan's funding of Implementation Costs to date. The Preliminary Agreement Date may be extended by written agreement of Allergan and the Enforcement Committee.
- D. *Later Joinder by States.* After the Preliminary Agreement Date, an Eligible State may only become a Settling State with the consent of Allergan, in its sole discretion. If a State becomes a Settling State more than thirty (30) days after the Preliminary Agreement Date, the Subdivisions and Special Districts in that State that become Participating Subdivisions and Participating Special Districts within ninety (90) days of the State becoming a Settling State shall be considered Initial Participating Subdivisions or Initial Participating Special Districts.

### III. Cessation of Litigation Activities

- A. Following the Preliminary Agreement Date, if Allergan has determined to proceed with notice pursuant to Section II, all Litigating States that intend to become Settling States and that are engaged in or have engaged in discovery and/or substantive motion practice ("*Active Litigation*") against a Released Entity shall make reasonable efforts to immediately cease litigation activity (e.g., written and document discovery, depositions, expert disclosures, and motion practice) against Allergan where feasible, or to minimize litigation activity by means of agreed deadline extensions and agreed postponement of depositions, document productions, and motion practice. Allergan shall cooperate in such efforts. The obligations under this subsection do not extend past the Reference Date if Allergan determines it is not going forward with the Agreement. This paragraph III.A does not apply to Litigating States with a trial date within six (6) months of the Preliminary Agreement Date, though such Litigating States and Allergan shall engage in good faith discussions regarding the potential cessation of litigation activity.
- B. Following the execution of the Settlement Participation Form, attached as Exhibit K, a Litigating Subdivision or Litigating Special District that is engaged in active litigation

against a Released Entity shall make all reasonable efforts to immediately cease all litigation activity (e.g., written and document discovery, depositions, expert disclosures, and motion practice) against Allergan, where feasible, or to minimize litigation activity by means of agreed deadline extensions and agreed postponement of litigation activity by means of agreed deadline extensions and agreed postponement of depositions, document productions, and motion practices. Allergan shall cooperate in such efforts. The obligations under this subsection do not extend past the Reference Date if Allergan determines it is not going forward with the settlement. This paragraph III.B does not apply to Litigating Subdivisions or Litigating Special Districts with a trial date within six (6) months of the Preliminary Agreement Date, though such Litigating Subdivisions or Litigating Special Districts and Allergan shall engage in good faith discussions regarding the potential cessation of litigation activity. Notwithstanding this provision no Litigating Subdivision is required to cease its litigation if it determines such action would be detrimental to its litigation.

- C. Following the Reference Date, the Settling States shall endeavor to file Consent Judgments (the contents of which must be agreed upon with Allergan) within thirty (30) days of the Reference Date. Participating Subdivisions and Participating Special Districts, as applicable, shall request dismissal of their actions with prejudice within fourteen (14) days of the Reference Date. The Settling States, Participating Subdivisions, and Participating Special Districts shall use best efforts to get Consent Judgments or orders of dismissal with prejudice, as applicable, entered promptly after filing.

#### IV. Injunctive Relief

- A. *Entry of Injunctive Relief.* As part of the Consent Judgment, the Parties agree to the Injunctive Relief Terms attached as Exhibit P.

#### V. Release

- A. *Scope.* As of the Effective Date, the Released Entities will be released and forever discharged from all of the Releasors' Released Claims. Each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors), and Participating Special District (for itself and its Releasors) will, on or before the Effective Date, absolutely, unconditionally, and irrevocably covenant not to bring, file, or claim, or to cause, assist in bringing, or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Agreement are intended to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of each Settling State, its Attorney General, each Participating Subdivision, and each Participating Special District to release Claims. The release shall be a complete bar to any Released Claim of all Releasors. Nothing in this Agreement shall release or impair any Claims against Teva Ltd., Teva USA, Cephalon, or Anda, except to the extent expressly set forth in this Agreement.

**B.**     *Claim Over and Non-Party Settlement.*

1.     *Statement of Intent.* It is the intent of the Parties that:
  - a.     Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract) from other parties for their payment obligations under this Agreement;
  - b.     the payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasers involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);
  - c.     Claims by Releasers against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and
  - d.     the Settlement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.
  - e.     The provisions of this subsection V.B are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.
2.     *Contribution/Indemnity Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner, provided that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim Over against it. However, and notwithstanding the foregoing, this provision shall not preclude any Released Entity from seeking indemnification, contribution, or any other theory from and against Teva Ltd., Divested Entities, Pfizer Inc., King Pharmaceuticals, Inc., and Alpharma Inc., and/or each of their respective past and current parents, subsidiaries, and/or affiliates. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.
3.     *Non-Party Settlement.* To the extent that, on or after the Reference Date, any Releaser enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releaser will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Allergan in subsection V.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases

contained in this Agreement) of any Claim Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement. The sole remedy for a Releasor's failure to include such a provision in a Non-Party Settlement shall be the application of Section V.B.4 below. Non-Released Entities include, but are not limited to, Teva Ltd., Teva USA, Divested Actavis Generic Entities or other Divested Entities, and Anda.

4. *Claim Over.* In the event that any Releasor obtains a judgment with respect to Non-Party Covered Conduct against a Non-Released Entity that does not contain a prohibition like that in subsection V.B.3, or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in subsection V.B.3, and such Non-Released Entity asserts a Claim Over against a Released Entity, then Releasor and Allergan shall take the following actions to ensure that the Released Entities do not pay more with respect to Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Agreement by Allergan:
  - a. Allergan shall notify that Releasor of the Claim Over within sixty (60) days of the assertion of the Claim Over or sixty (60) days of the Effective Date of this Agreement, whichever is later;
  - b. Allergan and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that it is not required to pay more with respect to Covered Conduct than the amounts owed by Allergan under this Agreement;
  - c. That Releasor and Allergan shall take steps sufficient and permissible under the law of the State of the Releasor to hold Released Entities harmless from the Claim Over and ensure Released Entities are not required to pay more with respect to Covered Conduct than the amounts owed by Allergan under this Agreement. Such steps may include, where permissible:
    - (i) Filing of motions to dismiss or such other appropriate motion by Allergan or Released Entities, and supported by Releasors, in response to any Claim filed in litigation or arbitration;
    - (ii) Reduction of that Releasor's Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;
    - (iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim Over;

- (iv) Return of monies paid by Allergan to that Releasor under this Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim Over;
    - (v) Payment of monies to Allergan by that Releasor to ensure it is held harmless from such Claim Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;
    - (vi) Credit to Allergan under this Agreement to reduce the overall amounts to be paid under the Agreement such that it is held harmless from the Claim Over; and
    - (vii) Such other actions as that Releasor and Allergan may devise to hold Allergan harmless from the Claim Over.
  - d. The actions of that Releasor and Allergan taken pursuant to paragraph (c) must, in combination, ensure Allergan is not required to pay more with respect to Covered Conduct than the amounts owed by Allergan under this Agreement.
  - e. In the event of any dispute over the sufficiency of the actions taken pursuant to paragraph (c), that Releasor and Allergan may seek review by the National Arbitration Panel, provided that, if the Parties agree, such dispute may be heard by the state court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to require Releasors to implement a remedy that includes one or more of the actions specified in paragraph (c) sufficient to hold Released Entities fully harmless. In the event that the panel's actions do not result in Released Entities being held fully harmless, Allergan shall have a Claim for breach of this Agreement by Releasors, with the remedy being payment of sufficient funds to hold Allergan harmless from the Claim Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Allergan may have.
- C. To the extent that the Claim Over is based on a contractual indemnity, the obligations under subsection V.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, clinic, hospital or other purchaser or dispenser of Products, a manufacturer that sold or promoted Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Allergan shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entities asserts a Claim Over arising out of contractual indemnity against it.
- D. *General Release.* In connection with the releases provided for in the Agreement, each Settling State (for itself and its Releasors), Participating Subdivision and Participating Special District expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or

other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may thereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasors), Participating Subdivision and Participating Special District hereby expressly waives and fully, finally, and forever settles, releases, and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Settling States' decision to enter into the Agreement, the Participating Subdivisions' decision to participate in the Agreement, or the Participating Special District's decision to participate in the Agreement.

- E. *Res Judicata.* Nothing in the Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in the Agreement, and/or any Consent Judgment or other judgment entered on the Agreement, gives rise to under applicable law.
- F. *Representation and Warranty.* The signatories hereto on behalf of their respective Settling State, its Participating Subdivisions, and its Participating Special Districts, expressly represent and warrant that they will obtain on or before the Effective Date (or have obtained) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of (1) their respective Settling State; (2) any of the Settling State's past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts; (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution license; (4) any Participating Subdivisions; and (5) any Participating Special District. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also, for the purposes of clause (3), a release from a State's Governor is sufficient to demonstrate that the appropriate releases have been obtained.
- G. *Effectiveness.* The releases set forth in the Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use

of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.

- H. *Cooperation.* Releasors (i) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (ii) will reasonably cooperate with and not oppose any effort by a Released Entity to secure the prompt dismissal of any and all Released Claims.
- I. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, the Agreement does not waive, release or limit any criminal liability, Claims for any outstanding liability under any tax or securities law, Claims against parties who are not Released Entities, Claims by private individuals, Claims for Medicaid rebates, Claims asserted, or that could be asserted, by any State, Subdivision, or Special District related to the causes of action in *In re: Generic Pharmaceuticals Pricing Antitrust Litigation*, in the United States District court for the District of Pennsylvania, MDL No. 2724, and any related action (such excluded claims include, but are not limited to, all antitrust claims and any claims related to any non-opioid generic drugs), and any claims arising under the Agreement for enforcement of the Agreement.

## VI. Monetary Relief Overview and Maximum Payments

- A. Excluding Allergan's share of Implementation Costs and costs of the Settlement Fund Administrator, there are three main categories of monetary payments:
  - 1. *Annual Payments to the Settlement Fund.* These payments are generally addressed in Section VII. The maximum amount Allergan shall pay in Annual Payments to the Settlement Fund is the Net Abatement Amount of \$1,799,186,751.00, which reflects the application of the Prior Settlements Credit to the Global Settlement Abatement Amount. Annual Payments will be made over seven (7) years on the Payment Dates. The actual amount paid will depend on, among other things, the level of participation of Eligible States, their Subdivisions, and their Special Districts.
  - 2. *Additional Restitution Amount.* These payments are generally addressed in Section XII. The maximum amount Allergan shall pay for the Additional Restitution Amount is \$16,192,680.76. Payments for the Additional Restitution Amount will be made over four (4) years on the Payment Dates. The actual amount paid will depend on the number of Eligible States listed in Exhibit N that become Settling States.
  - 3. *Attorney Fee and Cost Payments.* These payments are generally addressed in Section XII and Exhibits M, R, S, and T. They consist of payments for the State Outside Counsel Fee Fund, the State Cost Fund, and the Attorney Fee and Cost Fund. These payments will be made over four (4) on the Payment Dates. The maximum amount Allergan shall pay into these funds is the Global Settlement Attorney Fee Amount of \$206,906,476.36.

- B. The aggregate maximum amount Allergan shall pay for these for these payment categories is \$2,022,285,908.12 (the “*Post-Credit Global Settlement Amount*”). This figure does not include costs related to injunctive relief and document disclosure addressed in Exhibit P, Implementation Costs, and Settlement Fund Administrator Costs addressed in this Agreement. AbbVie agrees to satisfy the obligations to make the payments due in this Section VI if for any reason Allergan fails to fulfill its payment obligations under Section VI (the “*Payment Obligations*”).
- C. For purposes of this Agreement only, Releasors represent that fifty-six percent (56%) of the Post-Credit Global Settlement Amount payable by Allergan constitutes consideration for the settlement of Claims involving, arising from, or related to generic opioid drugs that are Products distributed and/or sold before August 2, 2016 by Divested Actavis Generic Entities and other Divested Entities and the operation of Divested Actavis Generic Entities and other Divested Entities related to those generic opioid drugs that are Products before August 2, 2016 that the Releasors are asserting or might otherwise assert or could assert that Allergan (or any other Released Entity) is directly or indirectly and/or jointly or severally liable, including but not limited to, based on parent or control liability or a substantially similar theory. Releasors represent that forty-four percent (44%) of the Post-Credit Global Settlement Amount payable by Allergan constitutes consideration for the settlement of Claims involving, arising from, or related to branded opioid drugs that are Products of or attributable to Allergan or any other Released Entity (including but not limited to branded opioid drugs that are Products distributed and/or sold before August 2, 2016 by Divested Actavis Generic Entities and other Divested Entities and the operation of the Divested Actavis Generic Entities and the other Divested Entities related to those branded opioid drugs that are Products before August 2, 2016) that the Releasors are asserting or might otherwise assert or could assert against Allergan or any other Released Entity, of which seventy-seven percent (77%) is specifically involving, arising from, or related to Kadian® (including but not limited to Kadian® manufactured, distributed, marketed, and/or sold from 1997 through 2008 by King Pharmaceuticals, Inc. and/or Alpharma Inc.).
- D. *Settlement Fund Administrator and Implementation Costs.* If this Agreement becomes effective, Allergan shall be responsible for one-third of the Implementation Costs. The full amount of the Implementation Costs shall be jointly advanced by Teva and Allergan. If this Agreement becomes effective, then Allergan shall deduct from Allergan’s Initial Year Payment the difference between the excess amount it advanced for Implementation Costs and its one-third obligation for such costs. Settlement Fund Administrator Costs shall be paid out of interest accrued on the Settlement Fund. Should such interest prove insufficient to fully cover the costs, the remaining cost amounts shall be paid one-third by Teva, one-third by Allergan and one-third from the Settlement Fund through the disbursement of Allergan’s final Payment Allergan shall not be responsible for any costs incurred by the Settlement Fund Administrator after the disbursement of its final Payment.

## **VII. Annual Payments to Settlement Fund**

**A. Structure of Payments to Settlement Fund**

1. All payments under this Section VII shall be made into the Settlement Fund, except that where specified, they shall be made into the Settlement Fund Escrow. The Settlement Fund shall be allocated and used only as specified in Section VIII.
2. Allergan shall pay into the Settlement Fund the Net Abatement Amount consisting of \$1,799,186,751.00 minus: (1) any offsets specified in subsection VII.C below; (2) any unearned Incentive Payments under subsection VII.E below; and (3) any adjustments under Section XI below.
3. The payments to the Settlement Fund shall be divided into Base Payments and Incentive Payments as provided in subsections VII.D and VII.E below and set out in Exhibit M.

**B. Settlement Fund Payment Process**

1. Except as otherwise provided in this Agreement, Allergan shall make one Initial Year Payment (the first Annual Payment) and six (6) additional Annual Payments of equal installments of the Net Abatement Amount (after all applicable offsets) into the Settlement Fund. The Settlement Payment Schedule is set forth in Exhibit M. Annual Payments shall be made on the Payment Date, provided that the necessary wire instructions, W-9 form, and Allergan's Bank Verification Form process is completed for the Settlement Fund at least twenty-one (21) days before the relevant payment is due and Allergan has completed any process required by the Settlement Fund Administrator and/or its financial institution(s) to complete the transaction. If there is a delay in making a payment because any of these conditions were not completed at least twenty-one (21) days in advance of the Payment Date, then the Annual Payment will be made within twenty-one (21) days of the completion of these conditions.
2. The Initial Year Payment shall consist of only Base Payments (after all applicable offsets). The other six (6) Annual Payments shall each consist of Base Payments (after all applicable offsets) and Incentive Payments (after all applicable offsets). The amount of the Initial Year Payment and each other Annual Payment, payable by Allergan shall not exceed the maximum amounts allocated to each Payment Year in Exhibit M.
3. To determine each Annual Payment for Payment Year 2 forward, the Settlement Fund Administrator shall use the data in its records sixty (60) days prior to the Payment Date for each payment. Prior to the Effective Date, the Parties will include an exhibit to the Agreement setting forth in detail the process for the Settlement Fund Administrator obtaining relevant data and for distributing funds to Settling States and Exhibit G Participants consistent with the terms of this Agreement as quickly as practical.

4. The Settlement Fund Administrator shall determine the Annual Payment and the Statewide Payment Amount for each Settling State, consistent with the provisions in Exhibit L, by:
  - a. determining, for each Settling State, the amount of Base Payments and Incentive Payments to which the State is entitled by applying the criteria in this Section;
  - b. applying any reductions, or offsets required by Sections VII and XI; and
  - c. determining the total amount owed by Allergan to all Settling States and Exhibit G Participant.
5. If, no later than fifty (50) days prior to the Payment Date for each payment for Payment Year 2 forward, Allergan and the Enforcement Committee inform the Settlement Fund Administrator that they agree on the amount of the Annual Payment and the Statewide Payment Amount for each Settling State, Allergan shall pay the agreed-upon Annual Payment amount on the Payment Date and the Settlement Fund Administrator shall treat those amounts as the determination described in subsection VII.B.4. If the Settlement Fund Administrator is not so informed, it shall give notice to Allergan, the Settling States, and the Enforcement Committee of the amount of the Annual Payment, and the Statewide Payment Amount for each Settling State, following the determination described in subsection VII.B.4, and the following timeline shall apply:
  - a. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, Allergan, any Settling State or the Enforcement Committee may dispute, in writing, the calculation of the Annual Payment, or the Statewide Payment Amount for a Settling State. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Allergan identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.
  - b. Within twenty-one (21) days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Allergan identifying the basis for disagreement with the notice of dispute.
  - c. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, and Allergan shall pay the adjusted amount as the Annual Payment on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify Allergan of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Settlement Fund Administrator or the amount that would be consistent with

the notice of dispute, *provided, however* that in no circumstances shall the preliminary amount to be paid be higher than the maximum amount of Base Payments and Incentive Payments for that payment as set forth in Exhibit M. For the avoidance of doubt, a transfer of payments from the Settlement Fund Escrow for other Payment Years does not count toward determining whether the amount to be paid is higher than the maximum amount of Base Payments and Incentive Payments for that payment as set forth in Exhibit M.

- d. The Settlement Fund Administrator shall place any disputed amount of the preliminary amount paid by Allergan into the Settlement Fund Escrow and shall disburse any undisputed amount to each Settling State and its Exhibit G Participants.
6. If a Settling State informs the Settlement Fund Administrator that it and its Exhibit G Participants have reached consensus on the amount of its Statewide Payment Amount, determined pursuant to subsection VII.B.3 or VII.B.4, to be distributed to the Settling State, among its separate types of funds (if applicable), and among its Exhibit G Participants, the Settlement Fund Administrator shall disburse the Statewide Payment Amount pursuant to the consensus distribution amounts provided by the Settling State. For a Settling States that does not so notify the Settlement Fund Administrator, the Settlement Fund Administrator shall allocate the Settling State's Statewide Payment Amount, pursuant to Section VII, among the separate types of funds for the Settling State (if applicable), and among its Exhibit G Participants using the following procedures:
    - a. As soon as possible for each payment and following the determination described in subsection VII.B.3 and VII.B.4, the Settlement Fund Administrator shall give notice to the relevant Settling States and their Exhibit G Participants of the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Settling State's Exhibit G Participants.
    - b. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, any Settling State or Exhibit G Participant may dispute, in writing, the calculation of the amount to be received by a Settling State and/or its Exhibit G Participants. A dispute will be deemed invalid and disregarded if it challenges the allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O or by statute. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, any affected Settling State, and any affected Exhibit G Participant identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.
    - c. Within twenty-one (21) days of the sending of a written notice of dispute, any affected Settling State or any affected Exhibit G Participant may submit

a response, in writing, to the Settlement Fund Administrator, any affected Settling State and any affected Exhibit G Participant identifying the basis for disagreement with the notice of dispute.

- d. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute.
  - e. The Settlement Fund Administrator shall place any disputed amount into the Settlement Fund Escrow and shall disburse any undisputed amount to the Settling State and its Exhibit G Participants.
- 7. Disputes described in this subsection (other than those for which no response is filed under subsection VII.B.5.c or VII.B.6.d) shall be resolved in accordance with the terms of Section XIV.
  - 8. The Settlement Fund Administrator may combine the disbursements of Annual Payments with disbursement of funds under other comparable opioid settlements. In determining when disbursements for each Annual Payment will be made, the Settlement Fund Administrator may take into account the timeline for the availability of disbursements under other comparable opioid settlements.
  - 9. For the avoidance of doubt, Subdivisions and Special Districts not listed on Exhibit G shall not receive an allocation from the Subdivision Fund.

**C. Offsets to Annual Payments to the Settlement Fund for Non-Settling States**

- 1. An offset equal to the Net Abatement Amount of \$1,799,186,751.00 times the State Allocation Percentage assigned to each Non-Settling State in Exhibit F-2 shall be deducted from the total amount to be paid by Allergan to the Settlement Fund.
- 2. Non-Settling States shall not be eligible for any payments or have any rights in connection with this Agreement. Accordingly, the stated maximum dollar amounts of the Annual Payments specified in Exhibit M are reduced by the aggregate State Allocation Percentage of Non-Settling States as set forth in Exhibit F-2.

**D. Base Payments**

- 1. Allergan shall make Base Payments into the Settlement Fund in an amount equal to 45% of the Net Abatement Amount of \$1,799,186,751.00 minus any offsets for Non-Settling States specified in Section VII.C.I. The maximum total for Base Payments is \$809,634,037.95. The Base Payments will be paid in accordance with the Settlement Payment Schedule specified by Exhibit M, subject to potential offsets for Non-Settling States as provided in Section VII.C.1.
- 2. The Base Payments will be allocated by Settling State proportionate to each Settling State's State Allocation Percentage in Exhibit F-2, adjusted for any Non-Settling State.

## **E. Incentive Abatement Payments**

1. Allergan shall make potential Incentive Payments totaling up to a maximum of 55% of the Net Abatement Amount of \$1,799,186,751.00 for all Settling States with the actual amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The maximum total for Incentive Payments is \$989,552,713.05.
2. The maximum total Incentive Payment for any Settling State shall be no more than the maximum total for Incentive Payments listed in Section VII.E.1 times the Settling State's State Allocation Percentage specified in Exhibit F-2. Incentive Payments are state-specific, with each Settling State receiving an Incentive Payment based on the incentives for which it is eligible for that year under the criteria set forth below and any offset specified in Section XI.
3. The Incentive Payments shall be divided among four (4) categories, referred to as Incentives A–D. Incentives A–C will be due in installments over six (6) Payment Years beginning with Annual Payment 2 and Incentive D will be due in installments over four (4) years beginning with Annual Payment 4, as shown on Exhibit M. The total amount of Incentive Payments in an Annual Payment shall be the sum of the Incentive Payments for which individual Settling States are eligible for that Payment Year under the criteria set forth below. The Incentive Payments shall be made with respect to a specific Settling State based on its eligibility for that Payment Year under the criteria set forth below.
4. The maximum amount available for Incentive Payments, \$989,552,713.05, is divided into two pools. The maximum amount of Incentive Payments for Incentives A-C shall be \$863,609,640.48, which is 48% of the maximum Net Abatement Amount. A Settling State may be eligible for its full allocable share of this payment by either achieving Incentive A or by fully earning both Incentives B and C. The maximum amount of Incentive Payments for Incentive D shall be \$125,943,072.57, which is 7% of the maximum Net Abatement Amount. (These figures represent maximum payments prior to being adjusted for any offsets and assumes every State is a Settling State and will satisfy the requirements specified below to earn its maximum incentive amount. The Incentive Payments will be paid in accordance with the payment schedule in Exhibit M, subject to potential deductions as provided herein.) A Settling State qualifies to receive Incentive Payments in addition to Base Payments if it meets the incentive eligibility requirements specified below. Settling States may qualify for Incentive Payments in four ways. If a Settling State qualifies for Incentive A, it will become entitled to receive the maximum payment allocable to the State for Incentives A-C as stated in subsection VII.E.5. If a Settling State does not qualify for Incentive A, it can alternatively qualify for Incentive B and/or Incentive C. A Settling State can qualify for Incentive D regardless of whether it qualifies for another Incentive Payment.

5. *Incentive A: Full Participation or Fully Released Claims of Litigating Subdivisions, Litigating Special Districts, Non-Litigating Subdivisions with Population Greater Than 10,000, and Non-Litigating Covered Special Districts.*
- a. A Settling State's total potential Incentive A payment allocation is \$863,609,640.48 times the percentage allocation assigned that Settling State in Exhibit F-2.
  - b. A State qualifies for Incentive A by: (1) complete participation in the form of releases consistent with Section V above from all Litigating Subdivisions and Litigating Special Districts, Non-Litigating Subdivisions with population over 10,000, and Non-Litigating Covered Special Districts; (2) a Bar; or (3) a combination of approaches in clauses (1)-(2) that achieves the same level of resolution of Subdivision and Special District Claims (e.g., a law barring future litigation combined with full joinder by Litigating Subdivisions and Litigating Special Districts). For purposes of Incentive A, a Subdivision or Special District is considered a "Litigating Subdivision" or "Litigating Special District" if it has brought Released Claims against Released Entities on or before the Reference Date; all other Subdivisions and Special Districts are considered "Non-Litigating." For purposes of Incentive A, Non-Litigating Covered Special Districts shall not include a Special District with any of the following words or phrases in its name: mosquito, pest, insect, spray, vector, animal, air quality, air pollution, clean air, coastal water, tuberculosis, and sanitary.
  - c. If a Settling State qualifies for Incentive A after receiving an Incentive Payment under Incentives B or C, described below, the Settling State's payments under Incentive A will equal the remainder of its total potential Incentive A payments less any payments previously received under Incentives B or C. A Settling State that receives all of its total potential Incentive A payment allocation shall not receive additional Incentive Payments under Incentives B or C.
  - d. A Settling State that is not eligible for Incentive A as of two (2) years after the Effective Date shall not be eligible for Incentive A for that Payment Year or any subsequent Payment Years.
6. *Incentive B: Early Participation or Released Claims by Litigating Subdivisions and Litigating Special Districts.*
- a. If a Settling State does not qualify for Incentive A, it may still qualify to receive up to 60% of its total potential Incentive A payment allocation under Incentive B.
  - b. A Settling State can qualify for an Incentive B payment if Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State's litigating population are either Participating

Subdivisions, Participating Special Districts, or have their claims resolved through Case-Specific Resolutions.

(i) A Settling State's litigating population is the sum of the population of all Litigating Subdivisions and Litigating Special Districts. A Settling State's litigating population shall include all Litigating Subdivisions and Litigating Special Districts whose populations overlap in whole or in part with other Litigating Subdivisions and Litigating Special Districts, for instance in the case of a Litigating Special District, city, or township contained within a county.

(ii) For example, if School District A is a Litigating Special District in City B with a population of 1, City B is itself a Litigating Subdivision with a population of 8, and City B is located within County C, and County C is a Litigating Subdivision with a population 10, then each of their individual populations shall be added together (i.e.,  $1 + 8 + 10$ ) to determine the total litigating population (i.e., 19).

c. The following time periods apply to Incentive B payments:

(i) Period 1: Zero to two hundred ten (210) days after the Effective Date.

(ii) Period 2: Two hundred eleven (211) days to one year after the Effective Date.

(iii) Period 3: One year and one day to two years after the Effective Date.

d. Within Period 1: If Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of a Settling State's litigating population are Participating Subdivisions or Participating Special Districts, or have their Claims resolved through Case-Specific Resolutions during Period 1, then a sliding scale will determine the share of the funds available under Incentive B, with a maximum of 60% of the Settling State's total potential Incentive Payment allocation available. Under that sliding scale, if Litigating Subdivisions and Litigating Special Districts collectively representing 75% of a Settling State's litigating population become Participating Subdivisions or Participating Special Districts, or achieve Case-Specific Resolution status by the end of Period 1, a Settling State will receive 50% of the total amount available to it under Incentive B. If more Litigating Subdivisions and Litigating Special Districts become Participating Subdivisions or Participating Special Districts, or achieve Case-Specific Resolution status, the Settling State shall receive an increased percentage of the total amount available to it under Incentive B as shown in the table below.

| <b>Participation or Case-Specific Resolution Levels</b><br>(As percentage of litigating population) | <b>Incentive B Award</b><br>(As percentage of total amount available to Settling State for Incentive B) |
|---|---|
| 75%   | 50%   |
| 76%   | 52%   |
| 77%   | 54%   |
| 78%   | 56%   |
| 79%   | 58%   |
| 80%   | 60%   |
| 85%   | 70%   |
| 90%   | 80%   |
| 95%   | 90%   |
| 100%  | 100%  |

- e. Within Period 2: If a Settling State did not qualify for an Incentive B payment in Period 1 but Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State's litigating population become Participating Subdivisions or Participating Special Districts, or achieve Case-Specific Resolution status by the end of Period 2, then the Settling State qualifies for 75% of the Incentive B payment it would have qualified for in Period 1.
- f. Within Period 3: If a Settling State did not qualify for an Incentive B payment in Periods 1 or 2, but Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State's litigating population become Participating Subdivisions or Participating Special Districts, or achieve Case-Specific Resolution status by the end of Period 3, then the Settling State qualifies for 50% of the Incentive B payment it would have qualified for in Period 1.
- g. A Settling State that receives the Incentive B payment for Periods 1 and/or 2 can receive additional payments if it secures participation from additional Litigating Subdivisions and/or Litigating Special Districts (or Case-Specific Resolutions of their Claims) during Periods 2 and/or 3. Those additional payments would equal 75% (for additional participation or Case-Specific Resolutions during Period 2) and 50% (for additional participation or Case-Specific Resolutions during Period 3) of the amount by which the increased litigating population levels would have increased the Settling State's Incentive B payment if they had been achieved in Period 1.
- h. The percentage of the available Incentive B amount for which a Settling State is eligible by the end of Period 3 shall cap its eligibility for that Payment Year and all subsequent Payment Years. If Litigating Subdivisions and Litigating Special Districts that have become Participating Subdivisions or Participating Special Districts, or achieved Case-Specific Resolution

status collectively represent less than 75% of a Settling State's litigating population by the end of Period 3, the Settling State shall not receive any Incentive B payment.

- i. If there are no Litigating Subdivisions or Litigating Special Districts in a Settling State, and that Settling State is otherwise eligible for Incentive B, that Settling State will receive its full allocable share of Incentive B.
- j. Incentives earned under Incentive B shall accrue after each of Periods 1, 2, and 3. Calculations to increase Incentive Payments in later periods based on additional joinder shall not reduce any amount already vested at the end of a prior period.

7. *Incentive C: Participation or Release of Claims by Primary Subdivisions*

- a. If a Settling State does not qualify for Incentive A, it may still qualify to receive up to 40% of its total potential Incentive A payment allocation under Incentive C, which has two parts.
- b. Part 1: Under Incentive C, Part 1, a Settling State can receive up to 75% of its Incentive C allocation. A Settling State can qualify for a payment under Incentive C, Part 1 only if Primary Subdivisions (whether Litigating Primary Subdivisions or Non-Litigating Primary Subdivisions as of the Reference Date) collectively representing at least 60% of the Settling State's Primary Subdivision population become Participating Subdivisions or achieve Case-Specific Resolution status.
  - (i) A Settling State's Primary Subdivision population is the sum of the population of all Primary Subdivisions (whether Litigating Primary Subdivisions or Non-Litigating Primary Subdivisions as of the Reference Date). A Settling State's Primary Subdivision population shall include all Primary Subdivisions whose populations overlap in whole or in part with other Primary Subdivisions, for instance in the case of a Primary Subdivision that is a city contained within a Primary Subdivision that is a county. Because Primary Subdivisions include Subdivisions whose populations overlap in whole or in part with other Subdivisions, the Settling State's Primary Subdivision population may be greater than the Settling State's total population. (Special Districts are not relevant for purposes of Incentive C calculations.)
  - (ii) For example, if City A is a Primary Subdivision with a population of 1 within County B, and County B is a Primary Subdivision with a population of 10, then each of their individual populations shall be added together (i.e., 1+10) to determine the total Primary Subdivision population (i.e., 11).

- c. A sliding scale will determine the share of the funds available under Incentive C, Part 1 to Settling States meeting the minimum 60% threshold. Under that sliding scale, if a Settling State secures participation or Case-Specific Resolutions from Primary Subdivisions representing 60% of its total Primary Subdivision population, it will receive 40% of the total amount potentially available to it under Incentive C, Part 1. If a Settling State secures participation or Case-Specific Resolutions from Primary Subdivisions representing more than 60% of its Primary Subdivision population, the Settling State shall be entitled to receive a higher percentage of the total amount potentially available to it under Incentive C, Part 1, on the scale shown in the table below. If there are no Primary Subdivisions, and that Settling State is otherwise eligible for Incentive C, that Settling State will receive its full allocable share of Incentive C, Part 1.

| <b>Participation or Case-Specific Resolution Levels</b><br>(As percentage of total Primary Subdivision population) | <b>Incentive C, Part 1 Award</b><br>(As percentage of total amount available to Settling State for Incentive C, Part 1) |
|--|---|
| 60%  | 40%   |
| 70%  | 45%   |
| 80%  | 50%   |
| 85%  | 55%   |
| 90%  | 60%   |
| 91%  | 65%   |
| 92%  | 70%   |
| 93%  | 80%   |
| 94%  | 90%   |
| 95%  | 100%  |

- d. Part 2: If a Settling State qualifies to receive an incentive under Incentive C, Part 1, the Settling State can also qualify to receive an additional incentive amount equal to 25% of its total potential Incentive C allocation by securing 100% participation of the ten (10) largest Subdivisions by population in the Settling State. (Special Districts are not relevant for purposes of this calculation.) If a Settling State does not qualify for any amount under Incentive C, Part 1, it cannot qualify for Incentive C, Part 2.
- e. Incentives earned under Incentive C shall accrue on an annual basis up to three years after the Effective Date. At one, two, and three years after the Effective Date, the Settlement Fund Administrator will conduct a lookback to assess which Subdivisions had agreed to participate or had their Claim resolved through a Case-Specific Resolution that year. Based on the lookback, the Settlement Fund Administrator will calculate the incentives accrued under Incentive C for the year. The percentage of the available Incentive C amount, for both Part 1 and Part 2, for which a Settling State is

eligible three years after the Effective Date shall cap its eligibility for that Payment Year and all subsequent Payment Years.

8. *Incentive D: No Qualifying Lawsuits Surviving Threshold Motions at Two Look-Back Dates.*
- a. A Settling State's total potential Incentive D payment allocation is \$125,943,072.57 times the percentage allocation assigned that Settling State in Exhibit F-2.
  - b. If, at any time within five and one-half (5.5) years of the Preliminary Agreement Date, any Subdivision or Special District within a Settling State files litigation pursuing Released Claims against any Released Entity (a "*Qualifying Lawsuit*"), then Allergan shall, within thirty (30) days of Allergan or any Released Entity being served or otherwise informed of the prosecution of such Released Claims, provide notice to the Settling State in which such Released Claims are being pursued and shall give the relevant Settling State a reasonable opportunity to extinguish the Released Claims without any payment or any other obligations being imposed upon any Released Entities (apart from the Global Settlement Amount payable by Allergan under the Agreement or the Injunctive Relief Terms incurred by it). The relevant Settling State and Allergan shall confer and use reasonable efforts to promptly resolve a Qualifying Lawsuit so that it is dismissed with prejudice. Nothing in this subsection creates an obligation for a Settling State to make a monetary payment or incur any other obligation to an entity filing a Qualifying Lawsuit.
  - c. Part 1: Under Incentive D, Part 1, a Settling State shall receive 50% of its total potential Incentive D payment allocation if, at two years after the Effective Date (the "*First Look-Back Date*"), there are no pending Released Claims from a Qualifying Lawsuit that survived a Threshold Motion within the Settling State against any Released Entities.
  - d. Part 2: Under Incentive D, Part 2, a Settling State shall receive 50% of its total potential Incentive D payment allocation if, at five and one-half (5.5) years after the Preliminary Agreement Date (the "*Second Look-Back Date*"), there are no pending Released Claims from a Qualifying Lawsuit that survived a Threshold Motion within the Settling State against any Released Entities.
  - e. After the First Look-Back Date, a Settling State can become re-eligible for Incentive Payment D Part 1 if the lawsuit that survived a Threshold Motion is dismissed pursuant to a later motion on grounds included in the Threshold Motion, in which case the Settling State shall become eligible for Incentive Payment D less any litigation fees and cost incurred by the Released Entity in the interim, except that if the dismissal motion occurs after the

completion of opening statements in such action, the Settling State shall not be eligible for Incentive Payment D.

### **VIII. Allocation and Use of Settlement Funds**

- A.** *Components of Settlement Fund.* The Settlement Fund shall be comprised of an Abatement Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payments under Section VI into the Settlement Fund shall be initially allocated among those three (3) sub-funds and distributed and used as provided below or as provided for by a State-Subdivision Agreement (or other State-specific allocation of funds). Unless otherwise specified herein, payments placed into the Settlement Fund do not revert back to Allergan.
- B.** *Use of Settlement Payments.* It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Exhibit G Participants be for Opioid Remediation, subject to limited exceptions that must be documented in accordance with subsection VII.C. In no event may less than 85% of Allergan’s payments pursuant to Section VI.A.1-3 over the entirety of all Payment Years (but not any single Payment Year) be spent on Opioid Remediation.
- C.** While disfavored by the Parties, a Settling State or Exhibit G Participant may use monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Settling State or Exhibit G Participant uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Exhibit G Participant shall identify such amounts and report to the Settlement Fund Administrator and Allergan how such funds were used, including if used to pay attorneys’ fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this subsection VIII.C shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this subsection VIII.C as used to pay attorneys’ fees, investigation costs, or litigation costs shall be included in the “Compensatory Restitution Amount” for purposes of subsection VIII.G and (b) Participating Subdivisions not listed on Exhibit G or Participating Special Districts that receive monies from the Settlement Fund indirectly may only use such monies from the Settlement Fund for purposes that qualify as Opioid Remediation.
- D.** *Allocation of Settlement Fund.* The allocation of the Settlement Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. Given the uniqueness of States and their Subdivisions, Settling States and Participating Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level sub-funds. The Settlement Fund Administrator will then, for each Settling State and its Exhibit G Participants, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.

1. Base Payments. The Settlement Fund Administrator will allocate Base Payments under subsection VII.D among the Settling States in proportion to their respective State Allocation Percentages. Base Payments for each Settling State will then be allocated 15% to its State Fund, 70% to its Abatement Accounts Fund, and 15% to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in subsection VIII.E.
  2. Incentive Payments. The Settlement Fund Administrator will treat Incentive Payments under subsection VII.E on a State-specific basis. Incentive payments for which a Settling State is eligible under subsection VII.E will be allocated 15% to its State Fund, 70% to its Abatement Accounts Fund, and 15% to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in subsection VIII.E.
  3. Application of Adjustments. If any offset under Section XI applies with respect to a Settling State, the offset shall be applied proportionally to all amounts that would otherwise be apportioned and distributed to the State Fund, the Abatement Accounts Fund, and the Subdivision Fund for that State.
  4. Settlement Fund Administrator. Prior to the Initial Participation Date, Allergan and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall be appended hereto as Exhibit L.
- E. *Settlement Fund Reallocation and Distribution.* As set forth below, within a particular Settling State's account, amounts contained in the Settlement Fund sub-funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the apportionment of amounts is not addressed and controlled under subsections VIII.E.1-2, then the default provisions of subsection VIII.E.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to subsections VIII.E.1-2 address all of the Settlement Fund sub-funds. For example, a Statutory Trust might only address disbursements from a Settling State's Abatement Accounts Fund.
1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VIII.D shall be reallocated and distributed as provided by that agreement. Any State-Subdivision Agreement entered into or amended after July 26, 2022 shall be applied only if it requires: (1) that all amounts be used for Opioid Remediation except as allowed by subsection VIII.C, and (2) that at least 70% of amounts be used solely for future Opioid Remediation (references to "future Opioid Remediation" include amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms). For a State-Subdivision Agreement to be applied to the relevant portion of an Annual Payment, notice must be provided to Allergan

and the Settlement Fund Administrator at least sixty (60) days prior to the Payment Date.

2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such State's State Fund, Abatement Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such sub-funds are addressed, requires (1) all amounts to be used for Opioid Remediation except as allowed by subsection VIII.C, and (2) at least 70% of all amounts to be used solely for future Opioid Remediation, then, to the extent allocation or distribution is addressed, the amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VIII.D shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) sub-funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not address distribution of all or some of these three (3) sub-funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions in subsection VIII.E.4 of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this subsection VIII.E only addresses funds restricted to abatement, then the default provisions in this Agreement concerning allocation among the three (3) sub-funds comprising the Settlement Fund and the distribution of the State Fund and Subdivision Fund for that State would still apply, while the distribution of the applicable State's Abatement Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.
3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Abatement Accounts Fund. An Exhibit G Participant may choose to reallocate all or a portion of its allocation from the Subdivision Fund to the State's Abatement Accounts Fund or to another Participating Subdivision or Participating Special District. The Settlement Fund Administrator is not required to honor voluntary redistribution for which notice is provided to it less than sixty (60) days prior to the Payment Date.
4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If subsections VIII.E.1-2 do not apply, and subject to any voluntary redistribution pursuant to subsection VIII.E.3, amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VIII.D shall be distributed as follows:
  - a. Amounts apportioned to that State's State Fund shall be distributed to that State.
  - b. Amounts apportioned to that State's Abatement Accounts Fund shall be distributed consistent with subsection VIII.F. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling

State's funding requests from the Abatement Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Abatement Accounts Fund. If a Settling State has established a Statutory Trust then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the State's Abatement Accounts Fund to the Statutory Trust.

- c. Amounts apportioned to that State's Subdivision Fund shall be distributed to Participating Subdivisions in that State listed on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Subsection X.I shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G.
  - d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by subsection VIII.E.3. A Settling State may allocate funds from its State Fund or Abatement Accounts Fund for Special Districts.
5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section IX, *i.e.*, no amounts may be distributed directly to Non-Participating Subdivisions or to Later Participating Subdivisions in excess of what is permissible under subsection IX.E. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed into the sub-account in the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in subsection VIII.E.1 or by an Allocation Statute or a Statutory Trust described in subsection VIII.E.2.

**F.**     *Provisions Regarding Abatement Accounts Fund.*

- 1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that State's Abatement Accounts Fund so long as it complies with the requirements of subsection VIII.E.1 or VIII.E.2 as applicable, and all direct payments to Subdivisions comply with subsections IX.E-H.
- 2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Abatement Accounts Fund will be used solely for future Opioid Remediation and the following shall apply with respect to a Settling State:

a. *Regional Remediation.*

- (i) At least 50% of distributions for remediation from a State's Abatement Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to subsection VIII.F.2.d to define its regions and assign regional allocations percentages. Otherwise, a Settling State shall (1) define its initial regions, which shall consist of one (1) or more Subdivisions and which shall be designated by the State agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that State for opioid abuse treatment or other public health purposes; and (2) assign initial regional allocation percentages to the regions based on the Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions listed on Exhibit G will become Participating Subdivisions.
- (ii) This minimum regional expenditure percentage is calculated on the Settling State's initial Abatement Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Abatement Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than 50% of its Abatement Accounts Fund to the regional expenditure and may annually adjust the percentage of its Abatement Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.
- (iii) The Settling State (1) has the authority to adjust the definition of the regions, and (2) may annually revise the percentages allocated to each region to reflect the number of Subdivisions in each region that are Non-Participating Subdivisions.

b. *Subdivision Block Grants.* Certain Subdivisions listed on Exhibit G shall be eligible to receive regional allocation funds in the form of a block grant for future Opioid Remediation. A Participating Subdivision listed on Exhibit G eligible for block grants is a county or parish (or in the case of States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, Bar, or other action; (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more; and (3) has funded or otherwise managed an established health care or treatment infrastructure (e.g., health department or similar agency). Each Subdivision listed on Exhibit G eligible to receive block grants shall be assigned its own region.

- c. *Small States.* Notwithstanding the provisions of subsection VIII.F.2.a, Settling States with populations under four (4) million that do not have existing regions described in subsection VIII.F.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions listed on Exhibit G eligible for block grants under subsection VIII.F.2.b shall be divided regionally so that each block-grant eligible Subdivision listed on Exhibit G is a region and the remainder of the State is a region.
- d. *Advisory Committee.* The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the “*Advisory Committee*”) to provide input and recommendations regarding remediation spending from that Settling State’s Abatement Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-Subdivision Agreement or Allocation Statute); *provided, however,* the Advisory Committee or similar entity shall meet the following requirements:
  - (i) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;
  - (ii) Composition that includes at least an equal number of local representatives as state representatives;
  - (iii) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their communities, their abatement needs, and proposals for abatement strategies and responses; and
  - (iv) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Abatement Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to among the Parties.

**G.** *Nature of Payment.* Allergan, the Settling States, the Participating Subdivisions, and the Participating Special Districts, acknowledge and agree that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

- 1. Allergan has entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;
- 2. The Settling States, the Participating Subdivisions, and the Participating Special Districts sought compensatory restitution (within the meaning of 26 U.S.C.

§ 162(f)(2)(A)) as damages for the Alleged Harms allegedly suffered by the Settling States, Participating Subdivisions and Participating Special Districts;

3. By executing this Agreement the Settling States, the Participating Subdivisions, and the Participating Special Districts certify that: (a) the Compensatory Restitution Amount is no greater than the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States, Participating Subdivisions and Participating Special Districts; and (b) the portion of the Compensatory Restitution Amount received by each Settling State, Participating Subdivision or Participating Special Districts is no greater than the amount of the Alleged Harms allegedly suffered by such Settling State, Participating Subdivision or Participating Special Districts;
4. The payment of the Compensatory Restitution Amount by Allergan constitutes, and is paid for, compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by Allergan;
5. The Compensatory Restitution Amount is being paid as compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) in order to restore, in whole or in part, the Settling States, Participating Subdivisions and Participating Special Districts to the same position or condition that they would be in had the Settling States, Participating Subdivisions and Participating Special Districts not suffered the Alleged Harms;
6. No portion of the Compensatory Restitution Amount represents reimbursement to any Settling State, Participating Subdivision, Participating Special District, or other person or entity for the costs of any investigation or litigation. The entire Compensatory Restitution Amount is properly characterized as described in subsection VIII.G. No portion of the Compensatory Restitution Amount constitutes disgorgement or is properly characterized as the payment of statutory or other fines, penalties, punitive damages, other punitive assessments, or attorneys' fees; and
7. The Designated State, on behalf of all Settling States, Participating Subdivisions, and Participating Special Districts (the "Form 1098-F Filer") shall complete and file Form 1098-F with the Internal Revenue Service on or before February 28 (March 31 if filed electronically) of the year following the calendar year in which the order entering this Agreement becomes binding. On the Form 1098-F, the Form 1098-F Filer shall identify the entire Compensatory Restitution Amount received by the Form 1098-F Filer as remediation/restitution. The Form 1098-F Filer shall also, on or before January 31 of the year following the calendar year in which the order entering this Agreement becomes binding, furnish Copy B of such Form 1098-F (or an acceptable substitute statement) to Allergan.

**IX. Participation by Subdivisions and Special Districts**

- A. *Notice.* No later than fifteen (15) days after the Preliminary Agreement Date, the Settling States, with the cooperation of Allergan, shall send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions and Special Districts in the Settling State that are (1) Litigating Subdivisions or Litigating Special Districts, or (2) Non-Litigating Subdivisions listed in Exhibit G. To the extent a Non-Litigating Special District is entitled to an allocation for a direct payment through its inclusion in Exhibit G pursuant to a State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution, the Settling States shall also send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to such Special District. Unless otherwise agreed by the Parties, the version of Exhibit G used for notice shall be the one in place as of the Preliminary Agreement Date. Allergan's share of costs of the written notice shall be paid by Allergan as part of the Implementation Costs. Notice (which may be delivered via e-mail or other electronic means) shall also be provided simultaneously to counsel of record for Litigating Subdivisions, Litigating Special Districts, and known counsel for Non-Litigating Subdivisions listed on Exhibit G and Non-Litigating Special Districts listed on Exhibit G. The notice will include that the deadline for becoming an Initial Participating Subdivision or Initial Participating Special District is the Initial Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions or Special Districts about becoming a Participating Subdivision or Participating Special District, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.
- B. *Requirements for Becoming a Participating Subdivision: Non-Litigating Subdivisions.* A Non-Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section VIII, and (4) that the Subdivision submits to the jurisdiction of the Court where the Consent Judgment is filed for purposes limited to that Court's role under the Agreement. The required Settlement Participation Form is attached as Exhibit K. A Non-Litigating Subdivision will decide whether to become a Participating Subdivision for both this Agreement and the Teva Global Opioid Settlement Agreement, or neither. However, if Teva enters bankruptcy prior to the Effective Date, a Non-Litigating Subdivision can choose to only join this Agreement.
- C. *Requirements for Becoming a Participating Subdivision: Litigating Subdivisions/Later Litigating Subdivisions.* A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) that, in addition to the requirements set out in subsection IX.B for Non-Litigating Subdivisions, commits it to

promptly dismissal its legal action. The required Settlement Participation Form is attached as Exhibit K. A Litigating Subdivision or Later Litigating Subdivision will decide whether to become a Participating Subdivision for both this Agreement and the Teva Global Opioid Settlement Agreement, or neither. However, if Teva enters bankruptcy prior to the Effective Date, a Litigating Subdivision or Later Litigating Subdivision can choose to only join this Agreement. Except for trials begun before the Initial Participation Date, a Litigating Subdivision or a Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of a legal action it brought that includes a Released Claim against a Released Entity.

- D.** *Initial Participating Subdivisions.* A Subdivision qualifies as an Initial Participating Subdivision if it meets the applicable requirements for becoming a Participating Subdivision set forth in subsections IX.B or IX.C by the Initial Participation Date. Provided however, all Subdivision Settlement Participation Forms shall be held by the Implementation Administrator until Allergan provides the notice in subsection X.B that it intends to proceed with the settlement, at which time the obligations created by such forms become effective. If Allergan determines not to proceed, all Settlement Participation Forms shall be returned to Counsel for Litigating Subdivisions or to the Subdivisions not represented by counsel or destroyed to the extent that such destruction is not prohibited by then existing document preservation obligations.
- E.** *Later Participating Subdivisions.* A Subdivision that is not an Initial Participating Subdivision may become a Later Participating Subdivision by meeting the applicable requirements for becoming a Participating Subdivision after the Initial Participation Date and agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to subsections VIII.E or VIII.F. The following provisions govern what a Later Participating Subdivision can receive (but do not apply to Initial Participating Subdivisions):
1. A Later Participating Subdivision shall not receive any share of any Base or Incentive Payments paid to the Subdivision Fund that were due before it became a Participating Subdivision.
  2. A Later Participating Subdivision that becomes a Participating Subdivision after the Initial Participation Date but before June 15, 2023 shall receive 75% of the share of the Initial Year Payment that it would have received had it become an Initial Participating Subdivision (unless the Later Participating Subdivision is subject to subsections IX.E.3 or IX.E.4 below). A Later Participating Subdivision that becomes a Participating Subdivision after June 15, 2023 shall receive no share of the Initial Year Payment.
  3. A Later Participating Subdivision that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Subdivision (other than a consensual dismissal with prejudice) shall receive 50% of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision prior to such judgment; *provided,*

*however*, that if the Subdivision appeals the judgment and the judgment is affirmed with finality before the Subdivision becomes a Participating Subdivision, the Subdivision shall not receive any share of any Base Payments or Incentive Payments.

4. A Later Participating Subdivision that becomes a Participating Subdivision while a Bar or Case-Specific Resolution involving a different Subdivision exists in its State shall receive 25% of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision without such Bar or Case-Specific Resolution.
- F. *No Increase in Payments.* Amounts to be received by Later Participating Subdivisions or Later Participating Special Districts shall not increase the payments due from Allergan.
- G. *Ineligible Subdivisions and Special Districts.* Prior Settling Subdivisions and Subdivisions and Special Districts in Non-Settling States or Prior Settling States are not eligible to be Participating Subdivisions or Participating Special Districts.
- H. *Non-Participating Subdivisions and Non-Participating Special Districts.* Non-Participating Subdivisions and Non-Participating Special Districts shall not directly receive any portion of any Base Payments or Incentive Payments, including from the State Fund and direct distributions from the Abatement Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions and Non-Participating Special Districts.
- I. *Unpaid Allocations to Later Participating and Non-Participating Subdivisions.* Any Base Payments and Incentive Payments allocated pursuant to subsection VII.E to a Later Participating or Non-Participating Subdivision or a Later Participating or Non-Participating Special District that cannot be paid pursuant to Section IX, will be allocated to the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust.
- J. *Requirements for Becoming a Participating Special District: Non-Litigating Special Districts.* A Non-Litigating Special District in a Settling State may become a Participating Special District by returning an executed Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) specifying (1) that the Special District agrees to the terms of this Agreement pertaining to Special Districts, (2) that the Special District releases all Released Claims against all Released Entities, (3) that the Special District agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section VIII, and (4) that the Special District submits to the jurisdiction of the Court where the Consent Judgment is filed for purposes limited to that Court's role under the Agreement. The required Settlement Participation Form is attached as Exhibit K. A Non-Litigating Special District will decide whether to become a Participating Special District for both this Agreement and the Teva Global Opioid Settlement Agreement, or neither.

However, if Teva enters bankruptcy prior to the Effective Date, a Non-Litigating Special District can choose to only join this Agreement.

- K.** *Requirements for Becoming a Participating Special District: Litigating Special Districts/Later Litigating Special Districts.* A Litigating Special District or Later Litigating Special District in a Settling State may become a Participating Special District by returning an executed Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) that, in addition to the requirements set out in subsection IX.J for Non-Litigating Special Districts, commits it to promptly dismiss its legal action. The required Settlement Participation Form is attached as Exhibit K. A Litigating Special District or Later Litigating Special District will decide whether to become a Participating Special District for both this Agreement and the Teva Global Opioid Settlement Agreement, or neither. However, if Teva enters bankruptcy prior to the Effective Date, a Litigating Special District or Later Litigating Special District can choose to only join this Agreement. Except for trials begun before the Initial Participation Date, a Litigating Special District or a Later Litigating Special District may not become a Participating Special District after the completion of opening statements in a trial of a legal action it brought that includes a Released Claim against a Released Entity.
- L.** *Initial Participating Special Districts.* A Special District qualifies as an Initial Participating Special District if it meets the applicable requirements for becoming a Participating Special District set forth in subsections IX.J or IX.K by the Initial Participation Date. Provided however, all Special District Settlement Participation Forms shall be held by the Implementation Administrator until Allergan provides the notice in subsection X.B that it intends to proceed with the settlement, at which time the obligations created by such forms become effective.
- M.** *Later Participating Special Districts.* A Special District that is not an Initial Participating Special District may become a Later Participating Special District by meeting the applicable requirements for becoming a Participating Special District after the Initial Participation Date and agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to subsections VIII.E or VIII.F. or any agreement reached by the applicable Settling State with Initial Participating Special Districts. The following provisions govern what a Later Participating Special District can receive (but do not apply to Initial Participating Special Districts):
1. Except for the Initial Year Payment, a Later Participating Special District shall not receive any share of any Base or Incentive Payments paid to the Subdivision Fund that were due before it became a Participating Special District.
  2. A Later Participating Special District that becomes a Participating Special District after Initial Participation Date but before June 15, 2023 shall receive 75% of the share of the Initial Year Payment that it would have received had it become an Initial Participating Special District (unless the Later Participating Special District is subject to subsections IX.M.3 or IX.M.4 below). A Later Participating Special

District that becomes a Participating Special District after June 15, 2023 shall receive no share of the Initial Year Payment.

3. A Later Participating Special District that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Special District (other than a consensual dismissal with prejudice) shall receive 50% of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Special District prior to such judgment; *provided, however*, that if the Special District appeals the judgment and the judgment is affirmed with finality before the Special District becomes a Participating Special District, the Special District shall not receive any share of any Base Payments or Incentive Payments.
4. A Later Participating Special District that becomes a Participating Special District while a Bar or Case-Specific Resolution involving a different Special District exists in its State shall receive 25% of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Special District without such Bar or Case-Specific Resolution.

**X. Condition to Effectiveness of Agreement and Filing of Consent Judgment**

- A. *Determination to Proceed With Settlement.* Allergan will determine on or before the Reference Date whether there has been a sufficient resolution of the Claims of the Subdivisions and Special Districts in the Settling States (through participation under Section IX, Case-Specific Resolution(s), and Bar(s)) to proceed with this Agreement. The determination shall be in the sole discretion of Allergan, in good faith, and may be based on any criteria or factors deemed relevant by Allergan.
- B. *Notice by Allergan.* On or before the Reference Date, Allergan shall inform the Settling States and MDL Plaintiffs' Executive Committee of its determination pursuant to subsection X.A. If Allergan determines to proceed, the Parties will proceed to file the Consent Judgments. If Allergan determines not to proceed, this Agreement will have no further effect and all releases (including those given by Participating Subdivisions and Participating Special Districts) and other commitments or obligations contained herein will be void and Settlement Participation Forms returned to the Subdivision or Special District or destroyed to the extent not prohibited by then existing legal obligations or document holds.

**XI. Potential Payment Adjustments**

- A. *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the following shall apply. If the lawsuit asserting a Released Claim either survives a Threshold Motion or has an unresolved Threshold Motion fewer than sixty (60) days prior to the scheduled start of a trial involving a Released Claim, and is resolved with

finality on terms requiring payment by the Released Entity, Allergan shall receive a dollar-for-dollar offset for the amount paid against its obligation to make remaining Incentive A payments that would be apportioned to that State or Participating Subdivisions listed on Exhibit G.

**B.** *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.*

1. If Allergan made a payment as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and that Bar, Settlement Class Resolution, or Case-Specific Resolution is subject to a Revocation Event, Allergan shall receive a dollar-for-dollar offset against its obligation to make remaining payments that would be apportioned to that State or Participating Subdivisions or Participating Special Districts listed on Exhibit G. This offset will be calculated as the dollar amount difference between (1) the total amount of Incentive Payments paid by Allergan during the time the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event was in effect, and (2) the total amount of Incentive Payments that would have been due from Allergan during that time without the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event being in effect. The amount of Incentive Payments that would have been due, referenced in (2) above, will be calculated based on considering any Subdivision or Special District that provides a release within one hundred eighty (180) days after the Revocation Event as having been a Participating Subdivision or Participating Special District (in addition to all other Participating Subdivisions and Participating Special Districts) during the time that the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event was in effect. If a Revocation Event causes a Settling State to no longer qualify for one or both parts of Incentive D, the Settling State and its Exhibit G participants shall return to Allergan all relevant payments made under Incentive D through offsets as set forth above.
2. Notwithstanding anything to the contrary in paragraph 1 above, if a Bar or Case-Specific Resolution is reinstated by the Settling State, either through the same or different means as the initial Bar or Case-Specific Resolution, Allergan's right to an offset is extinguished and any amounts withheld to offset amounts paid on account of the revoked, rescinded, reversed, or overruled Bar or Case-Specific Resolution shall be returned to the Settling State, less and except any Incentive Payments that would have been paid during the period in which the Bar or Case-Specific Resolution was revoked, rescinded, reversed, or overruled.

**XII. Additional Restitution Amount**

- A.** *Additional Restitution Amount.* Allergan shall pay an Additional Restitution Amount to each Settling State listed in Exhibit N in the amount and on the schedule set forth in Exhibit M. The maximum Additional Restitution Amount of \$16,192,680.76 shall be reduced by the allocation set forth on Exhibit N for any Non-Settling States listed on Exhibit N. The Settlement Fund Administrator shall allocate such funds among and within the Settling

States listed in Exhibit N at the same time as its allocation of Annual Payments pursuant to Section VII.B.

- B.** Additional Restitution Amount funds shall not be subject to allocation as provided in Sections VIII.D through VIII.F

### **XIII. Plaintiffs' Attorneys' Fees and Costs**

- A.** Attorneys' fees and costs are addressed in the following exhibits and are incorporated herein by reference:
1. The State Outside Counsel Fee Fund is addressed in Exhibit U.
  2. The State Cost Fund is addressed in Exhibit S.
  3. The Attorney Fee and Cost Fund is addressed and the Agreement on Attorneys' Fees, Expenses and Costs is set forth in Exhibit R.

### **XIV. Enforcement and Dispute Resolution**

- A.** *Enforceability.* The terms of the Agreement and Consent Judgment applicable to or in a Settling State will be enforceable solely by that Settling State and Allergan. Settling States or Participating Subdivisions shall not have enforcement rights with respect either to the terms of this Agreement that apply only to or in other States or to any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against Allergan with respect to the Agreement or any Consent Judgment except as to payments that would be allocated to the Subdivision Fund or Abatement Accounts Fund pursuant to Section VII; *provided, however*, that each Settling State shall allow Participating Subdivisions in that State to notify it of any perceived violations of the Agreement or Consent Judgment.
- B.** *Consent to Jurisdiction and Service of Process.* Allergan consents to the jurisdiction of the Court in which the Consent Judgment is filed, and any appellate court thereof, limited to resolution of disputes identified in subsection XIV.G.2; for a civil action for any appropriate relief to enforce compliance with the Parties' Agreement for Injunctive Relief pursuant to Exhibit P, Section K.5 herein; and for any proceedings for or related to the enforcement or collection of any payments on the Consent Judgment for resolution in the Court in which the Consent Judgment is filed. Allergan further agrees any service of process or notice required for such action or proceeding may be effectuated on Allergan through delivery of all required papers by hand or by a nationally recognized private courier on Allergan's representatives identified in Section XVI.P herein. To be clear, for the purposes of this Agreement only, Allergan consents to personal jurisdiction before such courts, and will not contend service must be effectuated through personal service of the Hague Convention process.
- C.** *Specific Terms Dispute Resolution.*

1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief Terms in Exhibit P shall be resolved as provided therein and pursuant to Section VIII.E.3 herein.
2. In the event Allergan believes the 85% threshold established in subsection VIII.B is not being satisfied, any Party may request that Allergan and the Enforcement Committee meet and confer regarding the use of funds under subsection VIII.B. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning subsection VIII.B shall: (i) be limited to Allergan seeking to reduce its Annual Payments by no more than 5% of the difference between the actual amount of Opioid Remediation and the 85% threshold established in subsection VIII.B; (ii) only reduce Annual Payments to those Settling States and its Participating Subdivisions that are below the 85% threshold established in subsection VIII.B; and (iii) not reduce Annual Payments restricted to future Opioid Remediation.

**D.** *State-Subdivision Enforcement.*

1. A Participating Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to the Agreement or any Consent Judgment except: (1) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation; or (2) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, as to allegations that: (a) the Settling State's use of Abatement Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (b) a Settling State failed to pay funds directly from the Abatement Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to subsection VIII.F.2.b.
2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory: (1) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (2) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, as to allegations that the uses of Abatement Accounts Fund monies by Participating Subdivisions listed on Exhibit G were not for uses similar to or in the nature of those uses contained in Exhibit E.
3. As between Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change, or alter any other existing rights under law.

**E.** *Enforcement Committee Actions to Enforce Agreement.*

1. The Parties agree that in the event of any failure by Allergan to make any required payments under this Agreement, the Enforcement Committee, on its own or through its designee such as a Settling State or Participating Subdivision acting by its authorization and on its behalf, shall have the ability and right to file an action or proceeding in any New York state court, or federal court of the United States of

America, sitting in New York, for or related to the enforcement or collection of such payments.

2. If any National Dispute involving a Settling State, Participating Subdivision, and/or Allergan is pending before a National Arbitration Panel concerning a given year's payment to all Settling States, any action or proceeding pursuant to this subsection XIV.E shall be stayed as to any disputed amounts only, but may proceed as to any and all undisputed amounts. In the event there is a dispute between the Parties as to the disputed amounts at issue, the Enforcement Committee or any party to that dispute may seek an expedited determination from the National Arbitration Panel for that proceeding as to the disputed and undisputed amounts.
  3. The Parties further Agree that in the event of Allergan's breach of the Parties' Agreement for Injunctive Relief (Exhibit P attached hereto), the Enforcement Committee, on its own or through a single designee such as a Settling State shall have the ability and right to file a civil action pursuant to Exhibit P, after completing the processes laid out in Exhibit P, in any New York state court, or federal court of the United States of America, sitting in New York, seeking any appropriate relief to enforce compliance with such Agreement for Injunctive Relief.
  4. Allergan and other Released Entities consent to the jurisdiction of the New York state court, or federal court of the United States of America, sitting in New York, and any appellate court from any thereof, in which any action or proceeding is initiated pursuant to this subsection XIV.E, and for enforcement or collection of any related judgment entered by such court. Allergan further agrees any service of process or notice required for such action or proceeding, including for any action or proceeding for enforcement or collection of any judgment entered thereon, may be effectuated on Allergan through delivery of all required papers by hand or by a nationally recognized private courier on Allergan's representatives identified in Section XVI.P herein. For the purposes of this Agreement only, Allergan consents to personal jurisdiction before such courts and will not contend service must be effectuated through personal service or the Hague Convention process.
  5. The enforcement rights under this subsection XIV.E are in addition to, and not in lieu of, any other enforcement and collection rights of the Parties herein, including but not limited to enforcement rights as to payments as allowed by subsection XV.A.
- F.** *Subdivision Payment Enforcement.* A Participating Subdivision shall have the same right as a Settling State pursuant to subsection XIV.G.4.a(iv) to seek resolution of any failure by Allergan to make its required Base Payments and/or Incentive Payments in a Payment Year.
- G.** *Other Dispute Resolution Terms.*
1. Except as provided in subsection VIII.C, the parties to a dispute shall promptly meet and confer in good faith to resolve any dispute prior to any filing or

presentation to the Court or National Arbitration Panel. If the parties cannot resolve the dispute informally, and unless otherwise agreed in writing, they shall follow the remaining provisions of this Section XIV to resolve the dispute.

2. Except as provided in subsections XIV.C and XIV.G.4, disputes not resolved informally shall be resolved in either the Court that entered the relevant Consent Judgment or, if no Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of state government is located. State court proceedings shall be governed by the rules and procedures of the forum. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:
  - a. disputes concerning whether expenditures qualify for Opioid Remediation;
  - b. disputes between a Settling State and Participating Subdivisions located in such Settling State as provided by subsection XIV.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;
  - c. whether this Agreement and relevant Consent Judgment are binding under state law;
  - d. the extent of the Attorney General's or other participating entity's authority under state law, including the extent of the authority to release Claims;
  - e. whether the requirements of a Bar, a Case-Specific Resolution, State-Specific Finality, Later Litigating Subdivision, Litigating Subdivision, or a Threshold Motion have been met; and
  - f. all other disputes not specifically identified in subsections XIV.C and XIV.G.4.
3. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court's rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an amicus curiae brief, and any attorneys' fees and costs for preparing any such filing shall be paid for by the requesting Party.
4. National Disputes involving a Settling State, Participating Subdivision, and/or Allergan shall be resolved by a National Arbitration Panel.

- a. “*National Disputes*” are disputes that are exceptions to subsection XIV.G.2’s presumption of resolution in state courts because they involve issues of interpretation of Agreement terms applicable to all Settling States without reference to a particular State’s law. Disputes between a State and any Participating Subdivisions shall not be considered National Disputes. National Disputes are limited to the following:
- (i) the amount of offset and/or credit attributable to Non-Settling States;
  - (ii) issues involving the scope and definition of “Product”;
  - (iii) interpretation and application of the terms “Covered Conduct” and “Released Entities”;
  - (iv) disputes over a given year’s Annual Payment or the payment of the Additional Restitution Amount to all Settling States (for the avoidance of doubt, disputes between a Settling State and Allergan over the amounts owed to only that State shall not be considered National Disputes);
  - (v) questions regarding the performance and/or removal of the Settlement Fund Administrator;
  - (vi) disputes involving liability of successor entities;
  - (vii) disputes that require a determination of sufficient Subdivision and Special District participation to qualify for Incentives A, B, C, or D,;
  - (viii) disputes that require interpretation of Agreement terms (i) that concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under State law; and
  - (ix) any dispute subject to resolution under subsection XIV.G.2 but for which all parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this subsection XIV.G.4.
- b. The “*National Arbitration Panel*” shall be comprised of three (3) neutral arbitrators. One (1) arbitrator shall be chosen by Allergan, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.

- (i) The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) days of filing, and in no event shall it take longer than one (1) year.
  - (ii) The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible, and with a presumption in favor of remote participation to minimize the burdens on the parties.
  - (iii) To the extent allowed under state law, a Settling State, Participating Subdivision, and (at any party's request) the National Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.
  - (iv) The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, Participating Subdivision, or Allergan on a state law issue.
  - (v) The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Allergan, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and Allergan whose resolution could prejudice the rights of a Participating Subdivision(s) or Participating Special District(s) in that Settling State, such Participating Subdivision(s) or Participating Special District(s) shall be allowed to file a statement of view in the proceeding.
- c. Nothing herein shall be construed so as to limit or otherwise restrict a State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.
  - d. Each party shall bear its own costs in any arbitration or court proceeding arising under this subsection XIV.G. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, *e.g.*, a dispute between Allergan and Settling States/Participating Subdivisions shall be split 50% by Allergan and 50% by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split 50% by the Settling State and 50% by any Participating Subdivisions that are party to the dispute.

5. Prior to initiating an action to enforce pursuant to this subsection XIV.G, the complaining party must:
  - a. Provide written notice to the Enforcement Committee of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided, however*, that the date the Enforcement Committee establishes for obtaining additional information from the parties shall not be more than forty-five (45) days following the notice. The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.
  - b. Wait to commence any enforcement action until thirty (30) days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.
6. If the parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of subsections XIV.G.2 or XIV.G.4, a committee comprising the Enforcement Committee and sufficient representatives of Allergan such that the members of the Enforcement Committee have a majority of one (1) member will determine the forum where the dispute will be initiated within twenty-eight (28) days of receiving notification of the dispute relating to the proper forum. The forum identified by such committee shall be the sole forum for determining where the dispute shall be heard, and the committee's identification of such forum shall not be entitled to deference by the forum selected.

**H.** *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling State's Civil Investigative Demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Allergan reserves all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

## **XV. Judgment and Settlement Set-Off Related to Teva**

- A.** The Parties recognize that some of the Settling States, Participating Subdivisions, and Participating Special Districts are pursuing Claims against Teva Ltd., Teva USA, Cephalon, Divested Actavis Generic Entities, and/or other Divested Entities, and/or each of their respective parents, subsidiaries, and/or affiliates. If any of them achieves a judgment by verdict, judicial decision, or means other than settlement against any of Teva Ltd., Teva USA, Cephalon, Divested Actavis Generic Entities, and/or other Divested Entities, and/or each of their respective parents, subsidiaries, and/or affiliates, each plaintiff listed above shall represent and agree that any payment(s) that the Settling States, Participating Subdivisions, and Participating Special Districts or their counsel receives from Teva Ltd., Teva USA, Cephalon, Divested Actavis Generic Entities, and/or other Divested Entities, and/or each of their respective parents, subsidiaries, and/or affiliates

reflects the amount over and above 56% of the amount they or their counsel received from the Global Settlement Amount due under this Agreement that each and all of them deem to reflect a fair overall settlement value for liability attributable to the generic opioid drugs that are Products distributed and/or sold before August 2, 2016 by Divested Actavis Generic Entities and/or other Divested Entities and/or attributable to the operation of the Divested Actavis Generic Entities and/or other Divested Entities related to those generic opioid drugs that are Products before August 2, 2016.

- B.** The Settling States, Participating Subdivisions, and Participating Special Districts may reach a settlement agreement with Teva Ltd., Teva USA, Cephalon, Divested Actavis Generic Entities, and/or other Divested Entities, and/or each of their respective parents, subsidiaries, and/or affiliates that resolves some or all of their respective Claims. In that event, the Releasors represent and agree that any payment(s) that the Settling States, Participating Subdivisions, and Participating Special Districts or their counsel receives from Teva Ltd., Teva USA, Cephalon, Divested Actavis Generic Entities, and/or other Divested Entities, and/or each of their respective parents, subsidiaries, and/or affiliates reflects the amount over and above 56% of the amount they or they counsel received from the Global Settlement Amount due under this Agreement that each and all of them deem to reflect a fair overall settlement value for liability attributable to the generic opioid drugs that are Products distributed and/or sold before August 2, 2016 by Divested Actavis Generic Entities and/or other Divested Entities and/or attributable to the operation of the Divested Actavis Generic Entities and/or other Divested Entities related to those generic opioid drugs that are Products before August 2, 2016. In any such settlement agreement with Teva Ltd., Teva USA, Cephalon, Divested Actavis Generic Entities, and/or other Divested Entities, and/or each of their respective parents, subsidiaries, and/or affiliates, the Settling States, Participating Subdivisions, and Participating Special Districts agree that the agreed settlement amount reflects the value the parties to the agreement deem a fair settlement value over and above the payments made or due to be paid under the Allergan Public Global Opioid Settlement Agreement for generic opioid drugs that are Products distributed and/or sold before August 2, 2016 by Divested Actavis Generic Entities and/or other Divested Entities and/or relate to the operation of Divested Actavis Generic Entities and other Divested Entities related to those generic opioid drugs that are Products before August 2, 2016.

## **XVI. Miscellaneous**

- A.** *No Admission.* Allergan does not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgments shall be considered, construed, or represented to be (1) an admission, concession, or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to Allergan.
- B.** *Population of Subdivisions.* The population figures for Subdivisions shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.
- C.** *Population of Special Districts.* For any purpose in this Agreement in which the population of a Special District is used: (a) School Districts' population will be measured by the

number of students enrolled who are eligible under the Individuals with Disabilities Education Act (“*IDEA*”) or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts’ and Hospital Districts’ population will be measured at 25% of discharges; and (c) all other Special Districts’ (including Fire Districts’ and Library Districts’) population will be measured at 10% of the population served.

**D.** *Population Associated with Sheriffs.* For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at 20% of the capacity of the jail(s) operated by the sheriff.

**E.** *Most-Favored-Nation Provision.*

1. If Allergan enters into any settlement agreement with any Non-Settling State after November 23, 2022 that resolves Claims similar in scope to the Claims released by a Settling State under this Agreement on overall payment terms that are more favorable to such Non-Settling State on a net present value basis (calculated with a 7% discount rate) on overall payment terms the Non-Settling State would have received under this Agreement based on the same level of participation, then the Settling States, individually or collectively, may elect to seek review, pursuant to Section XVI.E.3, of the overall payment terms of this Agreement and the Non-Settling State agreement so that the Settling State(s) may obtain, with respect to Allergan, overall payment terms at least as favorable as those obtained by such Non-Settling State. “*Overall payment terms*” refers to consideration of all payment terms of the two agreements, taken together, including, but not limited to the amount of payments, the timing of payments, and conditions or contingencies on payments.
2. For any settlement with a Non-Settling State involving Released Claims, Allergan shall provide the Enforcement Committee with a copy of the settlement agreement or relevant Consent Judgment within thirty (30) calendar days of the consummation of such settlement. The Enforcement Committee will promptly distribute such copy to all Settling States.
3. In the event that one or more Settling State(s) believes that the overall payment terms of an agreement by Allergan with a Non-Settling State are more favorable to the Non-Settling State, when compared based on the totality of the considerations set forth in Section XVI.E.1, the Settling State(s) and Allergan shall engage in the following process:
  - a. The Settling State(s) shall provide notice, within sixty (60) calendar days of the date on which a settlement agreement or Consent Judgment is provided to the Enforcement Committee, to Allergan of its intent to seek revision of this Agreement to provide payment terms that are, on an overall basis, as favorable as those obtained by the Non-Settling State. Such notice shall be confidential and not disclosed publicly to the extent allowed by law and shall state, in detail, the basis for the Settling State’s belief that it is entitled to a revision of the Agreement.

- b. Allergan shall, within thirty (30) calendar days, provide a response to the Settling State(s), explaining its position, in detail, as to whether the Settling State(s) is entitled to more favorable overall payment terms than those provided for in this Agreement.
  - c. In the event the Settling State(s) and Allergan do not reach agreement as to the application of Section XVI.E.1, the Settling State(s) may petition the National Arbitration Panel to seek a ruling from the Panel as to the applicability of Section XVI.E.1, provided that the Settling State(s) may seek such review only if at least five (5) Settling States co-sign the petition. The Panel shall consider submissions and argument by the parties pursuant to the procedures set forth in Section XIV.G.4.
  - d. The Settling State(s) and Allergan shall be bound by the determination of the National Arbitration Panel.
4. This Section XVI.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any Non-Settling State agreement with Allergan that is entered into: (a) either the earlier of (i) after the close of expert discovery or (ii) after a date ninety (90) calendar days prior to the scheduled start date of a trial between Allergan and the Non-Settling State or any severed or bifurcated portion thereof, provided that, where, in order to complete a settlement, a Non-Settling State and Allergan jointly request an adjournment of the scheduled start date of a trial within ninety (90) days of that date, this exception will apply as if the trial date had not been adjourned; (b) with a Non-Settling State that previously litigated to judgment a case related to opioids against any manufacturer, distributor, or pharmacy; or (c) the earlier of (i) after a Non-Settling State has obtained any court order or judicial determination that grants judgment (in whole or in part) against Allergan in the Non-Settling State's case, (ii) after a sanctions ruling against Allergan in the Non-Settling State's case against Allergan; or (iii) after any ruling has issued in the Non-Settling State's case against any manufacturer, distributor, or pharmacy on the issue of joint and several liability. The National Arbitration Panel shall have no power to review agreements that satisfy any of the conditions described in this paragraph.
5. This Section does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any agreement between Allergan and (a) federally-recognized tribe(s), (b) Non-Participating Subdivisions or (3) Non-Participating Special Districts. This Section XVI.E will not apply to any agreement entered into more than six (6) months after the Reference Date.

**F. *Tax Reporting and Cooperation.***

- 1. The Parties agree that, unless otherwise required by law, Allergan's payment of the Compensatory Restitution Amount (after all applicable offsets) payable by Allergan shall be directed to Opioid Remediation for restitution of Alleged Harms allegedly caused by Allergan. By executing this Agreement (or the Settlement

Participation Form and thereby becoming a signatory to this Agreement), each Settling State, Participating Subdivision, and Participating Special District certify that: (1) the entity suffered Alleged Harms allegedly caused by Allergan; (2) the Compensatory Restitution Amount to be paid by Allergan to the entity represent an amount that is less than or equal to the actual monetary damage allegedly caused by Allergan; and (3) the entity shall use such payments for the sole purpose of Opioid Remediation.

2. Upon request by Allergan, the Settling States, Participating Subdivisions, and Participating Special Districts agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Allergan to establish the statements set forth in subsection VIII.G to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.
  3. Without limiting the generality of subsection XVI.F, each Settling State, Participating Subdivision, and Participating Special District shall cooperate in good faith with Allergan with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.
  4. The Designated State, on behalf of all Settling States, Participating Subdivisions, and Participating Special Districts, shall designate one of its officers or employees to act as the “appropriate official” within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the “Appropriate Official”).
  5. Neither Allergan nor the Settling States, Participating Subdivisions, and Participating Special Districts make any warranty or representation to any Settling jurisdiction or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).
- G.** *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. No Settling State may assign or otherwise convey any right to enforce any provision of this Agreement.
- H.** *Calculation.* Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.
- I.** *Construction.* None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

- J.** *Cooperation.* Each Party and each Participating Subdivision agrees to use its best efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and the Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.
- K.** *Entire Agreement.* This Agreement, its exhibits and any other attachments, including the attorneys' fees and cost agreement in Exhibit R, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.
- L.** *Execution.* This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.
- M.** *Good Faith and Voluntary Entry.* Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and signatories to this Agreement warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement.
- N.** *No Prevailing Party.* The Parties each agree that they are not the prevailing party in this action, for purposes of any Claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties have reached a good faith settlement. The Parties each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law.
- O.** *Non-Admissibility.* The settlement negotiations resulting in this Agreement have been undertaken by the Parties and by certain representatives of the Participating Subdivisions in good faith and for settlement purposes only, and no evidence of negotiations or discussions underlying this Agreement shall be offered or received in evidence in any action or proceeding for any purpose. This Agreement shall not be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding arising under or relating to this Agreement or in any litigation or arbitration concerning Allergan's right to coverage under an insurance contract.

Any Party or the Plaintiffs' Executive Committee may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this subsection.

**Q.** *No Waiver.* The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

**R.** *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

**S.** *Successors*

1. The Agreement shall be binding upon, and insure to the benefit of, Allergan and its respective successors and assigns.
2. Prior to Allergan's last Payment Date, Allergan shall not sell the majority of its voting stock or substantially all its assets without obtaining the acquiror's agreement that it will constitute a successor with respect to Allergan's obligations under this Agreement.
3. Prior to Allergan's last Payment Date, Allergan shall not in one (1) transaction, or a series of related transactions, sell, or transfer assets (other than sales or transfers of inventories, or sales or transfers to an entity owed directly or indirectly by Allergan) having a fair market value equal to twenty-five percent (25%) or more of the consolidated assets of Allergan where the sale or transfer transaction is announced after the Reference Date, is not for fair consideration, and would foreseeably and unreasonably jeopardize Allergan's ability to make the payments under this Agreement that are due on or before the third Payment Date following the close of a sale or transfer transaction. The above restriction shall not apply if Allergan obtains the acquiror's agreement that it will be either a guarantor of or successor to the percentage of Allergan's remaining Payment Obligations under this Agreement equal to the percentage of Allergan's consolidated assets being sold or transferred in such transaction. Percentages under this section shall be determined in accordance with the United States generally accepted accounting principles and as of the date of Allergan's most recent publicly filed consolidated balance sheet prior to the date of entry into the sale or transfer agreement at issue. This Section XVI.S.3 shall be enforceable solely by the Enforcement Committee, and any objection under this Section X.VI.S.3 not raised within twenty (20) calendar days from the date that Allergan transmits notice of the transaction to the Enforcement Committee is waived. Any dispute under this Section XVI.S.3 shall be a National Dispute as described in Section XIV.G and must be raised exclusively with the National Arbitration Panel as described therein within twenty (20) calendar days of the announcement, and the sole remedy shall be an order enjoining the transaction.

T. *Modification, Amendment, Alteration.* After the Reference Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by Allergan along with the signatures of at least thirty-seven (37) of those then-serving Attorneys General of the Settling States along with a representation from each Attorney General that either: (1) the advisory committee or similar entity established or recognized by that Settling State (either pursuant to subsection VIII.F.2, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment, or alteration of this Agreement including at least one Participating Subdivision-appointed member; or (2) in States without any advisory committee, that 50.1% of the Participating Subdivisions by population expressed approval of the modification, amendment, or alteration of this Agreement in writing. Provided, however, in the event the modification, amendment, or alteration relates to injunctive relief, interstate allocation between the Settling States, intrastate allocation in a particular Settling State, or fees or costs of Settling States and Participating Subdivisions, then every Settling

State and each Participating Subdivision affected by that modification, amendment, or alteration must assent in writing. Provided further that, in the event the modification, amendment, or alteration relates to injunctive relief, then such amendment, modification, or alteration of injunctive relief against Allergan will not be effective unless and until any Consent Judgment is modified by a court of competent jurisdiction, except as otherwise provided by the Injunctive Terms.

**U. Termination.**

1. Unless otherwise agreed to by Allergan and the Settling State in question, this Agreement and all of its terms (except subsection XVI.O and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated with respect to the Settling State, and the Agreement and all orders issued by the courts in the Settling State pursuant to the Agreement shall become null and void and of no effect if one or more of the following conditions applies:
  - a. A Consent Judgment approving this Agreement without modification of any of the Agreement's terms has not been entered as to the Settling State by a court of competent jurisdiction on or before one hundred eighty (180) days after the Effective Date; or
  - b. This Agreement or the Consent Judgment as to that Settling State has been disapproved by a court of competent jurisdiction to which it was presented for approval and/or entry (or, in the event of an appeal from or review of a decision of such a court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court).
2. If this Agreement is terminated with respect to a Settling State and its Participating Subdivisions for whatever reason pursuant to subsection XVI.U.1, then:
  - a. An applicable statute of limitation or any similar time requirement (excluding any statute of repose) shall be tolled from the date the Settling State signed this Agreement until the later of the time permitted by applicable law or for one year from the date of such termination, with the effect that Allergan and the Settling State in question shall be in the same position with respect to the statute of limitation as they were at the time the Settling State filed its action; and
  - b. Allergan and the Settling State and its Participating Subdivisions in question shall jointly move the relevant court of competent jurisdiction for an order

reinstating the actions and Claims dismissed pursuant to the terms of this Agreement governing dismissal, with the effect that Allergan and the Settling State and its Participating Subdivisions in question shall be in the same position with respect to those actions and Claims as they were at the time the action or Claim was stayed or dismissed.

3. Unless Allergan and the Enforcement Committee agree otherwise, this Agreement, with the exception of the Injunctive Relief Terms that have their own provisions on duration, shall terminate as to all Parties as of Annual Payment 6, *provided* that Allergan has performed its payment obligations under the Agreement as of that date. Notwithstanding any other provision in this Agreement, all releases under this Agreement will remain effective despite any termination under this paragraph.
- V. *Waiver.* Allergan, for good and valuable consideration the receipt of which is acknowledged, hereby (a) waives, foregoes and relinquishes all rights to utilize and/or seek relief under any of the following laws of the State of Texas for the restructuring of its debts or liabilities related to Released Claims or Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement: Tex. Bus. Orgs. Code § 10.003 (Contents of Plan of Merger: More Than One Successor) or any other statute of Subchapter A of Chapter 10 of Tex. Bus. Orgs. Code to the extent such statute relates to multi-successor or divisive mergers (and/or any other similar laws or statutes in any other state or territory); Tex. Bus. Orgs. Code §§ 11.01–11.414 (Winding Up and Termination of Domestic Entity); or Tex. Bus. & Com. Code §§ 23.01–23.33 (Assignments for the Benefit of Creditors) (collectively, the “Texas Statutes”), and (b) agrees, warrants and represents that it will not file, request or petition for relief under the Texas Statutes related to its debts or liabilities related to Released Claims or Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement, in each case until such time as all of Allergan’s payment obligations incurred hereunder are satisfied in full. The foregoing waiver and relinquishment includes, without limitation, until such time as all of Allergan’s payment obligations hereunder are satisfied in full, Allergan’s rights to execute a divisional merger or equivalent transaction or restructuring related to its debts or liabilities related to Released Claims or Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement that in each case has the intent or foreseeable effect of (i) separating material assets from material liabilities and (ii) assigning or allocating all or a substantial portion of those liabilities to any subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code, or pursuant to which such subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code would be assuming or retaining all or a substantial portion of those liabilities.
- W. *Governing Law.* Except (1) as otherwise provided in the Agreement or (2) as necessary, in the sole judgment of the National Arbitration Panel, to promote uniformity of interpretation for matters within the scope of the National Arbitration Panel’s authority, this Agreement shall be governed by and interpreted in accordance with the respective laws of the Settling State, without regard to the conflict of law rules of such Settling State, that is seeking to enforce the Agreement against Allergan or against which Allergan is seeking enforcement.

Notwithstanding any other provision in this subsection on governing law, any disputes relating to the Settlement Fund Escrow shall be governed by and interpreted in accordance with the law of the state where the escrow agent has its primary place of business.

| <b>PART THREE: OTHER STRATEGIES</b> |
|-------------------------------------|

**A. FIRST RESPONDERS**

In addition to items in section C, D and H relating to first responders, support the following:

1. Education of law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs.

2. Provision of wellness and support services for first responders and others who experience secondary trauma associated with opioid-related emergency events.

## **B. LEADERSHIP, PLANNING AND COORDINATION**

Support efforts to provide leadership, planning, coordination, facilitations, training and technical assistance to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Statewide, regional, local or community regional planning to identify root causes of addiction and overdose, goals for reducing harms related to the opioid epidemic, and areas and populations with the greatest needs for treatment intervention services, and to support training and technical assistance and other strategies to abate the opioid epidemic described in this opioid abatement strategy list.
2. A dashboard to (a) share reports, recommendations, or plans to spend opioid settlement funds; (b) to show how opioid settlement funds have been spent; (c) to report program or strategy outcomes; or (d) to track, share or visualize key opioid- or health-related indicators and supports as identified through collaborative statewide, regional, local or community processes.
3. Invest in infrastructure or staffing at government or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of preventing overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list.
4. Provide resources to staff government oversight and management of opioid abatement programs.

## **C. TRAINING**

In addition to the training referred to throughout this document, support training to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, those that:

1. Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis.
2. Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent overdoses, and treat those with OUD and any co-occurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (e.g., health care, primary care, pharmacies, PDMPs, etc.).

#### **D.     RESEARCH**

Support opioid abatement research that may include, but is not limited to, the following:

1.     Monitoring, surveillance, data collection and evaluation of programs and strategies described in this opioid abatement strategy list.
2.     Research non-opioid treatment of chronic pain.
3.     Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders.
4.     Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips.
5.     Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids.
6.     Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (*e.g.*, Hawaii HOPE and Dakota 24/7).
7.     Epidemiological surveillance of OUD-related behaviors in critical populations, including individuals entering the criminal justice system, including, but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring (“*ADAM*”) system.
8.     Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.
9.     Geospatial analysis of access barriers to MAT and their association with treatment engagement and treatment outcomes.

The governmental entity identified above (“*Governmental Entity*”), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Agreement dated November 22, 2022 (“*Allergan Settlement*”), and acting through the undersigned authorized official, hereby elects to participate in the Allergan Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the Allergan Settlement, understands that all terms in this Election and Release have the meanings defined therein, and agrees that by this Election, the Governmental Entity elects to participate in the Allergan Settlement as provided therein.
2. Following the execution of this Settlement Participation Form, the Governmental Entity shall comply with Section III.B of the Allergan Settlement regarding Cessation of Litigation Activities.
3. The Governmental Entity shall, within fourteen (14) days of the Reference Date and prior to the filing of the Consent Judgment, file a request to dismiss with prejudice any Released Claims that it has filed. With respect to any Released Claims pending in *In re National Prescription Opiate Litigation*, MDL No. 2804, the Governmental Entity authorizes the MDL Plaintiffs’ Executive Committee to execute and file on behalf of the Governmental Entity a Stipulation of Dismissal With Prejudice substantially in the form found at [link to national settlement website page to be provided].
4. The Governmental Entity agrees to the terms of the Allergan Settlement pertaining to Subdivisions and Special Districts as defined therein.
5. By agreeing to the terms of the Allergan Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.
6. The Governmental Entity agrees to use any monies it receives through the Allergan Settlement solely for the purposes provided therein.

7. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity's state where the Consent Judgment is filed for purposes limited to that court's role as provided in, and for resolving disputes to the extent provided in, the Allergan Settlement.
8. The Governmental Entity has the right to enforce the Allergan Settlement as provided therein.
9. The Governmental Entity, as a Participating Subdivision or Participating Special District, hereby becomes a Releasor for all purposes in the Allergan Settlement, including, but not limited to, all provisions of **Section V (Release)**, and along with all departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist in bringing, or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Allergan Settlement are intended to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The Allergan Settlement shall be a complete bar to any Released Claim.
10. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision or Participating Special District as set forth in the Allergan Settlement.
11. In connection with the releases provided for in the Allergan Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would

materially affect the Governmental Entities' decision to participate in the Allergan Settlement.

12. Nothing herein is intended to modify in any way the terms of the Allergan Settlement, to which the Governmental Entity hereby agrees. To the extent this Settlement Participation Form is interpreted differently from the Allergan Settlement in any respect, the Allergan Settlement controls.

I have all necessary power and authorization to execute this Settlement Participation Form on behalf of the Governmental Entity.

1. All figures for the base and incentive payments are maximum figures that reflect the following:
  - The credits amount of \$350,686,276 for prior settlements, including San Francisco, have already been applied.
  - An assumption that all Eligible States are Settling States.
  - An assumption that all incentives are earned.

2. The Additional Restitution Amount and the state and subdivision fees and costs amounts are broken out into separate columns in Exhibit M-2.
3. Any offsets under Section VII.C for Non-Settling States would be deducted from the base payments and the maximum incentive payments (A, B & C and D) by subtracting from all payments the amount of the payment times the State Allocation Percentage assigned to each Non-Settling State in Exhibit F-2.

**EXHIBIT O**  
**Adoption of a State-Subdivision Agreement**

A State-Subdivision Agreement shall be applied if it meets the requirements of **Section VIII** and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval.* A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Participating Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.
2. *Approval Authority.* Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.
3. *Population Percentage Calculation.* For purposes of this **Exhibit O** only, Population Percentages shall be determined as follows: For States with functional counties or parishes<sup>1</sup>, the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) two hundred percent (200%) of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) two hundred percent (200%) of the State's population. A "Primary Incorporated Municipality" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population; *provided* that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to two hundred percent (200%) of its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each non-county Subdivision

---

<sup>1</sup> Certain states do not have counties or parishes that have functional governments, including Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont.

(including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.

4. *Preexisting Agreements and Statutory Provisions.* A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be an Initial Participating Subdivision.
5. *Revised Agreements.* A State-Subdivision Agreement that has been revised, supplemented, or refined shall be applied if it meets the requirements of **Section VIII** and is approved by the State and by the State's Subdivisions pursuant to the terms above.

the practice appears to violate, and give Allergan thirty (30) days to respond to the notification (“Response Period”).

- B. Upon receipt of written notice from any of the Settling States, Allergan shall provide a written response to the Settling State’s notification, containing either a statement explaining why Allergan believes it is in compliance with **Exhibit P**, or a detailed explanation of how the alleged violation occurred and a statement explaining how and when Allergan intends to remedy or has remedied the alleged violation. Allergan may request a reasonable amount of additional time to cure any violation through such remedial measures (“Cure Period”) and the Settling State shall not unreasonably withhold approval of such request.
- C. The Settling State may not take any action concerning the alleged violation of **Exhibit P** during the Response and Cure Periods. Nothing shall prevent the Settling State from agreeing in writing to provide Allergan with additional time beyond the thirty (30) days to respond to the notice. However, the Settling State may take any action, including, but not limited to legal action to enforce compliance with the Consent Judgment, without delay if the Settling State believes that a threat to the health or safety of the public requires immediate action.
- D. The Settling State may bring an action against Allergan to enforce the terms of **Exhibit P**, but only after providing Allergan an opportunity to respond to the notification and, if agreed upon, a period to cure any violation, as described above, or within any other period as agreed to by Allergan and the Settling State.
- E. Nothing in this Consent Judgment shall be interpreted to limit any Settling State’s Civil Investigative Demand (“CID”) or investigative subpoena authority, to the extent such authority exists under applicable state law.
- F. Nothing herein shall be construed to exonerate any failure to comply with any provision of **Exhibit P** after the Effective Date, or to compromise the authority of any Settling State to take action for any failure to comply with **Exhibit P**, consistent with this section.

- A. The total Cost Fund shall be \$30 million dollars funded as set forth below.
  - 1. Total cost to be paid by Teva in each of the relevant Payment Years<sup>2</sup> under this Agreement shall be up to the following amounts, subject to the provisions set forth below:

|  |           |
|--|-----------|
|  | Cost Fund |
|--|-----------|

<sup>1</sup> Nothing herein shall be understood to indicate approval for additional State Back-Stop Agreements or modifications of existing State Back-Stop Agreements.

<sup>2</sup> Payment Year shall have the same meaning for Teva as set forth in the Teva Agreement and Teva Exhibits M-1 and M-3. Payment Year shall carry the same definition for Allergan as set forth in the Allergan Agreement and Allergan Exhibits M-1 and M-2.

|                   |                |
|-------------------|----------------|
| Payment<br>Year 1 | \$9,000,000.00 |
| Payment<br>Year 2 | \$9,000,000.00 |

2. Total cost to be paid by Allergan in each of the relevant Payment Years under this Agreement shall be up to the following amounts, subject to the provisions set forth below:

|                   |                |
|-------------------|----------------|
|                   | Cost Fund      |
| Payment<br>Year 1 | \$6,000,000.00 |
| Payment<br>Year 2 | \$6,000,000.00 |

3. The Cost Fund shall be split into the MDL Direct Cost Fund and the Subdivision Cost and Expense Fund.
- a. The MDL Direct Cost Fund shall be Seven Million Five Hundred Thousand Dollars (\$7,500,000), payable 50% in Year One, and 50% in Year Two. The MDL Direct Cost Fund shall make payment without any delay to reimburse the MDL PEC for an agreed-to portion of the expenses incurred, provided the costs have been approved by the Cost and Expense Fund Administrator appointed by the Court. The MDL Direct Cost Fund will be paid directly to the MDL Opiate Capital Account. The Cost and Expense Fund Administrator may include costs incurred by the MDL PEC in furtherance of litigation, mediation, implementation, and management of the Settlements.
  - b. The Subdivision Cost and Expense Fund shall be Twenty-Two Million Five Hundred Thousand Dollars (\$22,500,000), payable 50% in Year One and 50% in Year Two.
  - c. It is the intention of the Parties that the Cost Fund shall be administered by the Cost Fund and Expense Fund Administrator (MDL Docket No. 3828), who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.
  - d. The costs of the Cost and Expense Fund Administrator shall be paid from the Cost Fund and allocated by the Cost and Expense Fund Administrator between the MDL Direct Cost Fund and the

Subdivision Cost and Expense Fund to fairly charge each fund the cost incurred in implementing and supervising the specific fund.

- e. The Cost and Expense Fund Administrator shall set the process and procedures for submission of and criteria for applications for payment of Subdivisions' and Tribal Nations' costs and expenses. The Cost and Expense Fund Administrator shall receive and evaluate applications from Participating Litigating Subdivisions and litigating Tribal Nations, whether filed in Federal Court or State Court, to seek reimbursement for eligible costs in pursuit of claims against Allergan or Teva. The process shall require a showing that the costs or expenses sought were reasonably incurred in furtherance of active litigation of a designated state or federal bellwether trial-set case, or Common Benefit. The Cost and Expense Fund Administrator shall require transparency from all applicants as to any other sources for compensating Attorneys for Subdivisions and Tribal Nations for costs incurred. If funds remain after the reimbursement of approved out-of-pocket costs, the Cost and Expense Fund Administrator may consider reasonable and appropriate payment for client time, costs, or expenses incurred by recognized trial bellwether plaintiffs. At the conclusion of the process, any funds not allocated by the Cost and Expense Fund Administrator shall be transferred to the Common Benefit Fund established in this **Exhibit R**.

4. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than Teva or Allergan that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, (b) creates a separate cost fund, and (c) unless the parties agree to another date, such agreement has an effective date prior to June 30, 2023, the Cost and Expense Fund Administrator shall have the authority to aggregate the Cost Fund with the cost fund created under that global settlement agreement. The Cost and Expense Fund Administrator shall have the authority to address the appropriate procedures and required information to allow the costs to be funded from the appropriate cost fund or shared by two or more cost funds.

### **III. Attorney Fee Fund**

- A. An Attorney Fee Fund shall be paid in the following amounts and years:

|                | Teva Shall Pay   | Allergan Shall Pay |
|----------------|------------------|--------------------|
| Payment Year 1 | \$ 46,215,837.93 | \$ 40,778,855.53   |
| Payment Year 2 | \$ 46,215,837.93 | \$ 40,778,855.53   |
| Payment Year 3 | \$ 55,215,837.92 | \$ 46,778,855.53   |

|                |                  |                  |
|----------------|------------------|------------------|
| Payment Year 4 | \$ 55,215,837.92 | \$ 46,778,855.53 |
| Payment Year 5 | \$ 55,215,837.92 | \$ 0.00          |
| Payment Year 6 | \$ 55,215,837.92 | \$ 0.00          |

B. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fund.

2. It is the intention of the Parties that the Contingency Fee Fund and the Common Benefit Fund shall be administered by the Fee Panel (MDL Docket No. 3828), which will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order.

C. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Tribal Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the Teva Agreement and Allergan Agreement or if the Teva Agreement does not proceed past Teva's determination in **subsection XI.A** of the Teva Agreement or if the Allergan Agreement does not proceed past Allergan's determination in **subsection X.A** of the Allergan Agreement. Fees to be paid under this Fee Agreement are not available for representation of States, Non-Participating Subdivisions or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.

D. *Attorney Fee Fund and Sub Funds.*

1. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.

2. In no event shall Teva or Allergan be required to pay more into the Attorney Fee Fund in any Payment Year than the maximum amount specified for that Payment Year in subsection III.A., which amounts are reflected in **Exhibit M** to the Teva Agreement and Allergan Agreement. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions and offsets set forth below.

3. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Teva Agreement and Allergan Agreement, as set forth in **Exhibits F-2** and **G** to the Teva Agreement and **Exhibits F** and **G** to the Allergan Agreement, and shall be made applying the Mathematical Model attached as Exhibit “A” to this Fee Agreement. The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in subsection III.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.
4. As to awards from the Contingency Fee Fund, there shall be no right of appeal.
5. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

E. *Common Benefit Fund (60% of the Attorney Fee Fund).*

1. Funds in the Attorney Fee Fund shall be allocated to the Common Benefit Fund according to the schedule set forth below, subject to the adjustments described in paragraph III.E.6. The payments are to be made on the following yearly schedule, subject to the adjustments set forth below:

|                | Teva Shall Pay   | Allergan Shall Pay |
|----------------|------------------|--------------------|
| Payment Year 1 | \$ 27,729,502.76 | \$ 24,467,313.32   |
| Payment Year 2 | \$ 27,729,502.76 | \$ 24,467,313.32   |
| Payment Year 3 | \$ 33,129,502.75 | \$ 28,067,313.32   |
| Payment Year 4 | \$ 33,129,502.75 | \$ 28,067,313.32   |
| Payment Year 5 | \$ 33,129,502.75 | \$ 0.00            |
| Payment Year 6 | \$ 33,129,502.75 | \$ 0.00            |

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating

Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:

- a. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the May 1, 2018 Order, under docket number 358, which is incorporated herein by reference; and
  - b. satisfy the eligibility criteria set forth in subsection III.G.
3. For purposes of Common Benefit Fund distribution, Attorneys representing Tribal Nations litigating against Teva or Allergan have also reached a settlement for Released Claims with Teva and Allergan. These settlements shall be the subject of separate agreements with Teva and Allergan. Attorneys representing Tribal Nations are eligible for Common Benefit consideration, provided such agreements with Teva and Allergan become effective under their terms. Such Attorneys must meet the eligibility criteria in subsection III.G.
4. For purposes of Common Benefit Fund distribution, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in subsection III.G shall be eligible.
5. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the May 1, 2018 Order.
6. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Applicant and his or her clients have contributed to increasing (or reducing) the Initial Participation in the Teva Agreement or the Allergan Agreement, and (ii) the Applicant and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Teva Agreement, including the Teva Tribal Agreement, or the Allergan Agreement, including the Allergan Tribal Agreement. The Fee Panel shall also consider additional fee recoveries the Applicant may potentially obtain, including, but not limited to, from attorney fee funds under other settlement agreements, State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients, whether they participated in the Teva Agreement or Allergan Agreement or not. It is the intent of this provision to recognize that the goal of the Teva Agreement

and Allergan Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing one or more Non-Participating States or Non-Participating Subdivisions does not further the goal of the Teva Agreement or Allergan Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing one or more Later Litigating States or Later Litigating Subdivisions is antithetical to the Teva Settlement and the Allergan Agreement and detracts from Common Benefit. The Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Applicants, as well as, in its discretion, any offsets provided to Teva or Allergan as set forth in subsection III.H. The Fee Panel shall consider the totality of the Applicant's Participating Litigating Subdivisions as compared to the Applicant's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Applicants with a greater number of clients have a greater probability of having one or more Non-Participating Litigating Subdivisions. As used in this paragraph, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Applicant has a Fee Entitlement.

7. As set forth in subsection III.H, the Fee Panel must consider the factors described in paragraph III.E.6 to determine how and whether to reduce the amounts to be paid by Teva or Allergan under this Fee Agreement and to determine how to allocate funds among Applicants. They may also, at their discretion, consider other factors. Any reduction in payment obligation or credit to be given Teva or Allergan in this Fee Agreement shall be applied against the last Payment Year for that defendant and working backwards. Any reduction to an Applicant not credited to Teva or Allergan shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Participation Date.
8. The MDL PEC will seek, and the Attorneys General for Settling States, Teva, and Allergan, will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or paid in a case otherwise under the jurisdiction of the MDL Court.
9. If Teva and Allergan agree to go forward with their respective Agreements under subsections [XI.A and X.A] of their respective Agreements, they shall pay the full Common Benefit (60%) Fee into the Common Benefit Fund without regard to the number of Settling States or Participating Subdivisions. Should Teva and/or Allergan pay a judgment to, or settle

with, a Non-Participating State or a Non-Participating Litigating Subdivision subsequent to the Reference Date, and such settlement or judgment results in a common benefit fee assessment paid into the Common Benefit Fund or the Court Common Benefit Fund, the following shall apply:

- a. Teva or Allergan shall be credited dollar-for-dollar for the amount paid for the fee assessment up to 7.5% of the abatement amount derived from the application of the State Global Allocation Percentage as set forth in **Exhibit F-1** or the abatement amount derived from the application of the Subdivision and Special District Allocation Percentage as set forth in **Exhibit G** that the Non-Participating State or Non-Participating Litigating Subdivision would have received if it had participated in the Settlement Agreement;
- b. Except as set forth below in subparagraph III.E.9.c, for any settlement or judgment that meets the requirements of paragraph III.E.9 that exceeds the abatement amount derived from the application of the State Global Allocation Percentage as set forth in **Exhibit F-1** or the abatement amount derived from the application of the Subdivision and Special District Allocation Percentage as set forth in **Exhibit G**, no credits shall be taken against Teva or Allergan's obligation to make payments into the Common Benefit Fund for that portion of the settlement or judgment in excess of the abatement amount derived from the application of the State Global Allocation Percentage as set forth in **Exhibit F-1** or the abatement amount derived from the application of the Subdivision and Special District Allocation Percentage as set forth in **Exhibit G**;
- c. For any settlement or judgment that meets the requirements of paragraph III.E.9 that exceeds the abatement amount derived from the application of the State Global Allocation Percentage as set forth in **Exhibit F-1** or the abatement amount derived from the application of the Subdivision and Special District Allocation Percentage as set forth in **Exhibit G** that the Later Litigating State or Later Litigating Subdivision would have received if it had participated in the Settlement Agreement, where the Later Litigating State or Later Litigating Subdivision is represented by any member of the MDL PEC or that member's law firm, Teva or Allergan shall be credited dollar-for-dollar for the full amount of the 7.5% common benefit fee assessment paid into the Common Benefit Fund or the Court Common Benefit Fund;
- d. If a credit is made to Allergan or Teva pursuant to subparagraph III.E.9.c., then that amount shall be calculated as a direct reduction to any common benefit fee award made under this Fee Agreement

to the MDL PEC firm(s) that represented the Later Litigating State or Later Litigating Subdivision;

- e. Any credits shall be taken first against Teva's or Allergan's payment to the Common Benefit Fund in Teva's or Allergan's respective final Payment Year as set forth in paragraph III.E.1 (for Teva Year 6; for Allergan Year 4), up to the full amount of Teva's or Allergan's final year payment obligation, then from the next-to-final Payment Year's payment obligation, and so on;
- f. Teva and Allergan shall not be entitled to any credits against the Common Benefit Fund for settlements or judgments paid after Teva's or Allergan's final fee Payment Year.

F. *Contingency Fee Fund (40% of the Attorney Fee Fund).*

- 1. Funds from the Attorney Fee Fund shall be allocated to the Contingency Fee Fund on the following yearly schedule, subject to the adjustments set forth below:

|                | Teva Shall Pay   | Allergan Shall Pay |
|----------------|------------------|--------------------|
| Payment Year 1 | \$ 18,486,335.17 | \$ 16,311,542.21   |
| Payment Year 2 | \$ 18,486,335.17 | \$ 16,311,542.21   |
| Payment Year 3 | \$ 22,086,335.17 | \$ 18,711,542.21   |
| Payment Year 4 | \$ 22,086,335.17 | \$ 18,711,542.21   |
| Payment Year 5 | \$ 22,086,335.17 | \$ 0.00            |
| Payment Year 6 | \$ 22,086,335.17 | \$ 0.00            |

- 2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in subsection III.G.
  - a. The Contingency Fee Fund shall be available to Attorneys who represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court, and meet the eligibility criteria of subsection III.G.
  - b. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee

the fairness of the distribution process, and enforcement of this Fee Agreement.

- c. Under the terms of the Teva Agreement and Allergan Agreement Litigating Subdivisions must become a Participating Litigating Subdivision under both Agreements to be eligible to participate. Therefore, **Exhibit R** applies jointly to Teva and Allergan with the Attorneys' Fee Fund and MDL Cost Fund to include the combined payment from Teva and Allergan.
3. Teva and/or Allergan shall each be entitled to a pro-rata reduction to their own portion of the Contingency Fee Fund payment(s) in accordance with subsection III.F.4., unless, by the Payment Date for the Initial Year Payment, (i) 41 states are Settling States for Teva or 43 states are Settling States for Allergan, (ii) 98% of all Litigating Subdivisions are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, and, (iii) 97% of all Non-Litigating Subdivisions with Populations over 10,000 as listed in **Exhibit I** are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, in which case no offset shall be applied.
4. If the participation conditions in paragraph III.F.3 are not met, then the amounts owed by Teva and/or Allergan to the Contingency Fee Fund shall be reduced as follows:
  - a. For Non-Settling States, the Contingency Fee Fund payments shall first be reduced by the amounts identified by the Fee Panel, pursuant to paragraph III.H.7, that would have been owed to counsel for Litigating Subdivisions in Non-Settling States, had those States and those Litigating Subdivisions been Settling States and Participating Subdivisions.
  - b. Following the calculation in subparagraph III.F.4.a., the Contingency Fee Fund payments shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph III.H.7, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.
5. In the event that after the date of the Settlement Agreement Teva, prior to the Effective Date of the Teva Agreement, or Allergan, prior to the Effective Date of the Allergan Agreement, settles with any Litigating Subdivision that would have been eligible to participate in the defendant's Agreement, and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating

Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Teva Agreement or the Allergan Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be credited and/or returned to Teva or Allergan as if determined under (a)(ii) above, except that such credit shall not be greater than the amount paid to the Attorneys under the Litigating Subdivision's prior settlement agreement and credits apply equally over the Fee Payment Years.

6. During the period between the Preliminary Agreement Date and the Effective Date, the MDL PEC, as well as Litigating Subdivisions' Attorneys, shall make best efforts to cease litigation activity against Teva and Allergan, including by jointly seeking stays or severance of claims against Teva and Allergan, where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.

G. *Eligibility.*

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees received or awarded, including prior or future Contingency Fees, Common Benefit Fees, referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any Applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for who should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph III.G.3, must be subject to the criteria set forth in subsection III.C, and must be disclosed to the Fee Panel.
2. An Applicant may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and any fund created by a past or

future State Back-Stop Agreement, provided the Applicant satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.

3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:
  - a. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund. All applications for attorneys' fees under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.
  - b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or Later Litigating State with respect to Released Claims against Released Entities.
  - c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation of a Subdivision eligible to be a Participating Subdivision after the Reference Date unless the Attorney is recommending participation in the Agreement.
  - d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions or Later Litigating States. This representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions or Later Litigating States that are the result of the MDL Court's Common Benefit order.

- e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision or Later Litigating State, other than a potential Common Benefit Fee.
  - f. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the Teva Agreement or Allergan Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.
  - g. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, trial transcripts, or deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement.
  - h. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Teva Agreement and the Allergan Agreement to be fair and will make or has made best efforts to recommend both Agreements to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this subsection shall include an affirmation by the Attorney in compliance with the foregoing subparagraphs.
- 4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Participating Subdivision except Common Benefit Fees as described in paragraph III.E.2. All applications for attorneys' fees under this subsection shall include an affirmation by the Attorney of compliance with this paragraph.
  - 5. An Attorney who has filed an application under this subsection and received an award of attorneys' fees shall provide a certification of compliance with the requirements of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments under this Agreement. This certification will be done as directed by the Panel.
  - 6. If, at any time, the Attorney is unable to make the representations set forth in this subsection, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further

review by the Fee Panel of the Attorney's eligibility under and compliance with this subsection.

7. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or Later Litigating State or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision or Later Litigating State shall be prohibited from receiving any future funds from the Attorney Fee Fund. If an Attorney fails to notify the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, the Attorney shall be required to refund amounts previously paid. The Fee Panel shall notify Teva and Allergan when it receives notification.
8. To the extent an Attorney who has received compensation from the Attorney Fee Fund based on Qualifying Representations of Participating Litigating Subdivisions under the Teva Agreement or the Allergan Agreement, represents a Later Litigating Subdivision or Later Litigating State, such Attorney shall be obligated to refund such amounts received as compensation from the Attorney Fee Fund to Teva or Allergan. Teva, Allergan, or such Attorney may bring any dispute as to whether such Attorney shall be obligated to refund such amounts received from the Attorney Fee Fund to Allergan or Teva to the Fee Panel. Nothing herein shall require a multi-attorney law firm that has received compensation from the Attorney Fee Fund to refund such amounts if an attorney of the firm that is no longer affiliated with such law firm, after such departure, represents a Later Litigating Subdivision or Later Litigating State, provided that (a) neither the law firm nor any of its other attorneys have any contractual or financial arrangement regarding, stand to benefit directly or indirectly from, or directly or indirectly provide financial or other support of any kind to, the former attorney's representation of the Later Litigating Subdivision or Later Litigating State and (b) if the former attorney was a partner or owner of the multi-attorney law firm at the time that the law firm received compensation from the Attorney Fee Fund, the former attorney shall be obligated to refund such amounts as the former attorney earned as a result of the compensation that the law firm received from the Attorney Fee Fund.
9. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.
10. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of

Released Claims set forth in the Teva Agreement or Allergan Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.

11. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the procedures outlined herein.
12. Applicants are under an ongoing obligation to inform the Fee Panel in writing of any additional fees earned, expected, or received related to any Opioid litigation throughout the period of the Fee Panel's operation.

H. *Calculation of Amounts Due.*

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Applicant. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this subsection, except that the Fee Panel may receive information from Teva or Allergan as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in paragraph III.E.6; and (c) such other information as Teva or Allergan may voluntarily elect to provide.
2. The Fee Panel shall establish procedures for making determinations under this Fee Agreement consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with Applicants and/or other counsel (including counsel for Teva and Allergan) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.
3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in subsection III.G of this Fee Agreement and the criteria set forth in paragraph III.E.2. In addition, the Fee Panel will give consideration in regard to Common Benefit Fund awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):
  - a. The Applicant's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Applicant's

financial commitment to such Qualifying Representations. Claimed “time” will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;

- b. The novelty, time, and complexity of the Qualifying Representations;
- c. The skill requisite to perform legal services properly and undesirability of the case;
- d. The preclusion of other employment by the Applicant due to time dedicated to Qualifying Representations;
- e. The Common Benefit, if any, alleged to have been conferred by the Applicant and whether such Common Benefit work product by that Applicant was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Applicant claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;
- f. Any “common detriment,” as set forth in paragraph III.E.6.
- g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);
- h. The experience, reputation, and ability of the Applicant;
- i. Whether the Applicant’s clients brought Released Claims against Released Entities;
- j. The status of discovery in cases primarily handled by the Applicant;
- k. The nature of any work by the Applicant on “bellwether” cases or cases that were similarly active in litigation;

- l. Any pressure points successfully asserted by the Applicant in cases against Teva or Allergan or any risk for Teva or Allergan created by the Applicant in cases against them;
- m. Any risk for defendants created by Applicants in cases against Teva or Allergan;
- n. Successful and unsuccessful motion practice in cases worked on by the Applicant;
- o. The date of filing of any cases filed by the Applicant;
- p. Obtaining consolidation of the litigation in the Applicant's jurisdiction;
- q. The number and population of entities represented by the Applicant and the fees that would have been awarded under extinguished contingent fee arrangements;
- r. Whether the Applicant's clients brought claims against Teva or Allergan;
- s. Whether the Applicant has had a leadership role in the litigation, whether in state or federal court;
- t. Whether the Applicant has had a leadership role in any negotiations aimed at resolving the litigation;
- u. Whether the Applicant's cases have survived motions to dismiss;
- v. The extent to which the Applicant contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;
- w. The extent to which litigation was done prior to and contributed to completion of settlement negotiations, as distinct from litigation that was done litigating after the announcement of the Teva Agreement or Allergan Agreement, such latter litigation both being of less value and potentially resulting a common detriment to the settlement process; and
- x. Any other factors that the Fee Panel finds to be appropriate to consider after input from Applicants to the Attorney Fee Fund.

4. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than Teva or Allergan that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, (b) creates a separate common benefit fund to be administered by the Fee Panel, and (c) unless the parties agree to another date, such agreement has an effective date prior to June 30, 2023, the Fee Panel may:
  - a. Consolidate the Common Benefit approval process to include evaluation of all Common Benefit Applications for all settlements entered after November 14, 2022;
  - b. Determine the fair and equitable allocation of the Aggregate Common Benefit Fees that come after November 14, 2022;
  - c. Give consideration to the amount and timing of each settlement, including the amount and timing of Common Benefit Fees;
  - d. The Fee Panel shall abide by the applicable Attorney Fee Agreement in each of the Settlements in Allocating the Common Benefit Fees provided for in the Settlement; and
  - e. Be guided in their work by the Orders of the Court related to Fees and Costs.
5. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Applicant seeking compensation from each sub fund of the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Applicant shall, at a minimum, require each Applicant to:
  - a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;
  - b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;
  - c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);

- d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;
  - e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;
  - f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;
  - g. Notwithstanding “a-f” above, the Panel may consider a supplemental application if the Applicant shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Applicant having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or the Participation Tier, or an Allocation Agreement is reached.
6. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):
- a. Review the applications of all Applicants seeking compensation from the Common Benefit Fund, including determining eligibility for each Applicant as set forth in subsection III.G.
  - b. Reduce, on an annual basis, Teva’s or Allergan’s payment obligations, as set forth in paragraph III.E.7. The Panel shall inform Teva or Allergan, and the MDL PEC of all such amounts and adjust payment obligations accordingly.
  - c. Using criteria set forth in subsections III.E and III.H, allocate amounts from the Common Benefit Fund to eligible Applicants, including payment amounts for each Payment Year. In making such allocations, the Panel shall apply the principles set forth in paragraph III.E.6 and shall allocate any reduction in the payments specified in paragraph III.E.7 to the amounts paid to Applicants with a Common Benefit Fee Entitlement.
7. With respect to the Contingency Fee Fund, the Fee Panel shall:
- a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in subsection III.G.
  - b. Apply the Mathematical Model in Exhibit A to this Fee Agreement.

- c. Use such allocations to reduce on an annual basis the payment obligations of Teva or Allergan to the Attorney Fee Fund as set forth in paragraph III.F.4, and distributions therefrom, and inform Teva or Allergan and the MDL PEC of all such adjustments.
8. To the extent that there is a dispute about the calculations of the Fee Panel related to the amounts that Teva or Allergan is required to pay (including application of any reductions or offsets under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.
9. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).
10. In the event that the Fee Panel, through the use of the Mathematical Model set forth in Exhibit A, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision and that Subdivision is in a Settling State in which the Consent Judgment has not been approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

I. *Miscellaneous.*

1. The Fee Panel shall charge an hourly rate approved by the Court. The Pre-Effective Date costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the Cost Fund. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund based on allocation by the Fee Panel and shall not be otherwise funded by Teva and Allergan.
2. The MDL PEC shall provide to Teva and Allergan information they have that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or pursuant to a Participation Agreement.
3. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as confidential under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or

materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

#### IV. Miscellaneous

- A. *Termination.* If the Teva Agreement or Allergan Agreement does not proceed past the Reference Date, whether because Teva and Allergan do not determine to proceed or for any other reason, this Fee Agreement shall be null and void, neither Teva nor Allergan shall have any obligation to make any payments under this Fee Agreement other than Fee Panel costs advanced, and Teva, Allergan, and the PEC shall take such steps as are necessary to restore the *status quo ante*.
- B. *MDL Court Consideration.* This Fee Agreement shall be attached as an exhibit to the Teva Agreement and Allergan Agreement. This Fee Agreement shall also be submitted by Teva, Allergan, and the MDL PEC to the MDL Court for approval pursuant to the motion and order that shall be attached, prior to the Preliminary Agreement Date of the Agreements, as Exhibit B.
  - 1. In the event that the MDL Court, through an order, makes any change to the amounts potentially to be paid by Teva and Allergan under this Fee Agreement, makes any change to the Fee Panel's consideration of the factors set forth in paragraph III.E.6, or any other material change to the draft Order attached as part of Exhibit B or the terms of this Fee Agreement, Teva, Allergan, and the MDL PEC shall meet and confer concerning such changes.
  - 2. If Teva, Allergan, and the MDL PEC are unable to reach agreement and revisions to this Fee Agreement, this Fee Agreement shall be null and void, Teva and Allergan shall have no obligation to make any payments under this Fee Agreement, and Teva, Allergan, and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*.
- C. *Amendment.* Once the MDL Court has entered an order implementing this Fee Agreement, this Fee Agreement can only be amended by (1) written agreement of Teva, Allergan, and the MDL PEC and (2) approval by the MDL Court.
- D. *Jurisdiction and Enforcement.* The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of Teva and Allergan as set forth in this subsection and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against Teva or Allergan, including data and documents, depositions, expert

reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this subsection authorizes the MDL Court to act contrary to this Agreement or provides the MDL Court with jurisdiction over the Teva Agreement or Allergan Agreement.

**EXHIBIT S**  
**Agreement on the State Outside Counsel Fee Fund for Manufacturer Settlements**

**1. Definitions.**

- a. “Manufacturer” means any of Teva and Allergan, and “Manufacturers” means all of the foregoing.
- b. “Multistate Manufacturer Settlement Agreement” means This Settlement Agreement along with the separate settlement of opioids-related claims among 30 or more states and the other Manufacturer.
- c. “This Settlement Agreement” means the settlement agreement between the Settling States and the Manufacturer to which this Agreement is attached as an Exhibit.
- d. “Settling Manufacturer” means the Manufacturer that is a party to This Settlement Agreement.
- e. “Settling States” has the meaning given such term in the relevant Multistate Manufacturer Settlement Agreement.

**2. Creation of a State Outside Counsel Manufacturers Fee Fund.** The Settling States have agreed to the creation of a state outside counsel fee fund to pay reasonable attorneys’ fees of Settling States which have retained outside counsel in connection with litigation against one or more Manufacturers (such fund, the “State Outside Counsel Manufacturers Fee Fund”).

**3. State Outside Counsel Manufacturers Fee Fund Administration.** The State Outside Counsel Manufacturers Fee Fund shall be administered separately from any other funds for the payment of attorney’s fees or costs in connection with This Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, state cost fund, or MDL expense fund. If necessary, a committee of Attorneys General shall be convened to oversee the State Outside Counsel Manufacturers Fee Fund (the “Manufacturers Fee Fund Committee”). The Manufacturers Fee Fund Committee shall be appointed by the Settling State Members of the Enforcement Committee and shall be comprised solely of Attorneys General of Settling States that engaged outside counsel to pursue litigation against one or more Manufacturers. The Settlement Fund Administrator (the “Fee Fund Administrator”) shall administer the State Outside Counsel Manufacturers Fee Fund according to this Exhibit and, if convened, the guidelines and directives of the Manufacturers Fee Fund Committee.

**4. State Outside Counsel Manufacturers Fee Eligibility.**

- a. To receive any amount from the State Outside Counsel Manufacturers Fee Fund, both of the following must be true:
  1. an outside counsel to a Settling State must have filed and maintained an action in the name of a Settling State or its Attorney General against a Manufacturer in a state or federal court as of November 1, 2022; and
  2. the State must become a Settling State for each Multistate Manufacturer Settlement Agreement for which it is eligible.

- b. No Settling State (or its outside counsel) shall receive funds from both the State Outside Counsel Manufacturers Fee Fund and any “Additional Restitution Amount” as may be provided for in This Settlement Agreement.
- c. In addition to the eligibility criteria set forth in Paragraph 4.a, above, and for the avoidance of doubt, only Settling States under This Settlement Agreement are eligible to receive any funds paid into the State Outside Counsel Manufacturers Fee Fund as a result of This Settlement Agreement.

5. **State Outside Counsel Manufacturers Fee Fund Amount.** The Settling Manufacturer shall pay funds into the State Outside Counsel Manufacturers Fee Fund in an amount equal to, and on the schedule identified in, **Exhibit M** (the “Contribution”). The Settling Manufacturer’s Contribution shall be subject to a reduction as described in Paragraph 8, below.

6. **State Outside Counsel Manufacturers Fee Fund Availability and Calculation of Amount.**

- a. The State Outside Counsel Manufacturers Fee Fund shall be available to compensate private outside counsel for Settling State Attorneys General for approved fees arising out of representation of the Settling State pursuant to the schedule attached to this agreement as Schedule I (the “Fee Schedule”).
- b. The Fee Schedule is intended to reflect the fee calculation in subparagraphs 6.c and d, below (the “Fee Calculation”). Subject to adjustments required by Paragraph 8, below, in the event of any discrepancy between the Fee Schedule and the Fee Calculation, the Fee Schedule shall control. Each Settling State, by becoming a Participating State in This Settlement Agreement, agrees that the Fee Schedule reflects the Fee Calculation and waives any right to contest the accuracy of the Fee Schedule, absent manifest error, the exclusion of a Settling State, or the inclusion of a Non-Settling State. The version of the Fee Schedule reflecting any necessary adjustments shall be the “Final Fee Schedule.”
- c. Except as provided in Paragraph d, below, fees shall be aggregated across the Multistate Manufacturer Settlement Agreements and be calculated by adding two components: (a) a fixed amount consisting of fifty percent (50%) of the amount of remediation funds allocated to a Settling State and its Subdivisions pursuant to the Multistate Manufacturer Settlement Agreements multiplied by 4.5% (or, if lower, the applicable contingency fee percentage in the Settling State’s outside counsel contract); and (b) a proportional percentage of the remaining fee due under that Settling State’s contract with its outside counsel assuming that fifty percent (50%) of the Settling State’s recovery is allocable to a Settling State (rather than allocable to the Settling State’s Participating Subdivisions) so that the fees of all eligible Settling States (minus the fixed amount that would have been allocated to any Non-Settling States had they become Settling States) exhausts the State Outside Counsel Manufacturers Fee Fund. The proportional share percentage will be the same for each Settling State

included in the State Outside Counsel Manufacturers Fee Fund. Except as set forth in Paragraph 6.c, fees shall be split proportionally among each Multistate Manufacturer Settlement Agreement, as set forth on the Fee Schedule.

- d. Notwithstanding the foregoing, fees for the State of Oklahoma, if it becomes a Settling State under the Multistate Manufacturer Settlement Agreement with Allergan, shall be limited to Oklahoma's share of the State Outside Counsel Manufacturers Fee Fund derived from Allergan's Contribution. Oklahoma's share of the State Outside Counsel Manufacturers Fee Fund derived from Teva's Contribution shall be reallocated proportionally among the other Settling States eligible to receive payments from the State Outside Counsel Manufacturer Fee Fund.
- e. All amounts paid will be less the following:
  - 1. Any costs or fees of the Fee Fund Administrator. The Fee Schedule reflects a holdback amount of \$50,000 for such administrative expenses of the Fee Fund Administrator, the remainder of which shall be disbursed proportionally to States receiving monies from the State Outside Counsel Manufacturers Fee Fund at the conclusion of such administration.

**7. Payment by the Fee Fund Administrator.**

- a. The Fee Fund Administrator shall hold the Contribution in escrow until the earlier of (1) both Multistate Manufacturer Settlement Agreements become effective or (2) when instructed by the Settling State Members of the Enforcement Committee.
- b. Subject to eligibility pursuant to Paragraph 4, above, a Settling State's outside counsel may receive funds from the State Outside Counsel Manufacturers Fee Fund in the following scenarios ("Payment Scenarios"):
  - 1. The Settling State's outside counsel agrees that the amount listed for such state on the Final Fee Schedule either satisfies in full or exceeds the amounts owed to all such Settling State's outside counsel and such counsel has provided written notice waiving all entitlement to additional fee in respect of any Multistate Manufacturer Settlement Agreement.
  - 2. The Settling State and its outside counsel enter into a signed writing establishing the amount owed to the counsel, which includes an agreement on the payment of the amount listed for such state on the Final Fee Schedule and waives any right of the State or its outside counsel to additional amounts from the State Outside Counsel Manufacturers Fee Fund.
  - 3. A final judgment is entered that is no longer appealable, which judgement adjudicates the amount owed to the Settling State's counsel in respect of This Settlement Agreement and directs the Manufacturers Fee Fund Committee how to pay the amount listed on the Final Fee Schedule for such State.

If no Payment Scenario is applicable with respect to a Settling State, then the Settling State's share shall be placed in an interest-bearing escrow account (less reasonable expenses of the Fee Fund Administrator) and held unless and until a Payment Scenario is applicable.

- c. Upon the applicability of a Payment Scenario 1 with respect to a Settling State, the Fee Fund Administrator shall pay that Settling State's outside counsel the amount identified on the Final Fee Schedule for such state or such lesser amount that satisfies the Settling State's obligation to its outside counsel in full. Any remaining allocation to such State shall be paid to the Settling State.
- d. Upon the applicability of a Payment Scenario 2 or 3 with respect to a Settling State, the Fee Fund Administrator shall release monies from the State Outside Counsel Manufacturers Fee Fund in either the amount held by the Fee Fund Administrator, if the amount of the agreement or judgment is equal to or more than the amount held, or the amount indicated in the agreement or in the final judgment, if the amount in the agreement or judgment is less than the amount held.
- e. Nothing herein, including the amounts listed in Paragraph 5 above or on any Fee Schedule, shall prevent a Settling State from arguing in any proceeding with its outside counsel that (i) its recovery was less than fifty percent (50%) of the recovery in the settlement agreement down to and including fifteen percent (15%) of the total recovery; (ii) any payment should be discounted by an appropriate discount rate commensurate to the risk of the settlement agreement and the timeline that the Settling State is receiving its payments; (iii) the settlement amount should be lower because the amount a Settling State receives was reduced because such Settling State's outside counsel failed to obtain joinder from a Settling State's Subdivision(s) that the outside counsel also represented; or (iv) any limitation placed by the Settling Manufacturer bars payment of a higher fee to outside counsel.
- f. In the event the amount due to the Settling State's outside counsel from an escrow account is less than the total amount of funds escrowed on the account of the Settling State, the balance shall be paid to the Settling State. In no event, other than a State becoming a Non-Settling State, shall funds revert to a Manufacturer.

8. **Non-Settling States; Reversion and Redistribution.** Amounts owed by the Settling Manufacturer to the State Outside Counsel Manufacturers Fee Fund shall be reduced by amounts allocated to the fixed amount for such State under This Settlement Agreement in the event that a listed State becomes a Non-Settling State. The payments for the other Settling States reflected in the Fee Schedule shall be adjusted by the Fee Fund Administrator to reflect a recalculated proportional percentage under the Fee Calculation.

9. **Interpretation.**

a. This Agreement shall be an Exhibit to each Multistate Manufacturer Settlement Agreement and shall include the Fee Schedule setting forth the presumptive payment calculations for each eligible Settling State. **EXHIBIT T**  
**Agreement on the Joint State Cost Fund**

1. **Definitions.**

- a. “Opioids Defendant” means Teva, Allergan, or such other defendant in opioids-related litigation that enters into a Multistate Settlement after November 1, 2022, and “Opioids Defendants” means all of the foregoing.
- b. “Multistate Settlement” means this Settlement Agreement along with any other settlement of opioids-related claims among 30 or more states and an Opioids Defendant.
- c. “Settlement Agreement” means the settlement agreement between the Settling States and the Opioids Defendant to which this Agreement is attached as an Exhibit.
- d. “Settling Opioids Defendant” means the Opioids Defendant that is a party to the Settlement Agreement.
- e. “Settling States” has the meaning given such term in the Settlement Agreement.

2. **Creation of a State Cost Fund.** The Settling Opioids Defendant and the Settling States agree to the creation of a fund to pay costs and expenses associated with litigation and investigations related to the opioids litigation (such fund, the “State Cost Fund”). The State Cost Fund shall be administered separately from any other funds for the payment of attorneys fees or costs in connection with the Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, subdivision cost fund, or MDL expense fund. However, the State Cost Fund shall be administered jointly with similar “State Cost Funds” created in other Multistate Settlements after November 1, 2022; any state cost funds jointly administered in this manner shall be referred to as the “Joint State Cost Fund.” To the extent permissible and feasible, the Joint State Cost Fund may also be jointly administered with any fund for reimbursement of states’ litigation and investigation costs established by a bankruptcy plan, including the Mallinckrodt bankruptcy plan, any plans that may emerge from the bankruptcies of Purdue and Endo, and any similar bankruptcies of opioids defendants. To the extent feasible, the Joint State Cost Fund may also be jointly administered with the State Cost Funds established pursuant to the Distributors Multistate Settlement and the Janssen Multistate Settlement.

3. **State Cost Fund Amount.** The Settling Opioids Defendant shall pay into the State Cost Fund in the amount listed on, and on the schedule set forth in, **Exhibit M** (the “Settling Opioids Defendant’s Contribution”) for the purpose paying States’ costs and expenses associated with to the opioid litigation.

4. **Joint State Cost Fund Committee.** A committee of Attorneys General or their designated representatives (such committee, the “Joint State Cost Fund Committee”) shall oversee the Joint State Cost Fund. The committee shall be appointed by the Settling State Members of the Enforcement Committee, who shall aim to (i) have equal representation between states that retained contingency fee outside counsel and states that did not retain contingency fee outside counsel with respect to opioids-related litigation, and (ii) maintain consistency of committee membership across state cost funds that compose the Joint State Cost Fund. The Settling State Members of the Enforcement Committee may by majority vote add to or change the composition of the Joint State Cost Fund Committee.

5. **Joint State Cost Fund Administrator.**

- a. The Joint State Cost Fund Committee may select an administrator (the “Joint State Cost Fund Administrator”), who shall administer the Joint State Cost Fund and direct payments to Settling States according to the guidelines and directives of the Joint State Cost Fund Committee. While the expenses of the Joint State Cost Fund Administrator shall be reimbursable pursuant to the principles and guidelines listed below, the Joint State Cost Fund Administrator shall first rely on any separate funds that may be set aside for such purpose in any Multistate Settlement.
- b. The Joint State Cost Fund Administrator shall be responsible, under the direction and supervision of the Joint State Cost Fund Committee, for receiving and reviewing applications for reimbursement from the Joint State Cost Fund. This may include the creation of an audit process to ensure the integrity of submissions, as well as reimbursement rules to incentivize accurate submissions.

6. **State Cost Fund Guidelines and Principles.**

- a. Monies in the State Cost Fund shall be released without any delay to reimburse Settling States for documented costs incurred or paid in connection with litigation and investigation related to the opioid litigation.
- b. In allocating the Joint State Cost Fund, the Joint State Cost Fund Committee shall seek to comply with the following principles:
  1. Each State Cost Fund should be used to reimburse costs incurred by States that are Settling States in the Multistate Settlement from which funds are paid. (However, the foregoing sentence does not preclude a Non-Settling State that joins a separate Multistate Settlement from participating in the Joint State Cost Fund with respect to contributions made by other Opioids Defendants.)
  2. Funds in any State Cost Fund shall be primarily used to reimburse

costs incurred prior to the date on which the relevant Multistate Settlement was first made available for participation to eligible States. Regardless of other factors considered in prioritizing payments, all costs incurred prior to January 1, 2023, shall be paid before any costs incurred after that date are paid.

3. The Joint State Cost Fund shall prioritize the reimbursement of the following over reimbursement of any State's litigation or investigation costs:
  - the reasonable costs of the Joint State Cost Fund Administrator;
  - repayment of National Association of Attorneys General grants made in connection with opioid investigations and litigation, without regard to when the grants were made;
  - repayment of state-attributable costs of any mediator in connection with negotiations of a Multistate Settlement;
4. The Joint State Cost Fund shall seek to prioritize costs in the following order:
  - litigation-related costs; then
  - investigation-related costs; then
  - settlement and negotiation related costs; then
  - cost shares.
5. Costs incurred by a State's outside counsel that the State is contractually obligated to reimburse shall be treated as costs incurred by a State.
6. As between similar categories of costs (e.g., defendant-specific litigation-related costs), the Joint State Cost Fund shall first reimburse costs incurred by a State's outside counsel that the State is contractually obligated to reimburse out of its recovery, and then reimburse costs directly incurred by States.
7. The Joint State Cost Fund shall be available to reimburse only those costs which have not yet been reimbursed to a State from any other source, including any other fund set aside in a Multistate Settlement or bankruptcy plan for the reimbursement of costs or any individual

state settlements.

8. The Joint State Cost Fund should not reimburse expenses that are expected to be reimbursed from another source, such as a bankruptcy debtor, unless such expected reimbursements do not come to fruition within a reasonable amount of time. This includes cost shares paid by states.
  9. When coordinating among different state cost funds that each could be used to reimburse a given expense, the Joint State Cost Fund Committee may set guidelines to equitably distribute reimbursements across all state cost funds in a manner that prioritizes costs unlikely to be otherwise reimbursed to a similarly situated State.
  10. The Joint State Cost Fund may deny reimbursement of costs, on either an individual basis or a categorical basis, that a supermajority (75%+) of the Joint State Cost Fund Committee determines to be unreasonable.
  11. After all costs identified in the foregoing have been reimbursed, the remaining funds in the Joint State Cost Fund shall be distributed to states in proportion to their allocation of remediation payments in the Mallinckrodt bankruptcy plan. Such distribution shall be treated as a reimbursement for States' unenumerated costs of administering the Multistate Settlements and no subdivision shares shall be carved out of such disbursement, nor shall any attorney's fees be assessed against such distribution (unless individually agreed to by a State).
- c. In applying the foregoing principles, the Joint State Cost Fund Committee shall have the discretion to vary their application in order to ensure equity among similarly situated states and to facilitate the ease and speed of administering the Joint State Cost Fund. The Joint State Cost Fund Committee may also apply percentages to approximate costs attributable to a particular Opioids Defendant (or categories of Opioids Defendants) in a manner that seeks to treat similarly situated states equitably.
  - d. The Joint State Cost Fund Committee shall establish guidelines for the submission and approval of expenses eligible for reimbursement from the Joint State Cost Fund, which guidelines may be coordinated and consolidated with any similar cost funds in other state opioid settlements for purposes of joint administration and efficiency.
  - e. Unless waived by the Joint State Cost Fund Committee, the Joint State Cost

Fund Administrator shall, in accordance with such guidelines, receive from Settling States records sufficient to demonstrate the incurrence and payment of each expense.

- f. Where the Joint State Cost Fund Committee determines by a supermajority vote (75%+) that outside counsel for a Settling State has failed to exercise reasonable diligence in reviewing submitted costs for allowability, and such failure has resulted in the reimbursement of unallowed costs to such outside counsel, the Committee shall have the discretion to reduce or recover payments made to such outside counsel in an amount calculated to incentivize the exercise of reasonable diligence.

7. **State Undertakings.** Each State submitting for reimbursement of costs from the Joint State Cost Fund agrees:

- a. to only submit costs allowable under this Joint State Cost Fund Agreement;
- b. to provide all back-up documentation that may be requested with respect to any submitted cost and to make itself available for any questions related to such costs;
- c. to exercise reasonable diligence to ensure that all submitted costs are allowable under (i) this Joint State Cost Fund Agreement, (ii) the State's contract with its outside counsel, if relevant, (iii) state law, and (iv) the policies and procedures applicable to the State's retention of outside counsel, if relevant; and
- d. to promptly return any excess payments made to the State or its outside counsel from the Joint State Cost Fund, including payments made for costs that were reimbursed from another source or are not allowable hereunder.

The governmental entity identified above (“Texas Political Subdivision”), in order to obtain and in consideration for the benefits provided to the Texas Political Subdivision pursuant to the Allergan-Texas Statewide Opioid Settlement Addendum (“Allergan Texas Addendum”), and acting through the undersigned authorized official, hereby elects to participate in the Allergan Texas Addendum, release all Released Claims against all Released Entities, and agrees as follows.

1. The Texas Political Subdivision above is aware of and has reviewed the Allergan Texas Addendum, understands that all terms in this Election and Release have the meanings defined therein, and agrees that by this Election, the Political Subdivision elects to participate in the Allergan Texas Addendum as provided therein.
2. The Texas Political Subdivision shall immediately cease any and all litigation activities as to the Released Entities and Released Claims and, within 14 days of executing this Participation Form, its counsel shall work with Allergan’s counsel to dismiss with prejudice any Released Claims that it has filed against Released Entities.
3. The Texas Political Subdivision agrees to the terms of the Allergan Texas Addendum pertaining to Political Subdivisions as provided therein.
4. By agreeing to the terms of the Allergan Texas Addendum and becoming a Releasor, the Texas Political Subdivision is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date of the Release.
5. The Texas Political Subdivision agrees to use any monies it receives through the Allergan Texas Addendum solely for the purposes provided therein.

6. The Texas Political Subdivision submits to the exclusive jurisdiction and authority of the Texas Consolidated Litigation Court as defined in the Allergan Texas Addendum. For the avoidance of doubt, nothing contained in this Participation Form, or the Allergan Texas Addendum constitutes consent to jurisdiction, express or implied, over the governmental entity or its selected counsel to the jurisdiction of any other court (including without limitation MDL 2804, the MDL 2804 Fee Panel, the MDL 2804 Enforcement Committee, or the Court in which any Texas Consent Judgment is filed) for any purpose whatsoever.
7. The Texas Political Subdivision has the right to enforce the Allergan Texas Addendum in the Texas Consolidated Litigation Court as provided therein.
8. The Texas Political Subdivision, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the Allergan Texas Addendum and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Texas Political Subdivision hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist in bringing, or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Allergan Texas Addendum are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Texas Political Subdivision to release claims. The Allergan Texas Addendum shall be a complete bar to any Released Claim.
9. In connection with the releases provided for in the Allergan Texas Addendum, each Texas Political Subdivision expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Texas Political Subdivision hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist,

whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Texas Political Subdivision's decision to participate in the Allergan Texas Addendum.

10. The Texas Political Subdivision acknowledges, agrees, and understands that the Settlement Amount in the Section of the Allergan Texas Addendum entitled Base and Incentive Payments for the benefit of the Participating Texas Political Subdivision, is less than or equal to the amount, in the aggregate, of the Alleged Harms allegedly suffered by the governmental entity, constitutes restitution and remediation for damage or harm allegedly caused by Allergan in order to restore, in whole or part, the governmental entity to the same position or condition that it would be in had it not suffered the Alleged Harms; and constitutes restitution and remediation for damage or harm allegedly caused by the potential violation of a law and/or is an amount paid to come into compliance with the law.
11. Nothing herein is intended to modify in any way the terms of the Allergan Texas Addendum Agreement, to which the Texas Political Subdivision hereby agrees. To the extent this Election and Release is interpreted differently from the Allergan Texas Addendum, the Allergan Texas Addendum controls.

I have all necessary power and authorization to execute this Election and Release on behalf of the Texas Political Subdivision.

In no event shall any National Fund be used to create federal jurisdiction, equitable or otherwise, over the Texas Political Subdivisions or those similarly situated state-court litigants who are included in the state coalition, nor shall the National Fund require participating in a class action or signing a participation agreement as part of the criteria for participating in the National Fund.
6. “Negotiating Committee” shall mean a three-member group comprising four representatives for each of (1) the State; (2) the PSC; and (3) Texas’

Political Subdivisions (collectively, “Members”). The State shall be represented by the Texas Attorney General or his designees. The PSC shall be represented by attorneys Mikal Watts, Jeffrey Simon, Dara Hegar, Dan Downey, or their designees. Texas’ Political Subdivisions shall be represented by Clay Jenkins (Dallas County Judge), Terrence O’Rourke (Special Assistant County Attorney, Harris County), Nelson Wolff (Bexar County Judge), and Nathaniel Moran (Smith County Judge) or their designees.

7. “Settlement” shall mean the negotiated resolution of legal or equitable claims against a Pharmaceutical Supply Chain Participant that includes the State and Political Subdivisions.
8. “Opioid Funds” shall mean monetary amounts obtained through a Settlement as defined in this Texas Term Sheet.
8. “Approved Purpose(s)” shall mean those uses identified in Exhibit A hereto.
9. “Pharmaceutical Supply Chain” shall mean the process and channels through which opioids or opioids products are manufactured, marketed, promoted, distributed, or dispensed.

10. “Pharmaceutical Supply Chain Participant” shall mean any entity that engages in or has engaged in the manufacture, marketing, promotion, distribution, or dispensing of an opioid analgesic.
11. “Texas Opioid Council” shall mean the Council described in Exhibit A hereto, which has the purpose of ensuring the funds recovered by Texas (through the joint actions of the Attorney General and the Texas Political Subdivisions) are allocated fairly and spent to remediate the opioid crisis in Texas, using efficient and cost-effective methods that are directed to the hardest hit regions in Texas while also ensuring that all Texans benefit from prevention and recovery efforts.

#### **B. Allocation of Settlement Proceeds**

1. All Opioid Funds distributed in Texas shall be divided with 15% going to Political Subdivisions (“Subdivision Share”), 70% to the Texas Opioid Abatement Fund through the Texas Opioid Council (Texas Abatement Fund Share) identified and described on Exhibits A and C hereto, and 15% to the Office of the Texas Attorney General as Counsel for the State of Texas (“State Share”). Out of the Texas Opioid Abatement Fund, reasonable expenses up to 1% shall be paid to the Texas Comptroller for the administration of the Texas Opioid Council pursuant to the Opioid

Abatement Fund (Texas Settlement) Opioid Council Agreement, Exhibit A hereto.

2. The Subdivisions Share shall be allocated in accordance with the division of proceeds on Exhibit B hereto.
3. The Texas Abatement Fund Share shall be allocated to the Opioid Council to be apportioned in accordance with the guidelines of Exhibit A, and Exhibit C hereto.
4. In the event a Subdivision merges, dissolves, or ceases to exist, the allocation percentage for that Subdivision shall be redistributed as directed by the settlement document, and if not specified, equitably based on the composition of the successor Subdivision. If a Subdivision for any reason is excluded from a specific settlement, the allocation percentage for that Subdivision shall be redistributed as directed by the settlement document, and if not specified, equitably among the participating Subdivisions.
5. Funds obtained from parties unrelated to the Litigation, via grant, bequest, gift or the like, separate and distinct from the Litigation, may be directed to the Texas Opioid Council and disbursed as set forth below.
6. The Subdivision share shall be initially deposited and paid in cash directly to the Subdivision under the authority and guidance of the Texas MDL Court, who shall direct any Settlement funds to be held in trust in a

segregated account to benefit the Subdivisions and to be promptly distributed as set forth herein and in accordance with Exhibit B.

7. Nothing in this Texas Term Sheet should alter or change any Subdivision's rights to pursue its own claim. Rather, the intent of this Texas Term Sheet is to join all parties to disburse settlement proceeds from one or more defendants to all parties participating in that settlement within Texas.
8. Opioid Funds from the Texas Abatement Fund Share shall be directed to the Texas Opioid Council and used in accordance with the guidelines as set out on Exhibit A hereto, and the Texas Abatement Fund Share shall be distributed to the Texas Opioid Council under the authority and guidance of the Texas MDL Court, consistent with Exhibits A and C, and the by-laws of the Texas Opioid Council documents and disbursed as set forth therein, including without limitation all abatement funds and the 1% holdback for expenses.
9. The State of Texas and the Political Subdivisions understand and acknowledge that additional steps may need to be undertaken to assist the Texas Opioid Council in its mission, at a predictable level of funding, regardless of external factors.

### **C. Payment of Counsel and Litigation Expenses**

1. Any Master Settlement Agreement settlement will govern the payment of fees and litigation expenses to the Parties. The Parties agree to direct control of any Texas Political Subdivision fees and expenses to the “Texas Opioid Fee and Expense Fund,” which shall be allocated and distributed by the Texas MDL Court, *In re: Texas Opioid Litigation*, MDL No. 2018-63587, in the 152nd District Court of Harris County, Texas, and with the intent to compensate all counsel for Texas Political Subdivisions who have not chosen to otherwise seek compensation for fees and expenses from any federal MDL common benefit fund.
2. The Parties agree that no portion of the State of Texas 15% allocation share from any settlement shall be administered through the National Fund, the Texas MDL Court, or Texas Opioid Fee and Expense Fund, but shall be directed for payment to the State of Texas by the State of Texas.
3. The State of Texas and the Texas Political Subdivisions, and their respective attorneys, agree that all fees – whether contingent, hourly, fixed or otherwise – owed by the Texas Political Subdivisions shall be paid out of the National Fund or as otherwise provided for herein to the Texas Opioid Fee and Expense Fund to be distributed by the 152nd

District Court of Harris County, Texas pursuant to its past and future orders.

4. From any opioid-related settlements with McKesson, Cardinal Health, ABDC, and Johnson & Johnson, and for any future opioid-related settlements negotiated, in whole or in part, by the Negotiating Committee with any other Pharmaceutical Supply Chain Participant, the funds to be deposited in the Texas Opioid Fee and Expense Fund shall be 9.3925% of the combined Texas Political Subdivision and Texas Abatement Fund portions of each payment (annual or otherwise) to the State of Texas for that settlement, plus expenses from the National Fund, and shall be sought by Texas Political Subdivision Counsel initially through the National Fund. The Texas Political Subdivisions' percentage share of fees and expenses from the National Fund shall be directed to the Texas Opioid Fee and Expense Fund in the Texas MDL, as soon as is practical, for allocation and distribution in accordance with the guidelines herein.
5. If the National Fund share to the Texas Political Subdivisions is insufficient to cover the guaranteed 9.3925%, plus expenses from the National Fund, per subsection 4, immediately *supra*, or if payment from the National Fund is not received within 12 months after the date the

first payment is made by the Defendants pursuant to the settlement, then the Texas Political Subdivisions shall recover up to 12.5% of the Texas Political Subdivision Share to make up any difference.

6. If the National Fund and the Texas Political Subdivision share are insufficient to cover the guaranteed 9.3925%, plus expenses from the National Fund, or if payment from the National Fund is not received within 12 months after the date the first payment is made by the Defendants pursuant to the settlement, then the Texas Political Subdivisions shall recover up to 8.75% of the Abatement Fund Share to make up any difference. In no event shall the Texas Political Subdivision share exceed 9.3925% of the combined Texas Political Subdivision and Texas Abatement Fund portions of any settlement, plus expenses from the National Fund. In the event that any payment is received from the National Fund such that the total amount in fees and expenses exceeds 9.3925%, the Texas Political Subdivisions shall return any amounts received greater than 9.3925% of the combined Texas Political Subdivision and Texas Abatement Fund portions to those respective Funds.

7. For each settlement utilizing a National Fund, the Texas Political Subdivisions need only make one attempt at seeking fees and expenses there.
8. The total amount of the Texas Opioid Fee and Expense Fund shall be reduced proportionally, according to the agreed upon allocation of the Texas Subdivision Fund, for any Texas litigating Political Subdivision that (1) fails to enter the settlement; and (2) was filed in Texas state court, and was transferred to the Texas MDL (or removed before or during transfer to the Texas MDL) as of the execution date of this Agreement.

#### **D. The Texas Opioid Council and Texas Abatement Fund**

The Texas Opioid Council and Texas Abatement Fund is described in detail at Exhibit A, incorporated herein by reference.

#### **E. Settlement Negotiations**

1. The State and Negotiating Committee agree to inform each other in advance of any negotiations relating to a Texas-only settlement with a Pharmaceutical Supply Chain Participant that includes both the State and its Political Subdivisions and shall provide each other the opportunity to participate in all such negotiations. Any Texas-only Settlement agreed to with the State and Negotiating Committee shall be subject to the approval

of a majority of litigating Political Subdivisions. The Parties further agree to keep each other reasonably informed of all other global settlement negotiations with Pharmaceutical Supply Chain Participants and to include the Negotiating Committee or designees. Neither this provision, nor any other, shall be construed to state or imply that either the State or the Negotiating Committee is unauthorized to engage in settlement negotiations with Pharmaceutical Supply Chain Participants without prior consent or contemporaneous participation of the other, or that either party is entitled to participate as an active or direct participant in settlement negotiations with the other. Rather, while the State's and Negotiation Committee's efforts to achieve worthwhile settlements are to be collaborative, incremental stages need not be so.

2. Any Master Settlement Agreement (MSA) shall be subject to the approval and jurisdiction of the Texas MDL Court.
3. As this is a Texas-specific effort, the Committee shall be Chaired by the Attorney General. However, the Attorney General, or his designees, shall endeavor to coordinate any publicity or other efforts to speak publicly with the other Committee Members.
4. The State of Texas, the Texas MDL Plaintiff's Steering Committee representatives, or the Political Subdivision representatives may withdraw

from coordinated Settlement discussions detailed in this Section upon 10 business days' written notice to the remaining Committee Members and counsel for any affected Pharmaceutical Supply Chain Participant. The withdrawal of any Member releases the remaining Committee Members from the restrictions and obligations in this Section.

5. The obligations in this Section shall not affect any Party's right to proceed with trial or, within 30 days of the date upon which a trial involving that Party's claims against a specific Pharmaceutical Supply Chain Participant is scheduled to begin, reach a case specific resolution with that particular Pharmaceutical Supply Chain Participant.

#### **F. Amendments**

The Parties agree to make such amendments as necessary to implement the intent of this agreement.

#### **Acknowledgment of Agreement**

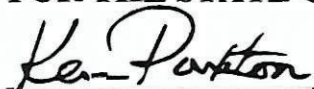

We, the undersigned, have participated in the drafting of the above Texas Term Sheet, including consideration based on comments solicited from Political Subdivisions. This document has been collaboratively drafted to maintain all individual claims while allowing the State and its Political Subdivisions to cooperate in exploring all possible means of resolution. Nothing in this agreement binds any party to any specific outcome. Any resolution under this document will require

acceptance by the State of Texas and a majority of the Litigating Political Subdivisions.

We, the undersigned, hereby accept the STATE OF TEXAS AND TEXAS POLITICAL SUBDIVISIONS' OPIOID ABATEMENT FUND COUNCIL AND SETTLEMENT ALLOCATION TERM SHEET. We understand that the purpose of this Texas Term Sheet is to permit collaboration between the State of Texas and Political Subdivisions to explore and potentially effectuate earlier resolution of the Opioid Litigation against Pharmaceutical Supply Chain Participants. We also understand that an additional purpose is to create an effective means of distributing any potential settlement funds obtained under this Texas Term Sheet between the State of Texas and Political Subdivisions in a manner and means that would promote an effective and meaningful use of the funds in abating the opioid epidemic throughout Texas.

# EXHIBIT A

## **Opioid Abatement Fund (Texas) Settlement**

### **Opioid Council**

As part of the settlement agreement and upon its execution, the parties will form the Texas Opioid Council (Council) to establish the framework that ensures the funds recovered by Texas (through the joint actions of the Attorney General and the state's political subdivisions) are allocated fairly and spent to remediate the opioid crisis in Texas, using efficient and cost-effective methods that are directed to the hardest hit regions in Texas while also ensuring that all Texans benefit from prevention and recovery efforts.

#### **I. Structure**

The Council will be responsible for the processes and procedures governing the spending of the funds held in the Texas Abatement Fund, which will be approximately 70% of all funds obtained through settlement and/or litigation of the claims asserted by the State and its subdivisions in the investigations and litigation related to the manufacturing, marketing, distribution, and sale of opioids and related pharmaceuticals.

Money paid into the abatement fund will be held by an independent administrator, who shall be responsible for the ministerial task of releasing funds solely as authorized below by the Council, and accounting for all payments to and from the fund.

The Council will be formed when a court of competent jurisdiction enters an order settling the matter, including any order of a bankruptcy court. The Council's members must be appointed within sixty (60) days of the date the order is entered.

##### **A. Membership**

The Council shall be comprised of the following thirteen (13) members:

##### *1. Statewide Members.*

Six members appointed by the Governor and Attorney General to represent the State's interest in opioid abatement. The statewide members are appointed as follows:

- a. The Governor shall appoint three (3) members who are licensed health professionals with significant experience in opioid interventions;
- b. The Attorney General shall appoint three (3) members who are licensed professionals with significant experience in opioid incidences; and
- c. The Governor will appoint the Chair of the Council as a non-voting member. The Chair may only cast a vote in the event there is a tie of the membership.

##### *2. Regional Members.*

Six (6) members appointed by the State's political subdivisions to represent their designated Texas Health and Human Services Commission "HHSC" Regional Healthcare

Partnership (Regions) to ensure dedicated regional, urban, and rural representation on the Council. The regional appointees must be from either academia or the medical profession with significant experience in opioid interventions. The regional members are appointed as follows:

- a. One member representing Regions 9 and 10 (Dallas Ft-Worth);
- b. One member representing Region 3 (Houston);
- c. One member representing Regions 11, 12, 13, 14, 15, 19 (West Texas);
- d. One member representing Regions 6, 7, 8, 16 (Austin-San Antonio);
- e. One member representing Regions 1, 2, 17, 18 (East Texas); and
- f. One member representing Regions 4, 5, 20 (South Texas).

## B. Terms

All members of the Council are appointed to serve staggered two-year terms, with the terms of members expiring February 1 of each year. A member may serve no more than two consecutive terms, for a total of four consecutive years. For the first term, four (4) members (two (2) statewide and two (2) for the subdivisions) will serve a three-year term. A vacancy on the Council shall be filled for the unexpired term in the same manner as the original appointment. The Governor will appoint the Chair of the Council who will not vote on Council business unless there is a tie vote, and the subdivisions will appoint a Vice-Chair voting member from one of the regional members.

## C. Governance

### *1. Administration*

The Council is attached administratively to the Comptroller. The Council is an independent, quasi-governmental agency because it is responsible for the statewide distribution of the abatement settlement funds. The Council is exempt from the following statutes:

- a. Chapter 316 of the Government Code (Appropriations);
- b. Chapter 322 of the Government Code (Legislative Budget Board);
- c. Chapter 325 of the Government Code (Sunset);
- d. Chapter 783 of the Government Code (Uniform Grants and Contract Management);
- e. Chapter 2001 of the Government Code (Administrative Procedure);
- f. Chapter 2052 of the Government Code (State Agency Reports and Publications);
- g. Chapter 2261 of the Government Code (State Contracting Standards and Oversight);
- h. Chapter 2262 of the Government Code (Statewide Contract Management);

- i. Chapter 262 of the Local Government Code (Purchasing and Contracting Authority of Counties); and
- j. Chapter 271 of the Local Government Code (Purchasing and Contracting Authority of Municipalities, Counties, and Certain Other Local Governments).

## *2. Transparency*

The Council will abide by state laws relating to open meetings and public information, including Chapters 551 and 552 of the Texas Government Code.

- i. The Council shall hold at least four regular meetings each year. The Council may hold additional meetings on the request of the Chair or on the written request of three members of the council. All meetings shall be open to the public, and public notice of meetings shall be given as required by state law.
- ii. The Council may convene in a closed, non-public meeting:
  - a. If the Commission must discuss:
    - 1. Negotiation of contract awards; and
    - 2. Matters specifically exempted from disclosure by federal and state statutes.
  - b. All minutes and documents of a closed meeting shall remain under seal, subject to release only order of a court of competent jurisdiction.

## *3. Authority*

The Council does not have rulemaking authority. The terms of each Judgment, Master Settlement Agreement, or any Bankruptcy Settlement for Texas control the authority of the Council and the Council may not stray outside the bounds of the authority and power vested by such settlements. Should the Council require legal assistance in determining their authority, the Council may direct the executive director to seek legal advice from the Attorney General to clarify the issue.

## D. Operation and Expenses

The independent administrator will set aside up to one (1) percent of the settlement funds for the administration of the Council for reasonable costs and expenses of operating the foregoing duties, including educational activities.

### *1. Executive Director*

The Comptroller will employ the executive director of the Council and other personnel as necessary to administer the duties of the Council and carry out the functions of the Council. The executive director must have at least 10 years of experience in government or public administration and is classified as a Director V/B30 under the State Auditor's State Classification. The Comptroller will pay the salaries of the Council employees from the

one (1) percent of the settlement funds set aside for the administration of the Council. The Comptroller will request funds from the Texas Abatement Fund Point of Contact.

## *2. Travel Reimbursement*

A person appointed to the Council is entitled to reimbursement for the travel expenses incurred in attending Council duties. A member of the Council may be reimbursed for actual expenses for meals, lodging, transportation, and incidental expenses in accordance with travel rates set by the federal General Services Administration.

## **II. Duties/Roles**

It is the duty of the Council to determine and approve the opioid abatement strategies and funding awards.

### **A. Approved Abatement Strategies**

The Council will develop the approved Texas list of abatement strategies based on but not limited to the existing national list of opioid abatement strategies (see attached Appendix A) for implementing the Texas Abatement Fund.

1. The Council shall only approve strategies which are evidence-informed strategies.
2. The Texas list of abatement strategies must be approved by majority vote. The majority vote must include a majority from both sides of the statewide members and regional members in order to be approved, e.g., at least four (4) of six (6) members on each side.

### **B. Texas Abatement Fund Point of Contact**

The Council will determine a single point of contact called the Abatement Fund Point of Contact (POC) to be established as the sole entity authorized to receive requests for funds and approve expenditures in Texas and order the release of funds from the Texas Abatement Fund by the independent administrator. The POC may be an independent third party selected by the Council with expertise in banking or financial management. The POC will manage the Opioid Council Bank Account (Account). Upon a vote, the Council will direct the POC to contact the independent administrator to release funds to the Account. The Account is outside the State Treasury and not managed by any state or local officials. The POC is responsible for payments to the qualified entities selected by the Council for abatement fund awards. The POC will submit a monthly financial statement on the Account to the Council.

### **C. Auditor**

An independent auditor appointed by the Council will perform an audit on the Account on an annual basis and report its findings, if any, to the Council.

### **D. Funding Allocation**

The Council is the sole decision-maker on the funding allocation process of the abatement funds. The Council will develop the application and award process based on the parameters outlined below. An entity seeking funds from the Council must apply for funds; no funds will be awarded without an application. The executive director and personnel may assist the Council in gathering and compiling the applications for consideration; however, the Council members are the sole decision-makers of awards and funding determination. The Council will use the following processes to award funds:

1. *Statewide Funds.* The Council will consider, adopt and approve the allocation methodology attached as Exhibit C, based upon population health data and prevalence of opioid incidences, at the Council's initial meeting. Adoption of such methodology will allow each Region to customize the approved abatement strategies to fit its communities' needs. The statewide regional funds will account for seventy-five (75) percent of the total overall funds, less the one (1) percent administrative expense described herein.
2. *Targeted Funds.* Each Region shall reserve twenty-five (25) percent of the overall funds, for targeted interventions in the specific Region as identified by opioid incidence data. The Council must approve on an annual basis the uses for the targeted abatement strategies and applications available to every Region, including education and outreach programs. Each Region without approved uses for the targeted funds from the Council, based upon a greater percentage of opioid incidents compared to its population, is subject to transfer of all or a portion of the targeted funds for that Region for uses based upon all Regions' targeted funding needs as approved by the Council on an annual basis.
3. *Annual Allocation.* Statewide regional funds and targeted funds will be allocated on an annual basis. If a Region lapses its funds, the funds will be reallocated based on all Regions' funding needs.

#### E. Appeal Process

The Council will establish an appeal process to permit the applicants for funding (state or subdivisions) to challenge decisions by the Council-designated point of contact on requests for funds or expenditures.

1. To challenge a decision by the designated point of contact, the State or a subdivision must file an appeal with the Council within thirty (30) days of the decision. The Council then has thirty (30) days to consider and rule on the appeal.
2. If the Council denies the appeal, the party may file an appeal with the state district court of record where the final opioid judgment or Master Settlement Agreement is filed. The Texas Rules of Civil Procedure and Rules of Evidence will govern these proceedings. The Council may request representation from the Attorney General in these proceedings.

In making its determination, the state district court shall apply the same clear error standards contained herein that the Council must follow when rendering its decision.

3. The state district court will make the final decision and the decision is not appealable.
4. Challenges will be limited and subject to penalty if abused.
5. Attorneys' fees and costs are not recoverable in these appeals.

#### F. Education

The Council may determine that a percentage of the funds in the Abatement Fund from the targeted funds be used to develop an education and outreach program to provide materials on the consequences of opioid drug use, prevention and interventions. Any material developed will include online resources and toolkits for communities.
