FINAL CONSENT JUDGMENT AND DISMISSAL WITH PREJUDICE

The State of Mississippi (“*State*”) and Teva Pharmaceuticals USA, Inc. (“*Teva*”¹ or “*Defendants*”) (together with the State, the “*Parties*,” and each a “*Party*”) have entered into a consensual resolution of the above-captioned litigation (the “*Action*”) pursuant to a settlement agreement entitled Teva Global Opioid Settlement Agreement, dated as of November 22, 2022 (as subsequently updated) (the “*Agreement*”), a copy of which is attached hereto as Exhibit A. The Agreement shall become effective by its terms upon the entry of this Final Consent Judgment (the “*Judgment*”) by the Court without trial or adjudication of any contested issue of fact or law, and without finding or admission of wrongdoing or liability of any kind.

RECITALS:

1. Each Party warrants and represents that it engaged in arm’s-length negotiations in good faith. In hereby executing the Agreement, the Parties intend to effect a good-faith settlement.
2. The State has determined that the Agreement is in the public interest.
3. Teva denies the allegations against it and that it has any liability whatsoever to the State, its Subdivisions, its Special Districts, and/or (a) any of the State’s or Subdivisions’ or Special Districts’ departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, including its Attorney General and any person in his or her official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, and other Special Districts in the State, and (c) any person or entity acting in a *parens patriae*, sovereign,

¹ This Consent Judgment resolves litigation as to “Teva” as the term is defined in the Teva Global Opioid Settlement Agreement, which definition includes (i) Teva Pharmaceutical Industries Ltd. and (ii) all of its respective past and present direct or indirect parents, subsidiaries, divisions, affiliates, joint ventures, predecessors, successors, assigns, including but not limited to Teva Pharmaceuticals USA, Inc., the Actavis Generic Entities, and Anda Inc.

quasi-sovereign, private attorney general, *qui tam*, taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public.

4. The Parties recognize that the outcome of the Action is uncertain and a final resolution through the adversarial process likely will require protracted litigation.

5. The Parties agree to the entry of the injunctive relief terms pursuant to Exhibits P and Q of the Agreement.

6. Therefore, without any admission of liability or wrongdoing by Teva or any other Released Entities (as defined in the Agreement), the Parties now mutually consent to the entry of this Judgment and agree to dismissal of the claims with prejudice pursuant to the terms of the Agreement to avoid the delay, expense, inconvenience, and uncertainty of protracted litigation.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:

In consideration of the mutual promises, terms, and conditions set forth in the Agreement, the adequacy of which is hereby acknowledged by all Parties, it is agreed by and between Defendants and the State, and adjudicated by the Court, as follows:

1. The foregoing Recitals are incorporated herein and constitute an express term of this Judgment.

2. The Parties have entered into a full and final settlement of all Released Claims of Releasors (as defined in the Agreement) against Teva (including but not limited to the State) and the Released Entities pursuant to the terms and conditions set forth in the Agreement.

3. The “Definitions” set forth in Section I of the Agreement are incorporated by reference into this Judgment. The State is a “Settling State” within the meaning of the Agreement. Unless otherwise defined herein, capitalized terms in this Judgment shall have the same meaning given to them in the Agreement.

4. The Parties agree that the Court has jurisdiction over the subject matter of the Action and over the Parties with respect to the Action and this Judgment. This Judgment shall not be construed or used as a waiver of any jurisdictional defense Teva or any other Released Entity may raise in any other proceeding.

5. The Court finds that the Agreement was entered into in good faith.

6. The Court finds that entry of this Judgment is in the public interest and reflects a negotiated settlement agreed to by the Parties. The Action is dismissed with prejudice, subject to a retention of jurisdiction by the Court as provided herein and in the Agreement.

7. By this Judgment, the Agreement is hereby approved by the Court, and the Court hereby adopts the Agreement's terms as its own determination of this matter and the Parties' respective rights and obligations.

8. The Court shall have authority to resolve disputes identified in Section XV.G.2 of the Agreement, governed by the rules and procedures of the Court.

9. By this Judgment, the State-Subdivision Agreement, the Mississippi State-Local Government Opioid Litigation Memorandum of Understanding, a copy of which is attached hereto as Exhibit B and as incorporated into the Agreement pursuant to Exhibit O of the Agreement, is hereby approved by the Court as the means by which relevant funds paid pursuant to the Agreement will be divided within the State, subject to the full acceptance by any Subdivision or Special District receiving such funds of the terms of the Agreement, including the releases provided therein.

10. The Parties have satisfied the Condition to Effectiveness of Agreement set forth in Section XI of the Agreement and the Release set forth in Sections V.A, D, and E of the Agreement, as follows:

- a. The Attorney General of the State exercised the fullest extent of his or her powers to release Teva and all other Released Entities from all Released Claims pursuant to the release attached hereto as Exhibit B (the “*Release*”).
- b. Teva has determined that there is sufficient State participation and sufficient resolution of the Claims of the Litigating Subdivisions and Litigating Special Districts in the Settling States to proceed with the Agreement.
- c. The Settlement Participation Form for each Initial Participating Subdivision and Initial Participating Special District in the State has been delivered to Teva. As stated in the Settlement Participation Form, and for the avoidance of doubt, nothing in the Settlement Participation Form executed by the Participating Subdivisions and Participating Special Districts is intended to modify in any way the terms of the Agreement to which the Participating Subdivisions and Participating Special Districts agree. As stated in the Settlement Participation Form, to the extent the executed version of the Settlement Participation Form differs from the Agreement in any respect, the Agreement controls.
- d. Pursuant to the Settlement Participation Form, each Participating Subdivision and Participating Special District in the State is dismissing with prejudice any Released Claims that it has filed against Teva and the Released Entities.

11. Release. The Parties acknowledge that the Release, which is incorporated by reference herein, is an integral part of this Judgment. Pursuant to the Agreement and the Release and without limitation and to the maximum extent of the power of the State’s Attorney General, Teva and the other Released Entities are, as of the Effective Date, hereby released from any and all Released Claims of (a) the State, its Participating Subdivisions, its Participating Special Districts and any of their departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, including the State’s Attorney General, and any person in his or her official capacity whether elected or appointed to serve any of the foregoing, and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, water districts, emergency services districts, school districts, healthcare districts, hospital districts, and Sheriffs and law enforcement districts, library districts, coroner’s offices, and public transportation authorities, and other Special Districts in the State,

including those with the regulatory authority to enforce state and federal controlled substances acts or the authority to bring Claims related to Covered Conduct seeking money (including abatement (or remediation and/or restitution)) or revoke a pharmaceutical distribution license, and (c) any person or entity acting in a *parens patriae*, sovereign, quasi-sovereign, private attorney general, *qui tam*, taxpayer, or other capacity seeking relief, including but not limited to, fines, penalties, or punitive damages, on behalf of or generally applicable to the general public with respect to the State or any Subdivision or Special District in the State, whether or not any of them participate in the Agreement. Pursuant to the Agreement and the Release and to the maximum extent of the State's power, Teva and the other Released Entities are, as of the Effective Date, hereby released from any and all Released Claims of (1) the State, (2) all past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts, (3) any of the State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution license, (4) any Participating Subdivision, and (5) any Participating Special District. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Further, the provisions set forth in Section V of the Agreement are incorporated by reference into this Judgment as if fully set forth herein. The Parties acknowledge, and the Court finds, that those provisions are an integral part of the Agreement and this Judgment, and shall govern the rights and obligations of all participants in the settlement. Any modification of those rights and obligations may be made based only on a writing signed by all affected parties and approved by the Court.

12. Release of Unknown Claims. The State expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

13. The State may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but the State expressly waived and fully, finally, and forever settled, released and discharged, through the Agreement and Release, any and all Released Claims that may exist as of the Effective Date but which the State does not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would have materially affected the State's decision to enter into the Agreement.

14. Mississippi does not have a statute that bars or releases opioid claims.

15. Costs and Fees. The Parties will bear their own costs and attorneys' fees except as otherwise provided in the Agreement.

16. No Admission of Liability. Defendants are consenting to this Judgment solely for the purpose of effectuating the Agreement, and nothing contained herein may be taken as or construed to be an admission or concession of any violation of law, rule, or regulation, or of any other matter of fact or law, or of any liability or wrongdoing, all of which Defendants expressly deny. No Defendant or Released Entity admits that it caused or contributed to any public nuisance, and no Defendant or Released Entity admits any wrongdoing that was or could have been alleged by the State, its Participating Subdivisions and/or Participating Special Districts, or any other

person or entity. No part of this Judgment shall constitute evidence of any liability, fault, or wrongdoing by Defendants or any other Released Entity. The Parties acknowledge that payments made under the Agreement are not a fine, penalty, or payment in lieu thereof and are properly characterized as described in Section VIII.G of the Agreement.

17. No Waiver. This Judgment is entered based on the Agreement without trial or adjudication of any contested issue of fact or law or finding of liability of any kind. This Judgment shall not be construed or used as a waiver of Teva's right, or any other Released Entity's right, to defend itself from, or make any arguments in, any other regulatory, governmental, private individual, or class claims or suits relating to the subject matter or terms of this Judgment. Notwithstanding the foregoing, the State may enforce the terms of this Judgment as expressly provided in the Agreement.

18. No Private Right of Action. This Judgment is not intended for use by any third party for any purpose, including submission to any court for any purpose, except pursuant to Section XV.A of the Agreement. Except as expressly provided in the Agreement, no portion of the Agreement or this Judgment shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. The State shall allow Participating Subdivisions and Participating Special Districts in the State to notify it of any perceived violations of the Agreement or this Judgment. No Settling State, including the State, may assign or otherwise convey any right to enforce any provision of the Agreement.

19. Admissibility. It is the intent of the Parties that this Judgment not be admissible in other cases against Defendants or binding on Defendants in any respect other than in connection with the enforcement of this Judgment or the Agreement. For the avoidance of doubt, nothing herein shall prohibit Defendants from entering this Judgment or the Agreement into evidence in

any litigation or arbitration concerning (1) Defendants' right to coverage under an insurance contract or (2) the enforcement of the releases provided for by the Agreement and this Judgment.

20. Preservation of Privilege. Nothing contained in the Agreement or this Judgment, and no act required to be performed pursuant to the Agreement or this Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

21. Mutual Interpretation. The Parties agree and stipulate that the Agreement was negotiated on an arm's-length basis between parties of equal bargaining power and was drafted jointly by counsel for each Party. Accordingly, the Agreement is incorporated herein by reference and shall be mutually interpreted and not construed in favor of or against any Party, except as expressly provided for in the Agreement.

22. Retention of Jurisdiction. The Court shall retain jurisdiction of the Parties for the limited purpose of the resolution of disputes identified in Section XV.G.2 of the Agreement. The Court shall have jurisdiction over Participating Subdivisions and Participating Special Districts in the State for the limited purposes identified in the Agreement.

23. Successors and Assigns. This Judgment is binding on Defendants' successors and assigns.

24. Modification. This Judgment shall not be modified (by the Court, by any other court, or by any other means) without the consent of the State and Defendants, or as provided for in Section XVI.T of the Agreement.

TEVA GLOBAL OPIOID SETTLEMENT AGREEMENT

Whereas, the Settling States, Participating Subdivisions, Participating Special Districts, and Teva (as those terms are defined below) share a common desire to resolve disputes between them relating to opioid medications according to the terms set out in this agreement dated as of November 22, 2022 (the “*Agreement*”);

Whereas, the Parties, Participating Subdivisions, and Participating Special Districts agree and understand that upon satisfaction of the conditions set forth in Sections II and XI, this Agreement will be binding on the Settling States, Teva, Participating Subdivisions, and Participating Special Districts;

Whereas, the Parties, Participating Subdivisions, and Participating Special Districts agree and understand that this Agreement will then be filed as part of Consent Judgments in the respective courts of each of the Settling States, pursuant to the terms set forth in Section III;

Whereas, the Parties, Participating Subdivisions, and Participating Special Districts agree and understand that they shall at all times act in good faith to implement and execute their obligations under this Agreement and shall not act in any way to purposefully frustrate the right of any party to receive the benefits due under the Agreement;

Whereas, it is recognized that Naloxone Hydrochloride Nasal Spray is a medication that counteracts the life-threatening effects of opioid overdose and significantly reduces opioid-overdose mortality;

Whereas, the Parties, Participating Subdivisions, and Participating Special Districts to this Agreement now desire to avoid further expense and proceedings and to settle their disputes under the terms and conditions of this Agreement as set forth below;

NOW, THEREFORE, IT IS HEREBY AGREED by and between the Parties, Participating Subdivisions, and Participating Special Districts by and through their respective counsel, as follows:

6. “*Allergan*” means Allergan Finance, LLC (f/k/a Actavis, Inc., which, in turn, was f/k/a/ Watson Pharmaceuticals, Inc.) and Allergan Limited (f/k/a Allergan plc, which, in turn, was f/k/a Actavis plc).

8. “*Allocation Statute*” means a state law that governs allocation, distribution, and/or use of some or all of the Settlement Fund amounts allocated to that State and/or its Subdivisions and/or its Special Districts. In addition to modifying the allocation, as set forth in subsection VIII.E.2, an Allocation Statute may, without limitation, contain a Statutory Trust, further restrict expenditure of funds, form an advisory committee, establish oversight and reporting requirements, or address other default provisions and other matters related to the funds. An Allocation Statute is not required to address all three (3) types of funds comprising the Settlement Fund or all default provisions.
9. “*Annual Payment*” means the total amount of the Net Abatement Amount payable into the Settlement Fund by Teva on each Payment Date (including the Initial Year Payment), as calculated by the Settlement Fund Administrator pursuant to subsection VII.B.4 or agreed to pursuant to subsection VII.B.5, which shall not exceed the maximum payment for any given year as set forth in Exhibit M-1. This term does not include the Additional Restitution Amount, the Settlement Product Cash Conversion Amount, or amounts paid pursuant to Section XIV.

- 23. “*Designated State*” means New York.

In seeking certification of any Settlement Class, the applicable State and Participating Subdivisions shall make clear that certification is sought solely for settlement purposes and shall have no applicability beyond approval of the settlement for which certification is sought. States that determine to become Settling States shall so notify the Enforcement Committee and Teva within thirty (30) days after November 22, 2022, and shall further commit to obtaining any necessary additional State releases prior to the Effective Date. This notice period for States may be extended by written agreement of Teva and the Enforcement Committee.

The determination to proceed shall be in the sole discretion of Teva and may be based on any criteria or factors deemed relevant by Teva. If Teva determines that this condition has not been satisfied, it will so notify the Settling States by providing notice to the Enforcement Committee, and this Agreement will have no further effect and all releases and other commitments or obligations contained herein will be void other than Teva's funding of Implementation Costs incurred to date. This subsection III.A does not apply to Litigating States with a trial date within six (6) months of the Preliminary Agreement Date, though such Litigating States and Teva shall engage in good faith discussions regarding the potential cessation of litigation activity.

- B.** Following the execution of the Settlement Participation Form, attached as Exhibit K, indicating its intention to participate in the global settlement, a Litigating Subdivision or Litigating Special District shall take reasonable steps to immediately cease all litigation activity (e.g., written and document discovery, depositions, expert disclosures, and motion practice) against Teva, where feasible, or minimize litigation activity by means of an agreed upon temporary “stay” of litigation and/or deadline extensions or postponement of litigation activity including depositions, document productions, and motion practice, unless the Litigating Subdivision or Litigating Special District reasonably concludes that it would be prejudiced by doing so. Teva shall cooperate in such efforts. The obligations under this subsection do not extend past the Reference Date if Teva determines it is not going forward with the settlement. This paragraph III.B does not apply to Litigating Subdivisions and Litigating Special Districts with a trial date within six (6) months of the Preliminary Agreement Date, though such Litigating Subdivisions and Litigating Special Districts and Teva shall engage in good faith discussions regarding the potential cessation of litigation activity.
- C.** Following the Reference Date, the Settling States shall endeavor to file Consent Judgments (the contents of which must be agreed upon with Teva) within thirty (30) days of the Reference Date. Participating Subdivisions and Participating Special Districts, as applicable, shall request dismissal of their actions with prejudice within fourteen (14) days of the Reference Date. V. Release

- A.** *Scope.* As of the Effective Date, the Released Entities will be released and forever discharged from all of the Releasors’ Released Claims. Each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors), and Participating Special District (for itself and its Releasors) will, on or before the Effective Date, absolutely, unconditionally, and irrevocably covenant not to bring, file, or claim, or to cause, assist in bringing, or permit to be brought, filed, or claimed, or to otherwise seek to

establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Agreement are intended to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of each Settling State and its Attorney General to release Claims. The Release shall be a complete bar to any Released Claim.

B. *Claim Over and Non-Party Settlement.*

1. *Statement of Intent.* It is the intent of the Parties that:
 - a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract) from other parties for their payment obligations under this Agreement;
 - b. the payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasors involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);
 - c. Claims by Releasors against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and
 - d. the Settlement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties. Any amounts payable by Teva pursuant to this Agreement, including but not limited to the Net Abatement Amount and any attorneys' fees, shall not be reduced or otherwise affected by any obligation by Teva to pay any contractual indemnity or agreed-to contribution amount to Allergan.

The provisions of this subsection V.B are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

2. *Contribution/Indemnity Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner, provided that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.
3. *Non-Party Settlement.* To the extent that, on or after the Reference Date, any Releasor enters into a Non-Party Settlement, including in any bankruptcy case or

through any plan of reorganization (whether individually or as a class of creditors), the Releasor will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Teva in subsection V.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim Over. However, and notwithstanding the foregoing, this provision shall not preclude Allergan from seeking indemnification under its agreement with Teva. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.

4. *Claim Over.* In the event that any Releasor obtains a judgment with respect to Non-Party Covered Conduct against a Non-Released Entity that does not contain a prohibition like that in subsection V.B.3, or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in subsection V.B.3, and such Non-Released Entity asserts a Claim Over against a Released Entity, that Releasor and Teva shall take the following actions to ensure that the Released Entities do not pay more with respect to Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Agreement by Teva:
 - a. Teva shall notify that Releasor of the Claim-Over within sixty (60) days of the assertion of the Claim-Over or sixty (60) days of the Effective Date of this Agreement, whichever is later;
 - b. Teva and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that it is not required to pay more with respect to Covered Conduct than the amounts owed by Teva under this Agreement;
 - c. That Releasor and Teva shall take steps sufficient and permissible under the law of the State of the Releasor to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Covered Conduct than the amounts owed by Teva under this Agreement. Such steps may include, where permissible:
 - (i) Filing of motions to dismiss or such other appropriate motion by Teva or Released Entities, and supported by Releasors, in response to any Claim filed in litigation or arbitration;
 - (ii) Reduction of that Releasor's Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim-Over under applicable law, up to the amount that Releasor has obtained,

- may obtain, or has authority to control from such Non-Released Entity;
- (iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;
 - (iv) Return of monies paid by Teva to that Releasor under this Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;
 - (v) Payment of monies to Teva by that Releasor to ensure it is held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;
 - (vi) Credit to Teva under this Agreement to reduce the overall amounts to be paid under the Agreement such that it is held harmless from the Claim-Over; and
 - (vii) Such other actions as that Releasor and Teva may devise to hold Teva harmless from the Claim Over.
- d. The actions of that Releasor and Teva taken pursuant to paragraph (c) must, in combination, ensure Teva is not required to pay more with respect to Covered Conduct than the amounts owed by Teva under this Agreement.
- e. In the event of any dispute over the sufficiency of the actions taken pursuant to paragraph (c), that Releasor and Teva may seek review by the National Arbitration Panel, provided that, if the Parties agree, such dispute may be heard by the state Court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to require Releasors to implement a remedy that includes one or more of the actions specified in paragraph (c) sufficient to hold Released Entities fully harmless. In the event that the panel's actions do not result in Released Entities being held fully harmless, Teva shall have a Claim for breach of this Agreement by Releasors, with the remedy being payment of sufficient funds to hold Teva harmless from the Claim Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Teva may have.
5. To the extent that the Claim Over is based on a contractual indemnity, the obligations under subsection V.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, clinic, hospital or other purchaser or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Teva shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entities asserts a Claim-Over arising out of contractual indemnity against it.

- C. *General Release.* In connection with the releases provided for in the Agreement, each Settling State (for itself and its Releasers), Participating Subdivision and Participating Special District expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releaser may thereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasers), Participating Subdivision and Participating Special District hereby expressly waives and fully, finally, and forever settles, releases, and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasers do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Settling States' decision to enter into the Agreement, the Participating Subdivisions' decision to participate in the Agreement, or the Participating Special District's decision to participate in the Agreement.

- D. *Res Judicata.* Nothing in the Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in the Agreement, and/or any Consent Judgment or other judgment entered on the Agreement, gives rise to under applicable law.
- E. *Representation and Warranty.* The signatories hereto on behalf of their respective Settling States, its Participating Subdivisions, and its Participating Special Districts expressly represent and warrant that they will obtain on or before the Effective Date (or have obtained) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of (1) their respective Settling States; (2) any of the respective Settling State's past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts; (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution license; (4) any Participating Subdivisions; and (5) any Participating Special District. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also, for the purposes of clause (3), a release from a State's Governor is sufficient to demonstrate that the appropriate releases have been obtained.

- F.** *Effectiveness.* The releases set forth in the Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.
- G.** *Cooperation.* Releasors (i) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (ii) will reasonably cooperate with and not oppose any effort by a Released Entity to secure the prompt dismissal of any and all Released Claims.
- H.** *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, the Agreement does not waive, release or limit any criminal liability, Claims for any outstanding liability under any tax or securities law, Claims against parties who are not Released Entities, Claims by private individuals, Claims for Medicaid rebates, Claims asserted, or that could be asserted, by any State or Subdivision, related to the causes of action in *In re: Generic Pharmaceuticals Pricing Antitrust Litigation*, in the United States District court for the District of Pennsylvania, MDL No. 2724, and any related action (such excluded claims include, but are not limited to, all antitrust claims and any claims related to any non-opioid generic drugs), and any claims arising under the Agreement for enforcement of the Agreement.

VI. Monetary Relief Overview and Maximum Payments

- A.** Excluding Teva's share of Implementation Costs and Settlement Fund Administrator Costs, there are four main categories of monetary payments:
1. *Annual Payments to the Settlement Fund.* These payments are generally addressed in Section VII. The maximum amount Teva shall pay in Annual Payments to the Settlement Fund is the Net Abatement Amount of \$2,945,529,111.00, which reflects the application of the Prior Settlements Credit to the Global Settlement Abatement Amount. Annual Payments will be made over thirteen (13) years on the Payment Dates. The actual amount paid will depend on, among other things, the level of participation of Eligible States, their Subdivisions, and their Special Districts.
 2. *Cash Conversion of Settlement Product.* These potential monetary payments are generally addressed in Section IX. The maximum monetary amount Teva shall pay for the cash conversion of Settlement Product is \$240,000,000.00. Payments for cash conversion of Settlement Product will be made over twelve (12) years on the Payment Dates. The actual amount paid will depend on, among other things, the level of participation of Eligible States and the number of Settling States opting for cash conversion.
 3. *Additional Restitution Amount.* These payments are generally addressed in Section XIII. The maximum amount Teva shall pay for the Additional Restitution Amount

is \$28,669,762.00. Payments for the Additional Restitution Amount will be made over six (6) years on the Payment Dates. The actual amount paid will depend on the number of Eligible States listed in Exhibit F-2 that become Settling States.

4. *Attorney Fee and Cost Payments.* These payments are generally addressed in Section XIV and Exhibits M, R, S and T. They consist of payments for the State Outside Counsel Fee Fund, the State Cost Fund, and the Attorney Fee and Cost Fund. These payments will be made over six (6) years on the Payment Dates. The maximum amount Teva shall pay into these funds is the Global Settlement Attorney Fee Amount of \$366,335,847.76.
- B.** The aggregate maximum amount Teva shall pay for these for these payment categories is \$3,580,534,720.76. This figure does not include costs related to injunctive relief and document disclosure addressed in Exhibits P and V, Implementation Costs and Settlement Fund Administrator Costs addressed in this Agreement, or WAC value of Settlement Product.
- C.** *Settlement Fund Administrator and Implementation Costs.* If this Agreement becomes effective, Teva shall be responsible for one-third of the Implementation Costs. The full amount of the Implementation Costs shall be jointly advanced by Teva and Allergan. If this Agreement becomes effective, then Teva shall deduct from Teva's Initial Year Payment the difference between the excess amount it advanced for Implementation Costs and its one-third obligation for such costs. Settlement Fund Administrator Costs shall be paid out of interest accrued on the Settlement Fund. Should such interest prove insufficient to fully cover the costs, the remaining cost amounts shall be paid one-third by Teva, one-third by Allergan and one-third from the Settlement Fund through the disbursement of Teva's final Annual Payment.

VII. Annual Payments to Settlement Fund

A. Structure of Payments to Settlement Fund

1. All payments under this Section VII shall be made into the Settlement Fund, except that where specified, they shall be made into the Settlement Fund Escrow. The Settlement Fund shall be allocated and used only as specified in Section VIII.
2. Teva shall pay into the Settlement Fund the Net Abatement Amount consisting of \$2,945,529,111.00 minus: (1) any offsets specified in subsection VII.C below; (2) any unearned Incentive Payments under subsection VII.E below; and (3) any adjustments under Section XII below.
3. The payments to the Settlement Fund shall be divided into Base Payments and Incentive Payments as provided in subsections VII.D and VII.E below and set out in Exhibit M-1.

B. Settlement Fund Payment Process

1. Except as otherwise provided in this Agreement, Teva shall make one Initial Year Payment (the first Annual Payment) and twelve (12) additional Annual Payments of equal installments of the Net Abatement Amount (after all applicable offsets) into the Settlement Fund. The Settlement Payment Schedule is set forth in Exhibit M. Annual Payments shall be made on the Payment Date, provided that the necessary wire instructions and W-9 form for the Settlement Fund are provided to Teva at least twenty-one (21) days before the relevant payment is due. If there is a delay in making a payment because wire instructions and/or a W-9 form were not provided at least twenty-one (21) days in advance of the Payment Date, then the Annual Payment will be made within twenty-one (21) days of both the wire instructions and W-9 form being provided.
2. The Initial Year Payment shall consist of only Base Payments (after all applicable offsets). The other twelve (12) Annual Payments shall each consist of Base Payments (after all applicable offsets) and Incentive Payments (after all applicable offsets). The amount of the Initial Year Payment and each other Annual Payment, payable by Teva shall not exceed the maximum amounts allocated to each Payment Year in Exhibit M.
3. To determine each Annual Payment for Payment Year 2 forward, the Settlement Fund Administrator shall use the data in its records sixty (60) days prior to the Payment Date for each payment. Prior to the Effective Date, the Parties will include an exhibit to the Agreement setting forth in detail the process for the Settlement Fund Administrator obtaining relevant data and for distributing funds to Settling States and Exhibit G Participants consistent with the terms of this Agreement as quickly as practical.
4. The Settlement Fund Administrator shall determine the Annual Payment and the Statewide Payment Amount for each Settling State, consistent with the provisions in Exhibit L, by:
 - a. determining, for each Settling State, the amount of Base Payments and Incentive Payments to which the State is entitled by applying the criteria in this Section;
 - b. applying any reductions or offsets required by Sections VII and XII; and
 - c. determining the total amount owed by Teva to all Settling States and Exhibit G Participants.
5. If, no later than fifty (50) days prior to the Payment Date for each payment for Payment Year 2 forward, Teva and the Enforcement Committee inform the Settlement Fund Administrator that they agree on the amount of the Annual Payment and the Statewide Payment Amount for each Settling State, Teva shall pay the agreed-upon Annual Payment amount on the Payment Date and the Settlement

Fund Administrator shall treat those amounts as the determination described in subsection VII.B.4. If the Settlement Fund Administrator is not so informed, it shall give notice to Teva, the Settling States, and the Enforcement Committee of the amount of the Annual Payment, and the Statewide Payment Amount for each Settling State, following the determination described in subsection VII.B.4, and the following timeline shall apply:

- a. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, Teva, any Settling State or the Enforcement Committee may dispute, in writing, the calculation of the Annual Payment, or the Statewide Payment Amount for a Settling State. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Teva identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.
 - b. Within twenty-one (21) days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Teva identifying the basis for disagreement with the notice of dispute.
 - c. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, and Teva shall pay the adjusted amount as the Annual Payment on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify Teva of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Settlement Fund Administrator or the amount that would be consistent with the notice of dispute, *provided, however* that in no circumstances shall the preliminary amount to be paid be higher than the maximum amount of Base Payments and Incentive Payments for that payment as set forth in Exhibit M. For the avoidance of doubt, a transfer of payments from the Settlement Fund Escrow for other Payment Years does not count toward determining whether the amount to be paid is higher than the maximum amount of Base Payments and Incentive Payments for that payment as set forth in Exhibit M.
 - d. The Settlement Fund Administrator shall place any disputed amount of the preliminary amount paid by Teva into the Settlement Fund Escrow and shall disburse any undisputed amount to each Settling State and its Exhibit G Participants.
6. If a Settling State informs the Settlement Fund Administrator that it and its Exhibit G Participants have reached consensus on the amount of its Statewide Payment Amount, determined pursuant to subsections VII.B.3 or VII.B.4, to be distributed to the Settling State, among its separate types of funds (if applicable), and among its Exhibit G Participants, the Settlement Administrator shall disburse the Statewide

Payment Amount pursuant to the consensus distribution amounts provided by the Settling State. For a Settling States that does not so notify the Settlement Fund Administrator, the Settlement Fund Administrator shall allocate the Settling State's Statewide Payment Amount, pursuant to Section VII, among the separate types of funds for the Settling State (if applicable), and among its Exhibit G Participants using the following procedures:

- a. As soon as possible for each payment and following the determination described in subsections VII.B.3 and VII.B.4, the Settlement Fund Administrator shall give notice to the relevant Settling States and their Exhibit G Participants of the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Settling State's Exhibit G Participants.
 - b. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, any Settling State or Exhibit G Participant may dispute, in writing, the calculation of the amount to be received by a Settling State and/or its Exhibit G Participants. A dispute will be deemed invalid and disregarded if it challenges the allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O or by statute. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, any affected Settling State, and any affected Exhibit G Participant identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.
 - c. Within twenty-one (21) days of the sending of a written notice of dispute, any affected Settling State or any affected Exhibit G Participant may submit a response, in writing, to the Settlement Fund Administrator, any affected Settling State and any affected Exhibit G Participant identifying the basis for disagreement with the notice of dispute.
 - d. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute.
 - e. The Settlement Fund Administrator shall place any disputed amount into the Settlement Fund Escrow and shall disburse any undisputed amount to the Settling State and its Exhibit G Participants.
7. Disputes described in this subsection (other than those for which no response is filed under subsections VII.B.5.c or VII.B.6.d) shall be resolved in accordance with the terms of Section XV.
 8. The Settlement Fund Administrator may combine the disbursements of Annual Payments with disbursement of funds under other comparable opioid settlements. In determining when disbursements for each Annual Payment will be made, the

Settlement Fund Administrator may take into account the timeline for the availability of disbursements under other comparable opioid settlements.

9. For the avoidance of doubt, Subdivisions and Special Districts not listed on Exhibit G shall not receive an allocation from the Subdivision Fund.

C. Offsets to Annual Payments to the Settlement Fund for Non-Settling States

1. An offset equal to the Net Abatement Amount of \$2,945,529,111.00 times the State Allocation Percentage assigned to each Non-Settling State in Exhibit F-2 shall be deducted from the total amount to be paid by Teva to the Settlement Fund.
2. Non-Settling States shall not be eligible for any payments or have any rights in connection with this Agreement. Accordingly, the stated maximum dollar amounts of the Annual Payments specified in Exhibit M are reduced by the aggregate State Allocation Percentage of Non-Settling States as set forth in Exhibit F-2.

D. Base Payments

1. Teva shall make Base Payments into the Settlement Fund in an amount equal to 45% of the Net Abatement Amount of \$2,945,529,111.00 minus any offsets for Non-Settling States specified in subsection VII.C.1. The maximum total for Base Payments is \$1,325,488,100.00. The Base Payments will be paid in accordance with the Settlement Payment Schedule specified by Exhibit M-1, subject to potential offsets for Non-Settling States as provided in subsection VII.C.1.
2. The Base Payments will be allocated by Settling State proportionate to each Settling State's State Allocation Percentage in Exhibit F-2, adjusted for any Non-Settling State.

E. Incentive Abatement Payments

1. Teva shall make potential Incentive Payments totaling up to a maximum of 55% of the Net Abatement Amount of \$2,945,529,111.00 for all Settling States with the actual amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The maximum total for Incentive Payments is \$1,620,041,011.00.
2. The maximum total Incentive Payment for any Settling State shall be no more than the maximum total for Incentive Payments listed in subsection VII.E.1 times the Settling State's State Allocation Percentage specified in Exhibit F-2. Incentive Payments are state-specific, with each Settling State receiving an Incentive Payment based on the incentives for which it is eligible for that year under the criteria set forth below and any offset specified in Section XII.
3. The Incentive Payments shall be divided among four (4) categories, referred to as Incentives A–D. Incentives A–C will be due in installments over the twelve (12) Payment Years beginning with Payment Year 2, and Incentive D will be due in

installments over ten (10) years beginning with Payment Year 4, as shown on Exhibit M-1. The total amount of Incentive Payments in an Annual Payment shall be the sum of the Incentive Payments for which individual Settling States are eligible for that Payment Year under the criteria set forth below. The Incentive Payments shall be made with respect to a specific Settling State based on its eligibility for that Payment Year under the criteria set forth below.

4. The maximum amount available for Incentive Payments, \$1,620,041,011.00, is divided into two pools. The maximum amount of Incentive Payments for Incentives A-C shall be \$1,413,853,973.00, which is 48% of the maximum Net Abatement Amount. A Settling State may be eligible for its full allocable share of this payment by either achieving Incentive A or by fully earning both Incentives B and C. The maximum amount of Incentive Payments for Incentive D shall be \$206,187,038.00, which is 7% of the maximum Net Abatement Amount. (These figures represent maximum payments prior to being adjusted for any offsets and assumes every State is a Settling State and will satisfy the requirements specified below to earn its maximum incentive amount. The Incentive Payments will be paid in accordance with the payment schedule in Exhibit M-1, subject to potential deductions as provided herein.) A Settling State qualifies to receive Incentive Payments in addition to Base Payments if it meets the incentive eligibility requirements specified below. Settling States may qualify for Incentive Payments in four ways. If a Settling State qualifies for Incentive A, it will become entitled to receive the maximum payment allocable to the State for Incentives A-C as stated in subsection VII.E.5. If a Settling State does not qualify for Incentive A, it can alternatively qualify for Incentive B and/or Incentive C. A Settling State can qualify for Incentive D regardless of whether it qualifies for another Incentive Payment.
5. *Incentive A: Full Participation or Fully Released Claims of Litigating Subdivisions, Litigating Special Districts, Non-Litigating Subdivisions with Population Greater Than 10,000, and Non-Litigating Covered Special Districts.*
 - a. A Settling State's total potential Incentive A payment allocation is \$1,413,853,973.00 times the percentage allocation assigned that Settling State in Exhibit F-2.
 - b. A State qualifies for Incentive A by: (1) complete participation in the form of releases consistent with Section V above from all Litigating Subdivisions, Litigating Special Districts, and Subdivisions with a population of 10,000 or more, and Non-Litigating Covered Special Districts; (2) a Bar; or (3) a combination of approaches in clauses (1)-(2) that achieves the same level of resolution of Subdivision and Special District Claims (e.g., a law barring future litigation combined with full joinder by Litigating Subdivisions and Litigating Special Districts). For purposes of Incentive A, a Subdivision or Special District is considered a "Litigating Subdivision" or "Litigating Special District" if it has brought Released Claims against Released Entities on or before the Reference Date; all other Subdivisions and Special Districts are considered "Non-

Litigating.” For purposes of Incentive A, Non-Litigating Covered Special Districts shall not include a Special District with any of the following words or phrases in its name: mosquito, pest, insect, spray, vector, animal, air quality, air pollution, clean air, coastal water, tuberculosis, and sanitary.

- c. If a Settling State qualifies for Incentive A after receiving an Incentive Payment under Incentives B or C, described below, the Settling State’s payments under Incentive A will equal the remainder of its total potential Incentive A payments less any payments previously received under Incentives B or C. A Settling State that receives all of its total potential Incentive A payment allocation shall not receive additional Incentive Payments under Incentives B or C.
 - d. A Settling State that is not eligible for Incentive A as of two (2) years after the Effective Date shall not be eligible for Incentive A for that Payment Year or any subsequent Payment Years.
6. *Incentive B: Early Participation or Released Claims by Litigating Subdivisions and Litigating Special Districts.*
- a. If a Settling State does not qualify for Incentive A, it may still qualify to receive up to 60% of its total potential Incentive A payment allocation under Incentive B.
 - b. A Settling State can qualify for an Incentive B payment if Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State’s litigating population are either Participating Subdivisions, Participating Special Districts, or have their claims resolved through Case-Specific Resolutions.
 - (i) A Settling State’s litigating population is the sum of the population of all Litigating Subdivisions and Litigating Special Districts. A Settling State’s litigating population shall include all Litigating Subdivisions and Litigating Special Districts whose populations overlap in whole or in part with other Litigating Subdivisions and Litigating Special Districts, for instance in the case of a Litigating Special District, city, or township contained within a county.
 - (ii) For example, if School District A is a Litigating Special District in City B with a population of 1, City B is itself a Litigating Subdivision with a population of 8, and City B is located within County C, and County C is a Litigating Subdivision with a population 10, then each of their individual populations shall be added together (i.e., 1 + 8 +10) to determine the total litigating population (i.e., 19).
 - c. The following time periods apply to Incentive B payments:

- (i) Period 1: Zero to two hundred ten (210) days after the Effective Date.
 - (ii) Period 2: Two hundred eleven (211) days to one year after the Effective Date.
 - (iii) Period 3: One year and one day to two years after the Effective Date.
- d. Within Period 1: If Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of a Settling State's litigating population are Participating Subdivisions or Participating Special Districts, or have their Claims resolved through Case-Specific Resolutions during Period 1, then a sliding scale will determine the share of the funds available under Incentive B, with a maximum of 60% of the Settling State's total potential Incentive Payment allocation available. Under that sliding scale, if Litigating Subdivisions and Litigating Special Districts collectively representing 75% of a Settling State's litigating population become Participating Subdivisions or Participating Special Districts, or achieve Case-Specific Resolution status by the end of Period 1, a Settling State will receive 50% of the total amount available to it under Incentive B. If more Litigating Subdivisions and Litigating Special Districts become Participating Subdivisions or Participating Special Districts, or achieve Case-Specific Resolution status, the Settling State shall receive an increased percentage of the total amount available to it under Incentive B as shown in the table below.

| Participation or Case-Specific Resolution Levels (As percentage of litigating population) | Incentive B Award (As percentage of total amount available to Settling State for Incentive B) |
|---|---|
| 75% | 50% |
| 76% | 52% |
| 77% | 54% |
| 78% | 56% |
| 79% | 58% |
| 80% | 60% |
| 85% | 70% |
| 90% | 80% |
| 95% | 90% |
| 100% | 100% |

- e. Within Period 2: If a Settling State did not qualify for an Incentive B payment in Period 1 but Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State's litigating population become Participating Subdivisions or Participating Special Districts, or achieve Case-Specific Resolution status by the end of

Period 2, then the Settling State qualifies for 75% of the Incentive B payment it would have qualified for in Period 1.

- f. Within Period 3: If a Settling State did not qualify for an Incentive B payment in Periods 1 or 2, but Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State's litigating population become Participating Subdivisions or Participating Special Districts, or achieve Case-Specific Resolution status by the end of Period 3, then the Settling State qualifies for 50% of the Incentive B payment it would have qualified for in Period 1.
- g. A Settling State that receives the Incentive B payment for Periods 1 and/or 2 can receive additional payments if it secures participation from additional Litigating Subdivisions and/or Litigating Special Districts (or Case-Specific Resolutions of their Claims) during Periods 2 and/or 3. Those additional payments would equal 75% (for additional participation or Case-Specific Resolutions during Period 2) and 50% (for additional participation or Case-Specific Resolutions during Period 3) of the amount by which the increased litigating population levels would have increased the Settling State's Incentive B payment if they had been achieved in Period 1.
- h. The percentage of the available Incentive B amount for which a Settling State is eligible by the end of Period 3 shall cap its eligibility for that Payment Year and all subsequent Payment Years. If Litigating Subdivisions and Litigating Special Districts that have become Participating Subdivisions or Participating Special Districts, or achieved Case-Specific Resolution status collectively represent less than 75% of a Settling State's litigating population by the end of Period 3, the Settling State shall not receive any Incentive B payment.
- i. If there are no Litigating Subdivisions or Litigating Special Districts in a Settling State, and that Settling State is otherwise eligible for Incentive B, that Settling State will receive its full allocable share of Incentive B.
- j. Incentives earned under Incentive B shall accrue after each of Periods 1, 2, and 3. Calculations to increase Incentive Payments in later periods based on additional joinder shall not reduce any amount already vested at the end of a prior period.

7. *Incentive C: Participation or Release of Claims by Primary Subdivisions*

- a. If a Settling State does not qualify for Incentive A, it may still qualify to receive up to 40% of its total potential Incentive A payment allocation under Incentive C, which has two parts.
- b. Part 1: Under Incentive C, Part 1, a Settling State can receive up to 75% of its Incentive C allocation. A Settling State can qualify for a payment under

Incentive C, Part 1 only if Primary Subdivisions (whether Litigating Primary Subdivisions or Non-Litigating Primary Subdivisions as of the Reference Date) collectively representing at least 60% of the Settling State's Primary Subdivision population become Participating Subdivisions or achieve Case-Specific Resolution status.

- (i) A Settling State's Primary Subdivision population is the sum of the population of all Primary Subdivisions (whether Litigating Primary Subdivisions or Non-Litigating Primary Subdivisions as of the Reference Date). A Settling State's Primary Subdivision population shall include all Primary Subdivisions whose populations overlap in whole or in part with other Primary Subdivisions, for instance in the case of a Primary Subdivision that is a city contained within a Primary Subdivision that is a county. Because Primary Subdivisions include Subdivisions whose populations overlap in whole or in part with other Subdivisions, the Settling State's Primary Subdivision population may be greater than the Settling State's total population. (Special Districts are not relevant for purposes of Incentive C calculations.)
 - (ii) For example, if City A is a Primary Subdivision with a population of 1 within County B, and County B is a Primary Subdivision with a population of 10, then each of their individual populations shall be added together (i.e., 1+10) to determine the total Primary Subdivision population (i.e., 11).
- c. A sliding scale will determine the share of the funds available under Incentive C, Part 1 to Settling States meeting the minimum 60% threshold. Under that sliding scale, if a Settling State secures participation or Case-Specific Resolutions from Primary Subdivisions representing 60% of its total Primary Subdivision population, it will receive 40% of the total amount potentially available to it under Incentive C, Part 1. If a Settling State secures participation or Case-Specific Resolutions from Primary Subdivisions representing more than 60% of its Primary Subdivision population, the Settling State shall be entitled to receive a higher percentage of the total amount potentially available to it under Incentive C, Part 1, on the scale shown in the table below. If there are no Primary Subdivisions, and that Settling State is otherwise eligible for Incentive C, that Settling State will receive its full allocable share of Incentive C, Part 1.

| Participation or Case-Specific Resolution Levels (As percentage of total Primary Subdivision population) | Incentive C, Part 1 Award (As percentage of total amount available to Settling State for Incentive C, Part 1) |
|--|---|
| 60% | 40% |
| 70% | 45% |
| 80% | 50% |
| 85% | 55% |
| 90% | 60% |
| 91% | 65% |
| 92% | 70% |
| 93% | 80% |
| 94% | 90% |
| 95% | 100% |

- d. Part 2: If a Settling State qualifies to receive an incentive under Incentive C, Part 1, the Settling State can also qualify to receive an additional incentive amount equal to 25% of its total potential Incentive C allocation by securing 100% participation of the ten (10) largest Subdivisions by population in the Settling State. (Special Districts are not relevant for purposes of this calculation.) If a Settling State does not qualify for any amount under Incentive C, Part 1, it cannot qualify for Incentive C, Part 2.
 - e. Incentives earned under Incentive C shall accrue on an annual basis up to three years after the Effective Date. At one, two, and three years after the Effective Date, the Settlement Fund Administrator will conduct a lookback to assess which Subdivisions had agreed to participate or had their Claim resolved through a Case-Specific Resolution that year. Based on the lookback, the Settlement Fund Administrator will calculate the incentives accrued under Incentive C for the year. The percentage of the available Incentive C amount, for both Part 1 and Part 2, for which a Settling State is eligible three years after the Effective Date shall cap its eligibility for that Payment Year and all subsequent Payment Years.
8. *Incentive D: No Qualifying Lawsuits Surviving Threshold Motions at Two Look-Back Dates.*
- a. A Settling State's total potential Incentive D payment allocation is \$206,187,038.00 times the percentage allocation assigned that Settling State in Exhibit F-2.
 - b. If, at any time within five and one-half (5.5) years of the Preliminary Agreement Date, any Subdivision or Special District within a Settling State files litigation pursuing Released Claims against any Released Entity (a "*Qualifying Lawsuit*"), then Teva shall, within thirty (30) days of Teva or any Released Entity being served or otherwise informed of the prosecution

of such Released Claims, provide notice to the Settling State in which such Released Claims are being pursued and shall give the relevant Settling State a reasonable opportunity to extinguish the Released Claims without any payment or any other obligations being imposed upon any Released Entities (apart from the Global Settlement Amount payable by Teva under the Agreement or the Injunctive Relief Terms incurred by it). The relevant Settling State and Teva shall confer and use reasonable efforts to promptly resolve a Qualifying Lawsuit so that it is dismissed with prejudice. Nothing in this subsection creates an obligation for a Settling State to make a monetary payment or incur any other obligation to an entity filing a Qualifying Lawsuit.

- c. Part 1: Under Incentive D, Part 1, a Settling State shall receive 50% of its total potential Incentive D payment allocation if, at two years after the Effective Date (the “*First Look-Back Date*”), there are no pending Released Claims from a Qualifying Lawsuit that survived a Threshold Motion within the Settling State against any Released Entities.
 - (i) After the First Look-Back Date, a Settling State can become re-eligible for Incentive Payment D, Part 1 if the lawsuit that survived a Threshold Motion is dismissed pursuant to a later motion on grounds included in the Threshold Motion, in which case the Settling State shall become eligible for Incentive Payment D less any litigation fees and cost incurred by the Released Entity in the interim, except that if the dismissal motion occurs after the completion of opening statements in such action, the Settling State shall not be eligible for Incentive Payment D.
- d. Part 2: Under Incentive D, Part 2, a Settling State shall receive 50% of its total potential Incentive D payment allocation if, at five and one-half (5.5) years after the Preliminary Agreement Date (the “*Second Look-Back Date*”), there are no pending Released Claims from a Qualifying Lawsuit that survived a Threshold Motion within the Settling State against any Released Entities.

VIII. Allocation and Use of Settlement Funds

- A.** *Components of Settlement Fund.* The Settlement Fund shall be comprised of an Abatement Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payments under Section VI into the Settlement Fund shall be initially allocated among those three (3) sub-funds and distributed and used as provided below or as provided for by a State-Subdivision Agreement (or other State-specific allocation of funds). Unless otherwise specified herein, payments placed into the Settlement Fund do not revert back to Teva.
- B.** *Use of Settlement Payments.* It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Exhibit G Participants be for Opioid Remediation, subject to limited exceptions that must be documented in accordance with

subsection VIII.C. In no event may less than 85% of Teva's payments pursuant to subsection VI.A.1–4 over the entirety of all Payment Years (but not any single Payment Year) be spent on Opioid Remediation.

- C. While disfavored by the Parties, a Settling State or Exhibit G Participant may use monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Settling State or Exhibit G Participant uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Exhibit G Participant shall identify such amounts and report to the Settlement Fund Administrator and Teva how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement. It is the intent of the Parties that the reporting under this subsection VIII.C shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this subsection VIII.C as used to pay attorneys' fees, investigation costs, or litigation costs shall be included in the "Compensatory Restitution Amount" for purposes of subsection VIII.G and (b) Participating Subdivisions not listed on Exhibit G or Participating Special Districts that receive monies from the Settlement Fund indirectly may only use such monies from the Settlement Fund for purposes that qualify as Opioid Remediation.
- D. *Allocation of Settlement Fund.* The allocation of the Settlement Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. Given the uniqueness of States and their Subdivisions, Settling States and Participating Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level sub-funds. The Settlement Fund Administrator will then, for each Settling State and its Exhibit G Participants, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.
1. Base Payments. The Settlement Fund Administrator will allocate Base Payments under subsection VII.D among the Settling States in proportion to their respective State Allocation Percentages. Base Payments for each Settling State will then be allocated 15% to its State Fund, 70% to its Abatement Accounts Fund, and 15% to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in subsection VIII.E.
 2. Incentive Payments. The Settlement Fund Administrator will treat Incentive Payments under subsection VII.E on a State-specific basis. Incentive payments for which a Settling State is eligible under subsection VII.E will be allocated 15% to its State Fund, 70% to its Abatement Accounts Fund, and 15% to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in subsection VIII.E.
 3. Application of Adjustments. If any offset under Section XII applies with respect to a Settling State, the offset shall be applied proportionally to all amounts that would

otherwise be apportioned and distributed to the State Fund, the Abatement Accounts Fund, and the Subdivision Fund for that State.

4. Settlement Fund Administrator. Prior to the Initial Participation Date, Teva and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall be appended hereto as Exhibit L.

E. *Settlement Fund Reallocation and Distribution*. As set forth below, within a particular Settling State's account, amounts contained in the Settlement Fund sub-funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the apportionment of amounts is not addressed and controlled under subsections VIII.E.1–2, then the default provisions of subsection VIII.E.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to subsections VIII.E.1–2 address all of the Settlement Fund sub-funds. For example, a Statutory Trust might only address disbursements from a Settling State's Abatement Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VIII.D shall be reallocated and distributed as provided by that agreement. Any State-Subdivision Agreement entered into or amended after July 26, 2022 shall be applied only if it requires: (1) that all amounts be used for Opioid Remediation except as allowed by subsection VIII.C, and (2) that at least 70% of amounts be used solely for future Opioid Remediation (references to "future Opioid Remediation" include amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms). For a State-Subdivision Agreement to be applied to the relevant portion of an Annual Payment, notice must be provided to Teva and the Settlement Fund Administrator at least ten (10) days prior to the Settlement Administrator's disbursement of such portion to a Settling State and its Participating Subdivisions and Special Districts.

2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such State's State Fund, Abatement Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such sub-funds are addressed, requires (1) all amounts to be used for Opioid Remediation except as allowed by subsection VIII.C, and (2) at least 70% of all amounts to be used solely for future Opioid Remediation, then, to the extent allocation or distribution is addressed, the amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VIII.D shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) sub-funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not address distribution of all or some of

these three (3) sub-funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions in subsection VIII.E.4 of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this subsection VIII.E only addresses funds restricted to abatement, then the default provisions in this Agreement concerning allocation among the three (3) sub-funds comprising the Settlement Fund and the distribution of the State Fund and Subdivision Fund for that State would still apply, while the distribution of the applicable State's Abatement Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.

3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Abatement Accounts Fund. An Exhibit G Participant may choose to reallocate all or a portion of its allocation from the Subdivision Fund to the State's Abatement Accounts Fund or to another Participating Subdivision or Participating Special District. The Settlement Fund Administrator is not required to honor voluntary redistribution for which notice is provided to it less than sixty (60) days prior to the Payment Date.
4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If subsections VIII.E.1–2 do not apply, and subject to any voluntary redistribution pursuant to subsection VIII.E.3, amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VII.D shall be distributed as follows:
 - a. Amounts apportioned to that State's State Fund shall be distributed to that State.
 - b. Amounts apportioned to that State's Abatement Accounts Fund shall be distributed consistent with subsection VIII.F. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Abatement Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Abatement Accounts Fund. If a Settling State has established a Statutory Trust, then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the State's Abatement Accounts Fund to the Statutory Trust.
 - c. Amounts apportioned to that State's Subdivision Fund shall be distributed to Participating Subdivisions in that State listed on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Subsection X.I shall

govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G.

- d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by subsection VIII.E.3. A Settling State may allocate funds from its State Fund or Abatement Accounts Fund for Special Districts.
5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section X, *i.e.*, no amounts may be distributed directly to Non-Participating Subdivisions or to Later Participating Subdivisions in excess of what is permissible under subsection X.E. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed into the sub-account in the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in subsection VIII.E.1 or by an Allocation Statute or a Statutory Trust described in subsection VIII.E.2.

F. *Provisions Regarding Abatement Accounts Fund.*

1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that State's Abatement Accounts Fund so long as it complies with the requirements of subsections VIII.E.1 or VIII.E.2 as applicable, and all direct payments to Subdivisions comply with subsections X.E–H.
2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Abatement Accounts Fund will be used solely for future Opioid Remediation and the following shall apply with respect to a Settling State:
 - a. *Regional Remediation.*
 - (i) At least 50% of distributions for remediation from a State's Abatement Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to subsection VIII.F.2.d to define its regions and assign regional allocations percentages. Otherwise, a Settling State shall (1) define its initial regions, which shall consist of one (1) or more Subdivisions and which shall be designated by the State agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that State for opioid abuse treatment or other public health purposes; and (2) assign initial regional allocation percentages to the regions based on the Subdivision

Allocation Percentages in Exhibit G and an assumption that all Subdivisions listed on Exhibit G will become Participating Subdivisions.

- (ii) This minimum regional expenditure percentage is calculated on the Settling State's initial Abatement Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Abatement Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than 50% of its Abatement Accounts Fund to the regional expenditure and may annually adjust the percentage of its Abatement Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.
 - (iii) The Settling State (1) has the authority to adjust the definition of the regions, and (2) may annually revise the percentages allocated to each region to reflect the number of Subdivisions in each region that are Non-Participating Subdivisions.
- b. *Subdivision Block Grants.* Certain Subdivisions listed on Exhibit G shall be eligible to receive regional allocation funds in the form of a block grant for future Opioid Remediation. A Participating Subdivision listed on Exhibit G eligible for block grants is a county or parish (or in the case of States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, Bar, or other action; (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more; and (3) has funded or otherwise managed an established health care or treatment infrastructure (e.g., health department or similar agency). Each Subdivision listed on Exhibit G eligible to receive block grants shall be assigned its own region.
- c. *Small States.* Notwithstanding the provisions of subsection VIII.F.2.a, Settling States with populations under four (4) million that do not have existing regions described in subsection VIII.F.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions listed on Exhibit G eligible for block grants under subsection VIII.F.2.b shall be divided regionally so that each block-grant eligible Subdivision listed on Exhibit G is a region and the remainder of the State is a region.
- d. *Advisory Committee.* The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the "*Advisory Committee*") to provide input and recommendations regarding remediation spending from that Settling State's Abatement Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside

of a State-Subdivision Agreement or Allocation Statute); *provided, however*, the Advisory Committee or similar entity shall meet the following requirements:

- (i) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;
- (ii) Composition that includes at least an equal number of local representatives as state representatives;
- (iii) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their communities, their abatement needs, and proposals for abatement strategies and responses; and
- (iv) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Abatement Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to among the Parties.

G. *Nature of Payment*. Teva, the Settling States, the Participating Subdivisions, and the Participating Special Districts, acknowledge and agree that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

1. Teva has entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;
2. The Settling States, the Participating Subdivisions, and the Participating Special Districts sought compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) as damages for the Alleged Harms allegedly suffered by the Settling States, Participating Subdivisions and Participating Special Districts;
3. By executing this Agreement the Settling States, the Participating Subdivisions, and the Participating Special Districts certify that: (a) the Compensatory Restitution Amount is no greater than the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States, Participating Subdivisions and Participating Special Districts; and (b) the portion of the Compensatory Restitution Amount received by each Settling State, Participating Subdivision or Participating Special Districts is no greater than the amount of the Alleged Harms allegedly suffered by such Settling State, Participating Subdivision or Participating Special Districts;

4. The payment of the Compensatory Restitution Amount by Teva constitutes, and is paid for, compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by Teva;
5. The Compensatory Restitution Amount is being paid as compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) in order to restore, in whole or in part, the Settling States, Participating Subdivisions and Participating Special Districts to the same position or condition that they would be in had the Settling States, Participating Subdivisions and Participating Special Districts not suffered the Alleged Harms;
6. No portion of the Compensatory Restitution Amount represents reimbursement to any Settling State, Participating Subdivision, Participating Special District, or other person or entity for the costs of any investigation or litigation. The entire Compensatory Restitution Amount is properly characterized as described in subsection VIII.G. No portion of the Compensatory Restitution Amount constitutes disgorgement or is properly characterized as the payment of statutory or other fines, penalties, punitive damages, other punitive assessments, or attorneys' fees; and
7. The Designated State, on behalf of all Settling States, Participating Subdivisions, and Participating Special Districts (the "Form 1098-F Filer") shall complete and file Form 1098-F with the Internal Revenue Service on or before February 28 (March 31 if filed electronically) of the year following the calendar year in which the order entering this Agreement becomes binding. On the Form 1098-F, the Form 1098-F Filer shall identify the entire Compensatory Restitution Amount received by the Form 1098-F Filer as remediation/restitution, including the provision of Settlement Product set out in Section IX below. The Form 1098-F Filer shall also, on or before January 31 of the year following the calendar year in which the order entering this Agreement becomes binding, furnish Copy B of such Form 1098-F (or an acceptable substitute statement) to Teva.

IX. Settlement Product

- A. The Settlement Product is Naloxone Hydrochloride Nasal Spray (generic Narcan®), a medication that counteracts the life-threatening effects of opioid overdose and significantly reduces opioid-overdose mortality.
- B. For the purposes of this Agreement, Teva has agreed to provide the Settling States Settlement Product valued at \$1,200,000,000, which equals 9,600,000 kits of Settlement Product, valued at a fixed WAC of \$125 per kit, allocated in accordance with the allocation percentage as reflected in Exhibit D-1. Teva shall cover the cost of the Settlement Product distribution set forth in this Agreement. For the avoidance of doubt, Participating Subdivisions and Participating Special Districts are not eligible to make a Settlement Product election pursuant to this Agreement.

- C.** Consistent with the Settlement Product Election Form contained in Exhibit D, each Settling State shall have the discretion to convert any portion of the Settlement Product allocated to the Settling State into a cash value equaling twenty percent (20%) of the WAC value of the Settling State's allocated Settlement Product in the following years: 2023, 2025, 2027, 2029, and 2031. The State's election shall apply and remain in place for each following year until the next election date.
- D.** Within thirty (30) days of the Effective Date, each Settling State shall notify Teva and the Settlement Fund Administrator of its Settlement Product election by submitting the Settlement Product Election Form reflected in Exhibit D.
- E.** Settling States that do not make a Settlement Product Election within 30 days of the Effective Date shall be deemed to have elected to receive the full Settlement Product Cash Conversion Amount for the first two-year period, allocated in accordance with the State Allocation Percentage as reflected in Exhibit D-1. Commencing within thirty (30) days of the Effective Date, the Settling States that have submitted a Settlement Product Election Form may place periodic orders for Settlement Product consistent with Section IX and Exhibit D.
- F.** By or before January 1, 2025, 2027, 2029 and 2031, each Settling State may submit a new or updated Settlement Product Election Form, which will be effective beginning with the Forecast submitted on the same date for the following calendar year. Settling States that do not submit a new or updated Settlement Product Election Form will be deemed to have made no changes to their most recent Settlement Product Election Form.
- G.** As is reflected in Exhibit D and the Settlement Product Election Form contained therein, Settling States may elect to convert all or a percentage of their allocation of Settlement Product into a Settlement Product Cash Conversion Amount, in the manner and method described in Exhibit D.
- H.** Teva will make Settlement Product Cash Conversion Amount payments to Settling States that have elected to receive a full or partial Settlement Product Cash Conversion beginning with its second Annual Payment in accordance with the Settlement Payment Schedule as set forth in Exhibit M-2.
- I.** The Parties understand that the provision of Settlement Product constitutes compensatory restitution within the meaning of 26 U.S.C. § 162(f)(2)(A) and that the receipt of Settlement Product must be reported on IRS Form 1098-F consistent with subsection VIII.G.7 above.
- J.** In addition to offering Naloxone Hydrochloride Nasal Spray per this Section IX and Exhibit D, Teva, at its sole discretion, may also offer Settling States different versions or greater amounts of Settlement Product or different products that can be accepted by the Settling State in lieu of its full allotment of the Settlement Product or Settlement Product Cash Conversion Amount. Distribution and other terms related to such substitute product shall be set out in Teva's offer. Nothing in this subsection IX.J changes the terms of this Agreement regarding the provision of Settlement Product or the calculation or availability of the Settlement Product Cash Conversion Amount. With regard to the annual product

delivery schedule, to the extent that the Settling State's needs for each drug varies from year to year, such that the Settling State needs a reasonably lesser quantity one year to be offset by a reasonably greater quantity the next year, Teva will use reasonable commercial efforts to be flexible in meeting that variation in demand.

- K.** In the event of a Force Majeure Event, Teva shall promptly provide written notice to the Settling States. Teva and the States shall meet and confer within seven (7) days of such written notice to establish a commercially reasonable plan to resolve any inability to supply as quickly as reasonably possible, it being understood that, unless otherwise agreed to by the Parties, it is Teva's obligation to use reasonable efforts which are consistent with accepted industry practices to resume performance as soon as practicable under the circumstances.

X. Participation by Subdivisions and Special Districts

- A.** *Notice.* No later than fifteen (15) days after the Preliminary Agreement Date, the Settling States, with the cooperation of Teva, shall send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions and Special Districts in the Settling State that are (1) Litigating Subdivisions or Litigating Special Districts, or (2) Non-Litigating Subdivisions listed in Exhibit G.³ To the extent a Non-Litigating Special District is entitled to an allocation for a direct payment through its inclusion in Exhibit G pursuant to a State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution, the Settling States shall also send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to such Special Districts. Unless otherwise agreed by the Parties, the version of Exhibit G used for notice shall be the one in place as of the Preliminary Agreement Date. Teva's share of costs of the written notice shall be paid by Teva as part of the Implementation Costs. Notice (which may be delivered via e-mail or other electronic means) shall also be provided simultaneously to counsel of record for Litigating Subdivisions, Litigating Special Districts, and known counsel for Non-Litigating Subdivisions listed on Exhibit G and Non-Litigating Special Districts listed on Exhibit G. The notice will include that the deadline for becoming an Initial Participating Subdivision or Initial Participating Special District is the Initial Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions or Special Districts about becoming a Participating Subdivision or Participating Special District, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.
- B.** *Requirements for Becoming a Participating Subdivision: Non-Litigating Subdivisions.* A Non-Litigating Subdivision in a Settling State may become a Participating Subdivision by

³ Because Teva has settled with Oklahoma, but not with Oklahoma Subdivisions and Special Districts, Teva shall send individual written notice of the opportunity to participate in this Agreement and the requirements of participation to all Oklahoma Subdivisions and Special Districts. For purposes of this Section X, references to a "Subdivision in a Settling State" or "Special District in a Settling State" shall include Subdivisions and Special Districts in Oklahoma.

returning an executed Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section VIII, and (4) that the Subdivision submits to the jurisdiction of the Court where the Consent Judgment is filed for purposes limited to that Court's role under the Agreement. The required Settlement Participation Form is attached as Exhibit K. A Non-Litigating Subdivision will decide whether to become a Participating Subdivision for both this Agreement and the Allergan Global Opioid Settlement Agreement, or neither.

- C.** *Requirements for Becoming a Participating Subdivision: Litigating Subdivisions/Later Litigating Subdivisions.* A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) that, in addition to the requirements set out in subsection X.B for Non-Litigating Subdivisions, commits it to promptly dismiss its legal action. The required Settlement Participation Form is attached as Exhibit K. A Litigating Subdivision or Later Litigating Subdivision will decide whether to become a Participating Subdivision for both this Agreement and the Allergan Global Opioid Settlement Agreement, or neither. Except for trials begun before the Initial Participation Date, a Litigating Subdivision or a Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of a legal action it brought that includes a Released Claim against a Released Entity.
- D.** *Initial Participating Subdivisions.* A Subdivision qualifies as an Initial Participating Subdivision if it meets the applicable requirements for becoming a Participating Subdivision set forth in subsections X.B or X.C by the Initial Participation Date. Provided however, all Subdivision Settlement Participation Forms shall be held by the Implementation Administrator until Teva provides the notice in subsection XI.B that it intends to proceed with the settlement, at which time the obligations created by such forms become effective. If Teva determines not to proceed, all Settlement Participation Forms shall be returned to Counsel for Litigating Subdivisions or to the Subdivisions not represented by counsel or destroyed to the extent that such destruction is not prohibited by then existing document preservation obligations.
- E.** *Later Participating Subdivisions.* A Subdivision that is not an Initial Participating Subdivision may become a Later Participating Subdivision by meeting the applicable requirements for becoming a Participating Subdivision after the Initial Participation Date and agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to subsections VIII.E or VIII.F. The following provisions govern what a Later Participating Subdivision can receive (but do not apply to Initial Participating Subdivisions):

1. A Later Participating Subdivision shall not receive any share of any Base or Incentive Payments paid to the Subdivision Fund that were due before it became a Participating Subdivision.
 2. A Later Participating Subdivision that becomes a Participating Subdivision after Initial Participation Date but before June 15, 2023 shall receive 75% of the share of the Initial Year Payment that it would have received had it become an Initial Participating Subdivision (unless the Later Participating Subdivision is subject to subsections X.E.3 or X.E.4 below). A Later Participating Subdivision that becomes a Participating Subdivision after June 15, 2023 shall receive no share of the Initial Year Payment.
 3. A Later Participating Subdivision that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Subdivision (other than a consensual dismissal with prejudice) shall receive 50% of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision prior to such judgment; *provided, however*, that if the Subdivision appeals the judgment and the judgment is affirmed with finality before the Subdivision becomes a Participating Subdivision, the Subdivision shall not receive any share of any Base Payments or Incentive Payments.
 4. A Later Participating Subdivision that becomes a Participating Subdivision while a Bar or Case-Specific Resolution involving a different Subdivision exists in its State shall receive 25% of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision without such Bar or Case-Specific Resolution.
- F.** *No Increase in Payments.* Amounts to be received by Later Participating Subdivisions or Later Participating Special Districts shall not increase the payments due from Teva.
- G.** *Ineligible Subdivisions and Special Districts.* Except for Subdivisions and Special Districts in Oklahoma, prior Settling Subdivisions, and Subdivisions and Special Districts in Non-Settling States or Prior Settling States are not eligible to be Participating Subdivisions or Participating Special Districts.
- H.** *Non-Participating Subdivisions and Non-Participating Special Districts.* Non-Participating Subdivisions and Non-Participating Special Districts shall not directly receive any portion of any Base Payments or Incentive Payments, including from the State Fund and direct distributions from the Abatement Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions and Non-Participating Special Districts.
- I.** *Unpaid Allocations to Later Participating and Non-Participating Subdivisions.* Any Base Payments and Incentive Payments allocated pursuant to subsection VIII.E to a Later Participating or Non-Participating Subdivision or a Later Participating or Non-

Participating Special District that cannot be paid pursuant to Section X, will be allocated to the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust.

- J.** *Requirements for Becoming a Participating Special District: Non-Litigating Special Districts.* A Non-Litigating Special District in a Settling State may become a Participating Special District by returning an executed Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) specifying (1) that the Special District agrees to the terms of this Agreement pertaining to Special Districts, (2) that the Special District releases all Released Claims against all Released Entities, (3) that the Special District agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section VIII, and (4) that the Special District submits to the jurisdiction of the Court where the Consent Judgment is filed for purposes limited to that Court's role under the Agreement. The required Settlement Participation Form is attached as Exhibit K. A Non-Litigating Special District will decide whether to become a Participating Special District for both this Agreement and the Allergan Global Opioid Settlement Agreement, or neither.
- K.** *Requirements for Becoming a Participating Special District: Litigating Special Districts/Later Litigating Special Districts.* A Litigating Special District or Later Litigating Special District in a Settling State may become a Participating Special District by returning an executed Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) that, in addition to the requirements set out in subsection X.J for Non-Litigating Special Districts, commits it to promptly dismiss its legal action. The required Settlement Participation Form is attached as Exhibit K. A Litigating Special District or a Later Litigating Special District will decide whether to become a Participating Special District for both this Agreement and the Allergan Global Opioid Settlement Agreement, or neither. Except for trials begun before the Initial Participation Date, a Litigating Special District or a Later Litigating Special District may not become a Participating Special District after the completion of opening statements in a trial of a legal action it brought that includes a Released Claim against a Released Entity.
- L.** *Initial Participating Special Districts.* A Special District qualifies as an Initial Participating Special District if it meets the applicable requirements for becoming a Participating Special District set forth in subsections X.J or X.K by the Initial Participation Date. Provided however, all Special District Settlement Participation Forms shall be held by the Implementation Administrator until Teva provides the notice in subsection XI.B that it intends to proceed with the settlement, at which time the obligations created by such forms become effective.
- M.** *Later Participating Special Districts.* A Special District that is not an Initial Participating Special District may become a Later Participating Special District by meeting the applicable requirements for becoming a Participating Special District after the Initial

Participation Date and agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to subsections VIII.E or VIII.F. or any agreement reached by the applicable Settling State with Initial Participating Special Districts. The following provisions govern what a Later Participating Special District can receive (but do not apply to Initial Participating Special Districts):

1. Except for the Initial Year Payment, a Later Participating Special District shall not receive any share of any Base or Incentive Payments paid to the Subdivision Fund that were due before it became a Participating Special District.
2. A Later Participating Special District that becomes a Participating Special District after Initial Participation Date but before June 15, 2023 shall receive 75% of the share of the Initial Year Payment that it would have received had it become an Initial Participating Special District (unless the Later Participating Special District is subject to subsections X.M.3 or X.M.4 below). A Later Participating Special District that becomes a Participating Special District after June 15, 2023 shall receive no share of the Initial Year Payment.
3. A Later Participating Special District that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Special District (other than a consensual dismissal with prejudice) shall receive 50% of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Special District prior to such judgment; *provided, however*, that if the Special District appeals the judgment and the judgment is affirmed with finality before the Special District becomes a Participating Special District, the Special District shall not receive any share of any Base Payments or Incentive Payments.
4. A Later Participating Special District that becomes a Participating Special District while a Bar or Case-Specific Resolution involving a different Special District exists in its State shall receive 25% of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Special District without such Bar or Case-Specific Resolution.

XI. Condition to Effectiveness of Agreement and Filing of Consent Judgment

- A. *Determination to Proceed With Settlement.* Teva will determine on or before the Reference Date whether there has been a sufficient resolution of the Claims of the Litigating Subdivisions and Litigating Special Districts in the Settling States (through participation under Section X, Case-Specific Resolution(s), and Bar(s)) to proceed with this Agreement. The determination shall be in the sole discretion of Teva, in good faith, and may be based on any criteria or factors deemed relevant by Teva.
- B. *Notice by Teva.* On or before the Reference Date, Teva shall inform the Settling States and MDL Plaintiffs' Executive Committee of its determination pursuant to subsection XI.A. If Teva determines to proceed, the Parties will proceed to file the Consent Judgments. If Teva

determines not to proceed, this Agreement will have no further effect and all releases (including those given by Participating Subdivisions and Special Districts) and other commitments or obligations contained herein will be void and Settlement Participation Forms shall be returned to the Subdivision or Special District or destroyed to the extent not prohibited by then existing legal obligations or document holds.

XII. Potential Payment Adjustments

- A.** *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the following shall apply: If the lawsuit asserting a Released Claim either survives a Threshold Motion or has an unresolved Threshold Motion fewer than sixty (60) days prior to the scheduled start of a trial involving a Released Claim, and is resolved with finality on terms requiring payment by the Released Entity, Teva shall receive a dollar-for-dollar offset for the amount paid against its obligation to make remaining Incentive A payments that would be apportioned to that State or Participating Subdivisions listed on Exhibit G.
- B.** *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.*
1. If Teva made a payment as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and that Bar, Settlement Class Resolution, or Case-Specific Resolution is subject to a Revocation Event, Teva shall receive a dollar-for-dollar offset against its obligation to make remaining payments that would be apportioned to that State and its Exhibit G Participants. This offset will be calculated as the dollar amount difference between (1) the total amount of Incentive Payments paid by Teva during the time the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event was in effect, and (2) the total amount of Incentive Payments that would have been due from Teva during that time without the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event being in effect. The amount of Incentive Payments that would have been due, referenced in (2) above, will be calculated based on considering any Subdivision or Special District that provides a release within one hundred eighty (180) days after the Revocation Event as having been a Participating Subdivision or Participating Special District (in addition to all other Participating Subdivisions and Participating Special Districts) during the time that the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event was in effect. If a Revocation Event causes a Settling State to no longer qualify for one or both parts of Incentive D, the Settling State and its Exhibit G participants shall return to Teva all relevant payments made under Incentive D through offsets as set forth above.
 2. Notwithstanding anything to the contrary in paragraph 1 above, if a Bar or Case-Specific Resolution is reinstated by the Settling State, either through the same or different means as the initial Bar or Case-Specific Resolution, Teva's right to an offset is extinguished and any amounts withheld to offset amounts paid on account

of the revoked, rescinded, reversed, or overruled Bar or Case-Specific Resolution shall be returned to the Settling State, less and except any Incentive Payments that would have been paid during the period in which the Bar or Case-Specific Resolution was revoked, rescinded, reversed, or overruled.

XIII. Additional Restitution Amount

Additional Restitution Amount. Teva shall pay an Additional Restitution Amount to each Settling State listed in Exhibit N in the amount and on the schedule set forth in Exhibit M-3. The maximum Additional Restitution Amount of \$28,669,762.00 shall be reduced by the allocation set forth on Exhibit F-2 for any Non-Settling States listed on Exhibit N. The Settlement Fund Administrator shall allocate such funds among and within the Settling States listed in Exhibit N at the same time as its allocation of Annual Payments pursuant to subsection VII.B.

Additional Restitution Amount funds shall not be subject to allocation as provided in Sections VIII.D through VIII.F

XIV. Plaintiffs' Attorneys' Fees and Costs

Attorneys' fees and costs are addressed in the following exhibits and are incorporated herein by reference:

1. The State Outside Counsel Fee Fund is addressed in Exhibit T.
2. The State Cost Fund is addressed in Exhibit S.
3. The Attorney Fee and Cost Fund is addressed and the Agreement on Attorneys' Fees, Expenses and Costs is set forth in Exhibit R.

XV. Enforcement and Dispute Resolution

- A.** *Enforceability.* The terms of the Agreement and Consent Judgment applicable to or in a Settling State will be enforceable solely by that Settling State and Teva. Settling States or Participating Subdivisions shall not have enforcement rights with respect either to the terms of this Agreement that apply only to or in other States or to any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against Teva with respect to the Agreement or any Consent Judgment except as to payments that would be allocated to the Subdivision Fund or Abatement Accounts Fund pursuant to Section VII; *provided, however*, that each Settling State shall allow Participating Subdivisions in that State to notify it of any perceived violations of the Agreement or Consent Judgment.
- B.** *Consent to Jurisdiction and Service of Process.* Teva consents to the jurisdiction of the Court in which the Consent Judgment is filed, and any appellate court thereof, limited to resolution of disputes identified in subsection XV.G.2; for a civil action for any appropriate relief to enforce compliance with the Parties' Agreement for Injunctive Relief pursuant to Exhibit P, subsection K.5 herein; and for any proceedings for or related to the enforcement or collection of any payments on the Consent Judgment for resolution in the Court in which

the Consent Judgment is filed. Teva further agrees any service of process or notice required for such action or proceeding may be effectuated on Teva through delivery of all required papers by hand or by a nationally recognized private courier on Teva's representatives identified in subsection XVI.P herein. To be clear, for the purposes of this Agreement only, Teva consents to personal jurisdiction before such courts, and will not contend service must be effectuated through personal service of the Hague Convention process.

C. *Specific Terms Dispute Resolution.*

1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief Terms in Exhibit P shall be resolved as provided therein and pursuant to subsection XV.E.3 herein.
2. In the event Teva believes the 85% threshold established in subsection VIII.B is not being satisfied, any Party may request that Teva and the Enforcement Committee meet and confer regarding the use of funds under subsection VIII.B. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning subsection VIII.B shall: (i) be limited to Teva seeking to reduce its Annual Payments by no more than 5% of the difference between the actual amount of Opioid Remediation and the 85% threshold established in subsection VIII.B; (ii) only reduce Annual Payments to those Settling States and its Participating Subdivisions that are below the 85% threshold established in subsection VIII.B; and (iii) not reduce Annual Payments restricted to future Opioid Remediation.

D. *State-Subdivision Enforcement.*

1. A Participating Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to the Agreement or any Consent Judgment except: (1) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation; or (2) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, as to allegations that: (a) the Settling State's use of Abatement Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (b) a Settling State failed to pay funds directly from the Abatement Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to subsection VIII.F.2.b.
2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory: (1) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (2) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, as to allegations that the uses of Abatement Accounts Fund monies by Participating Subdivisions listed on Exhibit G were not for uses similar to or in the nature of those uses contained in Exhibit E.

3. As between Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change, or alter any other existing rights under law.

E. *Enforcement Committee Actions to Enforce Agreement.*

1. The Parties agree that in the event of any failure by Teva to make any required payments under this Agreement, the Enforcement Committee, on its own or through its designee such as a Settling State or Participating Subdivision acting by its authorization and on its behalf, shall have the ability and right to file an action or proceeding in any New York state court, or federal court of the United States of America, sitting in New York, for or related to the enforcement or collection of such payments.
2. If any National Dispute involving a Settling State, Participating Subdivision, and/or Teva is pending before a National Arbitration Panel concerning a given year's payment to all Settling States, any action or proceeding pursuant to this subsection XV.E shall be stayed as to any disputed amounts only, but may proceed as to any and all undisputed amounts. In the event there is a dispute between the Parties as to the disputed amounts at issue, the Enforcement Committee or any party to that dispute may seek an expedited determination from the National Arbitration Panel for that proceeding as to the disputed and undisputed amounts.
3. The Parties further agree that in the event of Teva's breach of the Parties' Agreement for Injunctive Relief (Exhibit P attached hereto), the Enforcement Committee, on its own or through its designee such as a Settling State or Participating Subdivision acting by its authorization and on its behalf, shall have the ability and right to file a civil action pursuant to Exhibit P, subsection K.5, in any New York state court, or federal court of the United States of America, sitting in New York, seeking any appropriate relief to enforce compliance with such Agreement for Injunctive Relief.
4. Teva consents to the jurisdiction of the New York state court, or federal court of the United States of America, sitting in New York, and any appellate court from any thereof, in which any action or proceeding is initiated pursuant to this subsection XV.E, and for enforcement or collection of any related judgment entered by such court. Teva further agrees any service of process or notice required for such action or proceeding, including for any action or proceeding for enforcement or collection of any judgment entered thereon, may be effectuated on Teva through delivery of all required papers by hand or by a nationally recognized private courier on Teva's representatives identified in subsection XVI.P herein. For the purposes of this Agreement only, Teva consents to personal jurisdiction before such courts and will not contend service must be effectuated through personal service or the Hague Convention process.
5. The enforcement rights under this subsection XV.E are in addition to, and not in lieu of, any other enforcement and collection rights of the Parties herein, including

but not limited to enforcement rights as to payments as allowed by subsection XV.A.

F. *Subdivision Payment Enforcement.* A Participating Subdivision shall have the same right as a Settling State pursuant to subsection XV.G.4.a.iv to seek resolution of any failure by Teva to make its required Base Payments and/or Incentive Payments in a Payment Year.

G. *Other Dispute Resolution Terms.*

1. Except as provided in subsection XV.C, the parties to a dispute shall promptly meet and confer in good faith to resolve any dispute. If the parties cannot resolve the dispute informally, and unless otherwise agreed in writing, they shall follow the remaining provisions of this subsection XV.G to resolve the dispute.
2. Except as provided in subsections XV.C and XV.G.4, disputes not resolved informally shall be resolved in either the Court that entered the relevant Consent Judgment or, if no Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of state government is located. State court proceedings shall be governed by the rules and procedures of the forum. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:
 - a. disputes concerning whether expenditures qualify for Opioid Remediation;
 - b. disputes between a Settling State and Participating Subdivisions located in such Settling State as provided by subsection XV.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;
 - c. whether this Agreement and relevant Consent Judgment are binding under state law;
 - d. the extent of the Attorney General's or other participating entity's authority under state law, including the extent of the authority to release Claims;
 - e. whether the requirements of a Bar, a Case-Specific Resolution, State-Specific Finality, Later Litigating Subdivision, Litigating Subdivision, or a Threshold Motion have been met; and
 - f. all other disputes not specifically identified in subsections XV.C and XV.G.4.
3. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) days or the time period required by

the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court's rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an amicus curiae brief, and any attorneys' fees and costs for preparing any such filing shall be paid for by the requesting Party.

4. National Disputes involving a Settling State, Participating Subdivision, and/or Teva shall be resolved by a National Arbitration Panel.

a. "*National Disputes*" are disputes that are exceptions to subsection XV.G.2's presumption of resolution in state courts because they involve issues of interpretation of Agreement terms applicable to all Settling States without reference to a particular State's law. Disputes between a State and any Participating Subdivisions shall not be considered National Disputes. National Disputes are limited to the following:

- (i) the amount of offset and/or credit attributable to Non-Settling States;
- (ii) issues involving the scope and definition of "Product";
- (iii) interpretation and application of the terms "Covered Conduct" and "Released Entities";
- (iv) disputes over a given year's Annual Payment or the payment of the Additional Restitution Amount to all Settling States (for the avoidance of doubt, disputes between a Settling State and Teva over the amounts owed to only that State shall not be considered National Disputes);
- (v) questions regarding the performance and/or removal of the Settlement Fund Administrator;
- (vi) disputes involving liability of successor entities;
- (vii) disputes that require a determination of sufficient Subdivision and Special District participation to qualify for Incentives A, B, C, or D,;
- (viii) disputes that require interpretation of Agreement terms (i) that concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under State law; and
- (ix) any dispute subject to resolution under subsection XV.G.2 but for which all parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this subsection XV.G.4.

- b. The “*National Arbitration Panel*” shall be comprised of three (3) neutral arbitrators. One (1) arbitrator shall be chosen by Teva, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.
- (i) The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) days of filing, and in no event shall it take longer than one (1) year.
 - (ii) The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible, and with a presumption in favor of remote participation to minimize the burdens on the parties.
 - (iii) To the extent allowed under state law, a Settling State, Participating Subdivision, and (at any party’s request) the National Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.
 - (iv) The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, Participating Subdivision, or Teva on a state law issue.
 - (v) The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Teva, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and Teva whose resolution could prejudice the rights of a Participating Subdivision(s) or Participating Special District(s) in that Settling State, such Participating Subdivision(s) or Participating Special District(s) shall be allowed to file a statement of view in the proceeding.
- c. Nothing herein shall be construed so as to limit or otherwise restrict a State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.

- d. Each party shall bear its own costs in any arbitration or court proceeding arising under this subsection XV.G. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, *e.g.*, a dispute between Teva and Settling States/Participating Subdivisions shall be split 50% by Teva and 50% by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split 50% by the Settling State and 50% by any Participating Subdivisions that are party to the dispute.
 - 5. Prior to initiating an action to enforce pursuant to this subsection XV.G, the complaining party must:
 - a. Provide written notice to the Enforcement Committee of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided, however*, that the date the Enforcement Committee establishes for obtaining additional information from the parties shall not be more than forty-five (45) days following the notice. The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.
 - b. Wait to commence any enforcement action until thirty (30) days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.
 - 6. If the parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of subsections XV.G.2 or XV.G.4, a committee comprising the Enforcement Committee and sufficient representatives of Teva such that the members of the Enforcement Committee have a majority of one (1) member will determine the forum where the dispute will be initiated within twenty-eight (28) days of receiving notification of the dispute relating to the proper forum. The forum identified by such committee shall be the sole forum for determining where the dispute shall be heard, and the committee's identification of such forum shall not be entitled to deference by the forum selected.
- H.** *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling State's Civil Investigative Demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Teva reserves all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

XVI. Miscellaneous

- A.** *No Admission.* Teva does not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgments shall be considered, construed, or represented to be (1) an admission, concession, or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to Teva.
- B.** *Population of Subdivisions.* The population figures for Subdivisions shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.
- C.** *Population of Special Districts.* For any purpose in this Agreement in which the population of a Special District is used, other than the use of "Covered Special District": (a) School Districts' population will be measured by the number of students enrolled who are eligible under the Individuals with Disabilities Education Act ("*IDEA*") or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' population will be measured at 25% of discharges; and (c) all other Special Districts' (including Fire Districts' and Library Districts') population will be measured at 10% of the population served.
- D.** *Population Associated with Sheriffs.* For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at 20% of the capacity of the jail(s) operated by the sheriff.
- E.** *Most-Favored-Nation Provision.*
1. If Teva enters into any settlement agreement with any Non-Settling State after November 23, 2022 that resolves Claims similar in scope to the Claims released by a Settling State under this Agreement on overall payment terms that are more favorable to such Non-Settling State on a net present value basis (calculated with a 7% discount rate) on overall payment terms the Non-Settling State would have received under this Agreement based on the same level of participation, then the Settling States, individually or collectively, may elect to seek review, pursuant to Section XVI.E.3, of the overall payment terms of this Agreement and the Non-Settling State agreement so that the Settling State(s) may obtain, with respect to Teva, overall payment terms at least as favorable as those obtained by such Non-Settling State. "*Overall payment terms*" refers to consideration of all payment terms of the two agreements, taken together, including, but not limited to the amount of payments, the timing of payments, and conditions or contingencies on payments.
 2. For any settlement with a Non-Settling State involving Released Claims, Teva shall provide the Enforcement Committee with a copy of the settlement agreement or relevant Consent Judgment within thirty (30) calendar days of the consummation of such settlement. The Enforcement Committee will promptly distribute such copy to all Settling States.

3. In the event that the one or more Settling State(s) believes that the overall payment terms of an agreement by Teva with a Non-Settling State are more favorable to the Non-Settling State, when compared based on the totality of the considerations set forth in Section XVI.E.1, the Settling State(s) and Teva shall engage in the following process:
 - a. The Settling State(s) shall provide notice, within sixty (60) calendar days of the date on which a settlement agreement or Consent Judgment is provided to the Enforcement Committee, to Teva of its intent to seek revision of this Agreement to provide payment terms that are, on an overall basis, as favorable as those obtained by the Non-Settling State. Such notice shall be confidential and not disclosed publicly to the extent allowed by law and shall state, in detail, the basis for the Settling State's belief that it is entitled to a revision of the Agreement.
 - b. Teva shall, within thirty (30) calendar days, provide a response to the Settling State(s), explaining its position, in detail, as to whether the Settling State(s) is entitled to more favorable overall payment terms than those provided for in this Agreement.
 - c. In the event the Settling State(s) and Teva do not reach agreement as to the application of Section XVI.E.1, the Settling State(s) may petition the National Arbitration Panel to seek a ruling from the Panel as to the applicability of Section XVI.E.1, provided that the Settling State(s) may seek such review only if at least five (5) Settling States co-sign the petition. This Section XVI.E will not apply to any agreement entered into more than six (6) months after the Reference Date.

F. *Tax Reporting and Cooperation.*

1. Upon request by Teva, the Settling States, Participating Subdivisions, and Participating Special Districts agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Teva to establish the statements set forth in subsection VIII.G to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.
2. Without limiting the generality of subsection XVI.F, each Settling State, Participating Subdivision, and Participating Special District shall cooperate in good faith with Teva with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.
3. The Designated State, on behalf of all Settling States, Participating Subdivisions, and Participating Special Districts, shall designate one of its officers or employees to act as the “appropriate official” within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the “Appropriate Official”).
4. Neither Teva nor the Settling States, Participating Subdivisions, and Participating Special Districts make any warranty or representation to any Settling jurisdiction or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).

G. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. No Settling State may assign or otherwise convey any right to enforce any provision of this Agreement.

H. *Calculation.* Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

I. *Construction.* None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of

this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

- J.** *Cooperation.* Each Party and each Participating Subdivision agrees to use its best efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and the Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.
- K.** *Entire Agreement.* This Agreement, its exhibits and any other attachments, including the attorneys' fees and cost agreement in Exhibit R, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.
- L.** *Execution.* This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.
- M.** *Good Faith and Voluntary Entry.* Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and signatories to this Agreement warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement.
- N.** *No Prevailing Party.* The Parties each agree that they are not the prevailing party in this action, for purposes of any Claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties have reached a good faith settlement. The Parties each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law.
- O.** *Non-Admissibility.* The settlement negotiations resulting in this Agreement have been undertaken by the Parties and by certain representatives of the Participating Subdivisions in good faith and for settlement purposes only, and no evidence of negotiations or discussions underlying this Agreement shall be offered or received in evidence in any action or proceeding for any purpose. This Agreement shall not be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding

arising under or relating to this Agreement or in any litigation or arbitration concerning Teva's right to coverage under an insurance contract.

Any Party or the Plaintiffs' Executive Committee may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this subsection.

- Q.** *No Waiver.* The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

R. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

S. *Successors.*

1. This Agreement shall be binding upon, and inure to the benefit of, Teva and its respective successors and assigns.
2. Teva shall not sell the majority of its voting stock or substantially all its assets without obtaining the acquiror's agreement that it will constitute a successor with respect to Teva's obligations under this Agreement.
3. Teva shall not in one (1) transaction, or a series of related transactions, sell, or transfer assets (other than sales or transfers of inventories, or sales or transfers to an entity owed directly or indirectly by Teva) having a fair market value equal to twenty-five percent (25%) or more of the consolidated assets of Teva where the sale or transfer transaction is announced after the Reference Date, is not for fair consideration, and would foreseeably and unreasonably jeopardize Teva's ability to make the payments under this Agreement that are due on or before the third Payment Date following the close of a sale or transfer transaction. The above restriction shall not apply if Teva obtains the acquiror's agreement that it will be either a guarantor of or successor to the percentage of Teva's remaining Payment Obligations under this Agreement equal to the percentage of Teva's consolidated assets being sold or transferred in such transaction. Percentages under this section shall be determined in accordance with the United States generally accepted accounting principles and as of the date of Teva's most recent publicly filed consolidated balance sheet prior to the date of entry into the sale or transfer agreement at issue. This subsection XVI.S.3 shall be enforceable solely by the Enforcement Committee, and any objection under this subsection XVI.S.3 not raised within twenty (20) calendar days from the date that Teva transmits notice of the transaction to the Enforcement Committee is waived. Any dispute under this subsection XVI.S.3 shall be a National Dispute as described in subsection XV.E and must be raised exclusively with the National Arbitration Panel as described therein within twenty (20) calendar days of the announcement, and the sole remedy shall be an order enjoining the transaction.

T. *Modification, Amendment, Alteration.* After the Reference Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by Teva along with the signatures of at least thirty-seven (37) of those then-serving Attorneys General of the Settling States along with a representation from each Attorney General that either: (1) the advisory committee or similar entity established or recognized by that Settling State (either pursuant to subsection VIII.F.2, by a State-Subdivision Agreement, or by statute) voted in favor of the modification,

amendment, or alteration of this Agreement including at least one Participating Subdivision-appointed member; or (2) in States without any advisory committee, that 50.1% of the Participating Subdivisions by population expressed approval of the modification, amendment, or alteration of this Agreement in writing. Provided, however, in the event the modification, amendment, or alteration relates to injunctive relief, interstate allocation between the Settling States, intrastate allocation in a particular Settling State, or fees or costs of Settling States and Participating Subdivisions, then every Settling State and each Participating Subdivision affected by that modification, amendment, or alteration must assent in writing. Provided further that, in the event the modification, amendment, or alteration relates to injunctive relief, then such amendment, modification, or alteration of injunctive relief against Teva will not be effective unless and until any Consent Judgment is modified by a court of competent jurisdiction, except as otherwise provided by the Injunctive Terms.

U. *Termination.*

1. Unless otherwise agreed to by Teva and the Settling State in question, this Agreement and all of its terms (except subsection XVI.O and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated with respect to the Settling State, and the Agreement and all orders issued by the courts in the Settling State pursuant to the Agreement shall become null and void and of no effect if one or more of the following conditions applies:
 - a. A Consent Judgment approving this Agreement without modification of any of the Agreement's terms has not been entered as to the Settling State by a court of competent jurisdiction on or before one hundred eighty (180) days after the Effective Date; or
 - b. This Agreement or the Consent Judgment as to that Settling State has been disapproved by a court of competent jurisdiction to which it was presented for approval and/or entry (or, in the event of an appeal from or review of a decision of such a court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court).
2. If this Agreement is terminated with respect to a Settling State and its Participating Subdivisions for whatever reason pursuant to subsection XVI.U.1, then:
 - a. An applicable statute of limitation or any similar time requirement (excluding any statute of repose) shall be tolled from the date the Settling State signed this Agreement until the later of the time permitted by

applicable law or for one year from the date of such termination, with the effect that Teva and the Settling State in question shall be in the same position with respect to the statute of limitation as they were at the time the Settling State filed its action; and

- b. Teva and the Settling State and its Participating Subdivisions in question shall jointly move the relevant court of competent jurisdiction for an order reinstating the actions and Claims dismissed pursuant to the terms of this Agreement governing dismissal, with the effect that Teva and the Settling State and its Participating Subdivisions in question shall be in the same position with respect to those actions and Claims as they were at the time the action or Claim was stayed or dismissed.
 - 3. Unless Teva and the Enforcement Committee agree otherwise, this Agreement, with the exception of the Injunctive Relief Terms that have their own provisions on duration, shall terminate as to all Parties as of the Payment Date for Payment Year 13, *provided* that Teva has performed its payment obligations under the Agreement as of that date. Notwithstanding any other provision in this Agreement, all releases under this Agreement will remain effective despite any termination under this paragraph.
- V. *Waiver.* Teva, for good and valuable consideration the receipt of which is acknowledged, hereby (a) waives, foregoes and relinquishes all rights to utilize and/or seek relief under any of the following laws of the State of Texas for the restructuring of any of its business affairs: Tex. Bus. Orgs. Code § 10.003 (Contents of Plan of Merger: More Than One Successor) or any other statute of Subchapter A of Chapter 10 of Tex. Bus. Orgs. Code to the extent such statute relates to multi-successor mergers (and/or any other similar laws or statutes in any other state or territory); Tex. Bus. Orgs. Code §§ 11.01–11.414 (Winding Up and Termination of Domestic Entity); or Tex. Bus. & Com. Code §§ 23.01–23.33 (Assignments for the Benefit of Creditors) (collectively, the “Texas Statutes”), and (b) agrees, warrants and represents that it will not file, request or petition for relief under the Texas Statutes, in each case until such time as all of Teva’s obligations incurred hereunder are satisfied in full. The foregoing waiver and relinquishment includes, without limitation, until such time as all of Teva’s obligations hereunder are satisfied in full, Teva’s rights to execute a divisional merger or equivalent transaction or restructuring that in each case has the intent or foreseeable effect of (i) separating material assets from material liabilities and (ii) assigning or allocating all or a substantial portion of those liabilities to any subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code, or pursuant to which such subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code would be assuming or retaining all or a substantial portion of those liabilities.
- W. *Affirmative Representation of Solvency.* Teva Pharmaceutical Industries Ltd. and Teva Pharmaceuticals USA, Inc. hereby warrant and represent that, as of the date of the execution of this Agreement, it is not insolvent as such term is defined and interpreted under 11 U.S.C. §§101 et seq. (“Code”) including, without limitation, Code §§ 547 and 548.

- X.** *Governing Law.* Except (1) as otherwise provided in the Agreement or (2) as necessary, in the sole judgment of the National Arbitration Panel, to promote uniformity of interpretation for matters within the scope of the National Arbitration Panel's authority, this Agreement shall be governed by and interpreted in accordance with the respective laws of the Settling State, without regard to the conflict of law rules of such Settling State, that is seeking to enforce the Agreement against Teva or against which Teva is seeking enforcement. Notwithstanding any other provision in this subsection on governing law, any disputes relating to the Settlement Fund Escrow shall be governed by and interpreted in accordance with the law of the state where the escrow agent has its primary place of business.

Exhibit D
Settling States Plan for Acceptance and Delivery of Settlement Product

1. Completion of the Settlement Product Election Form

Within thirty (30) days of the Effective Date and on or before January 1 in each of the calendar years 2025, 2027, 2029 and 2031 (each, an “Election Year”), before placing any orders for Settlement Product for the two (2) calendar years immediately following the Election Year (“Two-Year Term”), each Settling State must execute and return to the Settlement Fund Administrator the Settlement Product Election Form as set forth below in this Exhibit D if it elects to receive, consistent with the Settlement Product Election Form, all or any portion of the Settlement Product allocated to the Settling State as reflected in Schedule D-1 (“Product Election Amount”). The Two-Year Terms are: (1) 2024-2025; (2) 2026-2027; (3) 2028-2029; (4) 2030-2031; and (5) 2032-2033.

2. Settlement Product Allocation

Schedule D-I (attached hereto) sets forth the maximum annual quantity of Settlement Product (“Maximum Annual Quantity”) and maximum 10-year total quantity of Settlement Product (“Maximum Total Quantity”) for each Settling State. The Parties agree that the total WAC value of the Settlement Product to be provided to a Settling State under this Agreement is set forth next to the Settling State’s name on Schedule D-I, and that for purposes of this Agreement the WAC value per kit of Settlement Product is \$125.

For each calendar year during the applicable Two-Year Term, the difference in quantity of Settlement Product between the Settling State’s Maximum Annual Quantity and the annual Product Election Amount will be converted (the “Converted Quantity”) into a cash value equaling twenty percent (20%) of the WAC value of the Converted Quantity.

A Settling State shall not request in its annual Forecast quantities of Settlement Product that exceed the Product Election Amount for the applicable period. The quantities of Settlement Product set forth in a Settling State’s four (4) quarterly Purchase Orders per calendar year shall not exceed the quantities set forth in the Settling State’s Forecast.

3. Calculation and Payment of Cash Conversion Amount

A Settling State that elects to receive Settlement Product Cash Conversion Amount in any Two-Year Term will receive a Settlement Product Cash Conversion Amount in each year of that Two-Year Term in proportion to 8.33% (i.e. 1/12) of the State’s total Settlement Product Cash Conversion Amount. The remaining Settlement Product Cash Conversion Amount owed to the State for that Two-Year Term will be paid out in two equal installments of 1.67% of the State’s total Settlement Product Cash Conversion Amount in Payment Years 12 and 13 as reflected in Exhibit M-2.

For example, assume State X is allocated \$60 million in Settlement Product at WAC, which would convert to \$12 million in Settlement Product Cash Conversion (based on the 20% conversion rate). Therefore, State X would receive \$6 million in Settlement Product at WAC annually over 10 years

or \$1 million in Settlement Product Cash Conversion annually over 12 years if it elected full Settlement Product Cash Conversion in Year 1. However, if State X elects to convert to cash for a given Two-Year Term, it would receive: (i) \$999,600 (i.e., 8.33% of \$12 million) in each calendar year of that Two-Year Term, and (ii) \$200,400 (i.e., 1.67% of \$12 million) in Payment Years 12 and 13, for a total Settlement Product Cash Conversion of \$2.4 million.

4. Forecast, Orders, Purchase Order Fulfillment, Distribution & Delivery

Forecast to TEVA USA

Within one hundred and twenty (120) days of the Effective Date, and each January 1 thereafter, each Settling State that elects to order Settlement Product shall provide Teva USA a written forecast of the estimated quantities of Settlement Product that the Settling State anticipates ordering from Teva USA for delivery during the immediately following calendar year (each, a “Forecast”).

Orders to TEVA USA

The Office of the Attorney General, or a state office, agency, officer or official designated by the Office of the Attorney General, on behalf of each Settling State, shall have the right to place periodic purchase orders setting forth the quantity of the Settlement Product to be delivered and the Settling State’s desired delivery date (each, a “Purchase Order”) based on annual Forecasts submitted by the Settling State. Not less than six (6) months prior to its desired first delivery date, the Settling State will issue its first Purchase Order. Thereafter, the Settling State shall place periodic Purchase Orders not to exceed four (4) quarterly Purchase Orders per calendar year to Teva USA for fulfillment of Settlement Product over a period of ten (10) calendar years commencing six (6) months after the Settling State submits its first Forecast and ending on December 31, 2033.

Each Purchase Order from the Settling State shall be in writing and directed to Teva USA’s affiliate Anda, Inc., 2915 Weston Road, Weston, FL 33331, Attention: Patrick Cochrane, patrick.cochrane@andanet.com and Anthony Mihelich, anthony.mihelich@andanet.com. If the Settling State has any questions regarding the Settlement Product, the Settling State will contact Anda Customer and Sales Support, Attention: Elizabeth Shefferman at elizabeth.shefferman@andanet.com or (954) 217-4500 x76806 (“Anda Customer and Sales Support”). The Settling State shall designate, in each Purchase Order, up to five (5) delivery locations within the Settling State that will receive the Settlement Product on behalf of the Settling State (“Delivery Locations”).

Fulfillment of Purchase Orders by TEVA USA

Purchase Orders submitted to Teva USA on behalf of a Settling State pursuant to this Agreement shall in all respects be processed and filled by Teva USA as though such Purchase Orders had been submitted by Teva USA’s regular paying customers, except to the extent inconsistent with the terms of this Agreement.

The delivery date of Settlement Product for the Settling State’s first Purchase Order shall be no earlier than the later of (a) six (6) months after the Settling State submits its first Forecast and (b)

January 1, 2024. For a Settling State's first Purchase Order, Teva USA will use its good faith efforts to ship the order directly to the Delivery Locations within six (6) months of Teva USA's receipt of the Purchase Order, at no cost to the Settling State. For all Purchase Orders received after the first Purchase Order, Teva USA will use its good faith efforts to deliver Settlement Product within ninety (90) days of Teva USA's receipt of the applicable Purchase Order for Settlement Product.

Teva USA shall respond to the Settling State's Purchase Order request within seven (7) calendar days confirming the order. Teva will use commercially reasonable efforts to fulfil the orders but will have the right to allocate the quantities forecasted by the Settling State evenly on a calendar quarter basis during such calendar year. For each Purchase Order received, Teva USA shall provide the Settling State with estimated delivery dates for receipt of the Settlement Product. Teva USA will use good faith efforts to deliver Settlement Product with at least thirteen (13) months remaining shelf life.

Teva USA will have the right to reject any Purchase Order that would result in quantities of Settlement Product being ordered during a calendar year in excess of the annual Forecast for that calendar year. In the event the Settling State desires to order less than the amount set forth in its Forecast, it shall notify Teva USA in writing of any changes to the Settling State's Forecast promptly after the changes are known by the Settling State. The Settling State shall use its good faith efforts to ensure the accuracy of its Forecasts and to monitor its inventory levels of Settlement Product to ensure that it does not order Settlement Product in excess of its requirements thereby increasing available Settlement Product for patients in need and mitigating the possibility of expired Settlement Product in the Settling State's inventory. The Subdivisions and Special Districts set forth on this Exhibit G are eligible to receive direct allocations from the Subdivision Fund, if such Subdivisions and Special Districts are otherwise eligible to receive such funds under this Agreement. By default, the Subdivisions and Special Districts set forth on this Exhibit G shall include all Subdivisions and Special Districts set forth on Exhibit G of the national opioid settlement agreement dated July 21, 2021 with Janssen Pharmaceuticals, Inc., et al., including all amendments up to the Preliminary Agreement Date of this Agreement. A State may elect to add any additional Subdivisions and Special Districts to this Exhibit G at any time prior to the Initial Participation Date.

Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VIII.E.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VIII.E.3) that addresses allocation from the Subdivision Fund, whether before or after the Initial Participation Date, this Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VIII.E.3.

For the avoidance of doubt, inclusion on this Exhibit G shall not create any claim for any amount of the Settlement Fund, and no such amounts shall be allocated or distributed to any Subdivision or Special District included herein if such Subdivision or Special District does not otherwise meet all requirements to receive any such funds pursuant to the Agreement.

The governmental entity identified above (“*Governmental Entity*”), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Agreement dated November 22, 2022 (“*Teva Settlement*”), and acting through the undersigned authorized official, hereby elects to participate in the Teva Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the Teva Settlement, understands that all terms in this Election and Release have the meanings defined therein, and agrees that by this Election, the Governmental Entity elects to participate in the Teva Settlement as provided therein.
2. Following the execution of this Settlement Participation Form, the Governmental Entity shall comply with Section III.B of the Teva Settlement regarding Cessation of Litigation Activities.
3. The Governmental Entity shall, within 14 days of the Reference Date and prior to the filing of the Consent Judgment, file a request to dismiss with prejudice any Released Claims that it has filed. With respect to any Released Claims pending in In re National Prescription Opiate Litigation, MDL No. 2804, the Governmental Entity authorizes the Plaintiffs’ Executive Committee to execute and file on behalf of the Governmental Entity a Stipulation of Dismissal With Prejudice substantially in the form found at [website link to national settlement website to be provided].
4. The Governmental Entity agrees to the terms of the Teva Settlement pertaining to Subdivisions as defined therein.
5. By agreeing to the terms of the Teva Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.
6. The Governmental Entity agrees to use any monies it receives through the Teva Settlement solely for the purposes provided therein.
7. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity’s state where the Consent Judgment is filed for purposes limited to that court’s

role as provided in, and for resolving disputes to the extent provided in, the Teva Settlement.

8. The Governmental Entity has the right to enforce the Teva Settlement as provided therein.
9. The Governmental Entity, as a Participating Subdivision or Participating Special District, hereby becomes a Releasor for all purposes in the Teva Settlement, including but not limited to all provisions of Section V (Release), and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The Teva Settlement shall be a complete bar to any Released Claim.
10. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision or Participating Special District as set forth in the Teva Settlement.
11. In connection with the releases provided for in the Teva Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Teva Settlement.

12. Nothing herein is intended to modify in any way the terms of the Teva Settlement, to which Governmental Entity hereby agrees. To the extent this Election and Release is interpreted differently from the Teva Settlement in any respect, the Teva Settlement controls.

I have all necessary power and authorization to execute this Election and Release on behalf of the Governmental Entity.

EXHIBIT L
Settlement Fund Administrator Terms

I. Definitions

- A. This Settlement Fund Administrator Terms incorporates all defined terms in the Teva Settlement Agreement, unless otherwise defined herein, and shall be interpreted in a manner consistent with the Teva Settlement Agreement.
- B. *Directed Trustee*. The banking institution where the Settlement Fund is established and which distributes the funds according to the instructions of the Directing Administrator.
- C. *Directing Administrator*. The institution or individual that fulfills the remaining obligations of the Settlement Fund Administrator, other than those performed by the Directed Trustee.
- D. *Settlement Fund Administrator*. The Directed Trustee together with the Directing Administrator (collectively referred to as the “Settlement Fund Administrators”).

II. Establishment of the Settlement Fund Administrator

- A. *Selection of the Settlement Fund Administrators*.
 - i. The duties of the Settlement Fund Administrator under the Teva Settlement Agreement will be divided between Directed Trustee and Directing Administrator. These may be the same or different entities.
 - ii. The Directed Trustee and Directing Administrator will each be selected by agreement between Teva and the Enforcement Committee.
 - iii. Within sixty (60) calendar days of the selection of the Settlement Fund Administrators, unless such time is extended by written agreement of Teva and the Enforcement Committee, contracts shall be negotiated and finalized with the Directed Trustee and Directing Administrator.
 - iv. The terms of the Directed Trustee and Directing Administrator shall be for the duration of the Teva Settlement Agreement or as otherwise specified in the contract executed with such entity, unless the Directed Trustee or the Directing Administrator is removed pursuant to Section II.C below.
 - v. To promote efficiencies, the Settlement Fund Administrators may place the Settlement Fund into a trust that also holds funds from the similar opioid settlements with Allergan, CVS, Walgreens, and Walmart. The Settlement Fund Administrators shall create subaccounts (or a similar structure) within the trust to separate funds paid by Teva from funds paid by other Defendants. The Settlement Fund Administrators may also create additional subaccounts to separate funds paid by Teva. Interest earned by the trust shall be accounted by subaccount.

August 17, 2023

B. Governance of the Settlement Fund Administrators.

- i. The Settlement Fund Administrators will act as independent and neutral third parties to determine the Annual Payment; administer and disburse funds from the Abatement Accounts Fund, State Fund, Subdivision Fund, Additional Restitution Amount, and Product Cash Conversion Amount; and perform other duties as described below and in the Teva Settlement Agreement.
- ii. All parties to the Teva Settlement Agreement are entitled to rely upon information received from the Settlement Fund Administrators, whether in oral, written, or other form. No Party to the Teva Settlement Agreement shall have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by the Settlement Fund Administrators. In addition, no Party to the Teva Settlement Agreement shall have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by Teva based on incorrect, inaccurate, incomplete or otherwise erroneous information or data provided by the Settlement Fund Administrators. For the avoidance of doubt, nothing in this paragraph alters Sections I to XVI of the Teva Settlement Agreement or any of the exhibits therein.

C. Removal of the Settlement Fund Administrators.

- i. The Directed Trustee or Directing Administrator may be removed upon agreement between Teva and the Enforcement Committee. The contracts with each entity shall describe the process for removing that entity.
- ii. Disputes regarding the performance and/or removal of the Settlement Fund Administrators will be resolved by the National Arbitration Panel in accordance with Section XV.G of the Teva Settlement Agreement.

D. Funding of the Settlement Fund Administrators.

- i. The costs and fees associated with or arising out of the duties of the Settlement Fund Administrators shall be paid first from the interest accrued in the Teva and Allergan subaccounts holding the Settlement Fund.
- ii. To promote efficiencies, Teva and Allergan have chosen to use one of more of the same Settlement Fund Administrators as CVS, Walgreens, and Walmart for purposes of their similar opioid settlements. Each Settlement Fund Administrator shall treat its costs and fees relevant to the opioid settlement of Teva, Allergan, CVS, Walgreens, and Walmart as joint costs and fees shared among each defendant retaining it ("Joint Costs and Fees"), except for costs and fees performed out of the scope of the contract covering the joint engagement. For the years that Settlement Fund Administrators are used for the Teva Settlement Agreement, the following

percentages of the Joint Costs and Fees will be attributed to the Teva and Allergan Settlement Agreements:

| | |
|----------------------|---------|
| Payment Years 1-6: | 40% |
| Payment Year 7: | 50% |
| Payment Years 8-10: | 33 1/3% |
| Payment Years 11-13: | 50% |

- iii. In the event that the costs and fees of the Settlement Fund Administrators allocated to the Teva and Allergan settlements exceeds the accrued interest available in the Teva and Allergan subaccounts, one-third of the additional amount shall be paid by Teva, one-third shall be paid by Allergan and one-third shall be paid out of the Settlement Fund pursuant to Section VI.C of the Teva Settlement Agreement until the disbursement of Allergan's final payment. After the disbursement of Allergan's final payment, Teva shall pay one-half of the amount not covered by the accrued interest and one-half shall be paid out of the Settlement Fund. Teva will pay its amount to the Settlement Fund Administrators within 30 days of being notified by the Settlement Fund Administrators that the accrued interest is insufficient to pay the fees owed.
- iv. Teva shall not be responsible for any portion of any other Defendants' allocated share of the Joint Costs and Fees. For the years that Teva is not utilizing the Settlement Fund Administrators, it will not be responsible for any costs.
- v. Representatives of the Enforcement Committee and Teva shall negotiate a budget with the Settlement Fund Administrators, which shall be dependent on the scope of services, the number and timing of distributions from the Settlement Fund, and the reporting requirements. Representatives of the Enforcement Committee and Teva have the right to review the costs and fees of the Settlement Fund Administrators prior to payment and upon request. The deadlines and grounds for reviewing and objecting to such costs and fees will be established in the contracts executed with each of the Directed Trustee and Directing Administrator. Disputes regarding the payment of such costs and fees will be resolved by the National Arbitration Panel in accordance with Section XV.G of the Teva Settlement Agreement.

III. Participation in the Teva Settlement Agreement

A. Repository for Settlement Participation Forms.

- i. The Directing Administrator is responsible for receiving and preserving the Settlement Participation Forms pursuant to Sections X.B, X.C, X.J, and X.K of the Teva Settlement Agreement. The Directing Administrator is responsible for ensuring newly received forms are properly executed.

August 17, 2023

For forms executed and accepted prior to the retention of the Directing Administrator, the Directing Administrator shall rely on information provided by the Implementation Administrator as to the proper execution of the forms unless it is provided information that indicates such information is incorrect.

- ii. Within sixty (60) calendar days of its retention, the Directing Administrator shall establish a process to receive, preserve, and review the Settlement Participation Forms.
- iii. The Directing Administrator will make the Settlement Participation Forms available to Teva, the Enforcement Committee, and the Settling States through an online platform. If the requirements for preserving and making available the Settlement Participation Forms change, the Enforcement Committee will convey any new requirements to the Directing Administrator which will make the change.
- iv. The Directing Administrator shall promptly respond to requests by Teva, the Enforcement Committee, or the Settling States for information concerning the Settlement Participation Forms. The Directing Administrator will notify Teva and the Enforcement Committee on a regular basis when additional Settlement Participation Forms are submitted unless such information is readily available to the Parties on the online platform established under Section III.A.iii, above.
- v. Upon reasonable request, the Directing Administrator shall provide reasonably available information to Settling States, Participating Subdivisions, Participating Special Districts, and the Cost and Expense Fund Administrator (as defined by Exhibit R of the Teva Settlement Agreement) relevant to calculating amounts owed under a State Back-Stop Agreement.

IV. Calculation and Allocation of Payments.

A. General Principles.

- i. This Section IV is intended to implement the relevant provisions of Sections I through XVI of the Teva Settlement Agreement and the exhibits therein. To the extent this Section IV conflicts with Sections I through XVI of the Teva Settlement Agreement and the exhibits therein, the Teva Settlement Agreement shall control.
- ii. The Settlement Fund Administrators are entitled to rely upon information received from the Parties to the Teva Settlement Agreement, whether in oral, written, or other form, for the purpose for which it was submitted, provided that such information is not disputed by another Party.
 - 1. Teva and a Settling State shall provide the Directing Administrator notice of agreement pursuant to Section I.22 of the Teva

August 17, 2023

Settlement Agreement to populations to be used for fire districts in the Settling State.

2. Teva and a Settling State may inform the Directing Administrator that they agree the Settling State qualifies for Incentive Payment A. In such cases, such agreement shall satisfy the Directing Administrator's obligations to determine the Settling State's qualification for Incentive Payment A.
- iii. Teva and the Enforcement Committee may agree to some or all of the calculations and allocations set forth in this Section IV prior to the Directing Administrator making such determination. In such cases, they shall so inform the Directing Administrator and such agreement shall satisfy the Directing Administrator's obligations to determine such calculations and allocations unless the Directing Administrator is provided with information establishing that the agreed-upon calculation or allocation is inaccurate.
- iv. The Settling States have different requirements for how payments are made to the State and its Exhibit G Participants based on applicable State-Subdivision Agreements, Allocation Statutes, Statutory Trusts, State Back-Stop Agreements, fiscal laws, and other differences. The Directing Administrator shall ask the Attorney General's Office in each Settling State to: (a) inform it whether the State has a State-Subdivision Agreement, Allocation Statute, and/or Statutory Trust; (b) submit instructions on how payments are to be made to the State and its Exhibit G Participants; and (c) submit the State's Settlement Product Election forms under sections IX.D and F of the Teva Settlement Agreement and/or instructions on how any Settlement Product Cash Conversation Amount shall be distributed. Settling States that do not submit a Settlement Product Election form shall be deemed to have elected to receive the full Settlement Product Cash Conversion Amount. The Directing Administrator shall comply with such instructions so long as it is timely submitted and permissible under Sections I through XVI of the Teva Settlement Agreement and the exhibits therein.
 1. A Settling State may choose to have all funds for the State and its Exhibit G Participants paid to one or more trust funds (such as a Qualified Settlement Fund or similar fund) or state accounts, which in turn will make payments to the State and its Exhibit G Participants in a manner that complies with all provisions of Sections I through XVI of the Teva Settlement Agreement and the exhibits therein.
 2. An Exhibit G Participant may timely choose to make a voluntary redistribution as provided by Section VIII.E.3 of the Teva Settlement Agreement by providing notice through the instructions provided by the Attorney General's Office for its State or by

providing notice directly to the Directing Administrator through the instructions provided by the Directing Administrator.

3. The Directing Administrator may rely on logistic information, like contact, bank account and tax identification number information, previously collected for purposes of the July 21, 2021 Distributor Settlement Agreement and/or July 21, 2021 Janssen Settlement Agreement for a Settling State and its Exhibit G Participants unless instructed otherwise by the Attorney General's Office.
- v. The Directing Administrator shall request any Settling State without a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to submit a designation of a lead State agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Abatement Accounts Fund to comply with Section VIII.E.4.b of the Teva Settlement Agreement. The designated entity shall be the only entity authorized to request the Directing Administrator instruct the Directed Trustee to disburse from that Settling State's Abatement Accounts Fund. The Directing Administrator shall not instruct the Directed Trustee to disburse any moneys from these Settling States' Abatement Accounts Fund without such instructions.
- vi. In consultation with Teva and the Enforcement Committee, the Directing Administrator may set reasonable limits on the frequency with which it directs the Directed Trustee to make payments and may set other reasonable restrictions on complying with requests made by Settling States, their Participating Subdivisions, or their Participating Special Districts, to limit the burdens and costs imposed on the Settlement Fund Administrators.
- vii. The Settlement Fund Administrators may combine the payments under this Section IV with funds to be distributed by other comparable opioid settlements. In determining when payments for each Payment Year will be made, the Settlement Fund Administrators may take into account the timeline for the availability of disbursements under other comparable opioid settlements.

B. Initial Year Payment.

- i. If the condition set forth in Section XI.A of the Teva Settlement Agreement is met, the Payment Date for the Initial Year Payment is September 6, 2023, and the Settlement Fund Administrators shall provide the necessary wire instructions and W-9 form for the Settlement Fund to Teva by August 16, 2023. If wire instructions and/or a W-9 form are not provided to Teva by August 16, 2023, then the Payment Date for the Initial Year Payment is no later than twenty-one (21) days after Teva receives both the wire instructions and W-9 form.
- ii. If, no later than August 7, 2023, Teva and the Enforcement Committee inform the Directing Administrator that they agree on the amount of the

August 17, 2023

Initial Year Payment and the Statewide Payment Amount for each Settling State, Teva shall pay the agreed-upon Initial Year Payment amount on the Payment Date and the Directing Administrator shall treat those amounts as the determination described in Section IV.B.iii, below.

- iii. If by August 7, 2023, Teva and the Enforcement Committee have not informed the Directing Administrator of agreed-upon amounts pursuant to Section IV.B.ii, above, the Directing Administrator shall determine the Initial Year Payment and Statewide Payment Amount for each Settling State.
 - 1. The Directing Administrator shall determine the Initial Year Payment by calculating the total amount of the Base Payment due for the Initial Year to the Settling States. This is the Base Payment amount specified in Exhibit M-1 of the Teva Settlement Agreement for Payment Year 1, reduced by a) the shares for Non-Settling States provided in Exhibit F-2 of the Teva Settlement Agreement; and b) the difference between the excess amount Teva advanced for Implementation Costs and its one-third obligation for such costs as specified by Section VI.C of the Teva Settlement Agreement.
 - 2. The Directing Administrator shall determine each Settling State's Statewide Payment Amount using the allocation percentages in Exhibit F-2 of the Teva Settlement Agreement.
 - 3. The Directing Administrator shall give notice to Teva, the Settling States, and the Enforcement Committee of the amount of the Initial Year Payment, and the Statewide Payment Amount for each Settling State, and these notices shall be subject to dispute pursuant to the procedures provided by Section IV.D.i, below.
- iv. The Directing Administrator shall allocate the First Year Payment within the Settling States using the Statewide Payment Amount for each Settling State determined pursuant to Section IV.B.ii or Section IV.B.iii, above.
 - 1. The Directing Administrator shall determine the allocations of the Statewide Payment Amount within each Settling State pursuant to Section VIII.D, Section VIII.E, and Exhibit G of the Teva Settlement Agreement, taking into account the instructions it has received pursuant to Section IV.A.iv, above.
 - 2. If a Settling State and its Exhibit G Participants have reached consensus as to the intrastate allocation pursuant to Section VII.B.6 of the Teva Settlement Agreement, the Attorney General's Office in the Settling State shall so inform the Directing Administrator and such agreement shall satisfy the Directing Administrator's obligations under Section IV.B.iv.1, above.

3. If the Attorney's General Office in a Settling State does not inform the Directing Administrator that the Settling State and its Exhibit G Participants have reached consensus as to the intrastate allocation pursuant to Section VII.B.6 of the Teva Settlement Agreement, as soon as possible after making the determinations under Section IV.B.ii or Section IV.B.iii, above, the Directing Administrator shall give notice to the Settling States and their Exhibit G Participants of: (a) the amount to be received by each Settling State; (b) the amount to be received by the separate types of funds for each Settling State (if applicable); and (c) the amount to be received by each Settling State's Exhibit G Participants.
- v. The Directing Administrator shall provide instructions regarding the distribution of the Initial Year Payment to the Directed Trustee, consistent with the allocations determined in Section IV.B.iv, above, as soon as practicable; *provided, however*, the Directing Administrator shall not provide the instructions for an allocation for which notice is required pursuant to Section IV.B.iv.3, above, until the distribution is no longer subject to dispute pursuant to the procedures provided by Section IV.D, below.
- vi. The Directed Trustee shall distribute the funds consistent with the instructions it received pursuant to Section IV.B.v, above, on, or as soon as practicable after the Payment Date of the Initial Year Payment unless the requests made pursuant to Section IV.A.iv and .v, above, provide otherwise; *provided, however*, that for any Settling State where the Consent Judgment has not been entered as of the Payment Date, the funds allocable to that Settling State and its Exhibit G Participants shall not be transferred from the Settlement Fund or disbursed until ten (10) calendar days after the entry of the Consent Judgment in that State; *provided further* that any amounts allocated to a Participating Subdivision or Participating Special District that has not yet secured dismissal with prejudice of its lawsuit as required under Section X.C or X.K of the Teva Settlement Agreement shall not be disbursed until the Participating Subdivision or Participating Special District has secured such dismissal. Teva shall notify the Directing Administrator if they believe a Participating Subdivision or Participating Special District has not yet secured dismissal with prejudice of its lawsuit as required under Section X.C or X.K of the Teva Settlement Agreement. If so notified, the Directing Administrator will notify the Participating Subdivision or Participating Special District.
- vii. The Settlement Fund Administrators shall also be responsible for allocating and disbursing the Additional Restitution Amount for the Initial Year Payment among Settling States listed in Exhibit N of the Teva Settlement Agreement. The Directing Administrator shall account for the

instructions it has received pursuant to Section IV.A.iv, above, in directing the Directed Trustee's distribution of this money.

C. Years 2-13 Annual Payment.

- i. The Payment Date for Payment Year 2 and successive Payment Years is July 15 of 2024 and successive years, and the Settlement Fund Administrators shall provide the necessary wire instructions and W-9 form for the Settlement Fund to Teva by June 24 of the relevant year. If wire instructions and/or a W-9 form are not provided to Teva by June 24, then the Payment Date for the relevant year is no later than twenty-one (21) days after Teva receives both the wire instructions and W-9 form.
- ii. The Directing Administrator shall use the data provided to it by Teva and the Enforcement Committee, which shall be submitted to the Directing Administrator no later than sixty (60) calendar days prior to the Payment Date, to fulfill its obligations under this Section IV.C and determine the allocations to Settling States and their Exhibit G Participants.
- iii. If, no later than fifty (50) calendar days prior to the Payment Date, Teva and the Enforcement Committee inform the Directing Administrator that they agree on the amount of the Annual Payment and the Statewide Payment Amount for each Settling State, Teva shall pay the agreed-upon Annual Payment amount on the Payment Date and the Directing Administrator shall treat those amounts as the determination described in Section IV.C.iv, below.
- iv. If fifty (50) calendar days prior to the Payment Date, Teva and the Enforcement Committee have not informed the Directing Administrator of agreed-upon amounts pursuant to Section IV.C.iii, above, the Directing Administrator shall determine the Annual Payment and the Statewide Payment Amount for each Settling State as follows:
 1. The Directing Administrator shall determine, for each Settling State, the amount of base and incentive payments to which the State is entitled.
 - a. The base payments will be equal to forty-five percent (45%) of the Net Abatement Amount multiplied by the aggregate Overall Allocation Percentage of the Settling States in Exhibit F-2 of the Teva Settlement Agreement. These payments will be due in installments consistent with Exhibit M of the Teva Settlement Agreement over the thirteen (13) Payment Years.
 - b. The Directing Administrator shall follow the steps outlined in Section VII.E of the Teva Settlement Agreement to determine each Settling State's eligibility for Incentive Payments A-D, which total up to a maximum of fifty-five percent (55%) of the Net Abatement Amount multiplied by

the aggregate Overall Allocation Percentage of the Settling States; *provided, however*, Settling States shall have up to two years after the Effective Date to become eligible for Incentive Payment A.

2. The Directing Administrator shall apply any reductions or offsets as specified under Section VII and Section XII of the Teva Settlement Agreement, and allocate and track these amounts so that they reduce payments to only those Settling States and their Exhibit G Participants subject to the relevant reduction or offset.
3. The Directing Administrator shall determine the amount of any Settlement Fund Administrator costs and fees that exceed the accrued interest in the Settlement Fund and Settlement Fund Escrow, as well as the amounts, if any, of such costs and fees owed by Teva and out of the Settlement Fund pursuant to Sections II.D.ii and II.D.iii, above.
4. The Directing Administrator shall determine the total Annual Payment owed by Teva to the Settlement Fund on the Payment Date, and the amount of the Statewide Payment Amount for each Settling State, consistent with the calculations in Sections IV.C.iv.1 through IV.C.iv.3, above.
5. The Directing Administrator shall give notice to Teva, the Settling States, and the Enforcement Committee of the amount of the Annual Payment, and the Statewide Payment Amount for each Settling State, and these notices shall be subject to dispute pursuant to the procedures provided by Section IV.D.i, below.
- v. The Directing Administrator shall allocate the Annual Payment (other than the amount owed for Settlement Fund Administrator costs and fees) within the Settling States using the Statewide Payment Amount for each Settling State determined pursuant to Section IV.C.iii or Section IV.C.iv, above.
 1. The allocations within each Settling State will be determined pursuant Section VIII.D, Section VIII.E and Exhibit G of the Teva Settlement Agreement, taking into account the instructions it has received pursuant to Section IV.A.iv, above.
 2. If a Settling State and its Exhibit G Participants have reached consensus as to the intrastate allocation pursuant to Section VII.B.6 of the Teva Settlement Agreement, the Attorney General's Office in the Settling State shall so inform the Directing Administrator and such agreement shall satisfy the Directing Administrator's obligations under this Section IV.C.v.
 3. If the Attorney's General Office in a Settling State does not inform the Directing Administrator that the Settling State and its Exhibit G Participants have reached consensus as to the intrastate allocation

pursuant to Section VII.B.6 of the Teva Settlement Agreement, as soon as possible following the determination under Section IV.C.iii or Section IV.C.iv, above, the Directing Administrator shall give notice to the Settling States and their Exhibit G Participants of: (a) the amount to be received by each Settling State (specifying the amount of base payment, of each incentive payment, and of each applicable suspension, offset, or reduction); (b) the amount to be received by the separate types of funds for each Settling State (if applicable); and (c) the amount to be received by each Settling State's Exhibit G Participants.

- vi. The Directing Administrator shall provide instructions regarding the distribution of the Annual Payment to the Directed Trustee, consistent with the allocations determined in Section IV.C.v, above, as soon as practicable; *provided, however*, the Directing Administrator shall not provide the instructions for an allocation for which notice is required pursuant to Section IV.C.v.3, above, until the distribution is no longer subject to dispute pursuant to the procedures provided by Section IV.D.ii, below.
- vii. The Directed Trustee shall distribute the funds consistent with the instructions it received pursuant to Section IV.C.vi, above, on, or as soon as practicable after the Payment Date unless the requests made pursuant to Section IV.A.iv and .v, above, provide otherwise; *provided, however*, that any amounts allocated to a Participating Subdivision or Participating Special District that has not yet secured dismissal with prejudice of its lawsuit as required under Section X.C or X.K of the Teva Settlement Agreement shall not be disbursed until the Participating Subdivision or Participating Special District has secured such dismissal. Teva shall notify the Directing Administrator if they believe a Participating Subdivision or Participating Special District has not yet secured dismissal with prejudice of its lawsuit as required under Section X.C or X.K of the Teva Settlement Agreement. If so notified, the Directing Administrator will notify the Participating Subdivision or Participating Special District.
- viii. The Settlement Fund Administrators shall be also responsible for allocating and disbursing the Additional Restitution Amount for Payment Years 2-6 among Settling States listed in Exhibit N of the Teva Settlement Agreement. The Directing Administrator shall account for the instructions it has received pursuant to Section IV.A.iv, above in directing the Directed Trustee's distribution of this money.
- ix. The Settlement Fund Administrators shall be also responsible for calculating and disbursing the Product Cash Conversion Amount for Payment Years 2-13, in accordance with Section IX and Exhibit D of the Teva Settlement Agreement, to Settling States that elect to convert all or a portion of the Settlement Product allocated to it into cash. The Directing Administrator shall account for the instructions it has received pursuant to

Section IV.A.iv, above in directing the Directed Trustee's distribution of this money.

D. Disputes Regarding Notices.

- i. For a notice provided pursuant to Section IV.B.iii.3 or Section IV.C.iv.5, above, concerning the amount of the Annual Payment, and the Statewide Payment Amount for each Settling State, the following procedures shall apply:
 1. Within twenty-one (21) calendar days of the notice provided by the Directing Administrator, Teva, any Settling State or the Enforcement Committee party may dispute, in writing, the calculation of the Annual Payment (including the amount allocated for Settlement Fund Administrator costs and fees), or the Statewide Payment Amount for a Settling State. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrators, the Enforcement Committee, any affected Settling State, and Teva identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected. The Directing Administrator will maintain official contact information for providing a notice of dispute.
 2. Within twenty-one (21) calendar days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrators, the Enforcement Committee, any affected Settling State, and Teva identifying the basis for disagreement with the notice of dispute.
 3. If no response is filed, the Directing Administrator shall adjust the amount calculated consistent with the written notice of dispute and shall notify Teva of the amount of that year's Annual Payment due on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrators, the Directing Administrator shall notify Teva of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Directing Administrator or the amount that would be consistent with the notice of dispute, *provided, however*, that in no circumstances shall the preliminary amount to be paid be higher than the maximum amount of Base Payment and Incentive Payments for that Payment Year as set forth on Exhibit M of the Teva Settlement Agreement. For the avoidance of doubt, a transfer of payments from the Settlement Fund Escrow for other Payment Years does not count toward determining whether the amount to be paid is higher than the maximum amount of Base Payments and Incentive Payments for that Payment Year as set forth on Exhibit M.

4. The Directing Administrator shall instruct the Directed Trustee to place any disputed amount of the preliminary amount paid by Teva into the Settlement Fund Escrow and to disburse any undisputed amount to each Settling State and Exhibit G Participants.
- ii. For a notice provided pursuant to Section IV.B.iv.3 or Section IV.C.v.3, above, concerning the intrastate allocation of the Statewide Payment Amount for each Settling State, the following procedures shall apply:
 1. Within twenty-one (21) calendar days of the notice provided by the Directing Administrator, any Settling State or Exhibit G Participants may dispute, in writing, the calculation of the amount to be received by a Settling State and/or its Exhibit G Participants. The Directing Administrator shall disregard any dispute that challenges the allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O of the Teva Settlement Agreement or by statute. A disputing party must provide a written notice of dispute to the Settlement Fund Administrators, any affected Settling State, and any affected Exhibit G Participant identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected. The Directing Administrator will maintain official contact information for providing a notice of dispute.
 2. Within twenty-one (21) calendar days of the sending of a written notice of dispute, any affected Settling State or any affected Exhibit G Participant may submit a response, in writing, to the Settlement Fund Administrators, any affected Settling State, and any affected Exhibit G Participant identifying the basis for disagreement with the notice of dispute.
 3. If no response is filed, the Directing Administrator shall adjust the amount calculated consistent with the written notice of dispute.
 4. The Directing Administrator shall instruct the Directed Trustee to place any disputed amount into the Settlement Fund Escrow and to disburse any undisputed amount to each Settling State and Exhibit G Participants.
- iii. Disputes described in this subsection shall be resolved in accordance with the terms of Section XV.G of the Teva Settlement Agreement.
- iv. The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Teva, and the Settlement Fund Administrators.

E. Extensions.

- i. The schedule provided for in this Section IV shall be adjusted based on what is practicable. The Settlement Fund Administrators shall provide notice to Teva and the Enforcement Committee should the Directing

August 17, 2023

Administrator and/or Directed Trustee believe that the deadlines provided for in this Section IV need to be adjusted. In such a circumstance, the Settlement Fund Administrators, Teva, and the Enforcement Committee will meet and confer regarding the appropriate timeline, seeking to balance practical realities with the importance of expediting the receipt of funds by the Settling States and their Exhibit G Participants so that they can be used to provide Opioid Remediation.

- ii. The deadlines in this Section IV may be extended by the written agreement of Teva and the Enforcement Committee.

V. Reporting Obligations

A. Reporting of Non-Opioid Remediation Uses.

- i. The Directing Administrator shall set up a system to receive and preserve reports from Settling States and Participating Subdivisions that have used monies from the Settlement Fund for purposes that do not qualify as Opioid Remediation, pursuant to Section VIII.C of the Teva Settlement Agreement. The Directing Administrator will not require Settling States and Exhibit G Participants without any such uses of money to submit a report, and the Directing Administrator may treat the failure to submit a report as confirmation that a Settling State or Exhibit G Participants had no such uses of money.
- ii. Settling States and Exhibit G Participants shall report to the Directing Administrator the amount of funds received from the Settlement Fund used for purposes that do not qualify as Opioid Remediation (pursuant to Section VIII.C of the Teva Settlement Agreement). The format of Settling States and Exhibit G Participants' reports to the Directing Administrator shall match the format of the reports Settling States and Participating Subdivisions were required to submit on March 31, 2023 pursuant to the distributor and Janssen settlements. Such Settling State or Exhibit G Participants shall make such reports to the Directing Administrator with respect to each six-month period ending on June 30 or December 31 of any year in which funds are received from the Settlement Fund. Such Settling State or Exhibit G Participants shall make each such report within ninety (90) days of the end of the applicable six-month period. The Directing Administrator shall make such reports available to Teva and the Enforcement Committee.
- iii. The Directing Administrator shall establish a process by the due date of the first report to make the reporting under this Section V.A available to the public.

B. Abatement Accounts Fund Reporting.

- i. Upon request by Teva, the Settlement Fund Administrators shall agree to perform such further acts and to execute and deliver such further

August 17, 2023

documents as may be reasonably necessary for Teva to establish the statements set forth in Section VIII.G of the Teva Settlement Agreement to the satisfaction of its tax advisors, its independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance. Nothing herein shall be read to conflict with or limit the Parties' obligations under Sections VIII.G and XVI.F of the Teva Settlement Agreement.

C. Qualified Settlement Fund Treatment.

- i. Teva and the Settlement Fund Administrators shall agree that the Settlement Fund is intended to be classified as a “qualified settlement fund” within the meaning of Treasury regulations Section 1.468B-1, et seq. (and corresponding or similar provisions of state, local, or foreign law, as applicable). The Settlement Fund Administrators shall not take any action or tax position inconsistent with such treatment. The Settlement Fund shall be treated as a qualified settlement fund from the earliest date possible, and Teva and the Settlement Fund Administrators shall agree to any relation-back election required to treat the Settlement Fund as a qualified settlement fund from the earliest date possible.

D. Tax Administration.

- i. The Directing Administrator shall serve as administrator of the Settlement Fund for tax purposes. The Directing Administrator shall (i) obtain federal and state taxpayer identification numbers for the Settlement Fund and provide the same to Teva and the Settlement Fund Administrators, (ii) seek a Private Letter Ruling from the IRS determining that all investment income earned on the Trust Assets is excludible from gross income under Section 115 of the Internal Revenue Code, 26 U.S.C. § 115, (iii) be responsible for all tax reporting, withholding and filing requirements for the Settlement Fund, (iv) provide instructions to Teva and the Settlement Fund Administrators for the release of sufficient funds from the Settlement Fund to pay all taxes owed by the Settlement Fund in accordance with Treasury regulations Section 1.468B-2 and any applicable state, local or other tax laws, (v) send copies of all such tax filings and returns to Teva, the Enforcement Committee, and the Settlement Fund Administrators, and (vi) engage, with prior approval from Teva and the Enforcement Committee, any other professionals necessary to complete these tasks. Teva, the Enforcement Committee, and the Directed Trustee shall provide such cooperation and information as the Directing Administrator may reasonably request in performing the responsibilities set forth in this Section V.D.

NOTES:

1. All figures for the base and incentive payments are maximum figures that reflect the following:
 - The credits amount of \$666,032,651 for prior settlements, including San Francisco, have already been applied.
 - An assumption that all Eligible States are Settling States.
 - An assumption that all incentives are earned.
2. The Additional Restitution Amount and the state and subdivision fees and costs amounts will be broken out into separate columns before the exhibit is finalized.
3. Any offsets under Section V.C for Non-Settling States would be deducted from the Base Payments and the maximum Incentive Payments (A, B & C and D) by subtracting from all payments the amount of the payment times the State Allocation Percentage assigned to each Non-Settling State in Exhibit F-2.
4. A schedule for Product is in Exhibit M-2 below. Settlement Product (and Settlement Product Cash Conversion Amount) are not included in this Exhibit M-1.

NOTE: The Product Payment Schedule is showing the maximum amount of product offered (valued at WAC), which assumes all states choose to accept their full allotment of Settlement Product, and the maximum available Settlement Product Cash Conversion Amount, which assumes all

states fully convert the Settlement Product to cash payments. The purpose of the chart is to show the periods of time in which Settlement Product or Settlement Product Cash Conversion would be provided and the maximum amount of each per payment year. Individual Settling States will choose between Settlement Product and Settlement Product Cash Conversion (or a mix of both). The maximum amount of Settlement Product available to each Individual Settling State measured in quantity of kits per payment year is shown in Exhibit D, Schedule D-I. The deadlines in Exhibit D govern the Parties' Settlement Product obligations related to forecasting, ordering, shipment, and delivery. This chart should not suggest any obligation of Teva to provide both the maximum amount of product and the maximum amount of cash conversion.

A State-Subdivision Agreement shall be applied if it meets the requirements of Section VIII and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval.* A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Participating Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.
2. *Approval Authority.* Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.
3. *Population Percentage Calculation.* For purposes of this Exhibit O only, Population Percentages shall be determined as follows: For States with functional counties or parishes⁴ the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) two hundred percent (200%) of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) two hundred percent (200%) of the State's population. A "Primary Incorporated Municipality" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population; provided that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to two hundred percent (200%) of its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each non-county Subdivision (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.
4. *Preexisting Agreements and Statutory Provisions.* A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be an Initial Participating Subdivision.

⁴ Certain states do not have counties or parishes that have functional governments, including: Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont.

5. *Revised Agreements.* A State-Subdivision Agreement that has been revised, supplemented, or refined shall be applied if it meets the requirements of Section VIII and is approved by the State and by the State's Subdivisions pursuant to the terms above.

It is not intended that the Independent Monitor will conduct his or her own inquiry into the historical events that allegedly gave rise to this Consent Judgment or into matters beyond the scope of the Injunctive Terms of this Consent Judgment. The work plan shall also include all reasonable and necessary costs of the Independent Monitor, as well as a process by which Teva may challenge Independent Monitor costs as excessive, duplicative or unnecessary.

In connection with its review of Teva's compliance with the terms identified in Section VI.E above, the Independent Monitor shall be vested with reasonably broad discretion to review Teva's compliance with the terms of Exhibit P covered by the Scope of Work, including access to documents and the right to interview employees, as is reasonably necessary to fulfill its duties under this Consent Judgment, with reasonable notice to Teva and without unreasonable interference in Teva's or its employees' ability to perform day-to-day operations. The Independent Monitor shall have all powers reasonable and necessary to efficiently and effectively discharge its responsibilities.

2. The Chief Compliance Officer of Teva shall serve as the primary point of contact for the Independent Monitor to facilitate the Independent Monitor's reasonable access to documents, materials, or employees necessary to review for compliance with Exhibit P. The Independent Monitor shall make a good faith effort to leverage Teva's existing compliance mechanisms when reviewing Teva's compliance with the terms of Exhibit P identified in Section VI.E, above. The Independent Monitor shall communicate any request for documents, materials, or access to employees to the Chief Compliance Officer, but, subject to the terms hereof, is not prohibited from speaking with any other current or former employees of Teva. Teva shall not intimidate, harass, threaten, or penalize any employee or former employee for his or her cooperation with or assistance to the Independent Monitor.
3. If at any time the Independent Monitor reasonably believes that there is undue delay, resistance, interference, limitation, or denial of access to any records or to any employee deemed necessary by the Independent Monitor to implement or review compliance by Teva with the Injunctive Terms, the Independent Monitor may meet and confer with Teva's Chief Compliance Officer. If the Independent Monitor cannot resolve such limitation or denial, it shall be immediately reported to the Independent Monitor Committee.
4. To the extent that any of the documents requested by the Independent Monitor contain material protected from disclosure by the attorney-client privilege or attorney work product doctrine, Teva may redact the privileged material before providing the documents to the Independent Monitor.

G. Settling States' Access to Independent Monitor

1. There shall be no limitation on the ability of the Independent Monitor to communicate at any time with Settling States regarding Teva's conduct.

If the Independent Monitor continues to have questions or concerns about particular decisions or conduct, after conducting interviews, the Independent Monitor shall include a description of the question or concern in the Final Report described below. If the Independent Monitor notes any areas for potential improvement regarding matters within the Scope of Work during the course of the reviews conducted pursuant to the Injunctive Relief Terms, the Independent Monitor shall include any such recommendations in the Final Report. Collectively, any such questions, concerns or recommendations will be referred to as "Observations and Recommendations."

2. Draft and Final Reports

- i. No later than thirty (30) calendar days after the close of a Reporting Period and/or at any other time deemed reasonably necessary by the Independent Monitor, the Independent Monitor shall provide Teva with a draft report identifying and detailing any Potential Violations and the bases therefore (the "Draft Report"). Potential Violations shall mean Teva's failure to comply with the specific provisions of Exhibit P that the Independent Monitor is tasked with overseeing as set forth in the Scope of Work and work plan, as reasonably determined by the Independent Monitor and supported by documentation (where available). Identification of Potential Violations in the Draft Report shall not be considered a breach of the Consent Judgment. - ii. Within thirty (30) calendar days of its receipt of the Draft Report, Teva will provide comments and responses to the Draft Report. Teva will, among other things:

 - (2) Respond to each Observation and Recommendation.
- iii. Within thirty (30) calendar days of receipt of Teva's comments and responses to the Draft Report, the Independent Monitor shall provide a final report (the "Final Report").  - (2) The Independent Monitor's conclusion as to whether Teva has cured any Potential Violations. In the event that the Independent Monitor changes its initial determination after receiving Teva's response, the Independent Monitor will report its initial determination and its revised determination in the Final Report in sufficient detail so that the Independent Monitor

Committee can evaluate the basis for both determinations. The identification of uncured Potential Violations in the Final Report can be considered a breach of the Consent Judgment.

- (3) The Final Report need not recite or describe comprehensively Teva's history or compliance policies, procedures and practices, but rather may focus on those areas with respect to which the Independent Monitor wishes to make recommendations, if any, for improvement or which the Independent Monitor otherwise concludes merit particular attention.
 - (4) The Final Report shall include a listing of the Observations and Recommendations made by the Independent Monitor and responses of Teva.

The Settling States are not required to abide by the procedures set forth in the Notice and Cure provision below with regard to such uncured Potential Violations.
- vi. For the duration of the Independent Monitor's term, should a Settling State disagree with the Independent Monitor's determination as to whether a Potential Violation has occurred or been cured under the Injunctive Relief terms within the Independent Monitor's Scope of Work as identified in Section VI.E above, the Settling State shall meet and confer with the Independent Monitor, the Independent Monitor Committee, and Teva to express its concerns. Teva shall have a reasonable opportunity to explain why it believes it is in compliance with Exhibit P, to further explain the actions taken to cure the Potential Violation and/or to take additional corrective actions to address the state's concerns. If, after engaging in this meet and confer process and affording Teva a reasonable opportunity to explain or take further action, the Settling State is not satisfied that the Potential Violation has been cured, it may take any action to enforce the terms of this Consent Judgment.
- vii. Notwithstanding Sections VI.H.2.v and VI.H.2.vi, the Settling States may take any action, including, but not limited to legal action to enforce compliance with the Consent Judgment, without delay if the Settling State believes that a threat to the health or safety of the public requires immediate action.
- viii. The Independent Monitor's reports and testimony may be used by the Settling States in any action or proceeding. No action or lack of action by the Settling States regarding information received from the Independent Monitor regarding Teva's conduct shall be considered affirmation, acceptance, or ratification of that conduct by the Settling States.
- ix. Nothing in this Judgment limits the right of the Settling States to conduct investigations or examinations unrelated to the work of the Independent Monitor.

1. Teva may designate materials and information that it believes contain trade secret or other commercially sensitive information as “Confidential.” Materials and information provided by Teva to the Independent Monitor that are designated “Confidential” (and any parts, portions, or derivations thereof) and shall not be disclosed or distributed to any person or entity other than those authorized by these provisions, subject to the provisions in Section VI.H.2.e.

Each of the Settling States agrees to provide Teva with at least ten (10) business days' advance notice before complying with any Third-Party Request for Confidential Information, except where state law requires a lesser period of advance notice.

J. Retention of Documents

1. Teva shall generate, retain and make readily available to any of the Settling States for inspection, upon reasonable notice and without the necessity of a subpoena or other legal process, all material records and documents reasonably necessary to document compliance with Exhibit P. Teva shall maintain these records and documents for a minimum of five (5) years after the Independent Monitor's last Final Report.

VII. ENFORCEMENT

- A. For the purposes of resolving disputes with respect to compliance with Exhibit P, other than those addressed in Sections VI.H.2.v and VI.H.2.vi, should any of the Settling States have reason to believe that Teva has violated a provision of Exhibit P, then such Settling State shall notify Teva in writing of the specific objection, identify with particularity the provisions of Exhibit P that the practice appears to violate, and give Teva thirty (30) days to respond to the notification (“Response Period”).

Teva may request a reasonable amount of additional time to cure any violation through such remedial measures (“Cure Period”) and the Settling State shall not unreasonably withhold approval of such request.

- C. The Settling State may not take any action concerning the alleged violation of Exhibit P during the Response and Cure Periods. Nothing shall prevent the Settling State from agreeing in writing to provide Teva with additional time beyond the thirty (30) days to respond to the notice. However, the Settling State may take any action, including, but not limited to legal action to enforce compliance with the Consent Judgment, without delay if the Settling State believes that a threat to the health or safety of the public requires immediate action.
- D. The Settling State may bring an action against Teva to enforce the terms of Exhibit P, but only after providing Teva an opportunity to respond to the notification and, if agreed upon, a period to cure any violation, as described above, or within any other period as agreed to by Teva and the Settling State.
- E. Nothing in this Consent Judgment shall be interpreted to limit any Settling State's Civil Investigative Demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable state law.
- F. Nothing herein shall be construed to exonerate any failure to comply with any provision of Exhibit P after the Effective Date, or to compromise the authority of any Settling State to take action for any failure to comply with Exhibit P.

IV. CSMP PERSONNEL

- A. Anda shall establish or maintain the position of Chief Diversion Control Officer, or other appropriately titled position, to oversee Anda's CSMP. The Chief Diversion Control Officer shall have appropriate experience regarding compliance with the laws and regulations concerning Controlled Substances, in particular laws and regulations requiring effective controls against the potential diversion of Controlled Substances. The Chief Diversion Control Officer shall report directly to either the

senior executive responsible for U.S. pharmaceutical distribution or the most senior legal officer at Anda.

- B. The Chief Diversion Control Officer shall be responsible for the approval of material revisions to the CSMP.
- C. The Chief Diversion Control Officer shall provide at least quarterly reports to the CSMP Committee regarding Anda's operation of the CSMP, including the implementation of any changes to the CSMP required by these Injunctive Relief Terms.
- D. Anda's CSMP functions, including, but not limited to, the onboarding and approval of new Customers for the sale of Controlled Substances, setting and adjusting Customer Thresholds for Controlled Substances, terminating or suspending Customers, and submitting Suspicious Orders and other reports to Settling States (or the Clearinghouse, when operational), but excluding support necessary to perform these functions, shall be conducted exclusively by Anda's CSMP personnel or qualified third-party consultants.
- E. Staffing levels of Anda's CSMP department shall be reviewed periodically, but at least on an annual basis, by Anda's CSMP Committee. This review shall include consideration of relevant developments in technology, law, and regulations to ensure the necessary resources are in place to carry out the program in an effective manner.

Personnel in Anda's CSMP department shall not report to individuals in Anda's sales department, and sales personnel shall not be authorized to make decisions regarding the promotion, compensation, demotion, admonition, discipline, commendation, periodic performance reviews, hiring, or firing of CSMP personnel.
- G. The CSMP policies and procedures shall be published in a form and location readily accessible to all CSMP personnel at Anda.

V. INDEPENDENCE

- A. Anda's sales personnel compensated with commissions shall not be compensated based on revenue or profitability targets or expectations for sales of Controlled Substances. However, Anda's personnel may, as applicable, be compensated (including incentive compensation) based on formulas that include total sales for all of Anda's products, including Controlled Substances. The compensation of sales personnel shall not include incentive compensation tied solely to sales of Controlled Substances.
- B. For any Anda personnel who are compensated at least in part based on Customer sales, Anda shall ensure the compensation of such personnel is not decreased by a CSMP-related suspension or termination of a Customer or as a direct result of the reduction of sales of Controlled Substances to a Customer pursuant to the CSMP.

- C. Anda's sales personnel shall not be authorized to make decisions regarding the implementation of CSMP policies and procedures, the design of the CSMP, the setting or adjustment of Thresholds, or other actions taken pursuant to the CSMP, except sales personnel must provide information regarding compliance issues to CSMP personnel promptly. Anda's sales personnel are prohibited from interfering with, obstructing, or otherwise exerting control over any CSMP department decision-making.
- D. Anda shall review its compensation and non-retaliation policies and, if necessary, modify and implement changes to those policies to effectuate the goals of, and incentivize compliance with, the CSMP.

Anda shall share the hotline contact information with their employees and Customers. Anda shall maintain all complaints made to the hotline, and document the determinations and bases for those determinations made in response to all complaints.

VI. OVERSIGHT

- A. To the extent not already established, Anda shall establish a committee that includes senior executives with responsibility for legal, compliance, distribution and finance to provide oversight over its CSMP (the "CSMP Committee"). The Chief Diversion Control Officer shall be a member of the CSMP Committee. The CSMP Committee shall not include any employee(s) or person(s) performing any sales functions on behalf of Anda; provided that service on the CSMP Committee by any senior executives listed in this paragraph whose responsibilities may include, but are not limited to, management of sales functions shall not constitute a breach of the Injunctive Relief Terms.
- B. Anda's CSMP Committee shall have regular meetings during which the Chief Diversion Control Officer shall present to the CSMP Committee with respect to, and the CSMP Committee shall evaluate, among other things: (1) any material modifications and potential enhancements to the CSMP including, but not limited to, those relating to Customer due diligence and Suspicious Order monitoring and reporting; (2) any significant new national and regional diversion trends involving Controlled Substances; (3) Anda's adherence to the CSMP policies and procedures, the Injunctive Relief Terms, and applicable laws and regulations governing the distribution of Controlled Substances; and (4) any technology, staffing, or other resource needs for the CSMP. The CSMP Committee shall have access to all CSMP reports. The CSMP Committee will review and approve the specific metrics used to identify the Red Flags set forth in Section VIII.
- C. On a quarterly basis, Anda's CSMP Committee shall send a written report to Anda's Chief Executive, Chief Financial, and Chief Legal Officer, as well as its Board of Directors, addressing: (1) Anda's substantial adherence to the CSMP policies and

procedures, the Injunctive Relief Terms, and applicable laws and regulations governing the distribution of Controlled Substances; (2) recommendations as appropriate about the allocation of resources to ensure the proper functioning of Anda's CSMP; and (3) significant revisions to the CSMP. The Board of Directors or a committee thereof at Anda shall document in its minutes its review of the quarterly CSMP Committee reports.

- D. To the extent not already established, the Board of Directors of Anda shall establish its own compliance committee (the "Board Compliance Committee") to evaluate, at a minimum, and on a quarterly basis: (1) the CSMP Committee's written reports; (2) Anda's substantial adherence to the CSMP policies and procedures, the Injunctive Relief Terms, and applicable laws and regulations governing the distribution of Controlled Substances; (3) Anda's code of conduct and any whistleblower reporting policies, including those prescribed by Section V.E; and (4) any significant regulatory and/or government enforcement matters within the review period relating to the distribution of Controlled Substances. Anda meets this requirement if it established, prior to the Effective Date, multiple committees of its Board of Directors that together have responsibilities outlined in this paragraph.
- E. The Board Compliance Committee shall have the authority to: (1) require management of Anda to conduct audits on any CSMP or legal and regulatory concern pertaining to Controlled Substances distribution, and to update its full Board of Directors on those audits; (2) to commission studies, reviews, reports, or surveys to evaluate Anda's CSMP performance; (3) request meetings with Anda's management and CSMP staff; and (4) review the appointment, compensation, performance, and replacement of Anda's Chief Diversion Control Officer.

VII. MANDATORY TRAINING

- A. Anda shall require all new CSMP personnel to attend trainings on its CSMP, its obligations under the Injunctive Relief Terms, and its duties with respect to maintaining effective controls against potential diversion of Controlled Substances and reporting Suspicious Orders pursuant to state and federal laws and regulations prior to conducting any compliance activities for Anda without supervision.
- B. Anda shall provide annual trainings to CSMP personnel on its CSMP, its obligations under the Injunctive Relief Terms, and its duties to maintain effective controls against potential diversion of Controlled Substances and report Suspicious Orders pursuant to state and federal laws and regulations.
- C. On an annual basis, Anda shall test its CSMP personnel on their knowledge regarding its CSMP, its obligations under the Injunctive Relief Terms, and its duties to maintain effective controls against potential diversion of Controlled Substances and to report Suspicious Orders pursuant to state and federal laws and regulations.
- D. Anda shall train all third-party compliance consultants (defined as non-employees who are expected to devote fifty percent (50%) or more of their time to performing work related to Anda's CSMP, excluding information technology consultants not

engaged in substantive functions related to Anda's CSMP) performing compliance functions for Anda in the same manner as Anda's CSMP personnel.

- E. At least every three (3) years in the case of existing employees, and within the first six (6) months of hiring new employees, Anda shall require operations, sales, and senior executive employees to attend trainings on its CSMP, its obligations under the Injunctive Relief Terms, the hotline established in Section V.E, and its duties to maintain effective controls against potential diversion of Controlled Substances and report Suspicious Orders pursuant to state and federal laws and regulations.

VIII. RED FLAGS

- A. Within one hundred and twenty days (120) of the Effective Date, Anda shall, at a minimum, apply specific metrics to identify the potential Red Flags described in Section VIII.D with respect to Independent Retail Pharmacy Customers. For Chain Customers, the metrics used to identify the Red Flags described in Section VIII.D may be adjusted based on the specific business model and supplier relationships of the Chain Customer.
- B. Anda shall evaluate and, if necessary, enhance or otherwise adjust the specific metrics it uses to identify Red Flags set forth in Section VIII.D.
- C. Anda shall provide annually to the Monitor the specific metrics it uses to identify Red Flags as set forth in Section VIII.D. The Monitor shall review the metrics used to identify Red Flags as set forth in Section VIII.D to assess whether the metrics are reasonable. The Monitor may, at its discretion, suggest revisions to the metrics in the annual Audit Report as part of the Red Flags Review set forth in Section XVIII.G.3.f. Anda may rely on its specific metrics to comply with the requirements of Section VIII unless and until the Monitor proposes a revised metric in connection with Section XVIII.
- D. For purposes of the Injunctive Relief Terms, "Red Flags" are defined as follows:
 - 1. **Ordering ratio of Highly Diverted Controlled Substances to non-Controlled Substances:** Analyze the ratio of the order volume of all Highly Diverted Controlled Substances to the order volume of all non-Controlled Substances to identify Customers with significant rates of ordering Highly Diverted Controlled Substances.
 - 2. **Ordering ratio of Highly Diverted Controlled Substance base codes or drug families to non-Controlled Substances:** Analyze the ratio of the order volume of each Highly Diverted Controlled Substance base code or drug family to the total order volume of all non-Controlled Substances to identify Customers with significant rates of ordering each Highly Diverted Controlled Substance base code or drug family.
 - 3. **Excessive ordering growth of Controlled Substances:** Analyze significant increases in the ordering volume of Controlled Substances using criteria to

identify customers that exhibit percentage growth of Controlled Substances substantially in excess of the percentage growth of non-Controlled Substances.

4. **Unusual formulation ordering:** Analyze ordering of Highly Diverted Controlled Substances to identify customers with significant ordering of high-risk formulations. High-risk formulations include, but are not limited to, 10mg hydrocodone, 8mg hydromorphone, 2mg alprazolam, single-ingredient buprenorphine (i.e., buprenorphine without naloxone), and highly-abused formulations of oxycodone. On an annual basis (or as otherwise necessary), high-risk formulations of Highly Diverted Controlled Substances may be added, removed, or revised based on Anda's assessment and regulatory guidance.
5. **Out-of-area patients:** Analyze Pharmacy Customer Data or Dispensing Data to assess volume of prescriptions for Highly Diverted Controlled Substances for out-of-area patients (based on number of miles traveled between a patient's zip code and the pharmacy location, depending on the geographic area of interest) taking into consideration the percentage of out-of-area patients for non-Controlled Substances.
6. **Cash prescriptions:** Analyze Pharmacy Customer Data or Dispensing Data to assess percentage of cash payments for purchases of Controlled Substances taking into consideration the percentage of cash payments for purchases of non-Controlled Substances.
7. **Prescriber activity of Customers:** Analyze Pharmacy Customer Data or Dispensing Data to identify Customers that are dispensing Highly Diverted Controlled Substance prescriptions for Top Prescribers as follows:
 - a) Top Prescribers representing a significant volume of dispensing where the prescriber's practice location is in excess of 50 miles from the pharmacy ("out-of-area"), relative to the percentage of out-of-area prescriptions for non-Controlled Substances.
 - b) Top Prescribers representing prescriptions for the same Highly Diverted Controlled Substances in the same quantities and dosage forms indicative of pattern prescribing (e.g., a prescriber providing many patients with the same high-dose, high-quantity supply of 30mg oxycodone HCL prescription without attention to the varying medical needs of the prescriber's patient population).
 - c) Top Prescribers where the top five (5) or fewer prescribers represent more than fifty percent (50%) of total prescriptions for Highly Diverted Controlled Substances during a specified period.
8. **Public regulatory actions against Customers:** Review information retrieved from companies that provide licensing and disciplinary history records (e.g., LexisNexis), and/or other public sources, including governmental entities, showing that the Customer, pharmacists working for that Customer, or the Customer's Top Prescribers have been subject, in the last five (5) years, to professional disciplinary sanctions regarding the

dispensing or handling of Controlled Substances or law enforcement action related to Controlled Substances diversion. Continued licensing by a relevant state agency may be considered, but shall not be dispositive, in resolving the Red Flag. For Chain Customer locations, representations from each Chain Customer that it reviews its pharmacists' licensing statuses annually and for the regulatory actions described in this paragraph has either (i) taken appropriate employment action, or (ii) disclosed the regulatory action to Anda, may be considered in resolving the Red Flag.

9. **Customer termination data:** Review information from Anda's due diligence files and, when operable, from the Clearinghouse, subject to Section VIII.F, regarding Customers that have been terminated from ordering Controlled Substances by another distributor due to concerns regarding Controlled Substances.
- E. For any Red Flag evaluation in Section VIII.D that may be performed using Pharmacy Customer Data or Dispensing Data, Anda will analyze the Red Flag using Pharmacy Customer Data, to the extent feasible based on the functionality of a Customer's pharmacy management system, until Dispensing Data is collected and analyzed by the Clearinghouse as described in Section XVII. Until Dispensing Data is collected and analyzed by the Clearinghouse, Anda may satisfy the Red Flag evaluations in Sections VIII.D.5 through VIII.D.7 by engaging in considerations of out-of-area patients, cash payments for prescriptions and Top Prescribers without satisfying the specific requirements of Sections VIII.D.5 through VIII.D.7. In the event that the Clearinghouse is not collecting and analyzing Dispensing Data within two years of the Effective Date, Anda and the State Compliance Review Committee shall meet and confer to consider alternatives for the performance of the analysis required by Sections VIII.D.5 through VIII.D.7 using Pharmacy Customer Data.
- F. The foregoing Red Flag evaluations may be performed by the Clearinghouse and reported to Anda.
- G. Anda and the State Compliance Review Committee shall work in good faith to identify additional potential Red Flags that can be derived from the data analytics to be performed by the Clearinghouse.

IX. ONBOARDING

- A. Anda, prior to initiating the sale of Controlled Substances to a potential Customer, a member of Anda's CSMP department (or a qualified third-party compliance consultant trained on Anda's CSMP) shall perform the following due diligence:
 1. Interview the pharmacist-in-charge, either over the telephone, via videoconference, or in person. The interview shall include questions regarding the manner in which the potential Customer maintains effective controls against the potential diversion of Controlled Substances.
 2. Obtain a "Pharmacy Questionnaire" completed by the owner and/or pharmacist-in-charge of the potential Customer. The Pharmacy Questionnaire shall require going-concern potential Customers to list their

top ten (10) prescribers for Highly Diverted Controlled Substances combined, along with the prescriber's specialty, unless Anda is able to obtain this data otherwise. The Pharmacy Questionnaire shall also require disclosure of the identity of all other distributors that serve the potential Customer, and whether the potential Customer has been terminated or suspended from ordering Controlled Substances by another distributor and the reason for any termination or suspension. The Pharmacy Questionnaire shall request information that would allow Anda to identify Red Flags, including questions regarding the manner in which the potential Customer maintains effective controls against the potential diversion of Controlled Substances. A potential Customer's responses to the Pharmacy Questionnaire shall be verified, to the extent applicable and practicable, against external sources (for example, the Clearinghouse, once operational, and Automation of Reports and Consolidated Orders System ("ARCOS") data made available to Anda by the DEA). The Pharmacy Questionnaire shall be maintained by Anda in a database accessible to its CSMP personnel.

3. Complete a written onboarding report to be maintained in a database accessible to Anda's CSMP personnel reflecting the findings of the interview and any site visit, the findings regarding the identification of and, if applicable, conclusion concerning any Red Flag associated with the pharmacy, as well as an analysis of the Pharmacy Questionnaire referenced in the preceding paragraph.
 4. For going-concern potential Customers, review Pharmacy Customer Data to assist with the identification of any Red Flags.
 5. Document whether the potential Customer or the pharmacist-in-charge has been subject to any professional disciplinary sanctions or law enforcement activity related to Controlled Substances dispensing, and, if so, the basis for that action. For Chain Customers, this provision shall apply to the potential specific pharmacies in question.
- B. For Chain Customers, Anda may obtain the information in Section IX.A from a corporate representative of the Chain Customer.
- C. In the event that Anda identifies one or more unresolved Red Flags or other information indicative of potential diversion of Controlled Substances through the onboarding process or otherwise, Anda shall refrain from selling Controlled Substances to the potential Customer pending additional due diligence. If following additional due diligence, Anda is unable to resolve the Red Flags or other information indicative of diversion, Anda shall not initiate the sale of Controlled Substances to the potential Customer and shall report the potential Customer consistent with Section XIV. If Anda determines that the potential Customer may be onboarded for the sale of Controlled Substances, Anda shall document the decision and the bases for its decision. Such a good faith determination, if

documented, shall not serve, without more, as the basis of a future claim of non-compliance with the Injunctive Relief Terms. For Chain Customers, these provisions shall apply to the potential specific pharmacies in question.

X. ONGOING DUE DILIGENCE

- A. Anda shall periodically review its procedures and systems for detecting patterns or trends in Customer order data or other information used to evaluate whether a Customer is maintaining effective controls against diversion.
- B. Anda shall conduct periodic proactive compliance reviews of its Customers' performance in satisfying their corresponding responsibilities to maintain effective controls against the diversion of Controlled Substances.
- C. Anda shall review ARCOS data made available to it by the DEA and, once operational, by the Clearinghouse, to assist with Customer specific due diligence. For Chain Customers, this provision shall apply to the potential specific pharmacies in question.
- D. Anda shall conduct due diligence as set forth in its CSMP policies and procedures in response to concerns of potential diversion of Controlled Substances at its Customers. For Chain Customers, these provisions shall apply to the specific pharmacies in question. The due diligence required by Anda's CSMP policies and procedures may depend on the information or events at issue. The information or events raising concerns of potential diversion of Controlled Substances at a Customer include but are not limited to:
 - 1. The discovery of one or more unresolved Red Flags;
 - 2. The receipt of information directly from law enforcement or regulators concerning potential diversion of Controlled Substances at or by a Customer;
 - 3. The receipt of information concerning the suspension or revocation of pharmacist's DEA registration or state license related to potential diversion of Controlled Substances;
 - 4. The receipt of reliable information through the hotline established in Section V.E concerning suspected diversion of Controlled Substances at the Customer;
 - 5. The receipt of reliable information from another distributor concerning suspected diversion of Controlled Substances at the Customer; or
 - 6. Receipt of other reliable information that the Customer is engaged in conduct indicative of diversion or is failing to adhere to its corresponding responsibility to prevent the diversion of Highly Diverted Controlled Substances.
- E. On an annual basis, Anda shall obtain updated pharmacy questionnaires from one hundred (100) Customers to include the following:

1. The top 25 Customers by combined volume of Highly Diverted Controlled Substances purchased from Anda measured as of the end of the relevant calendar year; and
2. Additional Customers selected as a representative sample of various geographic regions, customer types (Independent Retail Pharmacy Customers and Chain Customers), and distribution centers. Anda's Chief Diversion Control Officer shall develop risk-based criteria for the sample selection.

F. Scope of Review

1. For reviews triggered by Section X.D, Anda shall conduct due diligence and obtain updated Pharmacy Customer Data or equivalent, or more comprehensive data from the Clearinghouse if needed, as set forth in its CSMP policies and procedures.
2. For questionnaires collected pursuant to Section X.E, Anda shall conduct a due diligence review consistent with Anda's CSMP policies and procedures. These annual diligence reviews shall be performed in addition to any of the diligence reviews performed under Section X.D, but may reasonably rely on reviews performed under Section X.D.
3. If Anda decides to terminate the Customer due to concerns regarding potential diversion of Controlled Substances, Anda shall promptly cease the sale of Controlled Substances to the Customer and report the Customer consistent with Section XIV. If Anda decides not to terminate the Customer, Anda shall document that determination and the basis therefor. Such a good faith determination, if documented, shall not, without more, serve as the basis of a future claim of non-compliance with the Injunctive Relief Terms.

XI. SITE VISITS

- A. Anda shall conduct site visits, including unannounced site visits, where appropriate, of Customers, as necessary, as part of Customer due diligence.
- B. During site visits, Anda's CSMP personnel or qualified third-party compliance consultants shall interview the pharmacist-in-charge or other relevant Customer employees, if appropriate, about any potential Red Flags and the Customer's maintenance of effective controls against the potential diversion of Controlled Substances.
- C. Anda's CSMP personnel or qualified third-party compliance consultants who conduct site visits shall document the findings of any site visit.
- D. Site visit and all other compliance reports shall be maintained by Anda in a database accessible to all CSMP personnel.

XII. THRESHOLDS

- A. Anda shall use Thresholds to identify potentially Suspicious Orders of Controlled Substances from Customers.
- B. Anda's CSMP department shall be responsible for the oversight of the process for establishing and modifying Thresholds. The sales departments of Anda shall not have the authority to establish or adjust Thresholds for any Customer or participate in any decisions regarding establishment or adjustment of Thresholds.
- C. Anda shall not provide Customers specific information about their Thresholds or how their Thresholds are calculated.

1. Threshold Setting

- a) Anda shall primarily use model-based thresholds. For certain circumstances, Anda may apply a non-model threshold based on documented customer diligence and analysis.
- b) Anda shall include in its Annual Threshold Analysis and Assessment Report (as required by Section XVIII.G.3.c) to the Monitor summary statistics regarding the use of non-model thresholds and such information shall be considered by the Monitor as part of its Threshold Setting Process Review in the annual Audit Report.
- c) For the purposes of establishing and maintaining Thresholds, Anda shall take into account the Controlled Substances diversion risk of each drug base code. The diversion risk of each base code should be defined and reassessed annually by Anda's CSMP Committee and reviewed by the Monitor.
- d) Anda shall establish Thresholds for new Customers prior to supplying those Customers with Controlled Substances and shall continue to have Thresholds in place at all times for each Customer to which it supplies Controlled Substances.
- e) When ordering volume from other distributors becomes readily available from the Clearinghouse, Anda shall consider including such information as soon as reasonably practicable in establishing and maintaining Thresholds.
- f) Anda shall incorporate the following guiding principles in establishing and maintaining Customer Thresholds, except when inapplicable to non-model Thresholds:
 - (1) Thresholds shall take into account the number of non-Controlled Substance dosage units distributed to, dispensed and/or number of prescriptions dispensed by the Customer to assist with the determination of Customer size. As a general

matter, smaller customers should have lower Thresholds than larger customers.

- (2) For the purposes of establishing and maintaining Thresholds, Anda shall use statistical models that are appropriate to the underlying data.
- (3) For the purposes of establishing and maintaining Thresholds, Anda shall take into account a Customer's ordering and/or dispensing history for a specified period of time.
- (4) For the purposes of establishing and maintaining Thresholds, Anda shall take into account the ordering history of Customers within similar geographic regions, or, where appropriate for Chain Customers, ordering history within the chain.
- (5) If appropriate, Thresholds may take into account the characteristics of Customers with similar business models.
 - (a) A Customer's statement that it employs a particular business model must be verified, to the extent practicable, before that business model is taken into account in establishing and maintaining a Customer's Threshold.

2. Threshold Auditing

- a) Anda shall review their respective Customer Thresholds at least on an annual basis and modify them where appropriate.
- b) Anda's CSMP department shall annually evaluate its Threshold setting methodology and processes and its CSMP personnel's performance in adhering to those policies.

3. Threshold Changes

- a) Anda may increase or decrease a Customer Threshold as set forth in its CSMP policies and procedures, subject to Sections XII.C.3.b through XII.C.3.e.
- b) Prior to approving any Threshold change request by a Customer, Anda shall conduct due diligence to determine whether an increase to the Threshold is warranted. This due diligence shall include obtaining from the Customer the basis for the Threshold change request, obtaining and reviewing Dispensing Data and/or Pharmacy Customer Data for the previous three (3) months for due diligence purposes, and, as needed, conducting an on-site visit to the Customer. This Threshold change request diligence shall be conducted by Anda's CSMP personnel.

- c) Anda shall not proactively contact a Customer to suggest that the Customer request an increase to any of its Thresholds, to inform the Customer that its Orders-to-date are approaching its Thresholds or to recommend to the Customer the amount of a requested Threshold increase. It shall not be a violation of this paragraph to provide Chain Customer headquarters reporting on one or more individual Chain Customer pharmacy location(s) to support the anti-diversion efforts of the Chain Customer's headquarters staff, and it shall not be a violation of this paragraph for Anda's CSMP personnel to contact Customers to seek to understand a Customer's ordering patterns.
- d) Anda's Chief Diversion Control Officer may approve criteria for potential adjustments to Customer Thresholds to account for circumstances where the Thresholds produced by the ordinary operation of the statistical models require modification. Such circumstances include adjustments to account for seasonal ordering of certain Controlled Substances that are based on documented diligence and analysis, adjustments made to permit ordering of certain Controlled Substances during a declared national or state emergency (e.g., COVID-19 pandemic), IT errors, and data anomalies causing results that are inconsistent with the design of the statistical models. Anda shall include in its Annual Threshold Analysis and Assessment Report (as required by Section XVIII.G.3.c) to the Monitor information regarding the use of this paragraph and such information shall be considered by the Monitor as part of its Threshold Setting Process Review in the annual Audit Report.
- e) Any decision to raise a Customer's Threshold in response to a request by a Customer to adjust its Threshold must be documented in a writing and state the reason(s) for the change. The decision must be consistent with Anda's CSMP and documented appropriately.

XIII. SUSPICIOUS ORDER REPORTING AND NON-SHIPMENT

- A. Anda shall report Suspicious Orders to the Settling States ("Suspicious Order Reports" or "SORs"), including those Settling States that do not currently require such SORs, at the election of the Settling State.
- B. For the SORs required by the Injunctive Relief Terms, Anda shall report Orders that exceed a Threshold for Controlled Substances set pursuant to the processes in Section XII that are blocked and not shipped.
- C. Anda shall not ship any Order that it (i) reports pursuant to Sections XIII.A or XIII.B, or (ii) would have been required to report pursuant to Sections XIII.A or XIII.B had the Settling State elected to receive SORs.

- D. In reporting Suspicious Orders to the Settling States, Anda shall file SORs in a standardized electronic format that is uniform among the Settling States and contains the following information fields:
1. Customer name;
 2. Customer address;
 3. DEA registration number;
 4. State pharmacy license number;
 5. Date of order;
 6. NDC number;
 7. Quantity;
 8. Explanation for why the order is suspicious (up to 250 characters): Details that are order-specific regarding why an order was flagged as a Suspicious Order, including specific criteria used by Anda's Threshold system (except phrases such as "order is of unusual size" without any additional detail are not acceptable); and
 9. Name and contact information for a knowledgeable designee within Anda's CSMP department to be a point of contact for the SORs.
- E. On a quarterly basis, Anda shall provide a summary report to the Settling States that elect to receive it that provides the following information for the relevant quarter with respect to the top ten (10) Customers by volume for each Highly Diverted Controlled Substance base code that have placed a Suspicious Order for that base code, in that quarter (for Chain Customers, only individual pharmacies in the chain will considered for evaluation as a top ten (10) Customer):
1. The number of SORs submitted for that Customer by base code;
 2. The Customer's order volume by base code for the quarter for all Highly Diverted Controlled Substances;
 3. The Customer's order frequency by base code for the quarter for all Highly Diverted Controlled Substances;
 4. For each Highly Diverted Controlled Substance base code, the ratio of the Customer's order volume for that base code to the volume of all pharmaceutical orders for the quarter; and
 5. The ratio of the Customer's order volume of all Controlled Substances to the volume of all pharmaceutical orders for the quarter.

- F. Anda shall only be required to file a single, uniform, electronic form of SOR with any Settling State that receives SORs pursuant to these Injunctive Relief Terms. A Settling State retains the authority pursuant to applicable state law or relevant state agency authority to request additional information about a particular SOR.
- G. It is the objective of the Settling States and Anda for Anda to provide SORs to Settling States that identify the same Suspicious Orders as reported to the DEA pursuant to the definition and requirements of the federal Controlled Substances Act and its regulations, although the fields of the SORs submitted to the Settling States as required by Section XIII may differ from the content required by the DEA. To the extent federal definitions and requirements materially change during the term of the Injunctive Relief Terms, Anda may be required to adjust the format and content of the SORs to meet these federal requirements. Anda and the State Compliance Review Committee will engage in good faith discussions regarding such adjustments.
- H. It shall not be a violation of the Injunctive Relief Terms if Anda ships a Suspicious Order or fails to submit or transmit a SOR if:
 - 1. The shipment of the Suspicious Order or failed SOR transmission was due to a computer error (data entry mistakes, coding errors, computer logic issues, software malfunctions, and other computer errors or IT failures); and
 - 2. Anda reports the error, including a description of measures that will be taken to prevent recurrence of the error, to any affected Settling State, the State Compliance Review Committee, and the Monitor within five (5) business days of its discovery.

XIV. TERMINATED CUSTOMERS

- A. Anda shall report to the Clearinghouse, once operational, within five (5) business days (or as otherwise required by state statute or regulation), Customers it has terminated from eligibility to receive Controlled Substances or refused to onboard for the sale of Controlled Substances due to concerns regarding the Customer's ability to provide effective controls against the potential diversion of Controlled Substances following the Effective Date.
- B. Anda shall report to the relevant Settling State(s), within five (5) business days (or as otherwise required by state statute or regulation) Customers located in such Settling States that it has terminated from eligibility to receive Controlled Substances or refused to onboard for the sale of Controlled Substances due to concerns regarding the Customer's ability to provide effective controls against the potential diversion of Controlled Substances following the Effective Date. Such reports will be made in a uniform format. Anda and the State Compliance Review Committee shall use best efforts to agree on such uniform format for inclusion prior to the requirement taking effect.

- C. In determining whether a Customer should be terminated from eligibility to receive Controlled Substances, Anda shall apply factors set out in its CSMP policies and procedures, which shall include the following conduct by a Customer:
1. Has generated an excessive number of Suspicious Orders, which cannot otherwise be explained;
 2. Has routinely demonstrated unresolved Red Flag activity;
 3. Has continued to fill prescriptions for Highly Diverted Controlled Substances that raise Red Flags following Anda's warning or communication about such practices;
 4. Has failed to provide Pharmacy Customer Data or Dispensing Data in response to a request from Anda or otherwise refuses to cooperate with Anda's CSMP after providing the Customer with a reasonable amount of time to respond to Anda's requests;
 5. Has been found to have made material omissions or false statements on a Pharmacy Questionnaire (the requirements for the contents of a Pharmacy Questionnaire are described in Section IX); or
 6. Has been the subject of discipline by a State Board of Pharmacy within the past three (3) years or has had its owner(s) or pharmacist-in-charge subject to license probation or termination within the past five (5) years by a State Board of Pharmacy for matters related to Controlled Substances dispensing or a federal or state felony conviction.
- D. Once the Clearinghouse has made Customer termination data available to Anda, Anda shall consider terminating Customers that have been terminated from eligibility to receive Controlled Substances by another distributor as a result of suspected diversion of Controlled Substances if the Customer is ordering only Controlled Substances from Anda. If Anda determines not to terminate Customers to which this paragraph applies, Anda shall document its decision-making. A good-faith decision to continue shipping Controlled Substances to Customers to which this paragraph applies, shall not serve, without more, as the basis of a future claim of non-compliance with the Injunctive Relief Terms.
- E. For Chain Customers, the provisions in Section XIV.A-D shall apply to the specific pharmacies in question.

XV. EMERGENCIES

- A. In the circumstances of declared national or state emergencies in which the healthcare community relies on Anda for critical medicines, medical supplies, products, and services, Anda may be required to temporarily modify its CSMP processes to meet the critical needs of the supply chain. These modifications may conflict with the requirements of the Injunctive Relief Terms.

- B. In the case of a declared national or state emergency, Anda shall be required to give notice to the State Compliance Review Committee of any temporary material changes to its CSMP processes which may conflict with the requirements of the Injunctive Relief Terms and specify the sections of the Injunctive Relief Terms which will be affected by the temporary change.
- C. Anda shall document all temporary changes to their CSMP processes and appropriately document all customer-specific actions taken as a result of the declared national or state emergency.
- D. Anda shall provide notice to the State Compliance Review Committee at the conclusion of the declared national or state emergency, or sooner, stating that the temporary CSMP processes put into place have been suspended.
- E. Provided Anda complies with the provisions of Sections XV.A through XV.D, Anda will not face liability for any deviations from the requirements of the Injunctive Relief Terms taken in good faith to meet the critical needs of the supply chain in response to the declared national or state emergency. Nothing herein shall limit Settling States from pursuing claims against Anda based on deviations from the requirements of the Injunctive Relief Terms not taken in good faith to meet the critical needs of the supply chain in response to a declared national or state emergency.

XVI. COMPLIANCE WITH LAWS AND RECORDKEEPING

- A. Anda acknowledge and agree that it must comply with applicable state and federal laws governing the distribution of Controlled Substances.
- B. Good faith compliance with the Injunctive Relief Terms creates a presumption that Anda is acting reasonably and in the public interest with respect to Settling States' existing laws requiring effective controls against diversion of Controlled Substances and with respect to the identification, reporting, and blocking of Suspicious Orders of Controlled Substances.
- C. The requirements of the Injunctive Relief Terms are in addition to, and not in lieu of, any other requirements of state or federal law applicable to Controlled Substances distribution. Except as provided in Section XVI.D, nothing in the Injunctive Relief Terms shall be construed as relieving Anda of the obligation to comply with such laws, regulations, or rules. No provision of the Injunctive Relief Terms shall be deemed as permission for Anda to engage in any acts or practices prohibited by such laws, regulations, or rules.
- D. In the event of a conflict between the requirements of the Injunctive Relief Terms and any other law, regulation, or requirement such that Anda cannot comply with the law without violating the Injunctive Relief Terms or being subject to adverse action, including fines and penalties, Anda shall document such conflicts and notify the State Compliance Review Committee and any affected Settling State the extent to which it will comply with the Injunctive Relief Terms in order to eliminate the conflict within thirty (30) days of Anda's discovery of the conflict. Anda shall comply with the Injunctive Relief Terms to the fullest extent possible without violating the law.

- E. In the event of a change or modification of federal or state law governing the distribution of Controlled Substances that creates an actual or potential conflict with the Injunctive Relief Terms, Anda, any affected Settling State, or the State Compliance Review Committee may request that Anda, State Compliance Review Committee, and any affected Settling State meet and confer regarding the law change. During the meet and confer, Anda, the State Compliance Review Committee, and any affected Settling State will address whether the change or modification in federal or state law requires an amendment to the Injunctive Relief Terms. In the event Anda, the State Compliance Review Committee, and any affected Settling State cannot agree on a resolution, and the dispute relates to whether the generally applicable Injunctive Relief Terms herein should be changed, Anda, the State Compliance Review Committee, or any affected Settling State may submit the question to the National Arbitration Panel. If the dispute relates to whether a change in an individual State's law requires a modification of the Injunctive Relief Terms only with respect to that State, Anda, the State Compliance Review Committee, or any affected Settling State may seek resolution of the dispute pursuant to Section XIX. Maintenance of competition in the industry and the potential burden of inconsistent obligations on Anda shall be a relevant consideration in such resolution.
- F. Recordkeeping: Anda shall retain records it is required to create pursuant to its obligations hereunder in an electronic or otherwise readily accessible format. The Settling States shall have the right to review records provided to the Monitor pursuant to Section XVIII. Nothing in the Injunctive Relief Terms prohibits a Settling State from issuing a lawful subpoena for records pursuant to an applicable law.

XVII. CLEARINGHOUSE

- A. Starting ninety (90) days after the Effective Date, Anda shall participate in Phase 1 and Phase 2-A of the Clearinghouse.
- B. Anda shall provide to the Clearinghouse and/or facilitate the Clearinghouse's collection of the following:
1. Anda's transaction data for Controlled Substances and non-Controlled Substances, specified at the NDC, date, quantity, and customer level.
 2. Anda's information on Customers that have been terminated and/or declined onboarding due to concerns regarding Controlled Substance dispensing following the Effective Date.
- C. Anda shall comply with state and federal transactional and Suspicious Order reporting requirements related to Controlled Substances as follows:
1. Until such time as the Clearinghouse is able to provide transactional and Suspicious Order regulatory reporting to the states on behalf of Anda, Anda shall continue to file all required reports under state law and those reports required by these Injunctive Relief Terms.
 2. Once the Clearinghouse is able to process and submit such reports, the Clearinghouse may process and submit those reports on behalf of Anda to

the states. At all times during Phase 1, Anda shall remain responsible for the identification of Suspicious Orders and will remain liable for a failure to submit transactional data or Suspicious Order reports required under state law or these Injunctive Relief Terms.

3. Anda may elect to fulfill its reporting obligations directly, rather than have the Clearinghouse assume the responsibility for the transmission of the various reports.

D. Anda shall receive information, analyses and reports from the Clearinghouse on the same basis as other distributors participating in Phase 1 and 2-A of the Clearinghouse.

1. Anda shall be permitted to use information obtained from the Clearinghouse for anti-diversion purposes, including the uses expressly contemplated by the Injunctive Relief Terms.
2. Anda shall ensure any data obtained from the Clearinghouse cannot be accessed by any of its parent's business units, or their employees or agents, who are involved in manufacturing or marketing of pharmaceuticals or sales or distribution of pharmaceuticals they manufacture.
3. Anda shall not receive from the Clearinghouse information specific to another distributor. Notwithstanding the prior sentence, Anda may receive from the Clearinghouse blinded data reflecting total Orders (across all distributors) for a particular Customer, region, and/or state at the base code and NDC number level and all transactional data information.
4. Anda may use information it receives from the Clearinghouse only for the purposes of identifying, minimizing, or otherwise addressing the risk of Controlled Substances diversion. Anda shall not attempt to obtain revenue from this information.
5. Anda shall not sell (or obtain license fees for) data obtained from Clearinghouse to any third-parties. Nothing in the Injunctive Relief Terms shall prohibit Anda from using its own data, including data provided to Anda by third-parties other than the Clearinghouse, for any commercial purposes, including selling or licensing its data to third-parties.

E. Anda, in its sole discretion, may elect whether to participate in Phase 2-B of the Clearinghouse. CSMP functions that are assumed by the Clearinghouse during Phase 2-B will no longer be performed by Anda individually through its CSMPs. CSMP functions performed by the Clearinghouse during Phase 2-B will assist Anda to satisfy the applicable legal obligations of Anda. In the event that Anda elects not to participate in Phase 2-B, Anda shall have no obligation to implement the Clearinghouse's determinations as to identification of Suspicious Orders and Suspicious Order reporting.

F. Liability Related to the Clearinghouse.

1. Anda is entitled to rely upon information or data received from the Clearinghouse, whether in oral, written, or other form. Anda shall not have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by the Clearinghouse. In addition, Anda shall not have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by Anda based on incorrect, inaccurate, incomplete or otherwise erroneous information or data provided by the Clearinghouse, unless the information or data was incorrect, inaccurate, incomplete or otherwise erroneous because Anda itself provided incorrect, inaccurate, incomplete or otherwise erroneous data or information to the Clearinghouse.
2. Reports or analysis generated by the Clearinghouse may not be based on complete data due to a lack of participation by other distributors and pharmacies. As such, Anda shall not be held responsible for actions or inactions related to reports and analysis prepared by the Clearinghouse which may be based on incomplete data due to a lack of participation by other distributors and pharmacies.
3. Nothing in the Injunctive Relief Terms shall require Anda to indemnify or otherwise be responsible to pharmacy customers for any claims resulting from the provision of Dispensing Data to the Clearinghouse, including, but not limited to, claims related to any data breaches occurring with the data transmitted to or maintained by the Clearinghouse.
4. Anda and the Settling States shall not be liable for any breaches of any databases maintained by the Clearinghouse. This does not excuse the Clearinghouse or its vendor(s) from compliance with all state and federal laws and regulations governing (1) the protection of personal information and protected health information, or (2) notifications relating to Data Security Events.
5. The Clearinghouse's performance of CSMP functions during Phase 2-B will not relieve Anda from its legal obligations unless (i) Anda and the State Compliance Review Committee jointly enter into a written agreement for the Clearinghouse to assume legal requirements during Phase 2-B; and (ii) all vendors and consultants working on the Clearinghouse agree in writing to assume such obligations.

G. Funding Obligations.

1. For a period of ten (10) years from the Effective Date, Anda will contribute to the cost of the operation of the Clearinghouse in an amount to be determined based on the financial and relative size of Anda compared to the three distributors initially participating in the Clearinghouse.
2. Anda shall engage with the three distributors initially participating in the Clearinghouse and the State Compliance Review Committee to determine

Anda's required contribution. If Anda and the State Compliance Review Committee cannot reach an agreement on the amount of the contribution, the issue will be submitted to the National Arbitration Panel for resolution subject to the cap provided by Section XVII.G.4.

3. In the event that Anda elects not to participate in Phase 2-B, Anda shall have no obligation to fund future costs directly related to Phase 2-B of the Clearinghouse.
4. In no case shall Anda's required contribution for Phase 1 and Phase 2-A during the first two (2) years of its participation in the Clearinghouse exceed \$250,000 per year, nor shall it exceed \$100,000 per year during its third through tenth years of participation.
5. Anda and the State Compliance Review Committee agree to engage in good faith discussions regarding potential continued operation and funding of the Clearinghouse following the initial ten (10) year period.

XVIII. MONITOR

- A. Anda shall engage a Monitor to perform the reviews described in Section XVIII.G in a professionally independent and objective fashion. The Monitor shall employ or retain personnel who have appropriate qualifications related to the pharmaceutical industry and the laws governing the distribution of pharmaceuticals, the distribution of Controlled Substances, and the applicable requirements of federal and state law. The Monitor may also employ or retain personnel who have appropriate qualifications in the audit and review of sample documents in order to conduct the reviews described in Section XVIII.G. To the extent additional expertise is required for the engagement, the Monitor may retain the services of third-party consultants after consultation with and input from Anda and the State Compliance Review Committee.
- B. The Monitor and any retained third-parties shall at all times act in good faith and with integrity and fairness towards all parties.
- C. Monitor Selection and Engagement
 1. The parties have agreed that the initial Monitor shall be Gil Soffer of Katten, Muchin Rosenman LLP.
 2. The Monitor can be replaced upon agreement of the State Compliance Review Committee and Anda. If the parties so agree, the process for selecting a replacement Monitor shall be the process described in paragraphs i-iii below. The provisions of this Exhibit Q shall apply to any successor Monitor.
 - i. State Compliance Review Committee and Anda will each identify the names of up to three (3) individuals, groups of individuals or firms as the pool of recommended candidates to serve as the Monitor, within (60) calendar days of the date the parties agree to replace the Monitor.

- ii. The State Compliance Review Committee and Anda shall have the right to meet with and otherwise evaluate the candidates and conduct appropriate interviews of the personnel who are expected to work on the project. The following qualifications may be relevant considerations for the State Compliance Review Committee and Anda in evaluating candidates: (a) prior monitorship or oversight experience; (b) experience with applicable laws and regulations governing the distribution of Controlled Substances; (c) experience with the pharmaceutical; (d) access to sufficient resources to carry out the duties of the Monitor; and (e) experience with internal investigations or the investigative process.
 - iii. If the State Compliance Review Committee and Anda do not agree on the appointment of any of the candidates from the initial pool of recommendations, State Compliance Review Committee and/or Anda may identify additional qualified candidates, as the timeline permits. However, in the event the parties fail to reach agreement on a Monitor within ninety (90) calendar days of the date the parties agree to replace the monitor, the State Compliance Review Committee shall appoint a Monitor.
3. In the event that the State Compliance Review Committee and Anda do not agree to the dismissal of the Independent Monitor, either the State Compliance Review Committee (through one of the Settling States on the State Compliance Review Committee) or Anda may submit the question of the Monitor's dismissal to the court to which the Consent Judgment was presented in any Settling States on the State Compliance Review Committee, and the Monitor shall only be dismissed if the court finds that there is Good Cause for dismissal. Good Cause for dismissal shall mean (a) a material and substantial breach of the terms of this Exhibit Q by the Monitor, including the failure to comply with the terms and limitations of this Exhibit Q; (b) any act of dishonesty, misappropriation, embezzlement, intentional fraud, or similar conduct by the Monitor; (c) any intentional act of bias or prejudice in favor or against either party by the Monitor; or (d) conduct by the Monitor that demonstrates unfitness to fulfill the functions of the Monitor reasonably and competently. Good Cause shall not include disagreements with the decisions of the Monitor pursuant to this Exhibit Q, unless there is a clear pattern in the Monitor's decisions that demonstrates that the Independent Monitor has not been acting as an independent third party in rendering decisions.
4. Anda shall be responsible for the Monitor's fees and costs directly related to its performance of the work specified by the Injunctive Relief Terms up to a limit of \$300,000 per year. Should the Monitor require additional fees and costs to perform adequately the work specified in these Anda Injunctive Terms, the Monitor may request an increase in the budget to cover these unanticipated costs, and Anda will not unreasonably withhold approval of same. Further, to the extent there remains funds not yet expended under Teva's monitor budget (Section VI.C. of Exhibit P of the Settlement Agreement), those may be used to cover these unanticipated costs at Teva's discretion.

D. Term and Reporting Periods

1. The term of the Monitor will be five (5) years from the date the Monitor is appointed, divided into one-year periods for purposes of the reviews and reporting described in Section XVIII (“Reporting Periods”). The Monitor may align Anda’s Reporting Periods with the reporting periods provided by the Big 3 Distributor Injunctive Relief Terms.

E. Monitor Access to Information

1. In connection with its reviews set forth in Section XVIII.G, the Monitor may request to interview employees with appropriate authority and responsibilities as necessary. In the event that Anda believes that the Monitor is requesting an unreasonable number of interviews or requesting interviews of employees who do not have relevant information to the reviews required by Section XVIII.G, Anda and State Compliance Review Committee shall meet and confer in good faith to resolve this issue.
2. The Chief Diversion Control Officer of Anda or a direct report of the Chief Diversion Control Officer shall serve as the primary point of contact for the Monitor to facilitate the Monitor’s access to documents, materials, or staff necessary to conduct the reviews specified in Section XVIII.G. The Monitor shall communicate any request for documents, materials, or access to staff to the Chief Diversion Control Officer or her designee.
3. If at any time the Monitor believes there is undue delay, resistance, interference, limitation, or denial of access to any records or to any employee or former employee deemed necessary by the Monitor to conduct the reviews specified in Section XVIII.G, the Monitor shall notify the Chief Diversion Control Officer of Anda and they shall meet and confer to resolve such issue. If the Monitor believes that the matter was not resolved, the Monitor shall immediately report the issue to the State Compliance Review Committee.
4. To the extent any of the documents requested by the Monitor contain material protected from disclosure by any legal privilege, including the attorney-client privilege or attorney work product protections, Anda may redact such material before providing the documents to the Monitor, but must provide the Monitor with a privilege log describing the redacted information and identifying the basis for redaction.
5. Notwithstanding any other information referenced and produced pursuant to Section XVIII, the Monitor shall have access to, and Anda’s Chief Diversion Control Officer shall produce to the Monitor, any settlement agreements with government entities entered into after the Effective Date specifically concerning the requirements contained in the Injunctive Relief Terms and Anda’s distribution of Controlled Substances (as opposed to distribution of pharmaceutical products in general).

F. Settling States' Access to Monitor

1. Other than in connection with the initiation of a Notice of Potential Violation set forth in Section XIX.B.2, should the Monitor believe it needs to initiate communication with the State Compliance Review Committee regarding Anda's compliance with the Injunctive Relief Terms, the Monitor's communications should include the Chief Diversion Control Officer or counsel of Anda, regardless of the form of communication.
2. The State Compliance Review Committee shall have access to any settlement agreements produced to the Monitor pursuant to Section XVIII.E.5.

- (5) Within fifteen (15) calendar days of receiving the lists specified above from Anda, the Monitor shall choose representative files to be reviewed from these lists. The Draft Report will also describe any Observations and Recommendations.
2. Within thirty (30) calendar days of its receipt of the Draft Report, Anda will provide comments and responses to the Draft Report. Anda will, among other things:

J. Confidentiality:

1. Materials and information provided by Anda to the Monitor that are designated “Confidential” (and any parts, portions, or derivations thereof) (the “Confidential Information”) will be kept confidential and not be shown, disclosed, or distributed to any other party, including any other distributor.

2. The Monitor will not use materials or information received from Anda, or information or analysis developed using the Confidential Information of Anda, in its assessment of any other distributor. Because Anda operates pursuant to its own unique policies and procedures intended to comply with legal and other requirements of the Injunctive Relief Terms, the Monitor shall apply the standards of Anda to its reviews without preference to the practices or standards applied by any other distributor.
3. If any of the Settling States or the Monitor receive a request for disclosure of any material or information created or shared under the Injunctive Relief Terms, pursuant to a Third Party Request, the Settling State or the Monitor, respectively, shall notify Anda of the Third Party Request and the Confidential Information to be disclosed so that Anda may seek a protective order or otherwise challenge or object to the disclosure. The Settling State or the Monitor will provide Anda with at least ten (10) days' advance notice before complying with any Third Party Request for Confidential Information, except where state law requires a lesser period of advance notice.
4. Nothing herein will be deemed to prevent any party from claiming any applicable exemption to the public information act, freedom of information act, public records act, or similar law.

XIX. ENFORCEMENT OF INJUNCTIVE RELIEF TERMS

A. State Compliance Review Committee:

1. Any Settling State may initiate a review of a Potential Violation consistent with the process set forth in Section XIX.
2. The State Compliance Review Committee shall assign the Monitor the responsibilities set forth in Sections XIX.B.3 through XIX.B.7, regarding review of a Potential Violation and an opportunity to cure, except with respect to matters requiring interpretation of the Injunctive Relief Terms subject to Section XIX.C.2. The objective of the Monitor shall be to facilitate a resolution among the parties, providing an opportunity to cure, as applicable, for the party against whom a Potential Violation has been alleged.
3. No less than six (6) months before the Monitor's term expires pursuant to Section XVIII, the State Compliance Review Committee and Anda shall meet and confer in good faith to determine the parameters and processes for continued enforcement, consistent to the maximum extent possible with the provisions set forth in Section XIX, for the period after the Monitor's term has ended. Absent agreement between the State Compliance Review Committee and Anda, all provisions set forth in Section XIX involving the Monitor are excused after the Monitor's term has ended.
4. Should Anda allege in good faith that a Settling State or the Monitor has impaired the ability of Anda to meet the Injunctive Relief Terms, Anda may

request the State Compliance Review Committee to mediate any dispute in an effort to avoid the time and expense of litigation regarding interpretation and enforcement of the Injunctive Relief Terms.

B. Process for Review of Potential Violations and Opportunity to Cure:

1. Definition of “Potential Violation”: A Potential Violation occurs when Anda is alleged to not be in substantial compliance with (i) the Injunctive Relief Terms or (ii) a Corrective Action Plan adopted consistent with the process set forth in Section XIX.B.7.
2. Submission of Notice of Potential Violation. An allegation of a Potential Violation shall be submitted to the State Compliance Review Committee in writing by one or more Settling States (“Notice of Potential Violation” or “Notice”) and shall include the following to the extent practicable:
 - a) Specification of the particular Injunctive Relief Term(s) and/or Corrective Action Plan(s) implicated by the Potential Violation;
 - b) Description of the Potential Violation with specificity;
 - c) The reasoning for and, if available, any documentation supporting the allegation that a Potential Violation has occurred, including whether the Potential Violation is a matter identified by the Monitor in an Audit Report; and
 - d) Description of the time-sensitivity of the Potential Violation, if relevant.
3. Assignment to Monitor. The State Compliance Review Committee shall review every Notice. If the State Compliance Review Committee reasonably believes that further review is warranted, the State Compliance Review Committee shall forward the Notice to the Monitor. The Monitor shall ensure that Anda receives a copy of the Notice and a proposed schedule consistent with the process set forth in Sections XIX.B.4 and XIX.B.
4. Response to Notice of Potential Violation. Within thirty (30) days of receipt of the Notice of Potential Violation, Anda shall provide a written response to the referring Settling State(s), the Monitor, and the State Compliance Review Committee (collectively with Anda, the “parties to the Notice”). The response (a) shall set forth the reasons Anda believes that it is in substantial compliance with the relevant Injunctive Relief Term(s) and/or Corrective Action Plan(s), and (b) as applicable, shall explain efforts undertaken to cure the Potential Violation and a schedule for completing the efforts to cure.
5. Conference for Parties re Notice of Potential Violation. The parties to the Notice shall meet or otherwise confer regarding the Potential Violation. The parties and the Monitor shall make themselves available for such a meeting (which may at any party’s election be a virtual or technology-based

meeting), provided, however, that the meeting is not required to take place sooner than fifteen (15) days after a written response to the Notice of Potential Violation.

6. Process for Previously-Submitted Notices of Potential Violation. At the request of the parties to a Notice, the Monitor shall determine whether the Notice implicates the same or similar issues as a previously submitted Notice involving Anda or is a matter previously identified by the Monitor in an Audit Report involving Anda, and make an initial determination as to whether the issues needs to be addressed anew. The Monitor shall inform the Settling State and Anda of its determination within five (5) business days of receipt of the Notice. The Settling State and Anda shall have five (5) business days to object to the determination. If an objection is made, the Monitor shall respond to the objection within five (5) business days. If no objection is made, the party involved in the prior Notice may rely on the response to the previously submitted Notice or matter previously identified by the Monitor in an Audit Report and no further action shall be required.
7. Monitor Resolution of Potential Violation and Opportunity to Cure. Within thirty (30) days of the meeting pursuant to Section XIX.B.5, the Monitor, taking into consideration the submissions of the parties involved in the Notice and other information available to the Monitor, shall resolve the Notice as follows:
 - a) If the Monitor reasonably believes that a Potential Violation is not ongoing or has been substantially resolved as of thirty (30) days from the meeting pursuant to Section XIX.B.5, the Monitor shall provide written notice to the State Compliance Review Committee and the Settling State(s) and Anda.
 - b) If the Monitor reasonably believes that a Potential Violation is ongoing and has not been substantially resolved as of thirty (30) days from the meeting pursuant to Section XIX.B.5, the Monitor shall provide written notice to the State Compliance Review Committee and the Settling State(s) and Anda and request that Anda prepare, within thirty (30) days of the receipt of such written notice, a Corrective Action Plan to remedy such Potential Violation, including a reasonable period for implementation of such plan. The Monitor may extend the period of time to submit a Corrective Action Plan up to ninety (90) days based on a reasonable request by the affected party.
 - c) A Corrective Action Plan may address multiple Potential Violations, and an existing Corrective Action Plan may be amended to address additional Potential Violations.
 - d) Within ten (10) business days of submission of a Corrective Action Plan regarding a Potential Violation, the Monitor shall confer with

the State Compliance Review Committee and the Settling State(s) and Anda regarding the proposed Corrective Action Plan. The Monitor may recommend revisions in its discretion. The conference required by this paragraph may at any party's election be a virtual or technology-based meeting.

- (e) Within thirty (30) days of the conference in Section XIX.B.7.d, the Monitor shall advise the State Compliance Review Committee and the Settling State(s) and Anda whether the Monitor has adopted the proposed Corrective Action Plan or whether the Monitor has adopted it after making modifications. The Monitor shall also set forth a reasonable period for implementation of any such plan that has been adopted. Anda must begin to comply with the Corrective Action Plan within five (5) business days of receiving notice of the Corrective Action Plan has been adopted, unless it seeks review by the State Compliance Review Committee pursuant to Section XIX.C.1.

C. Enforcement Responsibilities of State Compliance Review Committee:

1. The Settling State(s) or Anda may request the State Compliance Review Committee to review the resolution (including a resolution pursuant to Section XIX.B.7.a) and/or Corrective Action Plan adopted by the Monitor regarding that Notice. Any such request must be made within five (5) business days of a resolution or adoption of a Corrective Action Plan by the Monitor. The State Compliance Review Committee, taking into consideration the resolution by the Monitor, submissions of the Settling State(s) or Anda, and other information available to the Committee, shall within thirty (30) days of receipt of the request resolve the matter by written notice to the affected parties, which shall include the State Compliance Review Committee's reasoning in reaching its resolution. The State Compliance Review Committee may agree, disagree, or modify any resolution or Corrective Action Plan that it reviews. If the Corrective Action Plan is affirmed or affirmed as amended by the State Compliance Review Committee, Anda must within five (5) business days begin to comply with the Corrective Action Plan.
2. The State Compliance Review Committee shall review any issues raised by a Notice regarding the interpretation of the Injunctive Relief Terms at the request of the Settling State(s), Anda, or the Monitor. Such a request may be made at any time after the Notice's submission, and the request will not extend the timelines set forth in Sections XIX.B and XIX.C.1. The State Compliance Review Committee shall notify the Monitor, Settling State(s) and Anda of its determination. Settling States and Anda do not waive their rights to challenge the interpretation of the Injunctive Relief Terms by the State Compliance Review Committee in any subsequent proceeding pursuant to Section XIX.E.2.
3. The State Compliance Review Committee may, independent of a Notice of Potential Violation, review requests by a Monitor, Settling State, or Anda regarding the interpretation of the Injunctive Relief Terms. The State

Compliance Review Committee shall notify the Monitor and requesting party of its interpretation, including the State Compliance Review Committee's reasoning in reaching its conclusion. Settling States and Anda do not waive their rights to challenge the interpretation of the Injunctive Relief Terms by the State Compliance Review Committee in any subsequent proceeding pursuant to Section XIX.E.2.

4. The State Compliance Review Committee shall make available to all Settling States and Anda any interpretation it issues pursuant to Sections XIX.C.2 and XIX.C.3.

D. Composition of State Compliance Review Committee:

1. A Settling State on the State Compliance Review Committee that is in active litigation with Anda, or in another potential conflict of interest involving compliance with Controlled Substances laws and regulations, may not serve on the State Compliance Review Committee, and the remaining Settling States on the State Compliance Review Committee shall within five (5) business days select an alternate Settling State as a replacement.
2. If the affected state on the State Compliance Review Committee disputes that it has a disqualifying active litigation or other conflict of interest, the determination of whether that state has a conflict disqualifying it from serving on the State Compliance Review Committee shall be made by the remaining states on the State Compliance Review Committee.

E. Enforcement Actions:

1. Any written notice or resolution by the State Compliance Review Committee regarding the matters set forth in Sections XIX.B and XIX.C shall provide the State Compliance Review Committee's assessment of the matter but will not be an official opinion of any individual Settling State.
2. Following the issuance of a written notice or resolution of the State Compliance Review Committee pursuant to Section XIX.C, a Settling State or Anda may take whatever action it deems necessary related to the written notice or resolution issued by the State Compliance Review Committee, provided that the Settling State or Anda is either (a) the Settling State that sought review by the State Compliance Review Committee, or (b) Anda. Such action may include but is not limited to bringing an action to enforce the settlement agreement, filing a new original action, or, the parties to a Notice attempting to negotiate a Corrective Action Plan directly with each other.
3. The Settling States agree that prior to taking any court or administrative action, other than an action that is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State, or that a public emergency requiring immediate action exists, it will follow the process outlined in Sections XIX.B and XIX.C.

4. A Settling State or Anda must bring a court or administrative action within six (6) months of any resolution of the State Compliance Review Committee, unless the alleged violation is also an independent violation of state or federal law, or an action that a Settling State concludes is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the State, or that a public emergency requiring immediate action exists, in which cases, the applicable statute of limitations (if any) for sovereign actions shall apply.

1. Total cost to be paid by Teva in each of the relevant Payment Years² under this Agreement shall be up to the following amounts, subject to the provisions set forth below:

¹ Nothing herein shall be understood to indicate approval for additional State Back-Stop Agreements or modifications of existing State Back-Stop Agreements.

² Payment Year shall have the same meaning for Teva as set forth in the Teva Agreement and Teva Exhibits M-1 and M-3. Payment Year shall carry the same definition for Allergan as set forth in the Allergan Agreement and Allergan Exhibits M-1 and M-2.

| | |
|----------------|----------------|
| | Cost Fund |
| Payment Year 1 | \$9,000,000.00 |
| Payment Year 2 | \$9,000,000.00 |

2. Total cost to be paid by Allergan in each of the relevant Payment Years under this Agreement shall be up to the following amounts, subject to the provisions set forth below:

| | |
|----------------|----------------|
| | Cost Fund |
| Payment Year 1 | \$6,000,000.00 |
| Payment Year 2 | \$6,000,000.00 |

3. The Cost Fund shall be split into the MDL Direct Cost Fund and the Subdivision Cost and Expense Fund.

- a. The MDL Direct Cost Fund shall be Seven Million Five Hundred Thousand Dollars (\$7,500,000), payable 50% in Year One, and 50% in Year Two. The MDL Direct Cost Fund shall make payment without any delay to reimburse the MDL PEC for an agreed-to portion of the expenses incurred, provided the costs have been approved by the Cost and Expense Fund Administrator appointed by the Court. The MDL Direct Cost Fund will be paid directly to the MDL Opiate Capital Account. The Cost and Expense Fund Administrator may include costs incurred by the MDL PEC in furtherance of litigation, mediation, implementation, and management of the Settlements.

- c. It is the intention of the Parties that the Cost Fund shall be administered by the Cost Fund and Expense Fund Administrator (MDL Docket No. 3828), who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.
- d. The costs of the Cost and Expense Fund Administrator shall be paid from the Cost Fund and allocated by the Cost and Expense Fund Administrator between the MDL Direct Cost Fund and the Subdivision Cost and Expense Fund to fairly charge each fund the cost incurred in implementing and supervising the specific fund.
- e. The Cost and Expense Fund Administrator shall set the process and procedures for submission of and criteria for applications for payment of

Subdivisions' and Tribal Nations' costs and expenses. The Cost and Expense Fund Administrator shall receive and evaluate applications from Participating Litigating Subdivisions and litigating Tribal Nations, whether filed in Federal Court or State Court, to seek reimbursement for eligible costs in pursuit of claims against Allergan or Teva. The process shall require a showing that the costs or expenses sought were reasonably incurred in furtherance of active litigation of a designated state or federal bellwether trial-set case, or Common Benefit. The Cost and Expense Fund Administrator shall require transparency from all applicants as to any other sources for compensating Attorneys for Subdivisions and Tribal Nations for costs incurred. If funds remain after the reimbursement of approved out-of-pocket costs, the Cost and Expense Fund Administrator may consider reasonable and appropriate payment for client time, costs, or expenses incurred by recognized trial bellwether plaintiffs. At the conclusion of the process, any funds not allocated by the Cost and Expense Fund Administrator shall be transferred to the Common Benefit Fund established in this Exhibit R.

4. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than Teva or Allergan that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, (b) creates a separate cost fund, and (c) unless the parties agree to another date, such agreement has an effective date prior to June 30, 2023, the Cost and Expense Fund Administrator shall have the authority to aggregate the Cost Fund with the cost fund created under that global settlement agreement. The Cost and Expense Fund Administrator shall have the authority to address the appropriate procedures and required information to allow the costs to be funded from the appropriate cost fund or shared by two or more cost funds.

III. Attorney Fee Fund

- A. An Attorney Fee Fund shall be paid in the following amounts and years:

| | Teva Shall Pay | Allergan Shall Pay |
|----------------|------------------|--------------------|
| Payment Year 1 | \$ 46,215,837.93 | \$ 40,778,855.53 |
| Payment Year 2 | \$ 46,215,837.93 | \$ 40,778,855.53 |
| Payment Year 3 | \$ 55,215,837.92 | \$ 46,778,855.53 |
| Payment Year 4 | \$ 55,215,837.92 | \$ 46,778,855.53 |
| Payment Year 5 | \$ 55,215,837.92 | \$ 0.00 |
| Payment Year 6 | \$ 55,215,837.92 | \$ 0.00 |

- B. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fund.
1. It is the intention of the Parties that the Contingency Fee Fund and the Common Benefit Fund shall be administered by the Fee Panel (MDL Docket No. 3828), which will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order.
- C. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Tribal Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the Teva Agreement and Allergan Agreement or if the Teva Agreement does not proceed past Teva's determination in subsection XI.A of the Teva Agreement or if the Allergan Agreement does not proceed past Allergan's determination in subsection X.A of the Allergan Agreement. Fees to be paid under this Fee Agreement are not available for representation of States, Non-Participating Subdivisions or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.
- D. *Attorney Fee Fund and Sub Funds.*
1. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.
2. In no event shall Teva or Allergan be required to pay more into the Attorney Fee Fund in any Payment Year than the maximum amount specified for that Payment Year in subsection III.A., which amounts are reflected in Exhibit M to the Teva Agreement and Allergan Agreement. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions and offsets set forth below.
3. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Teva Agreement and Allergan Agreement, as set forth in Exhibits F-2 and G to the Teva Agreement and Exhibits F and G to the Allergan Agreement, and shall be made applying the Mathematical Model attached as Exhibit "A" to this Fee Agreement. The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is

encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in subsection III.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.

4. As to awards from the Contingency Fee Fund, there shall be no right of appeal.
5. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

E. *Common Benefit Fund (60% of the Attorney Fee Fund).*

1. Funds in the Attorney Fee Fund shall be allocated to the Common Benefit Fund according to the schedule set forth below, subject to the adjustments described in paragraph III.E.6. The payments are to be made on the following yearly schedule, subject to the adjustments set forth below:

| | Teva Shall Pay | Allergan Shall Pay |
|----------------|------------------|--------------------|
| Payment Year 1 | \$ 27,729,502.76 | \$ 24,467,313.32 |
| Payment Year 2 | \$ 27,729,502.76 | \$ 24,467,313.32 |
| Payment Year 3 | \$ 33,129,502.75 | \$ 28,067,313.32 |
| Payment Year 4 | \$ 33,129,502.75 | \$ 28,067,313.32 |
| Payment Year 5 | \$ 33,129,502.75 | \$ 0.00 |
| Payment Year 6 | \$ 33,129,502.75 | \$ 0.00 |

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:
 - a. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the May 1, 2018 Order, under docket number 358, which is incorporated herein by reference; and
 - b. satisfy the eligibility criteria set forth in subsection III.G.
3. For purposes of Common Benefit Fund distribution, Attorneys representing Tribal Nations litigating against Teva or Allergan have also reached a settlement for Released Claims with Teva and Allergan. These settlements shall be the subject of separate agreements with Teva and Allergan. Attorneys representing

Tribal Nations are eligible for Common Benefit consideration, provided such agreements with Teva and Allergan became effective under their terms. Such Attorneys must meet the eligibility criteria in subsection III.G.

4. For purposes of Common Benefit Fund distribution, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in subsection III.G shall be eligible.
5. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the May 1, 2018 Order.
6. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Applicant and his or her clients have contributed to increasing (or reducing) the Initial Participation in the Teva Agreement or the Allergan Agreement, and (ii) the Applicant and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Teva Agreement, including the Teva Tribal Agreement, or the Allergan Agreement, including the Allergan Tribal Agreement. The Fee Panel shall also consider additional fee recoveries the Applicant may potentially obtain, including, but not limited to, from attorney fee funds under other settlement agreements, State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients, whether they participated in the Teva Agreement or Allergan Agreement or not. It is the intent of this provision to recognize that the goal of the Teva Agreement and Allergan Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing one or more Non-Participating States or Non-Participating Subdivisions does not further the goal of the Teva Agreement or Allergan Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing one or more Later Litigating States or Later Litigating Subdivisions is antithetical to the Teva Settlement and the Allergan Agreement and detracts from Common Benefit. The Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Applicants, as well as, in its discretion, any offsets provided to Teva or Allergan as set forth in subsection III.H. The Fee Panel shall consider the totality of the Applicant's Participating Litigating Subdivisions as compared to the Applicant's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Applicants with a greater number of clients have a greater probability of having one or more Non-Participating Litigating Subdivisions. As used in this paragraph, "client" or

“representing” a Subdivision shall include any Litigating Subdivision as to which the Applicant has a Fee Entitlement.

7. As set forth in subsection III.H, the Fee Panel must consider the factors described in paragraph III.E.6 to determine how and whether to reduce the amounts to be paid by Teva or Allergan under this Fee Agreement and to determine how to allocate funds among Applicants. They may also, at their discretion, consider other factors. Any reduction in payment obligation or credit to be given Teva or Allergan in this Fee Agreement shall be applied against the last Payment Year for that defendant and working backwards. Any reduction to an Applicant not credited to Teva or Allergan shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Participation Date.
8. The MDL PEC will seek, and the Attorneys General for Settling States, Teva, and Allergan, will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or paid in a case otherwise under the jurisdiction of the MDL Court.
9. If Teva and Allergan agree to go forward with their respective Agreements under subsections XI.A and X.A of their Agreements, they shall pay the full Common Benefit (60%) Fee into the Common Benefit Fund without regard to the number of Settling States or Participating Subdivisions. Should Teva and/or Allergan pay a judgment to, or settle with, a Non-Participating State or a Non-Participating Litigating Subdivision subsequent to the Reference Date, and such settlement or judgment results in a common benefit fee assessment paid into the Common Benefit Fund or the Court Common Benefit Fund, the following shall apply:
 - a. Teva or Allergan shall be credited dollar-for-dollar for the amount paid for the fee assessment up to 7.5% of the abatement amount derived from the application of the State Global Allocation Percentage as set forth in Exhibit F-1 or the abatement amount derived from the application of the Subdivision and Special District Allocation Percentage as set forth in Exhibit G that the Non-Participating State or Non-Participating Litigating Subdivision would have received if it had participated in the Settlement Agreement;
 - b. Except as set forth below in subparagraph III.E.9.c, for any settlement or judgment that meets the requirements of paragraph III.E.9 that exceeds the abatement amount derived from the application of the State Global Allocation Percentage as set forth in Exhibit F-1 or the abatement amount derived from the application of the Subdivision and Special District Allocation Percentage as set forth in Exhibit G, no credits shall be taken against Teva or Allergan’s obligation to make payments into the Common Benefit Fund for that portion of the settlement or judgment in excess of the abatement amount derived from the application of the State Global Allocation Percentage as set forth in Exhibit

F-1 or the abatement amount derived from the application of the Subdivision and Special District Allocation Percentage as set forth in Exhibit G;

- c. For any settlement or judgment that meets the requirements of paragraph III.E.9 that exceeds the abatement amount derived from the application of the State Global Allocation Percentage as set forth in Exhibit F-1 or the abatement amount derived from the application of the Subdivision and Special District Allocation Percentage as set forth in Exhibit G that the Later Litigating State or Later Litigating Subdivision would have received if it had participated in the Settlement Agreement, where the Later Litigating State or Later Litigating Subdivision is represented by any member of the MDL PEC or that member's law firm, Teva or Allergan shall be credited dollar-for-dollar for the full amount of the 7.5% common benefit fee assessment paid into the Common Benefit Fund or the Court Common Benefit Fund;
- d. If a credit is made to Allergan or Teva pursuant to subparagraph III.E.9.c., then that amount shall be calculated as a direct reduction to any common benefit fee award made under this Fee Agreement to the MDL PEC firm(s) that represented the Later Litigating State or Later Litigating Subdivision;
- e. Any credits shall be taken first against Teva's or Allergan's payment to the Common Benefit Fund in Teva's or Allergan's respective final Payment Year as set forth in paragraph III.E.1 (for Teva Year 6; for Allergan Year 4), up to the full amount of Teva's or Allergan's final year payment obligation, then from the next-to-final Payment Year's payment obligation, and so on;
- f. Teva and Allergan shall not be entitled to any credits against the Common Benefit Fund for settlements or judgments paid after Teva's or Allergan's final fee Payment Year.

F. *Contingency Fee Fund (40% of the Attorney Fee Fund).*

- 1. Funds from the Attorney Fee Fund shall be allocated to the Contingency Fee Fund on the following yearly schedule, subject to the adjustments set forth below:

| | Teva Shall Pay | Allergan Shall Pay |
|----------------|------------------|--------------------|
| Payment Year 1 | \$ 18,486,335.17 | \$ 16,311,542.21 |
| Payment Year 2 | \$ 18,486,335.17 | \$ 16,311,542.21 |
| Payment Year 3 | \$ 22,086,335.17 | \$ 18,711,542.21 |
| Payment Year 4 | \$ 22,086,335.17 | \$ 18,711,542.21 |
| Payment Year 5 | \$ 22,086,335.17 | \$ 0.00 |
| Payment Year 6 | \$ 22,086,335.17 | \$ 0.00 |

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in subsection III.G.
 - a. The Contingency Fee Fund shall be available to Attorneys who represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court, and meet the eligibility criteria of subsection III.G.
 - b. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.
 - c. Under the terms of the Teva Agreement and Allergan Agreement Litigating Subdivisions must become a Participating Litigating Subdivision under both Agreements to be eligible to participate. Therefore, Exhibit R applies jointly to Teva and Allergan with the Attorneys' Fee Fund and MDL Cost Fund to include the combined payment from Teva and Allergan.
3. Teva and/or Allergan shall each be entitled to a pro-rata reduction to their own portion of the Contingency Fee Fund payment(s) in accordance with subsection III.F.4., unless, by the Payment Date for the Initial Year Payment, (i) 41 states are Settling States for Teva or 43 states are Settling States for Allergan, (ii) 98% of all Litigating Subdivisions are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, and, (iii) 97% of all Non-Litigating Subdivisions with Populations over 10,000 as listed in Exhibit I are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, in which case no offset shall be applied.
4. If the participation conditions in paragraph III.F.3 are not met, then the amounts owed by Teva and/or Allergan to the Contingency Fee Fund shall be reduced as follows:
 - a. For Non-Settling States, the Contingency Fee Fund payments shall first be reduced by the amounts identified by the Fee Panel, pursuant to paragraph III.H.7, that would have been owed to counsel for Litigating Subdivisions in Non-Settling States, had those States and those Litigating Subdivisions been Settling States and Participating Subdivisions.
 - b. Following the calculation in subparagraph III.F.4.a., the Contingency Fee Fund payments shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph III.H.7, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.

5. In the event that after the date of the Settlement Agreement Teva, prior to the Effective Date of the Teva Agreement, or Allergan, prior to the Effective Date of the Allergan Agreement, settles with any Litigating Subdivision that would have been eligible to participate in the defendant's Agreement, and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Teva Agreement or the Allergan Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be credited and/or returned to Teva or Allergan as if determined under (a)(ii) above, except that such credit shall not be greater than the amount paid to the Attorneys under the Litigating Subdivision's prior settlement agreement and credits apply equally over the Fee Payment Years.
6. During the period between the Preliminary Agreement Date and the Effective Date, the MDL PEC, as well as Litigating Subdivisions' Attorneys, shall make best efforts to cease litigation activity against Teva and Allergan, including by jointly seeking stays or severance of claims against Teva and Allergan, where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.

G. *Eligibility.*

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees received or awarded, including prior or future Contingency Fees, Common Benefit Fees, referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any Applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for who should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph III.G.3, must be subject to the criteria set forth in subsection III.C, and must be disclosed to the Fee Panel.

2. An Applicant may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and any fund created by a past or future State Back-Stop Agreement, provided the Applicant satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.
3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:
 - a. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund. All applications for attorneys' fees under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.
 - b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or Later Litigating State with respect to Released Claims against Released Entities.
 - c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation of a Subdivision eligible to be a Participating Subdivision after the Reference Date unless the Attorney is recommending participation in the Agreement.
 - d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions or Later Litigating States. This representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions or Later Litigating States that are the result of the MDL Court's Common Benefit order.
 - e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision or Later Litigating State, other than a potential Common Benefit Fee.

- f. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the Teva Agreement or Allergan Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.
 - g. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, trial transcripts, or deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement.
 - h. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Teva Agreement and the Allergan Agreement to be fair and will make or has made best efforts to recommend both Agreements to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this subsection shall include an affirmation by the Attorney in compliance with the foregoing subparagraphs.
- 4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Participating Subdivision except Common Benefit Fees as described in paragraph III.E.2. All applications for attorneys' fees under this subsection shall include an affirmation by the Attorney of compliance with this paragraph.
- 5. An Attorney who has filed an application under this subsection and received an award of attorneys' fees shall provide a certification of compliance with the requirements of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments under this Agreement. This certification will be done as directed by the Panel.
- 6. If, at any time, the Attorney is unable to make the representations set forth in this subsection, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this subsection.
- 7. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or Later Litigating State or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision or Later Litigating State shall be prohibited from receiving any future funds from the Attorney Fee Fund.

If an Attorney fails to notify the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, the Attorney shall be required to refund amounts previously paid. The Fee Panel shall notify Teva and Allergan when it receives notification.

8. To the extent an Attorney who has received compensation from the Attorney Fee Fund based on Qualifying Representations of Participating Litigating Subdivisions under the Teva Agreement or the Allergan Agreement, represents a Later Litigating Subdivision or Later Litigating State, such Attorney shall be obligated to refund such amounts received as compensation from the Attorney Fee Fund to Teva or Allergan. Teva, Allergan, or such Attorney may bring any dispute as to whether such Attorney shall be obligated to refund such amounts received from the Attorney Fee Fund to Allergan or Teva to the Fee Panel. Nothing herein shall require a multi-attorney law firm that has received compensation from the Attorney Fee Fund to refund such amounts if an attorney of the firm that is no longer affiliated with such law firm, after such departure, represents a Later Litigating Subdivision or Later Litigating State, provided that (a) neither the law firm nor any of its other attorneys have any contractual or financial arrangement regarding, stand to benefit directly or indirectly from, or directly or indirectly provide financial or other support of any kind to, the former attorney's representation of the Later Litigating Subdivision or Later Litigating State and (b) if the former attorney was a partner or owner of the multi-attorney law firm at the time that the law firm received compensation from the Attorney Fee Fund, the former attorney shall be obligated to refund such amounts as the former attorney earned as a result of the compensation that the law firm received from the Attorney Fee Fund.
9. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.
10. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Teva Agreement or Allergan Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.
11. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the procedures outlined herein.
12. Applicants are under an ongoing obligation to inform the Fee Panel in writing of any additional fees earned, expected, or received related to any Opioid litigation throughout the period of the Fee Panel's operation.

H. *Calculation of Amounts Due.*

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Applicant. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this subsection, except that the Fee Panel may receive information from Teva or Allergan as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in paragraph III.E.6; and (c) such other information as Teva or Allergan may voluntarily elect to provide.
2. The Fee Panel shall establish procedures for making determinations under this Fee Agreement consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with Applicants and/or other counsel (including counsel for Teva and Allergan) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.
3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in subsection III.G of this Fee Agreement and the criteria set forth in paragraph III.E.2. In addition, the Fee Panel will give consideration in regard to Common Benefit Fund awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):
 - a. The Applicant's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Applicant's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;
 - b. The novelty, time, and complexity of the Qualifying Representations;
 - c. The skill requisite to perform legal services properly and undesirability of the case;
 - d. The preclusion of other employment by the Applicant due to time dedicated to Qualifying Representations;
 - e. The Common Benefit, if any, alleged to have been conferred by the Applicant and whether such Common Benefit work product by that Applicant was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Applicant claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as

counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;

- f. Any “common detriment,” as set forth in paragraph III.E.6.
- g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);
- h. The experience, reputation, and ability of the Applicant;
- i. Whether the Applicant’s clients brought Released Claims against Released Entities;
- j. The status of discovery in cases primarily handled by the Applicant;
- k. The nature of any work by the Applicant on “bellwether” cases or cases that were similarly active in litigation;
- l. Any pressure points successfully asserted by the Applicant in cases against Teva or Allergan or any risk for Teva or Allergan created by the Applicant in cases against them;
- m. Any risk for defendants created by Applicants in cases against Teva or Allergan;
- n. Successful and unsuccessful motion practice in cases worked on by the Applicant;
- o. The date of filing of any cases filed by the Applicant;
- p. Obtaining consolidation of the litigation in the Applicant’s jurisdiction;
- q. The number and population of entities represented by the Applicant and the fees that would have been awarded under extinguished contingent fee arrangements;
- r. Whether the Applicant’s clients brought claims against Teva or Allergan;
- s. Whether the Applicant has had a leadership role in the litigation, whether in state or federal court;
- t. Whether the Applicant has had a leadership role in any negotiations aimed at resolving the litigation;

- u. Whether the Applicant's cases have survived motions to dismiss;
 - v. The extent to which the Applicant contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;
 - w. The extent to which litigation was done prior to and contributed to completion of settlement negotiations, as distinct from litigation that was done litigating after the announcement of the Teva Agreement or Allergan Agreement, such latter litigation both being of less value and potentially resulting a common detriment to the settlement process; and
 - x. Any other factors that the Fee Panel finds to be appropriate to consider after input from Applicants to the Attorney Fee Fund.
4. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than Teva or Allergan that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, (b) creates a separate common benefit fund to be administered by the Fee Panel, and (c) unless the parties agree to another date, such agreement has an effective date prior to June 30, 2023, the Fee Panel may:
- a. Consolidate the Common Benefit approval process to include evaluation of all Common Benefit Applications for all settlements entered after November 14, 2022;
 - b. Determine the fair and equitable allocation of the Aggregate Common Benefit Fees that come after November 14, 2022;
 - c. Give consideration to the amount and timing of each settlement, including the amount and timing of Common Benefit Fees;
 - d. The Fee Panel shall abide by the applicable Attorney Fee Agreement in each of the Settlements in Allocating the Common Benefit Fees provided for in the Settlement; and
 - e. Be guided in their work by the Orders of the Court related to Fees and Costs.
5. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Applicant seeking compensation from each sub fund of the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel

shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Applicant shall, at a minimum, require each Applicant to:

- a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;
 - b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;
 - c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);
 - d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;
 - e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;
 - f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;
 - g. Notwithstanding “a-f” above, the Panel may consider a supplemental application if the Applicant shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Applicant having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or the Participation Tier, or an Allocation Agreement is reached.
6. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):
- a. Review the applications of all Applicants seeking compensation from the Common Benefit Fund, including determining eligibility for each Applicant as set forth in subsection III.G.
 - b. Reduce, on an annual basis, Teva’s or Allergan’s payment obligations, as set forth in paragraph III.E.7. The Panel shall inform Teva or Allergan, and the MDL PEC of all such amounts and adjust payment obligations accordingly.
 - c. Using criteria set forth in subsections III.E and III.H, allocate amounts from the Common Benefit Fund to eligible Applicants, including payment amounts for each Payment Year. In making such allocations, the Panel shall apply the

principles set forth in paragraph III.E.6 and shall allocate any reduction in the payments specified in paragraph III.E.7 to the amounts paid to Applicants with a Common Benefit Fee Entitlement.

7. With respect to the Contingency Fee Fund, the Fee Panel shall:
 - a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in subsection III.G.
 - b. Apply the Mathematical Model in Exhibit A.
 - c. Use such allocations to reduce on an annual basis the payment obligations of Teva or Allergan to the Attorney Fee Fund as set forth in paragraph III.F.4, and distributions therefrom, and inform Teva or Allergan and the MDL PEC of all such adjustments.
8. To the extent that there is a dispute about the calculations of the Fee Panel related to the amounts that Teva or Allergan is required to pay (including application of any reductions or offsets under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.
9. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).
10. In the event that the Fee Panel, through the use of the Mathematical Model set forth in Exhibit A, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision and that Subdivision is in a Settling State in which the Consent Judgment has not been approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

I. *Miscellaneous.*

1. The Fee Panel shall charge an hourly rate approved by the Court. The Pre-Effective Date costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the Cost Fund. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund based on allocation by the Fee Panel and shall not be otherwise funded by Teva and Allergan.
2. The MDL PEC shall provide to Teva and Allergan information they have that identifies Attorneys who represent Litigating Subdivisions who are not

Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or pursuant to a Participation Agreement.

3. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as confidential under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

IV. Miscellaneous

- A. *Termination.* If the Teva Agreement or Allergan Agreement does not proceed past the Reference Date, whether because Teva and Allergan do not determine to proceed or for any other reason, this Fee Agreement shall be null and void, neither Teva nor Allergan shall have any obligation to make any payments under this Fee Agreement other than Fee Panel costs advanced, and Teva, Allergan, and the PEC shall take such steps as are necessary to restore the *status quo ante*.
- B. *MDL Court Consideration.* This Fee Agreement shall be attached as an exhibit to the Teva Agreement and Allergan Agreement. This Fee Agreement shall also be submitted by Teva, Allergan, and the MDL PEC to the MDL Court for approval pursuant to the motion and order that shall be attached, prior to the Preliminary Agreement Date of the Agreements, as Exhibit B.
 1. In the event that the MDL Court, through an order, makes any change to the amounts potentially to be paid by Teva and Allergan under this Fee Agreement, makes any change to the Fee Panel's consideration of the factors set forth in paragraph III.E.6, or any other material change to the draft Order attached as part of Exhibit B or the terms of this Fee Agreement, Teva, Allergan, and the MDL PEC shall meet and confer concerning such changes.
 2. If Teva, Allergan, and the MDL PEC are unable to reach agreement and revisions to this Fee Agreement, this Fee Agreement shall be null and void, Teva and Allergan shall have no obligation to make any payments under this Fee Agreement, and Teva, Allergan, and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*.
- C. *Amendment.* Once the MDL Court has entered an order implementing this Fee Agreement, this Fee Agreement can only be amended by (1) written agreement of Teva, Allergan, and the MDL PEC and (2) approval by the MDL Court.
- D. *Jurisdiction and Enforcement.* The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee

Agreement, as to the payment obligations of Teva and Allergan as set forth in this subsection and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against Teva or Allergan, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this subsection authorizes the MDL Court to act contrary to this Agreement or provides the MDL Court with jurisdiction over the Teva Agreement or Allergan Agreement.

Description of Mathematical Model for the Allocation of the Contingency Fee Funds

Allergan Settlement Agreement and Teva Settlement Agreement

This document describes the Mathematical Model for the allocation of the Contingency Fee Fund described in Exhibit R (Agreement of Attorney's Fees, Expenses and Costs) to the Allergan Settlement Agreement and Teva Settlement Agreement, respectively.¹ Awards of fees from the Contingency Fee Funds shall be available to Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the eligibility criteria.² A Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a counsel to participate. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculations.

In general terms, allocation of the Contingency Fee Fund shall be made by (1) determining the amount of the Settlement Fund that is attributable to each Litigating Subdivision; (2) making certain adjustments to these amounts based on when the Subdivision filed suit and the terms of the applicable fee contract; and (3) dividing the Contingency Fee Fund proportionately among counsel for each Participating Litigating Subdivision based on the amounts calculated in subpart 2.

The total amount of the Contingency Fee Funds is \$195,364,179.86, of which \$70,046,168.84 is to be contributed by Allergan³ and \$125,318,011.02 is to be contributed by Teva.⁴ Attorneys with Qualifying Representations of Participating Litigating Subdivisions that timely named one or more Released Entities of either Settlement Agreement and meet the other eligibility requirements shall receive the full amount due from the combined Contingency Fee Funds.⁵

Allocation of the Contingency Fee Funds shall be made according to the following steps. These calculations are made only to determine the percentage share of the Contingency Fee Funds that Attorneys for each Participating Litigating Subdivision would receive, *not* for determining the dollar amount each Subdivision would receive.

- (1) For each Settling State, attribute 50% of the settlement funds for that State to its Subdivisions according to the Subdivision Allocation Percentage in Exhibit G to the Allergan Settlement Agreement or Teva Settlement Agreement.

Illustrative example for the Allergan Settlement Agreement:

¹ See Allergan Settlement Agreement, Exhibit R § III.D.3; Teva Settlement Agreement, Exhibit R § III.D.3.

² Allergan Settlement Agreement, Exhibit R § III.F.2; Teva Settlement Agreement, Exhibit R § III.F.2.

³ Allergan Settlement Agreement, Exhibit R § III.F.1.

⁴ Teva Settlement Agreement, Exhibit R § III.F.1.

⁵ For example, Attorneys with Qualifying Representations whose suits named Teva, but did not name Allergan, shall be treated the same as Attorneys whose suits named Allergan but did not name Teva. Furthermore, Attorneys whose suits named both Allergan and Teva shall be treated the same as Attorneys who named only Teva or Allergan.

- The combined Net Abatement Amount is \$4,984,715,862 (\$1,799,186,751 for Allergan and \$3,185,529,111 for Teva, including the cash value of the product). See Allergan Settlement Agreement, Exhibit M-1 and Teva Settlement Agreement, Exhibits M-1 and M-2.
- Assume that State A is allocated 1.00000% of the \$1,799,186,751 Allergan Net Abatement Amount.
- 50% of the 1% share allocated to State A is \$8,995,933.76.
- Assume that, per Exhibit G of the Agreement, the Subdivision Allocation Percentage for City B in State A is 1.00000000%.
- For purposes of determining its counsel's share of the Contingency Fee Fund, City B is attributed 1.00000000% of \$8,995,933.76, or \$89,959.34.
- These steps would need to be repeated for the Teva Settlement Agreement since the state allocation percentages are different in that agreement.

(2) Adjust the amounts in paragraph 1 as follows:

- a. *Upward Adjustment for Early Filers.* Increase the amount calculated in paragraph 1 above by 10% for any Litigating Subdivision that named a Released Entity in a suit before December 5, 2017, the date the National Prescription Opiate Litigation MDL was formed. This adjustment must be done individually for each defendant. If the Litigating Subdivision did not name a Released Entity in a suit before December 2, 2022, then fees from the Contingency Fee Fund will not be awarded for otherwise Qualifying Representations of that Participating Litigating Subdivision.

Illustrative Example:

- Assume City C is attributed \$1,000,000 under paragraph 1 above.
- If City C named the defendant(s) before 12/5/2017, the attributed amount would be adjusted to \$1,100,000.

- b. *Determine Amount Due under Contingency Fee Contract.* Determine the amount that would be due to Attorneys with Qualifying Representations of each Participating Litigating Subdivision under the terms of the applicable fee contract if the Participating Litigating Subdivision were to receive the amount calculated in paragraph 2.a. This amount can be referred to as the Contingency Fee Assumption.

Illustrative Example:

Continuing the example given in paragraph 2.a, if Attorneys have a 20% contingency fee contract with City C for the relevant litigation, the amount calculated in this step would be 20% of \$1,100,000, or \$220,000.

In the next step, the Contingency Fee Assumption is used to determine the percentage share of the Contingency Fee Fund due to Attorneys for each Participating Litigating Subdivision.

(3) Divide the Contingency Fee Fund proportionately among Attorneys for each Participating Litigating Subdivision in two ways:

- a. *National Fee Pool Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts nationwide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions. Then multiply that percentage by the total amount of the Contingency Fee Funds to figure each Subdivision's dollar share of the Contingency Fee Funds.

Illustrative example:

- $\$220,000$ [from para. 2.b] \div $\$500,000,000$ [total amount owed under contingency fee contracts nationwide] = 0.044%⁶
- $0.044\% * \$195,364,179.86$ [Contingency Fee Funds] = $\$85,960.24$

- b. *Separate State Fee Pools Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts statewide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions in the same State. Then multiply that percentage by the portion of the Contingency Fee Fund that corresponds to that State's Overall Allocation Percentage, shown in Exhibit F of the relevant Settlement Agreement, to figure each Subdivision's dollar share of the Contingency Fee Fund.

Illustrative example:

- $1\% * \$195,364,179.86 = \$1,953,641.80$ [amount of the Contingency Fee Fund corresponding to State A]
- Assume a total of $\$6,000,000$ is owed under contingency fee contracts for State A.
- $\$220,000$ [from para. 2.b] \div $\$6,000,000 = 3.6666667\%$
- $3.6666667\% * \$1,953,641.80 = \$71,633.53$

⁶ In this example, \$500 million is the amount theoretically owed under all contingency fee contracts for litigation against Released Entities as calculated in paragraph 2.b. This amount is illustrative only; the actual amount will not be known until all litigating subdivisions are identified and the terms of all of their contingency fee contracts are collected.

The award of fees to Attorneys with Qualifying Representations of Participating Litigating Subdivisions will be the average of the final amounts calculated in paragraphs 3.a and 3.b above less any amounts the Fee Panel is authorized to, and does, withhold.⁷

Paragraph 3.a represents allocation based on a proportional share of a National Fee Pool, while paragraph 3.b represents allocation based on a proportional share of the Separate State Fee Pools. In other words, for the National Fee Pool described above in paragraph 3.a, the contingency fee contract rate is compared to all other contingency fee contract rates in the nation. For the Separate State Fee Pools described above in paragraph 3.b, the contingency fee contract terms are compared to the other contingency fee contract terms in that same State. The National Fee Pool and the Separate State Fee Pools are given equal weighting. This is illustrated below.

Using the first methodology, Attorneys for two Subdivisions in different States with the same amount calculated under paragraph 2.b would be assigned the same amount under paragraph 3.a. Using the second methodology, Attorneys for the same two Subdivisions would be assigned different amounts under paragraph 3.b because they are in different States. Specifically, the Subdivision in the State with a smaller proportion of Litigating Subdivisions would be allocated more than the Subdivision in the State with a greater proportion of Litigating Subdivisions.

⁷ The model also enforces a maximum fee award of 20% of the amount calculated in 2.b. This rule is designed to prevent windfalls by addressing over-allocation in a small number of states with relatively few Litigating Subdivisions. The description in this document of the Mathematical Model is by necessity an abstraction; the precise contours of the calculations are defined in the model itself.

EXHIBIT S [State Outside Counsel Fee Fund]

**Agreement on the State Outside Counsel Fee Fund
for Manufacturer Settlements**

1. Definitions.

- a. “Manufacturer” means any of Teva and Allergan, and “Manufacturers” means all of the foregoing.
- b. “Multistate Manufacturer Settlement Agreement” means This Settlement Agreement along with the separate settlement of opioids-related claims among 30 or more states and the other Manufacturer.
- c. “This Settlement Agreement” means the settlement agreement between the Settling States and the Manufacturer to which this Agreement is attached as an Exhibit.
- d. “Settling Manufacturer” means the Manufacturer that is a party to This Settlement Agreement.
- e. “Settling States” has the meaning given such term in the relevant Multistate Manufacturer Settlement Agreement.

2. Creation of a State Outside Counsel Manufacturers Fee Fund. The Settling States have agreed to the creation of a state outside counsel fee fund to pay reasonable attorneys’ fees of Settling States which have retained outside counsel in connection with litigation against one or more Manufacturers (such fund, the “State Outside Counsel Manufacturers Fee Fund”).

3. State Outside Counsel Manufacturers Fee Fund Administration. The State Outside Counsel Manufacturers Fee Fund shall be administered separately from any other funds for the payment of attorneys fees or costs in connection with This Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, state cost fund, or MDL expense fund. If necessary, a committee of Attorneys General shall be convened to oversee the State Outside Counsel Manufacturers Fee Fund (the “Manufacturers Fee Fund Committee”). The Manufacturers Fee Fund Committee shall be appointed by the Settling State Members of the Enforcement Committee and shall be comprised solely of Attorneys General of Settling States that engaged outside counsel to pursue litigation against one or more Manufacturers. The Settlement Fund Administrator (the “Fee Fund Administrator”) shall administer the State Outside Counsel Manufacturers Fee Fund according to this Exhibit and, if convened, the guidelines and directives of the Manufacturers Fee Fund Committee.

4. State Outside Counsel Manufacturers Fee Eligibility.

- a. To receive any amount from the State Outside Counsel Manufacturers Fee Fund, both of the following must be true:
 - 1. an outside counsel to a Settling State must have filed and maintained

an action in the name of a Settling State or its Attorney General against a Manufacturer in a state or federal court as of November 1, 2022; and

2. the State must become a Settling State for each Multistate Manufacturer Settlement Agreement for which it is eligible.
- b. No Settling State (or its outside counsel) shall receive funds from both the State Outside Counsel Manufacturers Fee Fund and any “Additional Restitution Amount” as may be provided for in This Settlement Agreement.
- c. In addition to the eligibility criteria set forth in Paragraph 4.a, above, and for the avoidance of doubt, only Settling States under This Settlement Agreement are eligible to receive any funds paid into the State Outside Counsel Manufacturers Fee Fund as a result of This Settlement Agreement.

5. **State Outside Counsel Manufacturers Fee Fund Amount.** The Settling Manufacturer shall pay funds into the State Outside Counsel Manufacturers Fee Fund in an amount equal to, and on the schedule identified in, Exhibit M (the “Contribution”). The Settling Manufacturer’s Contribution shall subject to a reduction as described in Paragraph 8, below.

6. **State Outside Counsel Manufacturers Fee Fund Availability and Calculation of Amount.**

- a. The State Outside Counsel Manufacturers Fee Fund shall be available to compensate private outside counsel for Settling State Attorneys General for approved fees arising out of representation of the Settling State pursuant to the schedule attached to this agreement as Schedule I (the “Fee Schedule”).
- b. The Fee Schedule is intended to reflect the fee calculation in subparagraphs 6.c and 6.d, below (the “Fee Calculation”). Subject to adjustments required by Paragraph 8, below, in the event of any discrepancy between the Fee Schedule and the Fee Calculation, the Fee Schedule shall control. Each Settling State, by becoming a Participating State in This Settlement Agreement, agrees that the Fee Schedule reflects the Fee Calculation and waives any right to contest the accuracy of the Fee Schedule, absent manifest error, the exclusion of a Settling State, or the inclusion of a Non-Settling State. The version of the Fee Schedule reflecting any necessary adjustments shall be the “Final Fee Schedule.”
- c. Except as provided in Paragraph 6.d, below, fees shall be aggregated across the Multistate Manufacturer Settlement Agreements and be calculated by adding two components: (a) a fixed amount consisting of fifty percent (50%) of the amount of remediation funds allocated to a Settling State and its Subdivisions pursuant to the Multistate Manufacturer Settlement Agreements multiplied by 4.5%; and (b) a proportional percentage of the remaining fee due under that Settling State’s contract with its outside counsel assuming that fifty percent (50%) of the Settling State’s recovery is allocable to a Settling State (rather than allocable to the Settling State’s Participating Subdivisions) so that the fees of all eligible Settling States (minus the fixed amount that

would have been allocated to any Non-Settling States had they become Settling States) exhausts the State Outside Counsel Manufacturers Fee Fund. The proportional share percentage will be the same for each Settling State included in the State Outside Counsel Manufacturers Fee Fund. Except as set forth in Paragraph 6.d, fees shall be split proportionally among each Multistate Manufacturer Settlement Agreement, as set forth on the Fee Schedule.

- d. Notwithstanding the foregoing, fees for the State of Oklahoma, if it becomes a Settling State under the Multistate Manufacturer Settlement Agreement with Allergan, shall be limited to Oklahoma's share of the State Outside Counsel Manufacturers Fee Fund derived from Allergan's Contribution. Oklahoma's share of the State Outside Counsel Manufacturers Fee Fund derived from Teva's Contribution shall be reallocated proportionally among the other Settling States eligible to receive payments from the State Outside Counsel Manufacturer Fee Fund.
- e. All amounts paid will be less any costs or fees of the Fee Fund Administrator. The Fee Schedule reflects a holdback amount of \$50,000 for such administrative expenses of the Fee Fund Administrator, the remainder of which shall be disbursed proportionally to States receiving monies from the State Outside Counsel Manufacturers Fee Fund at the conclusion of such administration.

7. **Payment by the Fee Fund Administrator.**

- a. The Fee Fund Administrator shall hold the Contribution in escrow until the earlier of (1) both Multistate Manufacturer Settlement Agreements become effective or (2) when instructed by the Settling State Members of the Enforcement Committee.
- b. Subject to eligibility pursuant to Paragraph 4, above, a Settling State's outside counsel may receive funds from the State Outside Counsel Manufacturers Fee Fund in the following scenarios ("Payment Scenarios"):
 - 1. The Settling State's outside counsel agrees that the amount listed for such state on the Final Fee Schedule either satisfies in full or exceeds the amounts owed to all such Settling State's outside counsel and such counsel has provided written notice waiving all entitlement to additional fee in respect of any Multistate Manufacturer Settlement Agreement.
 - 2. The Settling State and its outside counsel enter into a signed writing establishing the amount owed to the counsel, which includes an agreement on the payment of the amount listed for such state on the Final Fee Schedule and waives any right of the State or its outside counsel to additional amounts from the State Outside Counsel Manufacturers Fee Fund.
 - 3. A final judgment is entered that is no longer appealable, which judgement adjudicates the amount owed to the Settling State's

counsel in respect of This Settlement Agreement and directs the Manufacturers Fee Fund Committee how to pay the amount listed on the Final Fee Schedule for such State.

If no Payment Scenario is applicable with respect to a Settling State, then the Settling State's share shall be placed in an interest-bearing escrow account (less reasonable expenses of the Fee Fund Administrator) and held unless and until a Payment Scenario is applicable.

- c. Upon the applicability of a Payment Scenario 1 with respect to a Settling State, the Fee Fund Administrator shall pay that Settling State's outside counsel the amount identified on the Final Fee Schedule for such state or such lesser amount that satisfies the Settling State's obligation to its outside counsel in full. Any remaining allocation to such State shall be paid to the Settling State.
- d. Upon the applicability of a Payment Scenario 2 or 3 with respect to a Settling State, the Fee Fund Administrator shall release monies from the State Outside Counsel Manufacturers Fee Fund in either the amount held by the Fee Fund Administrator, if the amount of the agreement or judgment is equal to or more than the amount held, or the amount indicated in the agreement or in the final judgment, if the amount in the agreement or judgment is less than the amount held.
- e. Nothing herein, including the amounts listed in Paragraph 6 above or on any Fee Schedule, shall prevent a Settling State from arguing in any proceeding with its outside counsel that (i) its recovery was less than fifty percent (50%) of the recovery in the settlement agreement down to and including fifteen percent (15%) of the total recovery; (ii) any payment should be discounted by an appropriate discount rate commensurate to the risk of the settlement agreement and the timeline that the Settling State is receiving its payments; (iii) the settlement amount should be lower because the amount a Settling State receives was reduced because such Settling State's outside counsel failed to obtain joinder from a Settling State's Subdivision(s) that the outside counsel also represented; or (iv) any limitation placed by the Settling Manufacturer bars payment of a higher fee to outside counsel.
- f. In the event the amount due to the Settling State's outside counsel from an escrow account is less than the total amount of funds escrowed on the account of the Settling State, the balance shall be paid to the Settling State. In no event, other than a State becoming a Non-Settling State, shall funds revert to a Manufacturer.

8. **Non-Settling States; Reversion and Redistribution.** Amounts owed by the Settling Manufacturer to the State Outside Counsel Manufacturers Fee Fund shall be reduced by amounts allocated to the fixed amount for such State under This Settlement Agreement in the event that a listed State becomes a Non-Settling State. The payments for the other Settling States reflected in the Fee Schedule shall be adjusted by the Fee Fund Administrator to reflect a

recalculated proportional percentage under the Fee Calculation.

9. Interpretation.

- a. This Agreement shall be an Exhibit to each Multistate Manufacturer Settlement Agreement and shall include the Fee Schedule setting forth the presumptive payment calculations for each eligible Settling State. By joining This Settlement Agreement, each State agrees on the presumptive accuracy of the Fee Schedule, absent manifest error, the inclusion of a Non-Settling State, or the exclusion of a Settling State.
- b. It is the intent of all parties that the State Outside Counsel Manufacturers Fee Fund function in a similar manner, with similar calculations and mechanics, as the “State Outside Counsel Fee Fund” established in Exhibit S of that certain settlement agreement dated as of July 21, 2021 setting forth the terms of settlement between and among McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation, on the one hand, and certain settling states and certain participating subdivisions, on the other hand.

Exhibit T
Agreement on the Joint State Cost Fund

1. **Definitions.**

- a. “Opioids Defendant” means Teva, Allergan, or such other defendant in opioids-related litigation that enters into a Multistate Settlement after November 1, 2022, and “Opioids Defendants” means all of the foregoing.
- b. “Multistate Settlement” means this Settlement Agreement along with any other settlement of opioids-related claims among 30 or more states and an Opioids Defendant.
- c. “Settlement Agreement” means the settlement agreement between the Settling States and the Opioids Defendant to which this Agreement is attached as an Exhibit.
- d. “Settling Opioids Defendant” means the Opioids Defendant that is a party to the Settlement Agreement.
- e. “Settling States” has the meaning given such term in the Settlement Agreement.

2. **Creation of a State Cost Fund.** The Settling Opioids Defendant and the Settling States agree to the creation of a fund to pay costs and expenses associated with litigation and investigations related to the opioids litigation (such fund, the “State Cost Fund”). The State Cost Fund shall be administered separately from any other funds for the payment of attorneys fees or costs in connection with the Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, subdivision cost fund, or MDL expense fund. However, the State Cost Fund shall be administered jointly with similar “State Cost Funds” created in other Multistate Settlements after November 1, 2022; any state cost funds jointly administered in this manner shall be referred to as the “Joint State Cost Fund.” To the extent permissible and feasible, the Joint State Cost Fund may also be jointly administered with any fund for reimbursement of states’ litigation and investigation costs established by a bankruptcy plan, including the Mallinckrodt bankruptcy plan, any plans that may emerge from the bankruptcies of Purdue and Endo, and any similar bankruptcies of opioids defendants. To the extent feasible, the Joint State Cost Fund may also be jointly administered with the State Cost Funds established pursuant to the Distributors Multistate Settlement and the Janssen Multistate Settlement.

3. **State Cost Fund Amount.** The Settling Opioids Defendant shall pay into the State Cost Fund in the amount listed on, and on the schedule set forth in, Exhibit M (the “Settling Opioids Defendant’s Contribution”) for the purpose paying States’ costs and expenses associated with to the opioid litigation.

4. **Joint State Cost Fund Committee.** A committee of Attorneys General or their designated representatives (such committee, the “Joint State Cost Fund Committee”) shall oversee the Joint State Cost Fund. The committee shall be appointed by the Settling State Members of the Enforcement Committee, who shall aim to (i) have equal representation between states that retained contingency fee outside counsel and states that did not retain contingency fee outside counsel with respect to opioids-related litigation, and (ii) maintain consistency of committee membership across state cost funds that compose the Joint State Cost Fund. The Settling State Members of the Enforcement Committee may by majority vote add to or change the composition of the Joint State Cost Fund Committee.

5. **Joint State Cost Fund Administrator.**

- a. The Joint State Cost Fund Committee may select an administrator (the “Joint State Cost Fund Administrator”), who shall administer the Joint State Cost Fund and direct payments to Settling States according to the guidelines and directives of the Joint State Cost Fund Committee. While the expenses of the Joint State Cost Fund Administrator shall be reimbursable pursuant to the principles and guidelines listed below, the Joint State Cost Fund Administrator shall first rely on any separate funds that may be set aside for such purpose in any Multistate Settlement.
- b. The Joint State Cost Fund Administrator shall be responsible, under the direction and supervision of the Joint State Cost Fund Committee, for receiving and reviewing applications for reimbursement from the Joint State Cost Fund. This may include the creation of an audit process to ensure the integrity of submissions, as well as reimbursement rules to incentivize accurate submissions.

6. **State Cost Fund Guidelines and Principles.**

- a. Monies in the State Cost Fund shall be released without any delay to reimburse Settling States for documented costs incurred or paid in connection with litigation and investigation related to the opioid litigation.
- b. In allocating the Joint State Cost Fund, the Joint State Cost Fund Committee shall seek to comply with the following principles:
 1. Each State Cost Fund should be used to reimburse costs incurred by States that are Settling States in the Multistate Settlement from which funds are paid. (However, the foregoing sentence does not preclude a Non-Settling State that joins a separate Multistate Settlement from participating in the Joint State Cost Fund with respect to contributions made by other Opioids Defendants.)
 2. Funds in any State Cost Fund shall be primarily used to reimburse

costs incurred prior to the date on which the relevant Multistate Settlement was first made available for participation to eligible States. Regardless of other factors considered in prioritizing payments, all costs incurred prior to January 1, 2023, shall be paid before any costs incurred after that date are paid.

3. The Joint State Cost Fund shall prioritize the reimbursement of the following over reimbursement of any State's litigation or investigation costs:
 - the reasonable costs of the Joint State Cost Fund Administrator;
 - repayment of National Association of Attorneys General grants made in connection with opioid investigations and litigation, without regard to when the grants were made;
 - repayment of state-attributable costs of any mediator in connection with negotiations of a Multistate Settlement;
4. The Joint State Cost Fund shall seek to prioritize costs in the following order:
 - litigation-related costs; then
 - investigation-related costs; then
 - settlement and negotiation related costs; then
 - cost shares.
5. Costs incurred by a State's outside counsel that the State is contractually obligated to reimburse shall be treated as costs incurred by a State.
6. As between similar categories of costs (e.g., defendant-specific litigation-related costs), the Joint State Cost Fund shall first reimburse costs incurred by a State's outside counsel that the State is contractually obligated to reimburse out of its recovery, and then reimburse costs directly incurred by States.
7. The Joint State Cost Fund shall be available to reimburse only those costs which have not yet been reimbursed to a State from any other source, including any other fund set aside in a Multistate Settlement or bankruptcy plan for the reimbursement of costs or any individual

state settlements.

8. The Joint State Cost Fund should not reimburse expenses that are expected to be reimbursed from another source, such as a bankruptcy debtor, unless such expected reimbursements do not come to fruition within a reasonable amount of time. This includes cost shares paid by states.
 9. When coordinating among different state cost funds that each could be used to reimburse a given expense, the Joint State Cost Fund Committee may set guidelines to equitably distribute reimbursements across all state cost funds in a manner that prioritizes costs unlikely to be otherwise reimbursed to a similarly situated State.
 10. The Joint State Cost Fund may deny reimbursement of costs, on either an individual basis or a categorical basis, that a supermajority (75%+) of the Joint State Cost Fund Committee determines to be unreasonable.
 11. After all costs identified in the foregoing have been reimbursed, the remaining funds in the Joint State Cost Fund shall be distributed to states in proportion to their allocation of remediation payments in the Mallinckrodt bankruptcy plan. Such distribution shall be treated as a reimbursement for States' unenumerated costs of administering the Multistate Settlements and no subdivision shares shall be carved out of such disbursement, nor shall any attorney's fees be assessed against such distribution (unless individually agreed to by a State).
- c. In applying the foregoing principles, the Joint State Cost Fund Committee shall have the discretion to vary their application in order to ensure equity among similarly situated states and to facilitate the ease and speed of administering the Joint State Cost Fund. The Joint State Cost Fund Committee may also apply percentages to approximate costs attributable to a particular Opioids Defendant (or categories of Opioids Defendants) in a manner that seeks to treat similarly situated states equitably.
 - d. The Joint State Cost Fund Committee shall establish guidelines for the submission and approval of expenses eligible for reimbursement from the Joint State Cost Fund, which guidelines may be coordinated and consolidated with any similar cost funds in other state opioid settlements for purposes of joint administration and efficiency.
 - e. Unless waived by the Joint State Cost Fund Committee, the Joint State Cost

Fund Administrator shall, in accordance with such guidelines, receive from Settling States records sufficient to demonstrate the incurrence and payment of each expense.

- f. Where the Joint State Cost Fund Committee determines by a supermajority vote (75%+) that outside counsel for a Settling State has failed to exercise reasonable diligence in reviewing submitted costs for allowability, and such failure has resulted in the reimbursement of unallowed costs to such outside counsel, the Committee shall have the discretion to reduce or recover payments made to such outside counsel in an amount calculated to incentivize the exercise of reasonable diligence.

7. **State Undertakings.** Each State submitting for reimbursement of costs from the Joint State Cost Fund agrees:

- a. to only submit costs allowable under this Joint State Cost Fund Agreement;
- b. to provide all back-up documentation that may be requested with respect to any submitted cost and to make itself available for any questions related to such costs;
- c. to exercise reasonable diligence to ensure that all submitted costs are allowable under (i) this Joint State Cost Fund Agreement, (ii) the State's contract with its outside counsel, if relevant, (iii) state law, and (iv) the policies and procedures applicable to the State's retention of outside counsel, if relevant; and
- d. to promptly return any excess payments made to the State or its outside counsel from the Joint State Cost Fund, including payments made for costs that were reimbursed from another source or are not allowable hereunder.

7. “Pharmaceutical Supply Chain” shall mean the process and channels through which Controlled Substances are manufactured, marketed, promoted, distributed, or dispensed.
8. “Pharmaceutical Supply Chain Participant” shall mean any entity that engages in or has engaged in the manufacture, marketing, promotion, distribution, or dispensing of an opioid analgesic.
9. “Population” shall refer to published U.S. Census Bureau population estimates as of July 1, 2019, released March 2020, and shall remain unchanged during the term of this MOU. These estimates can currently be found at <https://www.census.gov>.

B. Allocation of Settlement Proceeds

1. All the Opioid Settlement Funds will be deposited into the Attorney General Contingency Fund and thereafter allocated as set forth below:
 - (a) County/Municipality Fund - 15%. The County/Municipality fund will receive 15% of all Settlement funds for the direct benefit of Mississippi Counties and Municipalities. The amounts to be distributed to each County and Municipality shall be determined by the Negotiation Class Metrics or other Metrics agreed upon, in writing, by a County and Municipality. Such funds may be spent for opioid abatement, or any purpose deemed appropriate by said County or Municipality.
 - i. A County or Municipality may receive direct payments from this fund only if it executes a timely release as part of the settlement.
 - ii. A non-litigating City or Town with a population under 10,000 shall not receive direct payments, but its payments shall instead be allocated to the County in which it is located.
 - (b) State of Mississippi - 15%. The State will receive 15% of all Opioid Funds paid to the State General Fund.
 - (c) University of Mississippi Medical Center’s Center for Addiction Medicine (CAM) - 70%. The CAM will receive 70% of all Opioid Funds to establish a new multidisciplinary program through Mississippi’s only academic medical center dedicated to both short-term and long-term opioid abatement. In the short-term, CAM will provide a patient-centered treatment program for patients of all ages and across the State through a continuum of inpatient, outpatient, and chronic care settings. This will include leveraging UMMC’s Center for Telehealth and utilizing existing and new collaborative community partnerships to address healthcare disparities in rural Mississippi. In the long-term, CAM will become a hub for training medical professionals, including those in pharmacy, nursing, and emergency medicine, to screen, diagnose, and treat individuals

with addiction disorders. CAM will make Mississippi a nationally recognized leader in addiction research and treatment.

C. Payment of County/Municipality Counsel and Litigation Expenses

The Parties anticipate that any national settlement will provide for the payment of fees and litigation expenses to counsel for certain Counties and Municipalities. All County/Municipality counsel that seeks attorneys' fees and expenses from their clients shall first seek to recover those amounts from the national settlement. Furthermore, the Parties agree to create a supplemental fee and expense fund (the "County/Municipality Fee Fund" or "CMFF").

1. The CMFF shall be used to pay attorneys' fees and expenses for participating Counties/Municipalities in the State that filed opioid lawsuits on or before August 1, 2021 ("Litigating Participating Counties/Municipalities").
2. The amount of funds to be deposited in the CMFF shall be contingent upon the overall percentage of Incentive Payments awarded to the State under the national settlements and paid pursuant to the following table. In no circumstance shall the CMFF receive more than 7.5% of the net Total Cash Value received by the State, including any funds received from a national fee fund as described above. If the State does not receive at least 65% of the total available Incentive Payments, the CMFF shall be null and void, and no amounts shall be paid into it.

| PERCENTAGE OF INCENTIVE PAYMENTS AWARDED | CMFF PERCENTAGE |
|---|-----------------|
| 65% | 2% |
| 70% | 3% |
| 75% | 4% |
| 80% | 5% |
| 85% | 6% |
| 90% | 6.5% |
| 95% | 7% |
| 100% | 7.5% |

3. The Parties further agree no counsel for any Litigating Participating County/Municipality shall recover from any national fee fund and the CMFF a combined contingency fee of more than 15% of the Total Cash Value received by their Litigating Participating County/Municipality client. If there are any funds remaining in the CMFF after payment of fees and expenses consistent with the terms of this MOU, those funds shall revert pro rata to the Litigating Participating Counties/Municipalities.

D. Amendments, Choice of Law, Venue, Consent Decree

1. The Parties agree to make such amendments as necessary to implement the intent of this MOU.
2. The Parties agree that this MOU, any amendments thereto, and any issue arising out of or related to this MOU shall be governed by and interpreted according to the laws of the State of Mississippi. Any action to enforce or interpret this MOU, or to resolve any dispute concerning it, shall be commenced and maintained only in a court of competent jurisdiction in Hinds County, Mississippi. The Parties understand and agree that, in connection with a settlement with any Pharmaceutical Supply Chain Participant, the State may file an appropriate action in a court of competent jurisdiction in Hinds County, Mississippi seeking a consent decree approving such settlement and the allocation of Opioid Funds within the State pursuant to this MOU.
3. The Parties agree that this MOU will apply to any Settlement with a Pharmaceutical Supply Chain Participant that requires State and County/Municipality resolution.
