“Secured Party” means each of (i) the MDT and each of its successors and permitted assigns and (ii) any agent, trustee or other representative or designee (including one or more Subsidiaries or other entities of the MDT formed to carry out its duties and obligations under the Definitive Documents) authorized or appointed to hold any security interest in or Lien on, or take possession or control of, any Collateral on behalf of and for the benefit of itself and any person described in clause (i) above.

“Securities Account” as defined in the UCC.

“Security Documents” means the Pledge Agreement, each Control Agreement, each uncertificated securities control agreement and any other Collateral Document and each of the other security agreements, pledge agreements and other instruments and documents, and each of the supplements thereto, executed and/or delivered pursuant to this Credit Support Annex or the Security Documents in order to grant or purport to grant a Lien on any assets to secure the Secured Obligations and/or under which rights or remedies with respect to such Liens are governed.

“Shared Trust Pledgors” means each of (i) Trust U/A 11/5/1974 FBO Beverly Sackler (**“74A Trust”**) and (ii) Trust B U/A 11/5/1974 FBO Beverly Sackler (**“74B Trust”**). If the 74A Trust and 74B Trust are split pursuant to the Permitted Trust Restructuring, then the resulting 50% portions for the benefit of descendants of Jonathan Sackler shall be a Trust Pledgor in the Applicable Payment Group (and not a “Crossover Member” under the Master Settlement Agreement). As of the Settlement Effective Date, the 74B Trust has split pursuant to a Permitted Trust Restructuring and its resulting 50% portion (i.e., 1974 Irrevocable Trust B FBO the Issue of Jonathan D. Sackler) is a Trust Pledgor in lieu of 74B Trust.

“Specified Assets” means cash, cash equivalents, marketable securities or investments in private equity funds or hedge funds.

“Target Value” as defined in Section 3.01(b).

“Tax Distributions” as defined in Section 5.01(ii).

“Tax Refund” as defined in Section 4.06(a).

“Trust Pledgors” means collectively: (i) each Jon Sackler ICSP (excluding any Jon Sackler ICSP that does not become a Payment Party on the Settlement Effective Date, until such time as that Person becomes a Payment Party); (ii) 50% of each Beverly and Raymond Sackler ICSP (excluding any Beverly and Raymond Sackler ICSP that does not become a Payment Party on the Settlement Effective Date, until such time as that Person becomes a Payment Party); (iii) AJ Irrevocable Trust; (iv) Trust Under Irrevocable Declaration of Trust dated December 23, 1989 FBO the Issue of Jonathan D. Sackler (Raymond R. Sackler Trust 2 dtd 12/23/89); (v) 1974 Irrevocable Trust A FBO BS and JDS (74 AJ Trust); (vi) Trust under Irrevocable Declaration of Trust dated December 23, 1989 FBO the Issue of Jonathan D. Sackler (Raymond R. Sackler Trust 2B dtd 12/23/89); (vii) Jonathan D. Sackler Life Insurance Trust; (viii) 1974 Irrevocable Trust B FBO the Issue of Jonathan D. Sackler; and (ix) 50% of the Shared Trust Pledgors, each as may be altered by the Permitted Trust Restructuring. Each of the foregoing is a “Trust Pledgor.”

“Trust Pledgor Collateral” as defined in Section 3.01(a).

“UCC” shall mean the Uniform Commercial Code or any successor provision thereof (or similar code or statute) as in effect from time to time in any applicable state or jurisdiction, to the extent it may be required to apply to any item or items of Collateral.

“Valuation Date” as defined in Section 6.01(d).

“Value” means, as of any date of determination, with respect to the Collateral or assets of the Pledgors, the value thereof determined in accordance with Section 1.04.

Section 1.03 Interpretative Provisions. The rules of construction set forth in Section 1.02 of the Master Settlement Agreement shall apply *mutatis mutandis* to this Credit Support Annex. The use herein of the word “include” or “including”, when following any general statement, term or matter, shall not be construed to limit such statement, term or matter to the specific items or matters set forth immediately following such word or to similar items or matters, whether or not non-limiting language (such as “without limitation” or “but not limited to” or words of similar import) is used with reference thereto, but rather shall be deemed to refer to all other items or matters that fall within the broadest possible scope of such general statement, term or matter. References herein to any Section, Schedule, Appendix or Exhibit shall be to a Section, a Schedule, an Appendix or an Exhibit, as the case may be, of this Credit Support Annex unless otherwise specifically provided. In addition, (i) the term “descendants” shall include all issue, including grandchildren, stepchildren and adoptive relationships, and current and former spouses and (ii) the term “spouse” shall include qualified domestic partners.

Section 1.04 Valuation Methodology.

(a) It is understood and agreed that for purposes of preparing the quarterly and annual financial reports described in this Credit Support Annex and calculating compliance with any covenant contained in this Credit Support Annex (including with respect to the Value of the initial Collateral as of the Settlement Effective Date, the Adjusted Collateral Value, the Collateral Coverage Ratio, the Individual Trust Pledgor Collateral Coverage Ratio and the Distribution Incurrence Test), net asset valuations shall be determined in all material respects in a manner that is reasonably consistent with the valuation methodologies used by Huron Consulting Services LLC to prepare the previous net asset reports delivered in the chapter 11 cases pursuant to the Amended and Restated Case Stipulation Among the Debtors, the Official Committee of Unsecured Creditors, and Certain Related Parties [D.I. No. 518] and in accordance with this Section 1.04. Notwithstanding the foregoing or anything to the contrary herein, (i) all asset valuations (including with respect to the initial Collateral as of the Settlement Effective Date, the Adjusted Collateral Value, the Collateral Coverage Ratio, the Individual Trust Pledgor Collateral Coverage Ratio and the Distribution Incurrence Test) shall exclude (A) any contingent liabilities (including tax liabilities and inchoate claims but, for the avoidance of doubt, guarantees of Indebtedness for Borrowed Money shall be counted in the determination of asset values) and (B) for the avoidance of doubt, any claims for refunds of estimated taxes that might be payable to a Trust Pledgor but for an election under section 643(g) of the Internal Revenue Code to treat the payment of such estimated taxes made by the Trust Pledgor as a payment of estimated taxes made by the Trust Pledgor’s beneficiary or beneficiaries, (ii) the Pledgors may exclude any asset or reduce any asset’s Value in their sole discretion when calculating compliance with the Collateral Coverage Ratio, the Individual Trust Pledgor Collateral Coverage Ratio or the Distribution Incurrence Test, as applicable, (iii) with respect to the valuation of assets consisting of Equity Interests that are listed or quoted for trading on the New York Stock Exchange, the NYSE MKT, the NASDAQ Global Select Market, the NASDAQ Global Market, the NASDAQ Capital Market, OTC Bulletin Board or any other national securities exchange, the “Value” thereof shall be based on the closing price of a share of such Equity Interests for the most recent trading date in proximity to the date of determination (which may be the date of determination itself), and (iv) all asset valuations shall exclude any Obligations under the Master Settlement Agreement. In determining asset valuation as of any date of determination, other than in the case of cash, cash equivalents or other assets for which market quotations are readily available and may be determined on such date of determination, the Pledgors and any Independent Financial Advisor shall use the asset valuation for the applicable assets as of the end of the most recently ended fiscal quarter for which financial statements are available as of such date of determination or, if no such quarterly valuation exists or if a more recent valuation exists,

then the most recent valuation used by North Bay and/or the Asset Manager to maintain the Pledgors' books and records.

(b) For the avoidance of doubt, no asset, liability or transaction shall be counted more than once or otherwise incorrectly attributed under this Credit Support Annex. For example, the computation of "Value" and the application of the other provisions of this Credit Support Annex shall take into account only a Pledgor's proportionate ownership of any asset or liability (e.g., if an Investment Holding Vehicle owns [X]% of an underlying investment vehicle (regardless of whether that vehicle is a Subsidiary), then in all cases only [X]% of the Value of that vehicle's equity, and only [X]% of any transactions attributable to that vehicle if it is a Subsidiary of the Investment Holding Vehicle, shall be attributed to such Investment Holding Vehicle, so as to avoid double counting or other improper attributions under the requirements and limitations of this Credit Support Annex).

Section 1.05 Division. For all purposes under this Credit Support Annex, in connection with any division or plan of division under Delaware Law or any comparable event under a different jurisdiction's Laws, as applicable: (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests.

Section 1.06 Family Offices. Kokino and any Pledgor or Investment Holding Vehicle may transfer such asset management authority to one or more other "family offices" that are exclusively controlled by one or more other members of the Jonathan Sackler family or trusts for their benefit, so long as such assignee agrees to requirements, obligations and pledges that are equivalent to those concerning Kokino as set forth in this Credit Support Annex.

ARTICLE II. SETTLEMENT PAYMENT OBLIGATIONS

Section 2.01 Payment of Applicable Payment Group Settlement Payment Obligations.

(a) Notwithstanding Section 2.01(c) of the Master Settlement Agreement, with respect to each Payment Party in the Applicable Payment Group, on each Payment Date:

(i) the Jon Sackler ICSPs and the Beverly and Raymond Sackler ICSPs shall pay, or cause to be paid (on a joint and several basis with each other and among themselves), the Settlement Payment Obligation of the Applicable Payment Group by the applicable Payment Date (other than SOR and RCR "top-off payments");

(ii) the Trust Pledgors (other than the Jon Sackler ICSPs and the Beverly and Raymond Sackler ICSPs) shall pay, or cause to be paid (on a joint and several basis with the other Trust Pledgors who are not Jon Sackler ICSPs and Beverly and Raymond Sackler ICSPs), to the MDT the Applicable Payment Group's Settlement Payment Obligation by the applicable Payment Date, but solely to the extent such obligation is not paid pursuant to clause (i) above; and

(iii) the Non-ICSP Payment Parties shall pay, or cause to be paid (on a joint and several basis with the other Non-ICSP Payment Parties), to the MDT the Applicable Payment Group's Settlement Payment Obligation by the applicable Payment Date, but solely to the extent such obligation is not paid pursuant to clause (i) or (ii) above;

provided, that:

(A) No Jon Sackler ICSP or Beverly and Raymond Sackler ICSP shall have any obligation to make any payment (and shall not be in breach or otherwise liable to the MDT for failure to make any such payment) if and to the extent (i) it does not have sufficient liquid assets to do so (excluding any liquid assets reserved in good faith for the payment of Taxes or administrative expenses (including professional fees)) and (ii) such payment is made by another member of the Applicable Payment Group,

(B) Payments by a given Beverly and Raymond Sackler ICSPs shall be subject to it becoming a Payment Party pursuant to Exhibit D to the Master Settlement Agreement, as applicable;

(C) Payments by the Jon Sackler ICSPs shall be subject to receiving all governmental, regulatory, or court approvals that the fiduciaries of the Jon Sackler ICSPs deem to be necessary or appropriate; and

(D) Neither the Jon Sackler ICSPs nor the Beverly and Raymond Sackler ICSPs shall be entitled to seek contribution, reimbursement, or indemnification from any other Payment Party or from any Shareholder Released Party with respect to any amounts so paid.

(b) For purposes of the Master Settlement Agreement, references to “joint and several” with respect to the Payment Parties within the Applicable Payment Group shall have the meaning set forth above. For the avoidance of doubt, nothing herein shall be construed to relieve any Payment Party from its Obligations under the Master Settlement Agreement and the Security Documents or to limit or otherwise modify the Secured Party’s rights if it elects the Payment Remedy following a Payment Group-wide Specified Breach with respect to Applicable Payment Group.

ARTICLE III. COLLATERAL MATTERS

Section 3.01 Security; Security Documents.

(a) As credit support for, and to secure the prompt payment and performance of the Payment Obligations of the Applicable Payment Group under the Master Settlement Agreement to the Secured Party (the “**Secured Obligations**”) (it being understood and agreed that all security interests granted under the Security Documents shall terminate as provided in Section 8.01):

(i) each Trust Pledgor shall, on or before the Settlement Effective Date, grant a perfected First Priority security interest in and Lien on all of its right, title and interest in the following property, wherever located, and whether now owned or hereafter acquired (the “**Trust Pledgor Collateral**”):

(A) 100% of the equity interests owned by each Trust Pledgor in the Holding Company Pledgors formed by such Trust Pledgor;

(B) the Designated Assets Proceeds Accounts, all amounts held therein or credited thereto, and all other proceeds, products, dividends or other property received, receivable, distributed, or distributable in respect of the Designated Assets;

(C) 100% of the IAC Pledged Shares owned by the Trust Pledgors, each IAC Account owned by the Trust Pledgors and all amounts held therein or credited thereto; and

(D) all proceeds and products of the foregoing (including, for the avoidance of doubt, all dividends, cash, options, warrants, instruments, certificates and other property and proceeds from time to time received, receivable or otherwise distributed in respect of, in exchange for or upon the conversion of, such Equity Interests);

(ii) each Holding Company Pledgor shall, on or before the Settlement Effective Date, grant a perfected First Priority security interest in and Lien on all of its right, title and interest in the following property, wherever located, and whether now owned or hereafter acquired (the **“Holding Company Pledgor Collateral”**):

(A) substantially all assets of such Holding Company Pledgor (including (i) 100% of the Equity Interests in all underlying Investment Holding Vehicles owned by such Holding Company Pledgor, (ii) its rights under Asset Management Agreements between such Holding Company Pledgor and the Asset Manager with respect to voting rights to liquidate assets and (iii) all Cash Collateral Accounts and all amounts held therein or credited thereto) as described in the Pledge Agreement; and

(B) all proceeds and products of the foregoing (including, for the avoidance of doubt, all dividends, cash, options, warrants, instruments, certificates and other property and proceeds from time to time received, receivable or otherwise distributed or distributable in respect of, in exchange for or upon the conversion of, the foregoing); and

(iii) the Asset Manager shall, on or before the Settlement Effective Date, grant a perfected First Priority security interest in and Lien on all of its right, title and interest in the Asset Management Agreements between any Holding Company Pledgor and the Asset Manager with respect to voting rights to liquidate assets and any proceeds and products thereof (together with the Trust Pledgor Collateral and the Holding Company Pledgor Collateral, collectively, the **“Collateral”**).

Notwithstanding the foregoing, in no event shall the Collateral include (I) investments held by an Investment Holding Vehicle that are distributed to a Holding Company Pledgor for the sole purpose of transferring such investment to another Investment Holding Vehicle, (II) any assets being contributed to any Holding Company Pledgor on a “post-closing” basis, so long as, in each case, such assets are contributed to an Investment Holding Vehicle within five (5) Business Days of their receipt by, or contribution to, a Holding Company Pledgor, (III) any property the pledge of which or security interest therein is prohibited by applicable Law (including any legally effective requirement to obtain the consent of any Governmental Authority), contract and any governmental licenses or state or local franchises, charters or authorizations, to the extent a security interest therein would be prohibited or restricted thereby (including any legally effective prohibition or restriction), in each case (x) except to the extent such prohibition or restriction is unenforceable after giving effect to applicable anti-assignment provisions of the UCC or any other applicable Law (other than proceeds thereof, the assignment of which is expressly deemed effective under the UCC notwithstanding such prohibition or restriction) and (y) provided that, at such time as the prohibition or restriction in this clause (III) shall be remedied, whether by contract, change of Law or otherwise, such property shall immediately cease to be Excluded Property, and any security interest that would otherwise be granted herein or under the Security Documents shall attach immediately to such property, or to the extent severable, to any portion thereof that does not result in the prohibition or restriction in this clause (III), (IV) any lease, license or other agreements (other than organizational documents of the Pledgors or any Investment Holding Vehicle) to the extent that a security interest therein

would violate or invalidate such lease, license or agreement or create a right of termination in favor of any other party thereto or a default thereunder, in each case except to the extent such violation, invalidation or termination right is unenforceable after giving effect to applicable anti-assignment provisions of the UCC or any other applicable Law, and provided that any such provision in any lease, license or other agreement was not entered into after the date hereof with the purpose of excluding such asset from the Collateral and (V) ownership interests in any non-wholly-owned Subsidiaries but only to the extent the organizational documents or other agreements with non-Related Party equity holders of such non-wholly-owned Subsidiaries do not permit the pledge of such ownership interests for so long as such prohibition exists, in each case after giving effect to the anti-assignment provisions in the UCC or applicable Law (the assets and property referred to in the foregoing clauses (I) through (V) are collectively referred to herein as the “**Excluded Property**”); provided that, in the case of clauses (III) through (V), (i) the Collateral shall include the replacements, substitutions and proceeds of any of the foregoing property in clauses (III) through (V) unless such replacements, substitutions or proceeds also constitute Excluded Property in accordance with clauses (III) through (V) above and (ii) clauses (III) through (V) above shall not apply to property or assets (that would otherwise constitute Collateral but for the above exclusions) valued at more than \$250,000 in the aggregate for all such property or assets.

(b)

(i) Without limiting the generality of clause (a) of this Section 3.01, on the Settlement Effective Date the Secured Party shall have a perfected First Priority security interest in and Lien on (A) 100% of the Equity Interests of the Holding Company Pledgors and (B) substantially all assets of the Holding Company Pledgors pursuant to Section 3.01(a)(ii); and

(ii) After giving effect to contributions and pledges specified above, and applying solely the Values determined as of the Valuation Date (as defined below) pursuant to Section 6.01, as of the target Settlement Effective Date described in Section 6.01, the collective Value of the assets and equity interests held by Holding Company Pledgors in Investment Holding Vehicles and assets that are subject to Designated Assets Proceeds Accounts shall be not less than 90% of the Trust Pledgors’ aggregate Value (in each case, valued as of the Valuation Date pursuant to Section 6.01); provided that, in connection therewith, the Trust Pledgors shall use commercially reasonable efforts to cause the collective Value of the assets and equity interests held by Holding Company Pledgors in Investment Holding Vehicles (valued as of the Valuation Date) to be not less than 80% of the Trust Pledgors’ aggregate Value as of the Valuation Date (collectively, the “**Target Value**”). The Target Value and the percentages referenced in this paragraph will (i) exclude any Excluded Property and (ii) assume that the Equity Interests of the IACs and all loan receivables from IACs are valued at zero. For the avoidance of doubt, the Target Value and thresholds are measured based on the assets and equity interests actually held by Holding Company Pledgors, Investment Holding Vehicles, Designated Asset Proceeds Accounts and IAC Accounts as of the target Settlement Effective Date (after giving effect to any payment of the Payment Obligations made on the Settlement Effective Date), with the Value of each determined as of the Valuation Date, all in accordance with Section 6.01.

(c) The Pledgors shall not be required, nor shall the Secured Party be authorized, to perfect any pledge or security interest hereunder by any means other than by (i) filing financing statements (including continuation statements) pursuant to the UCC in the office of the secretary of state (or similar central filing office) of the relevant state or jurisdiction for each Pledgor, (ii) in the case of Collateral consisting of Equity Interests in any Holding Company Pledgor or Investment Holding Vehicle organized in jurisdictions outside the U.S., the entry into non-US law share pledge agreements and the filing of financing statements or local law equivalents and other perfection actions in relevant non-US jurisdictions, (iii) the delivery to the Secured Party of certificates or other instruments (if any) representing pledged

Equity Interests, together with stock transfer powers or other instruments of transfer (if any) with respect thereto endorsed in blank, (iv) in the case of the pledge of Equity Interests in any Holding Company Pledgor or Investment Holding Vehicle in the form of uncertificated securities, the execution of uncertificated securities control agreements and (v) solely in the case of the Designated Asset Proceeds Accounts (subject to Section 4.07) and Cash Collateral Account, the delivery of executed Control Agreements with respect to such Designated Asset Proceeds Accounts or Cash Collateral Account.

(d) Each Pledgor shall promptly and duly take, execute, acknowledge and deliver such further acts, documents and assurances as may from time to time be necessary or as the Secured Party may from time to time reasonably request in order to carry out the intent and purposes of the Security Documents and consistent with this Credit Support Annex (including making non-U.S. filings, the entry into non-U.S. security agreements and the entry, by the applicable Pledgor and any Holding Company Pledgor or Investment Holding Vehicle that is the issuer of pledged Equity Interests that are uncertificated securities, into an uncertificated securities control agreement) to establish, create, preserve, protect, perfect, and maintain perfection of a First Priority lien on the Collateral in favor of and for the benefit of the Secured Party (including Collateral acquired after the date hereof) and to exercise any and all remedies in respect thereof.

(e) The Security Documents shall contain customary release provisions providing for the release of the security interests in the Collateral upon a Disposition of Collateral not prohibited by this Credit Support Annex (for the avoidance of doubt, the security interest of the Secured Party shall not be released from Collateral when it is disposed of from one Pledgor to another).

(f) Notwithstanding anything to the contrary herein:

(1) Assets or property held in a Designated Asset Proceeds Account may be transferred to any part of the Collateral (e.g., to an Investment Holding Vehicle).

(2) Unless an Enforcement Event or Breach Trigger in respect of a Specified Breach shall have occurred and be continuing with respect to the applicable Trust Pledgor or the Applicable Payment Group, (i) assets in a Designated Assets Proceeds Account may be withdrawn by such Trust Pledgor at any time, and the liens granted in favor of the MDT on such assets shall be released automatically upon such withdrawal, and (ii) upon notice to the MDT, the liens granted in favor of the MDT on proceeds of the Designated Assets and/or the Designated Assets Proceeds Account shall be released automatically.

(3) Nothing in this Credit Support Annexes modifies Section 2.06 of the Master Settlement Agreement, including the requirement that the MDT's rights to any IAC Payment Party's IAC Sale Bonus Payment are limited to the IAC Payment Party's IAC Collateral, and the MDT's sole recourse with respect to each IAC Payment Party's failure to timely pay its IAC Sale Bonus Payment in full shall be to exercise remedies only with respect to that IAC Payment Party's IAC Collateral.

Section 3.02 Tax Forms.

(a) Each Pledgor shall provide to the Secured Party and keep up to date a duly completed and executed IRS Form W-9 (or any successor form) and shall provide any other tax forms or certifications that the Secured Party may reasonably request to permit the Secured Party to comply with any applicable tax withholding or reporting requirements.

(b) Each Pledgor shall provide to the purchaser of any Collateral, or such purchaser's designated agent(s), a duly completed and executed IRS Form W-9 (or any successor form) and shall provide any other tax forms or certifications that such purchaser or such purchaser's agent(s) may reasonably request to minimize amounts required to be withheld, set off or otherwise deducted for any Taxes in connection with any sale of the Collateral.

Section 3.03 New Pledgor; Additional Collateral.

(a) In the event a Trust Pledgor is subject to a consolidation, merger, division, dissolution or liquidation or similar reorganization (other than pursuant to a Permitted Trust Restructuring (which shall be governed by Section 5.06) or Section 5.08), the resulting, surviving or transferee trust(s) (a "**New Trust Pledgor**") (x) the applicable Trust Pledgors party to such transaction shall deliver notice to the MDT and (y) within sixty (60) days of such event (or such longer period as may be agreed to in writing by the MDT (acting reasonably)), such Trust Pledgors shall (and shall cause the New Trust Pledgor to) (I) execute and deliver to the MDT such amendments or supplements to the Security Documents as required thereby or such other documents, instruments or agreements required by this Credit Support Annex or the Security Documents to grant to the Secured Party a perfected First Priority security interest in and a Lien on the Equity Interests in any Holding Company Pledgor owned by such New Trust Pledgor in accordance with Section 3.01(a)(i) and (II) take all actions to cause such security interest and Lien to be duly perfected as required by Section 3.01(c).

(b) In the event a Holding Company Pledgor is subject to a consolidation, merger, division, dissolution or liquidation or similar reorganization, or a new Holding Company Pledgor is formed or acquired by a Trust Pledgor following the Settlement Effective Date (such newly formed, acquired, resulting, surviving or transferee entit(ies) (a "**New Holding Company Pledgor**"), (x) the applicable Holding Company Pledgor party to such transaction shall deliver notice to the MDT and (y) within sixty (60) days of such event (or such longer period as may be agreed to in writing by the MDT (acting reasonably)), such New Holding Company Pledgor shall (and shall cause the New Holding Company Pledgor to) (I) execute and deliver to the MDT such amendments or supplements to the Security Documents as required thereby or such other documents, instruments or agreements required by this Credit Support Annex or the Security Documents to grant to the Secured Party a perfected First Priority security interest in and a Lien on those assets of such New Holding Company Pledgor that constitute or are intended to constitute Holding Company Pledgor Collateral and (II) take all actions to cause such security interest and Lien to be duly perfected as required by Section 3.01(c).

(c) Following the acquisition or formation of any Investment Holding Vehicle, or any other acquisition of additional Equity Interests or other assets that constitute Collateral and that are not automatically secured and perfected pursuant to the Security Documents (including filed UCC financing statements), (x) the applicable Pledgor shall deliver notice to the MDT and (y) within sixty (60) days of such acquisition, the applicable Pledgor shall (I) execute and deliver to the MDT such amendments or supplements to the relevant Security Documents as required thereby or such other documents or agreements required by this Credit Support Annex or the Security Documents to grant to the Secured Party a perfected First Priority security interest in and a Lien on such Equity Interests or other Collateral and (II) take such other actions to cause such security interest and Lien to be duly perfected as required by Section 3.01(c).

(d) Following the joinder of a new Pledgor, or with respect to the acquisition of additional Equity Interests that constitute Collateral and that are not automatically secured and perfected pursuant to the Pledge Agreement or other Security Documents (including filed UCC financing statements), at the reasonable request of the Secured Party, the applicable Pledgor shall deliver a customary opinion of counsel with respect to the new Collateral and the applicable Security Documents covering the execution and delivery of such Security Documents, the corporate and/or trustee authority, as applicable, of the Pledgors

to enter into such Security Documents and perform the obligations thereunder and the creation, perfection and enforceability of the relevant security interest with respect to the Collateral.

**ARTICLE IV.
AFFIRMATIVE COVENANTS**

Section 4.01 Reports.

(a) *Quarterly Reports.*

(i) Each Trust Pledgor (a “**Reporting Party**”) shall deliver to the Secured Party within sixty (60) days following the end of each fiscal quarter, quarterly financial reports in the form attached hereto as Exhibit A (each, an “**Exhibit A Report**”) with respect to such Trust Pledgor, which Exhibit A Report shall (A) to the reasonable knowledge of the Asset Manager, specify the amounts held in bank and brokerage accounts located outside the United States, (B) be accompanied by a schedule of any Restricted Payments made by the Trust Pledgor’s Holding Company Pledgors and their Subsidiaries during such period; provided that no such schedule of Restricted Payments shall be required if the Collateral Coverage Ratio reflected in such Exhibit A Report is greater than 1.30:1.00, provided that if such ratio is not met in any subsequent calendar quarter, such schedule shall reflect any Restricted Payments made in the immediately preceding 6-month period (or, if shorter, the period following the close of the last calendar quarter for which such schedule was previously delivered through the last day of the immediately preceding calendar quarter for which the applicable Exhibit A Report is being delivered), and (C) be accompanied by a compliance certificate from the Asset Manager substantially in the form attached hereto as Exhibit B, which will be based on the aggregated Exhibit A Reports provided by the Trust Pledgors for the relevant period; and

(ii) no later than April 30 of each fiscal year, the Pledgors shall have delivered to the Secured Party a certification from an Independent Financial Advisor confirming that, to such advisor’s knowledge and after due investigation, the Values presented in the Exhibit A Reports delivered under Section 3.01(a)(i) for the immediately preceding fiscal quarter ended December 31 fairly represent the Trust Pledgors’ Value as of such date in all material respects.

(b) *Conference Calls.* At the request of the MDT, and subject to confidentiality arrangements reasonably satisfactory to the Pledgors, the Pledgors shall use commercially reasonable efforts to cause one representative from their Independent Financial Advisor and one representative from the Asset Manager to attend a semi-annual telephonic conference call with advisors of the MDT at a reasonable time to be mutually agreed, which conference call shall address matters shown on the Exhibit A Reports; provided that the MDT shall not request more than one conference call in any six (6) month period.

(c) *Pledge Agreement Supplements.* Within thirty (30) days after each calendar year, the Pledgors shall deliver to the Secured Party a supplement to the Pledge Agreement schedules to reflect any changes to the information set forth thereon necessary to ensure the attachment and perfection of First Priority Liens, as required under Section 3.01(d) on assets that constitute or are required to constitute Collateral and a certification that the Secured Party’s liens in the Collateral remain perfected in accordance with the Pledge Agreement as of the date of such certificate, all of which will be in a form substantially similar to the form attached hereto as Exhibit D. Each Pledgor shall only be responsible for supplementing its own information.

(d) *Other Developments.* The Pledgors shall promptly (in any event within thirty (30) days) notify the Secured Party of (i) the formation of, or acquisition or issuance of Equity Interests of, any

Holding Company Pledgor or Investment Holding Vehicle, (ii) any change to the entity name, entity type, jurisdiction of organization, tax or organizational ID, or location of the chief executive office or principal place of business of any Pledgor or (iii) the opening of any new or substitute Designated Assets Proceeds Account, Cash Collateral Account or IAC Account. Each Pledgor shall only be responsible for providing notice of its own information.

(e) *Pre-Settlement Effective Date Reporting.* As a condition precedent to the Settlement Effective Date, the Applicable Payment Group will provide a pre-Settlement Effective Date collateral report in accordance with the terms of, and within the time period set forth in, in Exhibit C hereto.

Section 4.02 Preservation of Existence. Each Pledgor shall, except as permitted under Section 5.06 (including pursuant to a Permitted Trust Restructuring), (a) preserve, renew and maintain in full force and effect its legal existence under the laws of the jurisdiction of its organization; and (b) take all reasonable action to maintain all material rights and privileges (including its good standing, if such concept is applicable in its jurisdiction of organization) necessary or desirable in the normal conduct of its business, in each case to the extent that the failure to do so could reasonably be expected to result in a Material Adverse Effect.

Section 4.03 Compliance with Laws. Each Pledgor shall comply with the requirements of all applicable Laws and all material orders, writs, injunctions and decrees of any Governmental Authority applicable to it or its business or property in each case to the extent that the failure to do so could reasonably be expected to result in a Material Adverse Effect.

Section 4.04 Books and Records. Each Pledgor shall maintain proper books of record and account in a manner consistent with past practice.

Section 4.05 Reinvestment. The Holding Company Pledgors shall reinvest returns on, and returns of, and any other proceeds of, investments in additional investments made by them and/or their respective Investment Holding Vehicles, and cash proceeds received by the Holding Company Pledgors shall be promptly contributed to their respective Investment Holding Vehicles, or to make payments or to make distributions to the applicable Trust Pledgor in each case, to the extent not prohibited by this Credit Support Annex and the Pledge Agreement.

Section 4.06 Tax Matters and Trust Pledgor Tax Refunds.

(a) Beginning with the tax year in which the Settlement Effective Date occurs, and for each tax year thereafter until (and for so long as) the Full Outstanding Settlement Amount has been reduced to zero, upon each occasion that a Trust Pledgor actually receives a cash tax refund relating to a tax payment made after the Settlement Effective Date (a “**Tax Refund**”), such Trust Pledgor shall determine the aggregate Restricted Payments received by it pursuant to Section 5.01(ii) less any prior contributions of Tax Refunds made pursuant to this paragraph (the “**Section 5.01(ii) Amount**”). If the Section 5.01(ii) Amount is greater than zero, the Trust Pledgor shall, as soon as reasonably practicable after receiving such Tax Refund, contribute cash to its Holding Company Pledgor in an amount equal to the lesser of (x) such Tax Refund then received and (y) the Section 5.01(ii) Amount. For the avoidance of doubt, a Trust Pledgor may elect to apply any tax overpayment to future tax liabilities in lieu of requesting a refund, and any such election shall not give rise to any obligation to make a contribution to the Collateral, but the amount of such credits shall be taken into account in determining the amount of Tax Distributions permitted pursuant to Section 5.01(ii).

(b) Each Trust Pledgor shall pay and discharge promptly all Taxes that it reasonably and in good faith determines must be paid before becoming delinquent or in default; provided that such payment and discharge shall not be required with respect to:

(i) Taxes being contested in good faith by appropriate proceedings as long as any such contested Taxes determined to be due shall be paid no later than the earlier of (A) 60 days following the date on which such determination (within the meaning of Section 1313(a) of the IRC for U.S. federal income taxes and by analogy for other Taxes) becomes final and non-appealable and (B) the date on which the relevant taxing authority has the legal right to seize, or force a sale of, the property of the Trust Pledgor or Holding Company Pledgor in full or partial satisfaction of such contested Taxes, provided that the existence of such legal right is known, or reasonably should have been known to, the Trust Pledgor or Holding Company Pledgor, or

(ii) Taxes the non-payment of which, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect.

(c) Except as would not reasonably be expected to result in a Material Adverse Effect, each Trust Pledgor shall timely (after taking into account any applicable extensions) file all federal, state, foreign and other tax returns and reports that it reasonably and in good faith determines are required to be filed.

Section 4.07 Control Agreements. Within sixty (60) days after the Settlement Effective Date, the Trust Pledgors shall take reasonable steps to provide to the MDT (or its counsel) duly executed copies of the Control Agreement(s) in respect of such Designated Assets Proceeds Accounts. If the MDT determines that the Trust Pledgors are not taking steps reasonably necessary to open such Designated Assets Proceeds Accounts or to provide duly executed copies of Control Agreement(s) in respect of such accounts, the MDT shall provide notice to the applicable Trust Pledgors. If, upon ten (10) Business Days prior written notice, the Trust Pledgors do not take steps reasonably necessary to open such Designated Assets Proceeds Accounts or to provide duly executed copies of Control Agreement(s) in respect of such accounts, the MDT shall be permitted to seek relief in the Bankruptcy Court to compel specific performance.

ARTICLE V. NEGATIVE COVENANTS

Section 5.01 Restricted Payments. The Holding Company Pledgors shall not, directly or indirectly (including through any Investment Holding Vehicle or any Subsidiary thereof) make any Restricted Payments and the Trust Pledgors shall not make any Restricted Payments consisting of withdrawals or transfers from any IAC Accounts in each case, except:

(i) Restricted Payments in an unlimited amount, so long as each of the following conditions is satisfied:

(A) no Enforcement Event or Breach Trigger in respect of a Specified Breach shall have occurred and be continuing with respect to the applicable payor or any Trust Pledgor, Holding Company Pledgor or Subsidiary that is a parent of such payor;

(B) after giving effect to such Restricted Payment on a pro forma basis, the Collateral Coverage Ratio (as defined below) shall not be less than 1.10 to 1.00 (the condition set forth in this clause (B), the “**Distribution Incurrence Test**”); and

(C) the Pledgors are in compliance with the Liquidity Covenant;

(ii) Restricted Payments, as reasonably determined in good faith by the relevant Trust Pledgor (and after taking into consideration all available tax credits, tax deductions and losses), to pay tax obligations (including estimated tax payments) of or on behalf of any Payment Party in the Applicable Payment Group, so long as such Restricted Payments are paid to the appropriate tax authority (“**Tax Distributions**”);

(iii) Restricted Payments to pay management fees to the Asset Manager (and any other similar “family office”) in an aggregate amount in any calendar year not to exceed 1.00% per annum of the Value of the Collateral (excluding the Value of IAC equity interests) as of the start of such calendar year; provided, however, that Restricted Payments to pay management fees to North Bay (or its successors) shall not be subject to such cap so long as (1) North Bay is not operated as a profit center and (2) no Sackler family members receive remuneration from North Bay. It is understood and agreed that if either of the foregoing conditions is not satisfied, then the aggregate management fees payable to North Bay in any calendar year pursuant to this clause (iii) shall not exceed 0.25% per annum of the Value of the Collateral (excluding the Value of IAC equity interests,) as of the start of such calendar year (it being understood and agreed that if the Settlement Effective Date does not fall on the first day of a calendar year, the cap on family office overhead for the year in which the Settlement Effective Date occurs will equal (A) the Target Value multiplied by (B) the annual rate cap prorated for the number of days remaining in that calendar year from and after the Settlement Effective Date. For example, if the Settlement Effective Date is March 31, 2026, the Asset Manager management fee rate for 2026 would be $(275/365) \times 1.00\%$);

(iv) Restricted Payments to pay Payment Obligations and any other prepayment or defeasance of a Settlement Payment Obligation of the Applicable Payment Group or other amounts owed under any Settlement Agreement under the Master Settlement Agreement or the Plan;

(v) In the event a Trust Pledgor is subject to a Qualifying Judgment, Restricted Payments to pay such judgment in an amount such that the Individual Trust Pledgor Collateral Coverage Ratio of that Trust Pledgor is not less than 1.10 to 1.00 after giving effect to such transaction;

(vi) Restricted Payments to pay Litigation Costs of the Applicable Payment Group (A) to the extent such Litigation Costs, when applied against the Available Retained Payment Amount of such Applicable Payment Group (determined immediately prior to giving effect to such Litigation Costs), does not reduce such Available Retained Payment Amount below zero, or (B) if, as of any date of determination, Litigation Costs of the Applicable Payment Group exceed the amount permitted to be paid under Section 5.01(vi)(A) as of such date (if any), Restricted Payments may be made to pay Litigation Costs in an aggregate amount not to exceed the aggregate RCR Litigation Cost Advances and SOR Litigation Cost Advances actually received by the Holding Company Pledgors and their wholly owned Subsidiaries from PRA L.P. in respect of the Applicable Payment Group;

(vii) (A) Restricted Payments by an Investment Holding Vehicle to a Holding Company Pledgor and (B) Restricted Payments by a Subsidiary of a Holding Company Pledgor or Investment Holding Vehicle to its equityholders; provided that, to the extent such Subsidiary is not directly or indirectly wholly owned by one or more Holding Company Pledgors or Investment Holding Vehicles, such Restricted Payment shall be made to the equityholders of such Subsidiary either (x) on a pro rata basis or (y) in accordance with the applicable organizational documents, shareholders’ agreement, subscription agreements, or other shareholder documents of such

Subsidiary (to the extent the material terms of such document(s) are consistent with past practice or reasonably customary in the investment industry), so long as such Restricted Payment does not reduce the Adjusted Collateral Value after giving effect to such Restricted Payment;

(viii) Other Restricted Payments in an aggregate amount not to exceed \$100,000,000 by the Applicable Payment Group; provided that (A) the aggregate amount of Restricted Payments made pursuant to this clause (viii) in the first 12-month period following the Settlement Effective Date shall not exceed \$50,000,000 and (B) no Enforcement Event or Breach Trigger in respect of a Specified Breach by the applicable Trust Pledgor or the Applicable Payment Group shall have occurred and be continuing.

In addition, it is understood and agreed that:

(A) (1) Unless an Enforcement Event or Breach Trigger in respect of a Specified Breach shall have occurred and be continuing with respect to the applicable Trust Pledgor, as set forth in sub-clause (A)(2) below, or the Applicable Payment Group, as set forth in clause (A)(3) below, assets in a Designated Assets Proceeds Account may be withdrawn by the applicable Trust Pledgor at any time.

(2) Upon the occurrence and during the continuance of an Enforcement Event or Breach Trigger in respect of a Specified Breach with respect to a Trust Pledgor, such Trust Pledgor shall not be permitted to withdraw assets from its Designated Asset Proceeds Accounts.

(3) Upon the occurrence and during the continuance of an Enforcement Event or Breach Trigger in respect of a Specified Breach with respect to the Applicable Payment Group, no Trust Pledgor shall be permitted to withdraw assets from a Designated Asset Proceeds Account.

(B) Cash in an IAC Account attributable to the Applicable Payment Group shall be deemed held by a Holding Company Pledgor for purposes of this Credit Support Annex. Any withdrawal from such an IAC Account shall be treated as a "Permitted Withdrawal" for purposes of the Master Settlement Agreement to the extent it either (i) does not constitute a Restricted Payment or (ii) constitutes a Restricted Payment made in compliance with the Restricted Payment covenant in this Credit Support Annex, in each case, assuming for the purposes hereof that such withdrawal is being made by a Holding Company Pledgor. However, if an IAC Payment Party is not a Trust Pledgor or a Subsidiary of a Trust Pledgor, such IAC Payment Party may make "Permitted Withdrawals" from its IAC Account only in the following circumstances:

(1) to pay Payment Obligations;

(2) to make any payment or transfer from an IAC Account of a Trust Pledgor or a Subsidiary of a Trust Pledgor that is expressly permitted pursuant to the Master Settlement Agreement, including any transfer that reduces the amount of an IAC Distributions pursuant to the definition thereof and any transfer pursuant to Section 3.06 of the Master Settlement Agreement, including transfers to another IAC Account;

(3) to make payments to a Holding Company Pledgor or an Investment Holding Vehicle, along with any other entity whose equity interests are 100% pledged

(directly or indirectly) to the Secured Party as contemplated by this Credit Support Annex;
and

(4) for any other purpose if the Collateral Coverage Ratio is at least 1.10 to 1.00 on a pro forma basis after giving effect to such transactions; provided, however, that if the IAC Payment Party is an entity ultimately owned by persons who are not members of the Jonathan Sackler family (including Trust Pledgors and any other trusts established for the benefit of Jonathan Sackler's spouse and/or descendants), then any Permitted Withdrawal under this clause (4) may only be made and distributed to the owners who are part of the Jonathan Sackler family group, pro rata in proportion to their respective ownership interests in the IAC Payment Party (e.g., if the IAC Payment Party is 50% owned by Trust Pledgors, then only 50% of its IAC Account balance may be withdrawn and transferred to those Trust Pledgors pursuant to this clause (4)).

In addition, it is understood and agreed that transactions permitted under this Section 5.01 may also be effected by way of a loan to the applicable Trust Pledgor or other Person.

Section 5.02 Related Party Transactions. Each Holding Company Pledgor shall not, and shall not permit its Investment Holding Vehicles or any of their other direct or indirect Subsidiaries to, enter into any transaction with any Related Party (each a "**Related Party Transaction**") unless such transactions are on terms no less favorable to the Holding Company Pledgor or Investment Holding Vehicle (or Subsidiary) than would reasonably have been obtained in a comparable, arm's length transaction with a Person who is not a Related Party; provided that, for any Related Party Transaction or series of related Related Party Transactions with an aggregate value in excess of \$50,000,000, the relevant Pledgors shall deliver to the Secured Party a written opinion, in form reasonably acceptable to the Secured Party, by any Independent Financial Advisor stating that such transaction or series of related transactions complies with this Section 5.02.

The foregoing restrictions in this Section shall not apply to the following:

(i) (A) any beneficiaries or other Related Party shall be permitted to use residential real estate, art and collectibles and other tangible personal property (but, for the avoidance of doubt, excluding cash, cash equivalents, securities and other financial assets), in the ordinary course, to the extent such use does not result in a Material Adverse Effect and the primary purpose of which is not to circumvent the provisions of this Credit Support Annex, (B) retaining family offices, including the Asset Manager and North Bay, for services, and (C) sharing professional expenses by the Trust Pledgors and Holding Company Pledgors with other Shareholder Released Parties (including by transferring funds to one or more Payment Parties who are designated payors of such expenses under the Master Settlement Agreement);

(ii) (A) the hiring and retention of "family offices" for investment management and related (e.g., book keeping, tax preparation) services and the payment, subject to Section 5.01(iii), of management fees and budgeted expenses, (B) Kokino's (or any successor or replacement family office) management of the assets and investment activities of the Trust Pledgors and the Holding Company Pledgors (e.g., Kokino may move assets within the Holding Company Pledgors structure and make investment decisions in its discretion), and (C) in the case of the foregoing, activities incidental thereto (e.g., setting the budget for Kokino), other than activities that have an adverse impact on the Secured Party's security interest in the Collateral;

(iii) (A) Contributions from any Designated Asset Proceeds Account to a Holding Company Pledgor or an Investment Holding Vehicle and (B) transactions between and among any

IAC Account, Holding Company Pledgor, Investment Holding Vehicle, and any of their respective Subsidiaries (as applicable), in each case of (A) and (B), solely to the extent among Persons that are within the Applicable Payment Group. For clarity, this includes (i) transfers directly between any Holding Company Pledgor and any Investment Holding Vehicle and (ii) transfers from any Subsidiary of a Holding Company Pledgor or Investment Holding Vehicle to its parent entity;

(iv) transactions required or expressly permitted by the Master Settlement Agreement (including any Settlement) to be entered into with a Related Party, including (A) transfers of Sale Proceeds and IAC Distributions to IAC Accounts, (B) Permitted Withdrawals from IAC Accounts and (C) transactions the purpose of which is to facilitate the transfer of assets to make payments under the Master Settlement Agreement and the remittance of cash and “funds flow” to effect the same (e.g., pursuant to Sections 2.01(j) and 2.02(c) of the Master Settlement Agreement), so long as, in each case, the intent, purpose and primary effect of such transaction shall not be to circumvent the provisions of this Credit Support Annex;

(v) unsecured loans using the Applicable Federal Rate as the interest rate, along with extensions of such loans;

(vi) transactions permitted under Section 5.01;

(vii) the appointment of bona fide third party professionals as trustees and the retention of such professionals respective firms; provided that the payment of professional fees to such professionals from the Collateral shall be otherwise permitted under this Credit Support Annex;

(viii) transactions certified as arm’s length in an opinion by an Independent Financial Advisor; provided that, in the case of any Related Party Transaction or series of related Related Party Transactions with an aggregate value in excess of \$50,000,000 such opinion shall be in form reasonably satisfactory to the Secured Party;

(ix) transactions that are required by the Security Documents;

(x) indemnification arrangements that are consistent with past practice, entered into by the Pledgors or any of Investment Holding Vehicle with the former, current and future trustees, managers, officers, employees, agents, and consultants and professional advisors of any Pledgor, any Investment Holding Vehicle, any family office (e.g., Kokino and North Bay), the Sackler Parties’ Representative, and any other entity owned in whole or in part by any member of the Applicable Payment Group;

(xi) the repayment (including prepayment) and extension of loans made prior to the Settlement Effective Date;

(xii) the Asset Management Agreements (and transactions arising pursuant to the terms thereof) as in effect on the Settlement Effective Date, and as may be amended, modified, supplemented or replaced thereafter; provided that any such amendment, modification, supplement or replacement, taken as a whole, is not materially less favorable to the Secured Party;

(xiii) each Holding Company Pledgor, Investment Holding Vehicle and any Subsidiary thereof may form and capitalize (i.e., contribute capital from time to time) one or more investment vehicles with a Related Party, and may make transfers to, and receive transfers from, any such investment vehicle, Holding Company Pledgor, Investment Holding Vehicle, Subsidiary or Related Party, in each case, in a manner consistent with past practice or standard practice for the

investment industry, so long as (A) such investment vehicle(s) ultimately makes similar investments in persons other than Related Parties consistent with the investment criteria of the Asset Manager, (B) any Disposition of the equity interests of such investment vehicle is for reasonably equivalent value, and (C) any capitalization of such investment vehicle, or distribution by such investment vehicle, is made either (x) on a pro rata basis on account of the equityholders' respective interests in such investment vehicle, or (y) in accordance with the applicable organizational documents, shareholders' agreement, subscription agreements, or other shareholder documents of such investment vehicle (to the extent the material terms of such document(s) are consistent with past practice or reasonably customary in the investment industry), so long as (1) in the case of capitalization or contributions, such capitalization or contribution does not reduce the Value of the Collateral after giving effect to such transaction, and (ii) in the case of distributions, such distribution does not reduce the Adjusted Collateral Value after giving effect to such transaction; and

(xiv) transfers of funds by a Holding Company Pledgor or Investment Holding Vehicle to PRA L.P. (or any direct or indirect owner of PRA L.P., which owner shall promptly contribute the funds to PRA L.P., if such owner is a direct owner of PRA L.P., or, if such owner is an indirect owner of PRA L.P., to such owner's Subsidiaries until such funds are received by PRA L.P.) or any Trust Pledgor which funds are applied to pay Payment Obligations or third-party legal, settlement, professional and related costs and expenses incurred by (x) PRA L.P. or (y) any Trust Pledgor or any one or more beneficiaries of any Trust Pledgor, in each case, in respect of any settlement or litigation whether such fees and related expenses were incurred prior to, on or after the Settlement Effective Date (but not, for the avoidance of doubt, the costs of any judgment against any such party) and which payments would otherwise be permitted to be made by such Holding Company Pledgor or Investment Holding Vehicle hereunder.

For the avoidance of doubt, to the extent a transaction subject to this Section 5.02 constitutes a Restricted Payment or is otherwise restricted by this Article V, such transaction shall also be subject to the applicable limitations on Restricted Payments or as otherwise set forth in this Article V.

Section 5.03 Indebtedness. The Holding Company Pledgors and their Subsidiaries shall not, and shall not permit any direct or indirect Subsidiary or Investment Holding Vehicle to, incur or guaranty Indebtedness for Borrowed Money, except:

(a) Indebtedness for Borrowed Money to finance payments under any Settlement Agreement under the Master Settlement Agreement; provided that (A) as of any date of determination, the aggregate principal amount of Indebtedness for Borrowed Money incurred under this clause (a) at any time outstanding shall not exceed the amount of the Applicable Payment Group's next scheduled Settlement Payment Obligation, (B) Indebtedness for Borrowed Money incurred under this clause (a) shall have a maturity date less than 12 months from the applicable borrowing date, and (C) the net proceeds of such Indebtedness for Borrowed Money are promptly applied to fund such payments;

(i) a Holding Company Pledgor, an Investment Holding Vehicle, any of their respective Subsidiaries, any other entity in which any Holding Company Pledgor, an Investment Holding Vehicle or any of their respective Subsidiaries owns any equity interests, or any combination of the foregoing, or

(ii) any other Person so long as, solely in the case of this clause (ii), the payment for such investment with proceeds of such Indebtedness for Borrowed Money shall be deemed a Restricted Payment, and such Indebtedness for Borrowed Money shall be permitted only if such Restricted Payment is made in compliance with Section 5.01;

it being understood and agreed that the foregoing proviso to Section 5.03(b) shall in no event restrict any subsequent transfer of such investment to any other person, so long as (x) if such transfer is to person that would result in a Restricted Payment, such Restricted Payment shall be permitted under Section 5.01, and (y) if such transfer is to Related Party, such Related Party transaction shall be permitted under Section 5.02;

(c) Indebtedness for Borrowed Money that constitutes purchase money indebtedness incurred in connection with the acquisition of assets (including real estate), so long as (x) any Liens securing such Indebtedness for Borrowed Money are limited solely to the assets being acquired, (y) such assets being acquired are acquired and remain owned by the Holding Company Pledgor or Subsidiary incurring such purchase money indebtedness and (z) such assets are acquired within ninety (90) days of the incurrence of such indebtedness, and any extensions, refinancings, renewals and replacements thereof, so long as such extension, refinancing, renewal or replacement does not exceed in a principal amount the Indebtedness for Borrowed Money being renewed, extended, replaced or refinanced plus accrued interest, fees and premiums (if any) thereon and reasonable fees and expenses associated with the extension, refinancing, renewal or replacement;

(d) Indebtedness for Borrowed Money (i) pursuant to tenders, statutory obligations, bids, leases, governmental contracts, trade contracts, surety, stay, customs, appeal, performance and/or return of money bonds or other similar obligations incurred in the ordinary course of business, consistent with past practice or consistent with the investment management and/or financial services industries and (ii) in respect of letters of credit, bank guaranties, surety bonds, performance bonds or similar instruments to support any of the foregoing items;

(e) (i) Indebtedness for Borrowed Money incurred in the ordinary course of business, consistent with past practice or consistent with the investment management and/or financial services industries in respect of obligations of the Holding Company Pledgors and their Subsidiaries to pay the deferred purchase price of goods or services or progress payments in connection with such goods and services, in each case, for the benefit of the applicable Pledgor and its Subsidiaries and (ii) Indebtedness for Borrowed Money in respect of letters of credit, bankers' acceptances, bank guaranties, surety bonds, performance bonds or similar instruments with respect to such Indebtedness for Borrowed Money entered into in the ordinary course of business, consistent with past practice or consistent with the investment management and/or financial services industries;

(f) Indebtedness for Borrowed Money existing, or pursuant to commitments existing, on the Settlement Effective Date and any extensions, refinancings, renewals and replacements thereof, so long as such extension, refinancing, renewal or replacement does not exceed in a principal amount the Indebtedness for Borrowed Money being renewed, extended, replaced or refinanced plus accrued interest, fees and premiums (if any) thereon and reasonable fees and expenses associated with the extension, refinancing, renewal or replacement;

(i) Liens created by the Security Documents;

(ii) Permitted Encumbrances;

(iv) Liens on assets and property of the Holding Company Pledgors and their Subsidiaries (other than Equity Interests in a Holding Company Pledgor or Investment Holding Vehicle, the IAC Pledged Shares, or any Cash Collateral Account, IAC Account or Designated Assets Proceeds Account) securing Indebtedness for Borrowed Money permitted under Section 5.03(c); provided that such Liens are solely on (a) the assets or property so acquired with the proceeds of such Indebtedness for Borrowed Money and any permitted extensions, refinancings, renewals and replacements thereof, (b) any after-acquired property that is affixed or incorporated into the assets covered by such Lien and (c) proceeds and products thereof, accessions, replacements or additions thereto or replacements thereon (it being understood that individual financings of the type permitted by Section 5.03(c) provided by any lender may be cross-collateralized to other financings of the type provided by such lender or its affiliates); and

(f) providing indemnification to its officers and directors (or other equivalent Persons), and

(g) any transaction expressly permitted to be entered into by such Holding Company Pledgor under this Credit Support Annex, the Master Settlement Agreement and any Settlement Agreement.

Section 5.06 Fundamental Changes. The Pledgors shall not consolidate, merge, divide, dissolve or liquidate unless (i) either (A) the applicable Pledgor is the surviving entity or (B) the resulting, surviving or transferee Person is a “domestic trust” for U.S. Federal tax purposes or a Person (solely in the case of a Holding Company Pledgor) organized or existing under the laws of the United States that assumes the Obligations of the applicable Pledgor under the Security Documents pursuant to Section 2.05 (and, if applicable, the Obligations of the Pledgor under the Master Settlement Agreement), (ii) such consolidation, merger, division, dissolution or liquidation, after giving effect to clause (i) above, shall not have a material adverse impact on the value of, and the Secured Party’s interest in, and/or the rights and remedies of the Secured Party with respect to the Collateral (after giving effect to any liabilities with respect thereto), (iii) the Secured Party’s security interest in the Collateral shall remain perfected (without change in or loss of priority) and (iv) in the case of clause (i)(B) above, if reasonably requested by the Secured Party, the applicable Trust Pledgor or Holding Company Pledgor shall deliver to the Secured Party an opinion of counsel, regarding the enforceability and perfection of the relevant security interest with respect to the Collateral and such other matters consistent with Section 2.05(d).

Notwithstanding the foregoing,

(A) any Trust Pledgor may undergo a division or similar reorganization into one or more other continuing trusts in accordance with the terms of its governing instrument (which for the avoidance of doubt, does not include giving effect to the exercise of a power of appointment, which shall for purposes of the Definitive Documents be treated in the same manner as a distribution to be made upon a termination of a trust) to the extent (i) the resulting trust(s) deliver a Trust Certification to the MDT and take any and all steps that are necessary to maintain the perfection of the Secured Party’s Lien on the Collateral (without change in priority), (ii) Exhibit K of the Master Settlement Agreement is updated as may be needed to include the Assuring Parties with respect to the resulting trust(s) (to the extent not already listed) and (iii) each Assuring Party who is a Power Holder with respect to the resulting trust(s) has delivered a Further Assurances Undertaking to MDT to the extent they have not already provided such Further Assurances Undertaking; provided that, for the avoidance of doubt, clauses (i) through (iii) of this sentence shall not apply to appointments or distributions from one trust to another that are otherwise permitted hereunder or under the Master Settlement Agreement; and

(B) a Permitted Trust Restructuring may be consummated so long as the Permitted Trust Restructuring Conditions shall have been satisfied in connection therewith.

Section 5.07 Listed Transactions. Each Trust Pledgor shall not (and shall not cause or permit any Holding Company Pledgor owned by it to) be a party to any transaction that it knew, or reasonably should have known, is a Listed Transaction as of the time it entered into the transaction (or, if earlier, the time it entered into a binding commitment to enter into the transaction, provided that, for purposes of this covenant, (i) the Plan and Master Settlement Agreement and the payments and transactions contemplated

thereby shall not be taken into account and (ii) no Trust Pledgor shall be treated as a party to a Listed Transaction that is entered into by any collective investment vehicle or other entity if (A) such entity is managed by a professional investment advisor that is unaffiliated with the Trust Pledgor (or any of its Related Parties); provided that, for purposes of this subclause (A), the Asset Manager and any other Sackler “family office” shall not be considered unaffiliated with the Trust Pledgor; and (B) the Trust Pledgor (together with any of its Related Parties) does not have dominion and control over the entity’s investment decisions.

Section 5.08 Amendments or Waivers of Organizational Documents. The Trust Pledgors, Holding Company Pledgors and Investment Holding Vehicles shall not make or permit any amendment, restatement, supplement or other modification to, or waiver of, any such Person’s organizational documents (including trust documentation) after the Settlement Effective Date, in each case, to the extent the same (a) would materially adversely affect the perfection or priority of the Secured Parties’ Lien on the Collateral, (b) adds to the beneficiaries of a Trust Pledgor other than by adding a charity, former beneficiary, the spouse of a current or former beneficiary or by reason of the exercise of a power of appointment by a Person other than the trustee of such Trust Pledgor acting in such Person’s capacity as trustee (and not in their own individual or personal capacity), or (c) would reasonably be expected to be otherwise materially adverse to the interests of the MDT (or any other Secured Party) or the ability of the Payment Parties under the Master Settlement Agreement relating the Applicable Payment Group, taken as a whole, to perform their Obligations and otherwise pay the Full Outstanding Settlement Amount under the Master Settlement Agreement, other than as permitted under the Master Settlement Agreement, without obtaining the prior consent of MDT to such amendment, restatement, supplement or other modification or waiver (such consent not to be unreasonably withheld or delayed) or thereafter taking such steps as are necessary to maintain the perfection and priority of the Secured Party’s Lien on the Collateral; provided that, for purposes of clarity, it is understood and agreed that the Trust Pledgors and the Holding Company Pledgors may effect a change to its organizational form and/or consummate any other transaction that is not prohibited under this Credit Support Annex.

Section 5.09 Restrictive Agreements. The Pledgors shall not, nor permit their respective Subsidiaries to, enter into any transaction or series of related transactions that would restrict or impair in any material respect the ability of the Pledgors to sell, Dispose of or otherwise liquidate all or substantially all of the assets and properties of such Pledgor or Subsidiary, except:

- (a) as required under the Master Settlement Agreement and the Security Documents;
- (b) transfer restrictions contained in documentation governing individual investments which have been entered into in the ordinary course of business or pursuant to standard industry practices;
- (c) restrictions with respect to the assets and properties of the Trust Pledgor in effect on the Settlement Effective Date (and any replacements thereof);
- (d) customary provisions restricting assignments contained in agreements entered into in the ordinary course of business or pursuant to standard industry practices so long as such restrictions relate to such agreement which do not restrict the sale, Disposition or liquidation of all or substantially all of the assets and properties of such Pledgors; and
- (e) restrictions in agreements governing Indebtedness for Borrowed Money permitted under Section 5.03 and Section 5.04; provided that such restrictions do not materially interfere with or otherwise prohibit (i) such Trust Pledgor from performing and satisfying its Obligations under the Master Settlement Agreement or (ii) such Holding Company Pledgor or Investment Vehicle from performing and satisfying the Obligations under this Credit Support Annex.

Section 5.10 Change in Trustees. Each Trust Pledgor shall not permit or otherwise recognize the appointment of (including by granting control over any trust asset to) any additional or replacement trustee of such Trust Pledgor, unless and until such additional or replacement trustee (A) becomes a party to the Master Settlement Agreement, the Pledge Agreement, and any other applicable Security Documents in its capacity as such trustee of the applicable Trust Pledgor, (B) the trustees of such Trust Pledgor deliver an updated Trust Certification and (C) takes any and all steps that are necessary to maintain the perfection and priority of the Secured Party's lien on the Collateral.

Section 5.11 Asset Composition. Each Holding Company Pledgor shall use commercially reasonable efforts to ensure that, in the aggregate across all Holding Company Pledgors and their Investment Holding Vehicles, at least twenty percent (20%) of the Full Outstanding Settlement Amount at any given time is held in the form of cash, cash equivalents, marketable securities and/or hedge funds (the "**Liquidity Covenant**"), based on all information known at such time and, in the case, of hedge funds limiting such qualifying investments to those investments whose governing documents provide for quarterly (or more frequent) liquidity. Notwithstanding anything to the contrary herein, there shall be no other limitations on the composition of the Applicable Payment Group's assets.

Section 5.12 Cash Collateral Accounts.

(a) Any Holding Company Pledgor may establish and fund a cash collateral account (a "**Cash Collateral Account**") with a commercial bank or other financial institution in the United States (it being understood that any U.S. financial institution that is not a U.S. commercial bank shall be reasonably satisfactory to the MDT) after the Settlement Effective Date in its sole discretion; provided that (i) after such account is designated by such Holding Company Pledgor as a "Cash Collateral Account" for purposes of this Credit Support Annex, such Cash Collateral Account shall at all times be subject to a Control Agreement in favor of the Secured Party, (ii) no assets shall be maintained in a Cash Collateral Account other than cash or cash equivalents, (iii) such Cash Collateral Account shall be held by a Holding Company Pledgor and granted as Collateral in favor of the Secured Party to secure the Applicable Payment Group's Obligations under the Master Settlement Agreement pursuant to the Security Documents, and (iv) no withdrawals, payments or transfers of any assets maintained in a Cash Collateral Account shall be permitted except to the extent set forth below.

(b) Prior to a Partial Release Date, the Cash Collateral Accounts shall be like any other account of a Holding Company Pledgor for purposes of this Credit Support Annex (except with respect to the requirement to maintain such account subject to a Control Agreement).

(c) Following a Partial Release Date, then, notwithstanding anything to the contrary in this Credit Support Annex:

(i) All Liens on Collateral (other than the Cash Collateral Accounts, which will remain subject to the terms hereof) shall terminate, and funds may be withdrawn from the Collateral that does not constitute Cash Collateral Accounts (including IAC Accounts as "Permitted Withdrawals") without restriction at the relevant Payment Party's discretion, in each case subject to this Section 5.12;

(ii) All affirmative covenants and negative covenants under this Credit Support Annex shall terminate, except (A) obligations to maintain the Cash Collateral Accounts (which will remain subject to the terms hereof), (B) reporting obligations consistent with Section 4.01 (which shall apply only to the Cash Collateral Accounts following a Partial Release Date and prior to the occurrence of a Reinstatement Date) and (C) restrictions on transfers from the Cash Collateral Accounts set forth in this Section 5.12; and

(iii) Each Holding Company Pledgor holding a Cash Collateral Account shall not transfer (or direct the transfer of) any assets from its Cash Collateral Account, or make any withdrawals, payments or other transfers of any assets or amounts held therein or credited thereto (or direct any such transfers), except:

(a) to make investments in cash equivalents that are held in such Cash Collateral Account;

(b) to pay account bank fees and other reasonable and customary expenses of maintaining such Cash Collateral Account;

(c) to pay taxes on income from and gains on investments held in such Cash Collateral Account;

(d) to pay Payment Obligations and any other prepayment or defeasance of a Settlement Payment Obligation of the Applicable Payment Group or other amounts owed under any Settlement Agreement under the Master Settlement Agreement; or

(e) for any other purpose, but only to the extent the aggregate Value of the Cash Collateral Accounts after giving effect to such withdrawal, payment or transfer will not be less than the Full Outstanding Settlement Amount at such time.

(d) If, at any time after a Partial Release Date, the aggregate Value of the Cash Collateral Accounts attributable to the Applicable Payment Group falls below the Full Outstanding Settlement Amount (a “**Reinstatement Date**”), all terms, conditions, covenants and restrictions of this Credit Support Annex will automatically reapply and remain in effect. However, if another Partial Release Date subsequently occurs, the above provisions will again apply until another Reinstatement Date occurs thereafter.

ARTICLE VI. ADDITIONAL CONDITIONS PRECEDENT

Section 6.01 In addition to the conditions set forth in Section 10.01 of the Master Settlement Agreement, the occurrence of the Settlement Effective Date shall be subject to the satisfaction or waiver by the MDT with the consent of the Ad Hoc Committee and the Creditors’ Committee (which consent shall not be unreasonably withheld or delayed) of the following conditions:

(a) The MDT (or its counsel) shall have received duly executed copies of the Pledge Agreement and the Control Agreement(s) in respect of the Designated Assets Proceeds Account; provided that if a Control Agreement for any Designated Asset Proceed Account cannot be obtained prior to the Settlement Effective Date after using commercially reasonable efforts to do so, such Control Agreement shall be delivered within 60 days after the Settlement Effective Date (as such time period may be extended by the MDT in its reasonable discretion);

(b) The MDT (or its counsel) shall have received a UCC-1 financing statement in a form prepared for filing in the jurisdiction of organization of each Pledgor and otherwise in form and substance reasonably satisfactory to the MDT (or its counsel);

(c) All Equity Interests of the Holding Company Pledgors and the Investment Holding Vehicles shall have been pledged pursuant to the Security Documents and/or the provisions hereof and the MDT (or its counsel) shall have received all (i) certificates or instruments, if any, representing such

Equity Interests pledged under the Security Documents, accompanied stock transfer powers or other instruments of transfer (if any) with respect thereto endorsed in blank and (ii) uncertificated securities control agreements, substantially in the form exhibited to the Pledge Agreement, with respect to any uncertificated securities of the Holding Company Pledgors and/or the Investment Holding Vehicles; and

(d) The Pledgors shall have delivered to the MDT (or its counsel) no later than five (5) Business Days before the target Settlement Effective Date a valuation showing that the Target Value has been met in compliance with Section 3.01(b)(ii).

(i) The Secured Party shall provide the Asset Manager with not less than sixty (60) days advance written notice of the target Settlement Effective Date. Based on that notice, such valuation shall:

(1) be presented as of a recent date chosen by the Asset Manager within the windows described below (the “**Valuation Date**”):

(aa) if the target Settlement Effective Date occurs before the 15th day of any given month, then the Valuation Date shall be the last day of the month that immediately precedes the date that is 90 days prior to the target Settlement Effective Date or a more recent date, if such information has been received from third parties. For example, if the target Settlement Effective Date is March 3, 2026, then the Valuation Date shall be November 30, 2025 or a more recent date.

(bb) if the target Settlement Effective Date occurs on or after 15th day of any given month, then the Valuation Date shall be not more than 90 days prior to the target Settlement Effective Date or a more recent date, if such information has been received from third parties. For example, if the target Settlement Effective Date is March 21, 2026, then the Valuation Date shall be December 22, 2025, or a more recent date (e.g., December 31, 2025); and

(2) be certified by an Independent Financial Advisor.

(ii) If the Secured Party postpones the target Settlement Effective Date, it shall provide the Asset Manager with no less than thirty (30) days’ prior written notice of the revised target Settlement Effective Date, which shall supersede the previously designated target Settlement Effective Date. Any previously delivered certified valuation shall remain valid; provided that, if as a result of such postponement the Valuation Date would fall outside the permitted 90-day window described above by more than thirty (30) days, the Pledgors shall deliver an updated valuation certified by an Independent Financial Advisor in accordance with this Section 6.01(d).

(iii) In addition, on the actual Settlement Effective Date, the Pledgors (or, based on their information, the Asset Manager) shall certify to the Secured Party that no assets have been transferred from the Collateral since the Valuation Date (other than in the ordinary course) that would reasonably be expected to reduce the Value of the Collateral below the Target Value.

(iv) The Target Value shall reflect the most recent Value of each asset and liability recorded in the Pledgor’s books and records as of the Valuation Date, which such books and

records shall reflect the most recently available information from third party sources. However, with respect to cash, cash equivalents and marketable securities, the Target Value shall reflect the most current Values reasonably required by the Independent Financial Advisor to complete its certification in a timely manner in advance of the Settlement Effective Date. No Pledgor shall be required to engage third parties to obtain new valuations not already reflected in its records.

Section 6.02 Notwithstanding anything herein or in the Master Settlement Agreement or any Pledge Agreement to the contrary, if the MDT waives any of the conditions specified in this Section 6.01 without the consent of the Pledgors, then in no event may the MDT or any other Secured Party subsequently claim or assert that a Breach has occurred due to the failure of the Pledgors or any other member of the Applicable Payment Group to satisfy any of the conditions specified in this Section 6.01 or any matter related thereto.

ARTICLE VII. ENFORCEMENT EVENT; REMEDIES

Section 7.01 Occurrence of an Enforcement Event; Priority of Payments. Upon the occurrence and during the continuance of an Enforcement Event with respect to any Trust Pledgor or the Applicable Payment Group, the Secured Party shall have the right to exercise all rights and remedies against the Collateral of the applicable Trust Pledgor or the Applicable Payment Group, as applicable, as provided in this Credit Support Annex and the Security Documents, including all rights and remedies available under the UCC (and any similar local laws applicable to the relevant party). If the Enforcement Event relates to a Trust Pledgor (including an Enforcement Event relating to the Applicable Payment Group), the Secured Party shall have the right to foreclose upon the Collateral of such Trust Pledgor, to direct the liquidation of any Holding Company Pledgors and Investment Holding Vehicles or other respective direct or indirect Subsidiaries (provided that the Secured Party's rights to liquidate any assets or property of, or interests in, non-wholly owned entities shall be subject to any applicable transfer restrictions imposed by law or contract) owned by such Trust Pledgor, and to exercise exclusive control over the Designated Asset Proceeds Accounts and IAC Accounts of such Trust Pledgor.

The Secured Party shall apply the proceeds of any such enforcement in the manner set forth in Section 9.02(d) (Priorities) of the Master Settlement Agreement, and shall remit any remaining proceeds to the applicable party (in the case of Trust Pledgors, to the relevant Pledgor(s); and in the case of Non-ICSP Payment Parties, to such Non-ICSP Payment Party). For the avoidance of doubt, (i) the Secured Party shall have no rights to enforce remedies under any account control agreement (including, without limitation, any right to submit a notice of exclusive control (or equivalent notice) thereunder) unless and until an Enforcement Event has occurred and is continuing and (ii) the Secured Party shall have no claim to, or rights in, any Equity Interests (or related assets) in a non-wholly owned Subsidiary that are held by the minority investor(s) therein, to the extent such minority investors are not members of the Applicable Payment Group.

Section 7.02 Breaches.

(a) If any Trust Pledgor or any Holding Company Pledgor owned by such Trust Pledgor fails to comply with any of the following provisions of this Credit Support Annex and the Secured Party provides notice to the Sackler Parties' Representative pursuant to Section 11.01 of the Master Settlement Agreement, such failure shall constitute a Breach Trigger with respect to the Persons in Breach described below, and if the Breach Trigger continues for thirty (30) days or more, it shall be deemed a Specified Breach with respect to the Persons in Breach to the extent set forth below (provided that, if the Pledgors have taken steps during such period to cure such Breach Trigger and are diligently prosecuting such cure,

the Persons in Breach shall have an additional thirty (30) days to cure (to the extent capable of being cured during such period) before a Specified Breach shall be deemed to have occurred):

(i) Any Breach caused by an action or omission within a Trust Pledgor's (or a Subsidiary of such Trust Pledgor's) control (and not, for the avoidance of doubt, any Breach as the result of an action or failure to act on the part of the Secured Party) that materially adversely affects the perfection or priority of the Secured Parties' Lien on a material portion of the Collateral of (i) such Trust Pledgor and (ii) each Trust Pledgor that is an Affiliate of such Trust Pledgor, when taken as whole, shall be a Specified Breach of such Trust Pledgor, its Holding Company Pledgors, each Trust Pledgor that is an Affiliate of such Trust Pledgor and such affiliated Trust Pledgors' Holding Company Pledgors (it being understood that an "Affiliate" of a Trust Pledgor for purposes of this Section 7.02(a)(i) and Article VIII means (A) any revocable trust having the same grantor as such Trust Pledgor, (B) any trust of which a majority of the Power Holders also comprise a majority of the Power Holders of such Trust Pledgor, or (C) any trust for which all of the trustees are the same as those of such Trust Pledgor, in each case provided that a Crossover Member shall not be an Affiliate of a non-Crossover Member);

(ii) Any Breach of Section 5.01 shall be a Specified Breach of the Applicable Payment Group if the Collateral Coverage Ratio of the Applicable Payment Group is less than 1.10 to 1.00 (after giving pro forma effect to the applicable Restricted Payment giving rise to such Breach Trigger (or if such Collateral Coverage Ratio is less than 1.10 to 1.00 at the time of such Breach Trigger)); and

(iii) Following a Partial Release Date and prior to a Reinstatement Date, any Breach of the Cash Collateral Accounts covenant set forth in Section 5.12(c)(iii) shall be a Specified Breach of the Applicable Payment Group.

(b) Without limitation of the provisions set forth in Section 7.02(a) above, if any Trust Pledgor or any Holding Company Pledgor owned by such Trust Pledgor commits any Breach set forth in this Section 7.02(b) and the Secured Party provides notice to the Sackler Parties' Representative pursuant to Section 11.01 of the Master Settlement Agreement, such failure shall constitute a Breach Trigger with respect to such Trust Pledgor and its Holding Company Pledgors, and if the Breach Trigger continues for thirty (30) days or more, it shall be deemed a Specified Breach with respect to such Trust Pledgor and its Holding Company Pledgors to the extent set forth below (provided that, if the Pledgors have taken steps during such period to cure such Breach Trigger, and are diligently prosecuting such cure, the Applicable Payment Group shall have an additional thirty (30) days to cure such Breach Trigger (to the extent capable of being cured during such additional period) before a Specified Breach shall be deemed to have occurred):

(i) Any Breach caused by an action or omission within a Trust Pledgor's (or a Subsidiary of such Trust Pledgor's) control (and not, for the avoidance of doubt, any Breach as the result of an action or failure to act on the part of the Secured Party) that materially adversely affects the perfection or priority of the Secured Party's Lien on a material portion of such Trust Pledgor's Collateral;

(ii) Any Breach of Section 5.01;

(iii) Any Breach of Section 5.02 involving any transaction or series of transactions exceeding \$25,000,000 in the aggregate with respect to the Applicable Payment Group shall be a Specified Breach of each Trust Pledgor in Breach (and each Trust Pledgor with a Holding Company Pledgor in Breach) of such covenant;

- (iv) Any Breach of Section 5.03; and
- (v) Any Breach of Section 5.04.

(c) Any other breach by any Trust Pledgor or Holding Company Pledgor owned by such Trust Pledgor, as applicable, of any term, covenant or agreement contained in this Credit Support Annex or any Security Document that is not set forth in clauses (a) or (b) above or in the event any representation or warranty made or deemed made by a Pledgor in any Definitive Document or any certificate, notice, or document delivered in connection therewith shall prove to have been incorrect or misleading in any material respect at the time made or deemed to have been made shall constitute a Non-Specified Breach with respect to such Trust Pledgor if not cured within thirty (30) days following notice by the MDT to the Sackler Parties' Representative of such Breach pursuant to Section 11.01 of the Master Settlement Agreement.

ARTICLE VIII. TERMINATION

The obligations described in this Credit Support Annex shall terminate, and all security interests granted in this Credit Support Annex shall be automatically released, on the first to occur of the following:

(i) the date on which the Master Settlement Agreement terminates following the Settlement Effective Date pursuant to its terms (e.g., pursuant to Section 2.04 of the Master Settlement Agreement); and

(ii) the date on which the Full Outstanding Settlement Amount and any other accrued and outstanding Payment Obligations of each Payment Party in the Applicable Payment Group under the Master Settlement Agreement (including any Payment Obligation owed by the Applicable Payment Group as a whole, but excluding Payment Obligations resulting from Breaches attributable only to individual Payment Parties that are not Trust Pledgors or Subsidiaries thereof) have been paid in full in cash and reduced to \$0 (including by way of prepayment or other advanced payments), other than (A) any contingent obligations for which no claim or demand for payment, whether oral or written, has been made at such time, and (B) Payment Obligations that are several obligations of a given Payment Party and its Affiliates and for which neither the Applicable Payment Group as a whole nor any other Trust Pledgor or Subsidiary thereof is responsible for paying or otherwise liable under the Master Settlement Agreement.

Notwithstanding the foregoing:

(i) obligations of the Pledgors under the applicable collateral documents, and all security interests thereunder, shall be automatically reinstated if and to the extent that, for any reason, the MDT is required to disgorge, turn over, or otherwise pay to the Applicable Payment Group any amount paid to the MDT or any creditor trust by or on behalf of the Applicable Payment Group, whether as a result of any proceeding in bankruptcy or reorganization or otherwise; and

(ii) to the extent the only remaining Payment Obligations of the Payment Parties in the Applicable Payment Group outstanding at any given time consist solely of Payment Obligations described in clause (ii)(B) immediately above, this Credit Support Annex shall continue in effect solely with respect to each Trust Pledgor that is obligated in respect of such Payment Obligations, any Subsidiaries of such Trust Pledgors, each Affiliate of such Trust Pledgors, and any Subsidiaries of such Affiliates, and shall otherwise terminate as provided above

(it being understood that the term “Affiliate” for purposes of this Article VIII shall have the same meaning therefor as set forth in Section 7.01(a)(i) of Article VII of this Credit Support Annex).

**ARTICLE IX.
MISCELLANEOUS**

Section 9.01 Escrow Accounts.

(a) Consistent with the Master Settlement Agreement’s definition of “Retained Payment Amount,” all amounts paid by or on behalf of the Applicable Payment Group into an escrow account on or following the Settlement Effective Date, whether pursuant to this Agreement or any other Settlement Agreement (including direct settlements, such as opt-out class action settlements that have not become effective as of the Settlement Effective Date), shall be deemed to have been actually paid by the Applicable Payment Group on such Payment Date and shall reduce the Applicable Payment Group’s Full Outstanding Settlement Amount as of that date.

(b) If any portion of such escrowed amounts is subsequently returned to the Applicable Payment Group pursuant to the Master Settlement Agreement or the applicable Settlement Agreement, then:

(i) such returned amounts shall no longer be deemed to have been paid as of the original Payment Date (and the Full Outstanding Settlement Amount shall be adjusted accordingly); and

(ii) such amounts received by Trust Pledgors (directly or indirectly) shall be promptly deposited into the Collateral and become subject to this Credit Support Annex.

(c) The Trust Pledgors’ share of any escrowed amounts held in escrow accounts required by the Master Settlement Agreements (including Grantor Trust Escrow Accounts described in Exhibit Z), the “Project Apollo IAC escrow accounts” and any other escrow account holding funds to be applied towards Payment Obligations shall be deemed to be held in Holding Company Pledgors (including for purposes of the thresholds set forth in Section 3.01 and determining the Target Value).

Section 9.02 Certain Representations. Each of the Trust Pledgors represents and warrants to the MDT on the Settlement Effective Date that:

(a) Related Party Loan Transactions. The aggregate principal amount of Indebtedness for Borrowed Money owing by (i) any Holding Company Pledgor or any of its Subsidiaries, on the one hand, to (ii) Related Parties (other than Holding Company Pledgors and their respective Subsidiaries), on the other hand, and outstanding as of the Settlement Effective Date does not exceed \$25,000,000 in the aggregate.

(b) Existing Indebtedness. The aggregate principal amount of Indebtedness for Borrowed Money of the Holding Company Pledgors and their respective Subsidiaries outstanding as of the Settlement Effective Date, that is not otherwise permitted under Section 5.03 (other than Section 5.03(f)), does not exceed \$25,000,000 in the aggregate.
